Explanatory Note

This Form 8-K/A is being filed as an amendment to the Current Report on Form 8-K filed by National Health Investors, Inc. (the "Company") with the Securities and Exchange Commission on May 6, 2011 (the Original Report). The sole purpose of this amendment is to disclose the Company's decision regarding how frequently it will conduct stockholder advisory votes on executive compensation. No other changes have been made to the Original Report.

Item 5.07. Submission of Matters to a Vote of Security Holders.

At the Company's 2011 Annual Meeting of Stockholders held on May 5, 2011, the Company's stockholders voted on, among other matters, a proposal regarding the frequency of holding advisory votes on executive compensation. As previously reported in the Original Report, the stockholders approved, on an advisory basis, an annual advisory vote on compensation for the Company's named executive officers.

In light of these results, the Board of Directors has determined, consistent with the stockholders' vote on the matter, to annually hold a stockholder advisory vote regarding the compensation of the Company's named executive officers until the next vote on the frequency of such advisory vote is conducted or until the Board of Directors determines that a different frequency for such advisory vote would be in the best interest of the Company's stockholders.
