On April 3, 2014, Credit Acceptance Corporation mailed a Notice of Internet Availability of Proxy Materials containing instructions on how to access our 2014 proxy statement and 2013 annual report and vote online. You may also request a paper proxy statement and proxy card to submit your vote by mail, if you prefer. We encourage you to vote via the Internet. Credit Acceptance Corporation

PROXY STATEMENT

Annual Meeting of Shareholders to be held May 15, 2014

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the "Board") of Credit Acceptance Corporation, a Michigan corporation (the "Company", "Credit Acceptance", "we", "our", or "us"), to be used at the Annual Meeting of Shareholders of Credit Acceptance (the "Annual Meeting") to be held on Thursday, May 15, 2014, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders and in this Proxy Statement. This Proxy Statement and the enclosed form of Proxy were first sent or given to security holders on or about April 3, 2014.

Only shareholders of record at the close of business on March 20, 2014 (the "Record Date") will be entitled to vote at the meeting or any adjournment or postponement thereof. Each holder of the 23,147,104 issued and outstanding shares of our common stock (the "Common Stock") on the Record Date is entitled to one vote per share. The presence, either in person or by properly executed proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum at the Annual Meeting.

Under rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), we are now furnishing proxy materials to our shareholders on the Internet, rather than mailing printed copies of those materials to each shareholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request one. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials on the Internet. If you received a Notice of Internet Availability of Proxy Materials by mail and would like to receive a printed copy of our proxy materials, please follow the instructions included in the Notice of Internet Availability of Proxy Materials.

A proxy may be revoked at any time before it is exercised by giving a written notice to our Corporate Secretary bearing a later date than the proxy, by submitting a later-dated proxy or, if you are a shareholder of record or hold legal authority from a shareholder of record, by voting the shares represented by the proxy in person at the Annual Meeting. Unless revoked, the shares represented by each duly executed, timely delivered proxy will be voted in accordance with the specifications made. If no specifications are made on a duly executed, timely delivered proxy, such shares will be voted FOR the election of directors named in this Proxy Statement, FOR the advisory proposal to approve our executive compensation program, and FOR ratifying the selection of Grant Thornton LLP ("Grant Thornton") as our independent registered public accounting firm for 2014. The Board does not intend to present any other matters at the Annual Meeting. However, should any other matters properly come before the Annual Meeting, it is the intention of such proxy holders to vote the proxy in accordance with their best judgment to the extent permitted by law.

Directors are elected by a plurality of the votes cast at the Annual Meeting. The approval of an advisory vote on executive compensation and the ratification of the selection of Grant Thornton as our independent registered public accounting firm for 2014 each require the affirmative vote of a majority of the votes cast at the Annual Meeting by the holders of shares entitled to vote thereon.

If you own shares through a bank or broker in street name, you may instruct your bank or broker how to vote your shares. If you do not instruct your bank or broker how to vote such shares, your bank or broker can only vote your shares on the routine matter of ratification of Grant Thornton as our independent registered public accountant for 2014. Without your instructions, your bank or broker is not permitted to vote your shares on any other proposal, resulting in a “broker non-vote” with respect to any such proposal.

If you withhold your vote on the election of directors or abstain from voting on any or all proposals, your shares will be included in the number of shares present and entitled to vote at the meeting and counted for purposes of determining a quorum. Withheld votes and broker non-votes will be excluded entirely from the vote on the election of directors and will therefore have no effect on the election. Abstentions and broker non-votes are not counted as votes cast on the advisory vote on executive compensation and the ratification of the selection of Grant Thornton as our independent registered public accounting firm for 2014 and will therefore have no effect on the outcome of these matters.

The expenses of soliciting proxies will be paid by Credit Acceptance. In addition to solicitation by mail, our officers and employees, who will receive no extra compensation therefore, may solicit proxies personally or by telephone. We will reimburse brokerage houses, custodians, nominees and fiduciaries for their expense in mailing proxy materials to shareholders.

Leadership Structure of the Board

The Board is responsible for evaluating and determining our optimal leadership structure so as to provide independent oversight of management. The Board has the authority to combine or separate the positions of Chairman and Chief Executive Officer as well as determine whether, if the positions are separated, the Chairman is an affiliated director or an independent director. Since January 1, 2002, we have separated the positions of Chairman and Chief Executive Officer. Mr. Foss serves as Chairman of the Board due to his extensive knowledge relating to our line of business and experience with us, which continue to be invaluable to the Board. Mr. Roberts serves as our Chief Executive Officer due to his in-depth knowledge of the Company and his ability to provide strategic guidance to our business operations. The Board periodically reviews our leadership structure to determine if it is still appropriate in light of current corporate governance standards, market practices, our specific circumstances and needs, and any other factors that may be relevant to the discussion. While the Board does not have a lead independent director, the three independent directors on the Board meet separately regularly and rotate responsibility for chairing these separate sessions of the independent directors. The Board believes that the current Board leadership structure is the most appropriate for us and our shareholders at this time.

Risk Oversight of the Board

It is management's responsibility to manage risk and bring to the Board's attention our most material risks. The Board has oversight responsibility of the processes established to report and monitor systems for material risks applicable to us. The Audit Committee regularly reviews our significant risks and exposures and assesses the steps management has taken to minimize such risk.

Meetings and Committees of the Board of Directors

The Board held seven meetings during 2013. All directors attended all meetings of the Board and committees of the Board on which he or she served during 2013, with the exception of Mr. Tryforos, who was absent for two Audit Committee meetings and Mr. Vassalluzzo, who was absent for one Audit Committee meeting. Directors are expected to use their best efforts to be present at the annual meeting of shareholders. All of our directors who were serving at such time of the 2013 Annual Meeting attended the 2013 Annual Meeting.

Standing committees of the Board include the Executive Compensation Committee, the Audit Committee and the Nominating Committee. The members of each of the committees during 2013 were Messrs. Tryforos and Vassalluzzo and Ms. Flanagan. Messrs. Tryforos and Vassalluzzo and Ms. Flanagan were determined to be "independent directors" as defined in Rule 5605(a)(2) of the NASDAQ Stock Market Exchange ("NASDAQ").

The Board has adopted charters for each of the three standing committees. The charters are available on our website at creditacceptance.com through the "Corporate Governance" link on the "Investor Relations" page.

The Executive Compensation Committee held five meetings in 2013. The Executive Compensation Committee's principal responsibilities include: (a) reviewing and approving on an annual basis the compensation of all our executive officers; (b) making recommendations to the Board regarding compensation of non-employee directors; and (c) reviewing and administering all benefit plans pursuant to which our securities (including stock options, restricted share grants, and restricted share unit awards) are granted to our executive officers or directors. The Board has determined that each member of the Executive Compensation Committee satisfies the requirements for compensation committee members contained in Rule 5605(d)(2)(A) of the NASDAQ Stock Market Rules.

The Nominating Committee held four meetings in 2013. The Nominating Committee's principal responsibilities include: (a) establishing criteria for the selection of new Board members and conducting searches and interviews for individuals qualified to become Board members; (b) making recommendations to the Board regarding director nominees for the next annual meeting of shareholders from the pool of identified qualified individuals; and (c) recommending to the Board which directors should serve on the various committees of the Board. The Nominating Committee may use various methods to identify director candidates, including recommendations from existing Board members, management, shareholders, search firms and other outside sources. The Nominating Committee does not have a formal policy of considering diversity in identifying potential director nominees, but believes that diversity, in skills, experience, perspective and background, is an important contributing factor to an effective decision-making process. Director candidates need not possess any specific minimum qualifications, rather, a candidate's suitability for nomination and election to the Board will be evaluated in light of the diversity of skills, experience, perspective and background required for the effective functioning of the Board, as well as our strategy and regulatory and market environments. All nominees are currently directors of Credit Acceptance. When considering whether the nominees have the experience, attributes and skills to serve as a director, the Board focused primarily on the biographical information set forth above. In particular with respect to Mr. Foss, the Board considered his extensive knowledge relating to our line of business and experience with us. With respect to Mr. Roberts, the Board considered his in-depth knowledge of the Company and his ability to provide strategic guidance to our business operations. With respect to Ms. Flanagan, the Board considered her experience on our Board and her significant management experience, expertise and background with regard to accounting and financial matters. With respect to Mr. Tryforos, the Board considered his experience on our Board and his background with regard to investing and financial matters. With respect to Mr. Vassalluzzo, the Board considered his experience on our Board and his expertise and background with regard to investing and financial matters. The Nominating Committee will consider candidates recommended by shareholders using the same procedures and standards utilized for evaluating candidates recommended by other sources. See "Shareholder Proposals and Nominees for 2015 Annual Meeting" for a description of the procedures for shareholders to submit recommendations of candidates for director.

The Audit Committee held ten meetings in 2013. The Audit Committee's principal responsibilities include: (a) overseeing the integrity of our financial statements and financial reporting process, and our systems of internal accounting and financial controls; (b) overseeing the annual independent audit of our financial statements, the engagement of the independent auditors and the evaluation of the independent auditors' qualifications, independence and performance; (c) overseeing our disclosure controls and procedures; (d) overseeing whistleblower procedures (e) approving in advance all audit services and to ensure that a written statement is received from the external auditors setting forth all relationships with us; (f) reviewing and approving any related party transactions; (g) periodically meeting with the Chief Legal Officer and Corporate Secretary and the appropriate legal staff to review our material legal affairs; and (h) acting as the Qualified Legal Compliance Committee. The Board has determined that each of the members of the Audit Committee is "independent", as independence is defined in the applicable NASDAQ and SEC rules for Audit Committee members. The Board has also determined that Mr. Tryforos, Mr. Vassalluzzo and Ms. Flanagan are "audit committee financial experts" as defined by applicable SEC rules and that each of the Audit Committee members satisfies all other qualifications for Audit Committee members set forth in the applicable NASDAQ and SEC rules.

Report of the Audit Committee

In accordance with its written charter, the Audit Committee provides assistance to the Board in fulfilling its responsibility to the shareholders, potential shareholders and investment community relating to oversight of the independent auditors, corporate accounting, reporting practices and the quality and integrity of our financial reports.

In discharging its oversight responsibility as to the audit process, the Audit Committee received from the independent auditors and reviewed a formal written statement describing all relationships between the auditors and us that might

reasonably be thought to bear on the auditors' independence consistent with the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the audit committee concerning independence, and discussed with the auditors any relationships that may reasonably be thought to impact their objectivity and independence and satisfied itself as to the auditors' independence.

The Audit Committee discussed with the independent auditors the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

The Audit Committee reviewed and discussed with management and the independent auditors our audited financial statements as of and for the fiscal year ended December 31, 2013 and the independent auditors' evaluation of our internal control over financial reporting.

Based on the above-mentioned reviews and discussions with management and the independent auditors, the Audit Committee recommended to the Board that our audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC. The Audit Committee also reappointed Grant Thornton as the independent auditors for the fiscal year ended December 31, 2014.

Our executive compensation programs are designed to achieve the following objectives:

- Attract and retain individuals that will drive business success; and
- Provide appropriate incentives that reward outstanding financial performance and align the interests of executives and shareholders.

We accomplish these objectives through compensation programs that:

- Contain a significant component tied to Company performance;
- Provide competitive overall compensation if performance objectives are achieved; and
 - Encourage participants to act as owners.

Overall Process

The Executive Compensation Committee (the “Compensation Committee”) oversees and approves our overall compensation strategy and determines all aspects of compensation for our Chief Executive Officer. The Compensation Committee also determines compensation for other named executive officers after considering recommendations supplied by our Chief Executive Officer.

The Compensation Committee periodically reviews all aspects of executive compensation and determines if existing plans are effective in meeting the objectives described above. Such reviews are typically conducted at the first meeting of each fiscal year. From time to time, the Compensation Committee may make modifications to existing plans or adopt new plans. The Compensation Committee does not use compensation consultants or peer groups.

Compensation – Mr. Roberts, Chief Executive Officer

Compensation for Mr. Roberts, our Chief Executive Officer, includes a base salary and equity-based incentive compensation.

Base salaries at all levels in the organization are designed to provide a level of basic compensation and allow us to recruit and retain qualified team members. Mr. Roberts' base salary was determined by the Compensation Committee after considering the following:

- The performance of Credit Acceptance over Mr. Roberts' tenure as Chief Executive Officer;
 - An assessment of Mr. Roberts' individual performance;
 - Market data;
 - Internal benchmarks; and
- Other components of Mr. Roberts' total compensation plan.

In January 2014, the Compensation Committee determined Mr. Roberts' annual base salary of \$1,025,000 for 2013 will remain unchanged for 2014, based on the determination that his overall compensation plan did not require adjustment and is working as intended.

The principal component of Mr. Roberts' incentive compensation plan is comprised of performance-based restricted stock unit ("RSU") and restricted share awards that vest over a 15 year period based upon the achievement of growth targets in adjusted economic profit. Adjusted economic profit measures how efficiently we utilize our total capital, both debt and equity. Management uses adjusted economic profit to assess our performance as well as to make capital allocation decisions. Management believes this measure is important to shareholders because it allows shareholders to compare the returns we earn by investing capital in our core business with the return they could expect if we returned capital to shareholders and they invested in other securities. Adjusted economic profit is defined, for the purposes of the RSU and restricted share vesting calculation, as net income (adjusted for non-recurring items and certain non-GAAP adjustments, as included in our earnings releases) less a cost of capital. The cost of capital includes a cost of debt and a cost of equity. The cost of equity is determined based on a formula that considers the risk of the business (assessed at 5% + the average 30 year treasury rate) and the risk associated with our use of debt. The actual formula utilized for determining the cost of equity is as follows: $(\text{the average 30 year treasury rate} + 5\%) + [(1 - \text{tax rate}) \times (\text{the average 30 year treasury rate} + 5\% - \text{the pre-tax average cost of debt rate}) \times (\text{average debt} / (\text{average equity} + \text{average debt} \times \text{tax rate}))]$.

On March 26, 2012, the Compensation Committee approved an award of 310,000 RSUs and 190,000 restricted shares to Mr. Roberts. Each RSU represents and has a value equal to one share of our common stock. The 310,000 RSUs are eligible to vest over a ten year period starting in 2012 based upon the cumulative dollar amount of improvement in annual adjusted economic profit as compared to the annual adjusted economic profit for 2011. The number of shares that will vest will be calculated based on the following formula: Cumulative improvement in adjusted economic profit divided by \$200 million multiplied by 310,000. The cumulative number of RSUs that may be vested as of the end of any year may not exceed 31,000 (or 10% of the total) multiplied by the number of full calendar years that have elapsed since January 1, 2012.

In 2013, under the formula described above, 20,945 of the 36,426 RSUs eligible to vest were approved for vesting by the Compensation Committee in January 2014. As of the Record Date, 46,519 of the 310,000 RSUs awarded to Mr. Roberts on March 26, 2012 have vested. Vested RSUs from the March 26, 2012 award will be settled in stock in equal installments on December 31, 2022, 2023, 2024, 2025 and 2026.

The grant of 190,000 restricted shares is comprised of 90,000 shares that vest over a ten year period starting in 2012 and 100,000 shares that vest over a five year period beginning in 2022.

The 90,000 restricted shares are eligible to vest beginning in 2012 based on the following formula: Cumulative improvement in adjusted economic profit divided by \$200 million multiplied by 90,000. The cumulative number of restricted shares that may be vested as of the end of any year may not exceed 9,000 (or 10% of the total) multiplied by the number of full calendar years that have elapsed since January 1, 2012. Any of the 90,000 restricted shares that vest will be subject to sale restrictions that will prevent the shares from being sold until such restrictions lapse.

In 2013, under the formula described above, 6,081 of the 10,575 restricted shares eligible to vest were approved for vesting by the Compensation Committee in January 2014. As of the Record Date, 13,506 of the 190,000 restricted shares awarded to Mr. Roberts have vested. The sales restrictions of the vested restricted shares will generally lapse in equal installments on December 31, 2022, 2023, 2024, 2025 and 2026; provided, however, that the sales restrictions will proportionally lapse on an earlier date in the event that the Company repurchases shares or pays a cash dividend based on the aggregate number of shares repurchased divided by the number of Company shares outstanding and/or the aggregate amount of cash paid as a dividend, divided by the fair market value of the Company, as applicable.

The 100,000 shares are eligible to vest in equal installments if adjusted economic profit exceeds \$343,143,000 in 2022, 2023, 2024, 2025 and 2026. Any of the 100,000 restricted shares that vest will be distributed at the time of vesting. If the Company pays a cash dividend, the amount of such dividend will be paid in additional restricted shares for any unvested restricted shares and in additional RSUs for any undistributed RSUs. The amount of such dividend will be paid in cash for any vested restricted shares.

The Compensation Committee believes that the RSUs and restricted shares granted to Mr. Roberts appropriately align his compensation with the interests of shareholders as a result of the following:

- The financial rewards will only be received if long-term adjusted economic profit increases over time;
- The amount of compensation received will be proportionate to the amount of shareholder wealth created as measured by the share price; and
- The RSU and restricted share awards are long-term in nature, which will incentivize Mr. Roberts to take actions that will benefit shareholders longer-term.

The allocation between cash and equity compensation, and between short- and long-term incentives, was determined based on the discretion of the Compensation Committee. The ultimate allocation will depend on our future performance and future changes in our share price. If vesting targets are achieved, it is likely that a substantial percentage of the amount realized will be from long-term, equity-based incentives, which is consistent with the philosophy of the Compensation Committee that executive compensation should be linked to long-term shareholder value. Since a substantial portion of the amounts to be realized by Mr. Roberts will be restricted until 2022, the Compensation Committee believes this plan creates an incentive for Mr. Roberts to take actions and make decisions that will benefit us over a long-term time period. Such incentives are believed to be appropriate given the nature of the duties and responsibilities assigned to the Chief Executive Officer.

Mr. Roberts also maintains a substantial ownership stake in Credit Acceptance. As of the Record Date, Mr. Roberts owned 213,654 shares of our common stock, 44,796 vested RSUs and 2,908 vested restricted shares.

Compensation – Other Named Executive Officers

Base Salaries. Base salaries at all levels in the organization are designed to provide a level of basic compensation and allow us to recruit and retain qualified team members. Base salaries are determined by the Compensation Committee after reviewing recommendations supplied by our Chief Executive Officer. The recommendations were based on the following factors:

- The performance of Credit Acceptance;
- An assessment of the named executive officer's individual performance;
 - Market data;
 - Internal benchmarks;
- Other non-equity and equity compensation components of the named executive officer's total compensation plan; and
 - Roles and responsibilities for each named executive officer.

In January 2014, the Compensation Committee determined 2014 base salaries for our named executive officers other than our Chief Executive Officer. Based on the criteria stated above, the Compensation Committee determined Mr. Jones' annual base salary of \$625,000 for 2013 will remain unchanged for 2014. Additionally, the following base salary changes were made: Mr. Neary's annual base salary increased from \$500,000 to \$550,000; Mr. Booth's annual base salary increased from \$414,792 to \$450,000; and Mr. Pearce's annual base salary increased from \$380,000 to \$450,000. The increases to base salaries were determined based on a combination of Company results for 2013 and each employee's individual performance attainments for the year.

2013 Incentive Compensation – Mr. Jones, President. The principal component of Mr. Jones' incentive compensation plan was comprised of RSU awards. On October 2, 2008 and March 27, 2009, the Compensation Committee approved awards of 100,000 and 50,000 RSUs, respectively, to Mr. Jones. The RSUs awarded to Mr. Jones vest over a five year period starting in 2009, based upon the compounded annual growth rate in our adjusted economic profit. Each year, 20% of the grant was eligible for vesting. The vesting percentage of RSUs eligible for vesting was determined as follows:

Compounded Annual Growth Rate in Adjusted Economic Profit	Vesting Percentage (a)
10% or greater	100%
greater than 0% but less than 10%	50%
less than 0%	0%

(a) Represents the percentage of RSUs eligible for vesting that will vest. RSUs eligible for vesting include RSUs that were eligible for vesting in prior years, but did not vest in prior years.

In 2013, under the formula described above, the compounded annual growth rate in adjusted economic profit from 2009 to 2013 was greater than 10%, so 100% of the 30,000 RSUs eligible to vest were vested upon the approval of the Compensation Committee in January 2014. As of the Record Date, all of the 150,000 RSUs awarded to Mr. Jones have vested. The vested RSUs will be distributed on February 22, 2016.

2013 Incentive Compensation – Mr. Neary, Chief Administrative Officer; Mr. Booth, Chief Financial Officer and Mr. Pearce, Chief Legal Officer and Corporate Secretary. The incentive compensation plan for Messrs. Neary, Booth, and Pearce attempted to balance individual performance with overall annual and long-term Company performance and was comprised of RSU awards and annual cash awards.

On November 13, 2008, Mr. Neary was awarded 25,000 RSUs, Mr. Booth was awarded 22,500 RSUs and Mr. Pearce was awarded 20,000 RSUs. The RSUs granted to Messrs. Neary, Booth and Pearce have the same terms as those granted to Mr. Jones, as described above. In 2013, under the formula described above, the compounded annual growth rate in adjusted economic profit from 2009 to 2013 was greater than 10%, so 100% of the 5,000, 4,500 and 4,000 RSUs eligible to vest for Messrs. Neary, Booth and Pearce were vested, respectively, upon the approval of the Compensation Committee in January 2014. As of the Record Date, the 25,000 RSUs awarded to Mr. Neary, the 22,500 RSUs awarded to Mr. Booth and the 20,000 RSUs awarded to Mr. Pearce have all vested. The vested RSUs will be distributed on February 22, 2016.

Messrs. Neary, Booth, and Pearce were eligible to receive an annual cash award ranging from 0% to 60% of the recipient's base salary based on a combination of Company performance and the individual's performance rating. Company performance was measured through the annual increase in adjusted economic profit and determined the maximum possible cash awards. If growth from the prior year in adjusted economic profit, as disclosed in our annual earnings release, exceeded 10%, the maximum cash award was 60%. If growth in adjusted economic profit was greater than 0% but less than 10%, the maximum cash award was 45%. If adjusted economic profit fell below that achieved in the prior year, the maximum cash award was 30%. In 2013, growth in adjusted economic profit was 8.5%. Individual performance was assessed once per year through a formal performance review. Messrs. Neary, Booth and Pearce each have defined duties and responsibilities related to their role in the organization and the annual review assessed the named executive officer's performance for the full year. The maximum possible cash award established by the growth in adjusted economic profit may be decreased based on the individual's performance rating. For 2013, Messrs. Neary, Booth and Pearce earned cash awards of \$187,500, \$155,547 and \$142,500, respectively, which were paid out in February 2014.

2014 Incentive Compensation – Messrs. Jones, Neary, Booth, and Pearce. The incentive compensation plan for Messrs. Jones, Neary, Booth, and Pearce attempts to balance annual and long-term Company performance and is comprised of RSU awards and annual cash awards.

On January 29, 2014, the Compensation Committee approved awards of 8,400 RSUs to Mr. Jones, 7,500 RSUs to Mr. Neary, and 6,000 RSUs each to Mr. Booth and Mr. Pearce. The RSUs awarded to Messrs. Jones, Neary, Booth and Pearce vest over a three year performance period starting in 2014, based upon the compound annual growth rate of adjusted net income per diluted share ("Adjusted EPS") over the performance period. Adjusted EPS is a non-GAAP financial measure that management uses to assess the financial performance of the Company. Adjusted EPS is defined, for the purpose of the RSU vesting calculation, as GAAP net income adjusted for non-recurring items and certain non-GAAP adjustments, as included in our earnings releases, divided by the weighted average number of diluted shares outstanding. Vesting for each year of the performance period will be determined as follows:

Year 1

- If the compound annual growth rate of Adjusted EPS is at least 5%, one-third (33.3%) of the RSUs shall vest.
 - If the compound annual growth rate of Adjusted EPS is less than 5%, no RSUs shall vest.

Year 2

- If the compound annual growth rate of Adjusted EPS is at least 5%, one-third (33.3%) of the RSUs shall vest. In addition, any RSUs that were eligible to vest in Year 1, but did not vest in Year 1, shall vest.
 - If the compound annual growth rate of Adjusted EPS is less than 5%, no RSUs shall vest.

Year 3

- If the compound annual growth rate of Adjusted EPS is at least 5%, one-third (33.4%) of the RSUs shall vest. In addition, any RSUs that were eligible to vest in Year 1 and Year 2, but did not vest in Year 1 or Year 2, shall vest.
 - If the compound annual growth rate of Adjusted EPS is less than 5%, no RSUs shall vest.

The vested RSUs will be distributed on January 29, 2019.

Messrs. Jones, Neary, Booth, and Pearce are also eligible to receive an annual cash award based on Company performance. Company performance will be measured based on the annual increase in adjusted economic profit, as disclosed in our annual earnings release. If annual adjusted economic profit increases from the prior year, Messrs. Jones, Neary, Booth, and Pearce will receive a cash award that will be calculated using the following formula: recipient's base salary multiplied by the dollar increase in annual economic profit divided by \$25 million multiplied by

90%. If annual adjusted economic profit does not increase from the prior year, Messrs. Jones, Neary, Booth, and Pearce will not receive a cash award.

The Compensation Committee believes that the 2014 incentive compensation plan for Messrs. Jones, Neary, Booth and Pearce appropriately aligns their compensation with the interests of shareholders because:

- Annual cash awards will only be received if adjusted economic profit increases;
 - RSU awards will only vest if long-term Adjusted EPS increases over time;
- The amount of compensation received from RSU awards will be proportionate to the amount of shareholder wealth created as measured by the share price; and
- The RSU awards are long-term in nature, which will incentivize Messrs. Jones, Neary, Booth and Pearce to take actions that will benefit shareholders longer-term.

The allocation between cash and equity compensation, and between short- and long-term incentives, was determined based on the discretion of the Compensation Committee. The ultimate allocation will depend on our future performance and future changes in our share price. If vesting targets are achieved, it is likely that a substantial percentage of the amount realized will be from long-term, equity-based incentives, which is consistent with the philosophy of the Compensation Committee that executive compensation should be linked to long-term shareholder value. Since substantial portions of the amounts to be realized by Messrs. Jones, Neary, Booth and Pearce will be restricted until 2019, the Compensation Committee believes this plan creates an incentive for Messrs. Jones, Neary, Booth and Pearce to take actions and make decisions that will benefit us over a long-term time period. Such incentives are believed to be appropriate given the nature of the duties and responsibilities assigned to these executive officers.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code of 1986, as amended, restricts the deductibility of executive compensation paid to our Chief Executive Officer and any of the three other most highly compensated executive officers (excluding our Chief Financial Officer) at the end of any fiscal year to not more than \$1 million in annual compensation (including gains from the exercise of certain stock option grants). Certain performance-based compensation is exempt from this limitation if it complies with the various conditions described in Section 162(m).

The Compensation Committee intends, where appropriate, to structure compensation in a manner that causes it to qualify as performance-based compensation under Section 162(m); however, it believes that it may be appropriate from time to time to exceed the limitations on deductibility under Section 162(m) to ensure that executive officers are compensated in a manner that it believes to be consistent with our best interests and our shareholders, and reserves the authority to approve non-deductible compensation in appropriate circumstances.

Response to 2013 Say-on-Pay

Stockholder endorsement of the design and administration of our executive compensation programs was evidenced by a vote of approval at our 2013 annual meeting of stockholders in excess of 85% of the votes cast. As a result of this favorable vote regarding our Named Executive Officers' compensation, it was determined that no changes were necessary to our executive compensation design and administration. In addition, at our 2011 annual meeting of stockholders, our stockholders voted to hold an advisory vote on executive compensation every year. The Compensation Committee has accepted the stockholders' recommendation and therefore, stockholders will have another opportunity to consider and approve, in a non-binding advisory vote, the compensation of our Named Executive Officers at the Annual Meeting.

Report of the Executive Compensation Committee

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis above with management and, based on such review and discussions, the Compensation Committee recommended to the Board that the Compensation Discussion and Analysis be included in this Proxy Statement.

(a) The amounts in this column were determined and approved by the Compensation Committee during January 2014 and 2013, and February 2012 for the years ended December 31, 2013, 2012 and 2011, respectively, and paid out shortly thereafter.

(b)

The amounts reported in this column represent the aggregate grant date fair value of any stock awards granted during the fiscal years ended December 31, 2013, 2012 and 2011. The grant date fair value was determined using the closing market price of our common stock reported on NASDAQ as of the grant date of the awards.

- (c) The amounts disclosed in this column consist of our matching contribution for the 401(k) Profit Sharing Plan. Additionally, the amounts include payments under the Credit Acceptance Corporation Profit Sharing Variable Compensation Program, available to all team members except the Chairman of the Board, Chief Executive Officer, and President. This program is designed to reward team members for increased Company profitability by way of a quarterly payment. Total perquisites for each named executive officer during the years ended December 31, 2013, 2012 and 2011 did not exceed \$10,000 and therefore, were not reported in this table.
- (d) Mr. Pearce was not a named executive officer prior to fiscal year 2012. Accordingly, only his compensation for fiscal years 2013 and 2012 is included in the table.

2013 GRANTS OF PLAN-BASED AWARDS

The following table sets forth information concerning each grant of an award made to the named executive officers listed below in 2013.

Name	Grant Date	Estimated Future Payouts Under Non-Equity Incentive Plan Awards (a)			Estimated Future Payouts Under Equity Incentive Plan Awards			All Other Awards: Number of Shares of Stock (#)	Closing Price on Grant Date (\$/Sh)
		Threshold (\$)	Target (\$)	Maximum (\$)	Threshold (#)	Target (#)	Maximum (#)		
John P. Neary	-	\$ -	\$ 300,000	\$ 300,000	-	-	-	-	\$ -

Charles A. Pearce	-	-	190,000	228,000	-	-	-	-	-

(a) The amounts were determined in accordance with the formulas determined by the Compensation Committee in accordance with the named executive officers' incentive compensation plans. The annual cash award plan for Messrs. Neary, Booth and Pearce combines individual and Company performance. They receive a percentage of their base salary as a cash award depending on the annual percentage growth in adjusted economic profit, as disclosed in our annual earnings release, generated by us in the current year and individual performance. Cash award amounts fall into the following three categories:

Annual Percentage Growth in Adjusted Economic Profit	Cash Award Range
exceeds 10%	0% to 60%
greater than 0% but less than 10%	0% to 45%
less than 0%	0% to 30%

In 2013, the annual percentage growth in adjusted economic profit was 8.5%. The cash awards earned by Messrs. Neary, Booth and Pearce on the basis of such growth are included in the Summary Compensation Table.

The reported amount of aggregate earnings is calculated based on the number of RSUs awarded to the individual multiplied by the difference between the closing market price reported on NASDAQ of \$129.99 per share as of December 31, 2013 and \$101.68 per share as of December 31, 2012, less the difference between the closing market price as of December 31, 2012 and the closing market price on the date of any aggregate withdrawals or distributions.
- (b) On March 1, 2013, Mr. Roberts released 848 vested RSUs originally granted to him in March 2012 to cover the tax liability resulting from the vesting of RSUs on that date. The aggregate withdrawals/distributions reported are calculated based on the number of RSUs released multiplied by closing market price reported on NASDAQ of \$113.06 per share as of March 1, 2013.
- (c) The grants of these RSUs were disclosed in the Summary Compensation Table and Grant of Plan Based Awards table in the year of grant. Such amounts do not represent additional compensation. POTENTIAL PAYMENTS ON TERMINATION/CHANGE IN CONTROL

None of our named executive officers have individual agreements with us providing for cash severance payments or benefits continuation on termination of employment prior to or following a change in control. If a named executive officer terminates employment for any reason prior to the lapse of the restricted period for restricted shares or the vesting period for RSU awards, any restricted shares or unvested RSU awards shall be forfeited. The Compensation Committee may waive or change the remaining restrictions or add additional restrictions with respect to any restricted

shares or RSU award that would otherwise be forfeited, as it deems appropriate.

The following table sets forth the potential amounts payable to our named executive officers in the event of a change in control with respect to restricted shares and restricted stock unit awards held by our named executive officers as of December 31, 2013:

Name	Accelerated Vesting of Equity Awards (a)		Total
	Restricted Shares	Unvested Restricted Stock Units (b)	
Brett A. Roberts	\$ 23,732,924	\$ 36,972,536	\$ 60,705,460
Steven M. Jones	-	3,899,700	3,899,700
John P. Neary	-	649,950	649,950
Kenneth S. Booth	-	584,955	584,955
Charles A. Pearce	-	519,960	519,960

(a) In the event of a change in control, the restrictions applicable to restricted shares and granted RSUs shall lapse, the performance goals shall be deemed to have been achieved at target levels, and all other terms and conditions shall be deemed to have been satisfied. Payment shall be made in cash within 30 days following the effective date of the change in control.

The amounts reported are calculated based on the number of unvested shares held by each named executive officer multiplied by closing market price reported on NASDAQ of \$129.99 per share as of December 31, 2013.

(b) In addition to the awards set forth in this table, upon termination of employment for any reason, our named executive officers are eligible for payment of vested RSUs at the time that they would have received payment absent termination.

2013 DIRECTOR COMPENSATION

In 2013, our non-employee directors received a quarterly retainer or a payment for each meeting attended, as well as reimbursement for travel related expenses. Ms. Flanagan received a quarterly retainer of \$12,500. Mr. Tryforos received a payment of \$1,500 for each Board meeting attended and \$500 for each committee meeting attended. Mr. Vassalluzzo opted not to receive quarterly retainers during 2013. Non-employee directors are eligible to participate in our Incentive Plan. In September 2009, Ms. Flanagan and Mr. Vassalluzzo were each awarded 9,125 RSUs. The RSUs have the same terms as those granted to Mr. Jones. In 2013, the compounded annual growth rate in adjusted economic profit from 2009 to 2013 was greater than 10%, so 100% of the 1,825 RSUs eligible to vest for both Ms. Flanagan and Mr. Vassalluzzo were vested upon the approval of the Compensation Committee in January 2014. The vested RSUs will be distributed on February 22, 2016. As of the Record Date, all of the 9,125 RSUs awarded to each Ms. Flanagan and Mr. Vassalluzzo have vested. Directors who are our employees are not compensated for their services as a director. The following table sets forth certain information regarding the compensation earned during 2013 by each non-employee director who served on our Board in 2013.

Name	Fees Earned or Paid in Cash		Stock Awards (\$) (a)	Total (\$)
	(b)	(c)		
Glenda J. Flanagan	\$ 50,000	\$ -	\$ -	\$ 50,000
Thomas N. Tryforos	20,500	-	-	20,500
Scott J. Vassalluzzo	-	-	-	-

(a) There were no stock awards granted during the fiscal year ended December 31, 2013.

(b) As of December 31, 2013, Ms. Flanagan had 35,000 stock options outstanding and exercisable. Additionally, she had 7,300 vested RSUs and 1,825 unvested RSUs outstanding.

(c) As of December 31, 2013, Mr. Vassalluzzo had 7,300 vested RSUs and 1,825 unvested RSUs outstanding.

On March 13, 2014, the Board approved awards of 4,000 RSUs each to Ms. Flanagan and Mr. Vassalluzzo. The RSUs have the same terms as those granted to Ms. Flanagan and Mr. Vassalluzzo in 2009, with the exception of the performance period and the distribution date. The RSUs will vest based upon adjusted economic profit results for 2014 through 2018 and vested RSUs will be distributed on February 22, 2021.

PROPOSAL #2 - ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Securities exchange Act, we are including this proposal to enable our shareholders to vote on an advisory basis on the compensation of our named executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

As described in detail under the Compensation Discussion and Analysis section of this Proxy Statement, our executive compensation programs are designed to align the interest of our executives with those of our shareholders by rewarding performance that meets or exceeds established goals. Our executive compensation program is designed to attract and retain our named executive officers and reward outstanding financial performance. We feel that our executive compensation programs achieve these goals as intended and the Board recommends a vote FOR the resolution set forth below indicating approval of the compensation of our named executive officers. Executed proxies will be voted FOR the approval of the advisory vote on executive compensation unless shareholders specify otherwise in their proxies. This proposal, commonly known as a “Say-on-Pay” proposal, provides shareholders the opportunity to indicate their support of the compensation we pay to our named executive officers through the following resolution:

“Resolved, that the shareholders approve, on an advisory basis, the compensation of the named executive officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure contained in this Proxy Statement.”

This vote on executive compensation is advisory and not binding. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. Pursuant to a policy we adopted in 2011, we provide our shareholders with the opportunity to vote on a “Say-on-Pay” proposal at each annual meeting.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

In the normal course of our business, affiliated dealers assign consumer loans to us under the portfolio and purchase programs. Dealer loans and purchased loans with affiliated dealers are on the same terms as those with non-affiliated dealers. Affiliated dealers are comprised of dealers owned or controlled by: (1) Mr. Foss; and (2) a member of Mr. Foss’ immediate family.

Affiliated dealer loan balances were \$7.5 million and \$5.9 million as of December 31, 2013 and 2012, respectively. As of December 31, 2013 and 2012, affiliated dealer loan balances were 0.3% of total consolidated dealer loan balances. A summary of related party loan activity is as follows:

Mr. Foss has indirect control over entities that, in the past, offered secured lines of credit to automobile dealers, and has the right or obligation to reacquire these entities under certain circumstances until December 31, 2014 or the repayment of the related purchase money note.

In accordance with its written charter, the Audit Committee reviews and approves all of our transactions with directors and executive officers and with firms that employ directors, as well as any other material related party transactions. Any such transactions would be reviewed by the Audit Committee in light of whether it resulted in a conflict of interest for the individual and whether such transaction is fair to us and in our best interest. The terms of the transactions described above were previously approved by the Audit Committee; therefore, the Audit Committee does not intend to re-approve these transactions and relationships unless they no longer occur in the ordinary course of our business and the terms change such that the transactions no longer occur on the same terms as transactions with non-affiliated dealer-partners.

INDEPENDENT ACCOUNTANTS

PROPOSAL #3 - RATIFICATION OF GRANT THORNTON

The following sets forth information as to Grant Thornton, our independent registered public accounting firm. The Board recommends a vote FOR ratifying the selection of Grant Thornton as our independent registered public accounting firm for 2014. Executed proxies will be voted FOR the ratification of Grant Thornton as our independent registered public accounting firm for 2014 unless shareholders specify otherwise in their proxies.

Although ratification is not required by our bylaws or otherwise, the Board is submitting the selection of Grant Thornton to our shareholders for ratification as a matter of good corporate practice. Should the shareholders fail to provide such ratification, the Audit Committee will reconsider its approval of Grant Thornton as the independent registered public accountants for 2014. Even if the selection is ratified, the Audit Committee in its discretion may select a different registered public accounting firm at any time during the year if it determines that such a change would be in our and our shareholders' best interests.

General

The Audit Committee has appointed Grant Thornton as our independent accountants to perform an integrated audit of our consolidated financial statements and the effectiveness of our internal controls over financial reporting for 2014. Grant Thornton has served as our independent accountants since their appointment by the Audit Committee on July 20, 2005, and acted as our independent accountant in 2013 to audit the financial statements included in our Annual Reports on Form 10-K for the year ended December 31, 2013. Representatives of Grant Thornton will be present at the meeting to respond to questions from the shareholders and will be given the opportunity to make a statement.

Change in Independent Accountants

There has been no change in our independent registered public accounting firm for any of the periods presented in this proxy statement.

Fees Paid to Independent Accountants

The following table provides a summary of the aggregate fees billed by Grant Thornton for 2013 and 2012 (in millions):

Description	2013	2012
Audit fees (a)	\$ 0.6	\$ 0.6
Audit-related fees (b)	0.3	0.1
Tax fees	-	-
All other fees	-	-
Total fees	\$ 0.9	\$ 0.7

(a) Includes fees for the audit of our annual consolidated financial statements, the audit of the effectiveness of our internal controls over financial reporting, and the review of our interim consolidated financial statements.

(b) Includes fees for agreed-upon procedures for our debt, the audit of our employee benefit plan and comfort letter procedures.

The Audit Committee has considered whether the provision of these services is compatible with maintaining the independence of Grant Thornton and satisfied itself as to the maintenance of the auditors' independence.

Policy for Pre-Approval of Audit and Non-Audit Services

The Audit Committee's policy is to pre-approve all audit services and all non-audit services that our independent accountants are permitted to perform for us under applicable federal securities regulations. The Audit Committee's policy utilizes an annual review and general pre-approval of certain categories of specified services that may be provided by the independent accountants, up to predetermined fee levels. Any proposed services not qualifying as a pre-approved specified service, and pre-approved services exceeding the predetermined fee levels, require further specific pre-approval by the Audit Committee. The Audit Committee has delegated to the Chairman of the Audit Committee the authority to pre-approve audit and non-audit services proposed to be performed by the independent accountants. All services provided by our independent auditors were pre-approved by the Audit Committee. The policy has not been waived in any instance.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our officers and directors, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership and changes in ownership with the SEC. Officers, directors and greater than 10% shareholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms received and written representations from certain reporting persons, we believe that all filing requirements applicable to our officers, directors, and greater than 10% beneficial owners were complied with for the year ended December 31, 2013.

OTHER BUSINESS MATTERS

The only matters that management intends to present to the meeting are set forth in the Notice of Annual Meeting. Management knows of no other matters which will be brought before the meeting by any other person. However, if any other matters are properly brought before the meeting, the persons named on the form of

proxy intend to vote on such matters in accordance with their best judgment on such matters.

SHAREHOLDER PROPOSALS AND NOMINEES FOR 2015 ANNUAL MEETING

Shareholder Proposals

We expect the persons named as proxies for the 2015 Annual Meeting of Shareholders to use their discretionary voting authority, to the extent permitted by law, with respect to any proposal presented at that meeting by a shareholder who does not provide us with written notice of such proposal on or before February 17, 2015.

Shareholder Nominees

Our Chief Legal Officer and Corporate Secretary will forward any recommendations to the Nominating Committee. The Nominating Committee may seek additional biographical and background information from any candidate that must be received on a timely basis to be considered by the Nominating Committee.

ANNUAL REPORT ON FORM 10-K

A copy of our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, required to be filed with the SEC, without exhibits, will be furnished without charge to any shareholder of record or beneficial owner of common shares upon written request to our Corporate Secretary at the address on the notice of Annual Meeting accompanying this Proxy Statement.
