PROXY STATEMENT

We are mailing this proxy statement and the accompanying form of proxy beginning on or about April 23, 2003 to holders of record on April 1, 2003 of CIT Group Inc. Common Stock (the "Common Stock").

We are furnishing this proxy statement and form of proxy in connection with the solicitation of proxies by our Board of Directors (the "Board") for use at the 2003 Annual Meeting of Stockholders. You may direct how your shares are to be voted by submitting the enclosed proxy card or by following the enclosed electronic voting instructions. We will bear the cost of soliciting proxies in the accompanying form. We have retained D. F. King, Inc. to assist us in this proxy solicitation, and we anticipate that their fees will be less than \$10,000. We also may pay brokers, nominees, fiduciaries and other custodians their reasonable fees and expenses for sending proxy materials to beneficial owners and obtaining their instructions. In addition to solicitation by mail, our directors, officers and other employees may solicit proxies in person, by telephone, facsimile transmission or other means of electronic communication.

All duly executed proxies received or submitted electronically prior to the Annual Meeting will be voted in accordance with the choices specified. If

Edgar Filing: CIT GROUP INC - Form DEF 14A

you submit a written or electronic proxy, but you do not specify a choice as to any matter or any other business that may properly come before the meeting, the proxy will be voted in the discretion of the persons named in the proxy. If you grant a proxy, you may revoke it at any time before it is voted at the meeting by filing an instrument revoking the proxy with the Secretary of CIT, at our address shown, by delivering a duly executed proxy bearing a later date or by appearing at the Annual Meeting and voting in person. However, if you instructed a broker on how to vote your shares, you must follow directions received from your broker if you wish to change your vote.

As of April 1, 2003, there were approximately 212,097,826 shares of Common Stock outstanding. Each holder of record of Common Stock is entitled to one vote per share on each matter presented for a vote of stockholders. A quorum for transaction of business at the Annual Meeting is a majority of the Common Stock entitled to vote at an Annual Meeting, which may be present either in person or by proxy.

In determining whether a quorum exists, we will include shares represented by proxies that reflect abstentions and shares referred to as "broker non-votes" (i.e., shares held by brokers or nominees for which instructions have not been received from the beneficial owners or persons entitled to vote that the broker or nominee does not have discretionary power to vote on a particular matter). Brokers who are members of the National Association of Securities Dealers, Inc. may not vote shares held by them in nominee name unless they are permitted to do so under the rules of any national securities exchange to which they belong. Under New York Stock Exchange rules, a member broker that has transmitted proxy soliciting materials to a beneficial owner may not vote on matters that are not routine if the beneficial owner has not provided the broker with voting instructions. Broker non-votes and abstentions will have no effect on the outcome of the proposals scheduled to be presented at the Annual Meeting.

The following table indicates the votes required to approve each of the proposals to be presented at the Annual Meeting:

Proposal -----	Approval Required -----
1. Election of Directors	a plurality of the votes cast at the Annual Meeting
2. Ratification of Independent Accountants	a majority of the voting power represented and entitled to vote at the Annual Meeting
3. Approval of Long-Term Equity	a majority of the voting power represented and entitled to Compensation Plan, as amended vote at the Annual Meeting
4. Approval of Annual Bonus Plan ...	a majority of the voting power represented and entitled to vote at the Annual Meeting
5. Approval of Employee Stock Purchase Plan	a majority of the voting power represented and entitled to vote at the Annual Meeting

We know of no other matter to be presented at the Annual Meeting. Under our By-Laws, no business may be transacted at the Annual Meeting other than business that is (a) stated in the Notice of Annual Meeting, (b) proposed at the direction of our Board, or (c) proposed by any CIT stockholder who is entitled

Edgar Filing: CIT GROUP INC - Form DEF 14A

to vote at the meeting and who has complied with the notice procedures in our By-Laws. Unless you indicate contrary instructions to those set forth in the proxy for the Annual Meeting, the persons named in the proxy have indicated that they will cast the number of votes represented by the proxy for the election of each of the nominees listed below as directors, in favor of each of Proposals 2 through 5 and in their discretion upon such other business as may be properly brought before the Annual Meeting.

Audit Committee Report

The Board appointed the members of the Audit Committee. The Audit Committee is governed by a written charter that was approved and adopted by the Board and is periodically reviewed and reassessed by the Audit Committee. The Audit Committee is comprised of four members, each of whom meets the independence and experience requirements of the New York Stock Exchange and applicable law.

The Audit Committee (i) retains and determines the compensation of the independent public accountants, (ii) monitors the integrity of CIT's financial accounting and reporting process and systems of internal controls, (iii) reviews CIT's corporate compliance policies and monitors the compliance by CIT with its Code of Business Conduct and other compliance policies and with legal and regulatory requirements, and (iv) monitors the independence and performance of CIT's internal and independent auditors. Management has primary responsibility for the preparation and integrity of the financial statements and the reporting process. CIT's independent auditors are responsible for expressing an opinion on the conformity of the audited financial statements to generally accepted accounting principles.

6

The Audit Committee reviewed CIT's audited financial statements for the transition period ended December 31, 2002 and the fiscal year ended September 30, 2002 and met with management and CIT's independent auditors to discuss those financial statements. Management and the independent auditors have represented to the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). In addition, the Audit Committee has received from the independent auditors their written disclosures and letter regarding their independence from CIT as required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and has discussed with the independent auditors their independence from CIT and management. The Audit Committee has also considered whether the independent auditor's provision of other non-audit services to CIT is compatible with the auditor's independence.

Based upon these reviews and discussions, the Audit Committee has recommended to the Board that the audited financial statements be included in CIT's Transition Report on Form 10-K for the transition period ended December

Compensation and Governance Committee Report on Executive Compensation

The Compensation and Governance Committee is responsible for setting and administering the policies that govern executive compensation and benefits, and for ensuring that the Chief Executive Officer and other executive officers are compensated in a manner consistent with:

- o stockholder interests and the stated compensation strategy of CIT;
- o attracting and retaining executive talent; and
- o competitive practices and internal pay equity considerations.

The Compensation and Governance Committee is composed entirely of directors who have been determined by the Board to meet the definition of "independent director" under recently proposed New York Stock Exchange rules. The Compensation and Governance Committee intends to regularly review its governance practices in response to new rules and evolving "best practices".

Following CIT's IPO in July 2002, the Compensation and Governance Committee met three times. The Compensation and Governance Committee reports regularly to the Board on its activities and seeks advice as necessary from its independent compensation consultants, Mercer Human Resource Consulting.

Compensation Philosophy and Strategy

One of the first tasks undertaken by the Compensation and Governance Committee following our IPO was to review and refine CIT's compensation strategy in light of CIT's newly public status. The Compensation and Governance Committee endorsed a compensation strategy emphasizing competitive base salaries and performance leveraged annual incentive awards. Stock options and restricted stock are used to provide management with long-term incentives contingent on CIT's financial success.

In making its compensation decisions, the Compensation and Governance Committee has defined the competitive employment market for senior level positions as companies in related businesses, such as diversified financial services companies and banks, with assets approximating or greater than those of CIT. To benchmark senior executive officer pay levels, data from a peer group of 12 diversified financial services companies and banks, as well as data for comparable positions from surveys, was reviewed. In addition, the equity granting practices of a broader group of 25 financial services companies and 25 companies that had recently completed a

spin-off or an initial public offering were considered. The companies considered are not necessarily those represented in the stock performance graph that follows this Report because the Compensation and Governance Committee believes that CIT's competitors for executive talent are a broader group of companies.

Edgar Filing: CIT GROUP INC - Form DEF 14A

CIT will periodically benchmark its compensation practices and its financial results against peer group norms to validate pay for performance relationships.

Policy on Deductibility

The Compensation and Governance Committee's policy is to provide performance-based compensation to its executive officers that is tax deductible by CIT under current tax law. To this end, CIT's incentive and equity plans are approved by stockholders and administered in accordance with applicable regulations. The Compensation and Governance Committee will deviate from this policy only when it believes that there are overriding objectives to be achieved in stockholders' interests. CIT believes that all compensation paid in 2002 is deductible.

Compensation Program Elements

Compensation paid to CIT's executive officers for 2002 consisted primarily of base salary, annual bonuses and awards of stock options. The payment of annual bonuses and the granting of stock options are directly related to corporate, business unit where applicable, and individual performance.

Base Salary. CIT's philosophy is to provide base salaries to its executive team members within ranges where the midpoint approximates the median of appropriate peer groups of financial services organizations in each of the markets and businesses in which CIT competes. Different peer groups may apply to different executives to best reflect the unique skills required and competitive market for talent applicable to the various businesses in which CIT operates. Relative position within the salary ranges will vary by individual.

Annual Bonus Plan. Bonuses to reflect performance during the nine-month period beginning in October 2001 and ending on June 30, 2002 were paid in August 2002 at below target levels to reflect that CIT fell short of its financial targets during this period. Under a program designed to encourage stock ownership, between 50% and 100% of the bonus awards earned by senior management were paid in CIT restricted stock. The restricted stock awards will vest one year after the grant date.

Shortly after CIT's IPO, the Compensation and Governance Committee reviewed CIT's annual incentive program to determine its overall effectiveness and revised the target awards for each executive to bring them in line with median peer group practices. Under the program, annual incentive pools are funded based on the achievement of quantitative and qualitative corporate and business unit financial performance goals. The pool generated may be adjusted for qualitative goals such as (1) credit quality, (2) audit/control items, and (3) implementing CIT's diversity efforts within the organization. Individual bonuses are then awarded based on the attainment of these goals, the individual contributions of the executives toward these goals, as well as additional individual performance. For the six-month period ending on December 31, 2002, the size of the pool was determined based on the achievement of corporate and business unit pre-tax income goals. For participants with corporate responsibilities, individual bonuses were paid below target because CIT's consolidated results fell below the pre-tax income goals. For participants with business unit responsibilities, individual bonuses varied relative to their individual targets, with some business units exceeding goal and others meeting or falling short of goal.

Long-Term Incentives. CIT maintains a stock-based incentive plan, the CIT Group Inc. Long-Term Equity Compensation Plan (the "ECP") for directors and employees of CIT and its subsidiaries. The plan provides for the grant of various forms of long-term incentives such as stock options, restricted stock and performance shares or units. The Compensation and Governance Committee reviewed CIT's long-term equity compensation strategy to determine its overall

Edgar Filing: CIT GROUP INC - Form DEF 14A

effectiveness and revised the target awards for each executive to bring them in line with peer group practices.

CIT executives received two option grants in 2002. The first, which vests over three years, was made by the Tyco board of directors under the Tyco plan in February 2002. These options were converted upon our IPO into CIT options of equivalent value. The second grant, made upon our IPO, was for options that vest over four years. In addition, stock options granted by CIT prior to its acquisition by Tyco were converted back into CIT stock options, and restricted stock awards granted in June 2001 (the time of the acquisition of CIT by Tyco) were converted into CIT restricted stock. All other Tyco unvested stock options were forfeited. Option grants

8

made upon our IPO were larger than CIT's standard annual target awards to recognize CIT's renewed status as a public company by offering a significant equity opportunity to executive officers, key management and other employees and to offset the significant forfeitures of unvested Tyco options.

Share Ownership. CIT's stock ownership policy sets stock ownership targets for approximately 40 senior executives and each executive is expected to meet such target within a specified time frame. Stock ownership targets are based on a multiple of each executive's base salary ranging from one times base salary to five times base salary for the Chief Executive Officer.

CEO Compensation

The Compensation and Governance Committee's recommendations regarding the Chief Executive Officer are subject to ratification by the Board. During 2002, the Compensation and Governance Committee reviewed the compensation of Mr. Gamper based upon:

- o comparative compensation data provided by the independent consultant as to the compensation of the chief executive officers of other financial services companies;
- o its assessment of the performance contribution of the Chief Executive Officer in terms of CIT's strategic business plans, operating performance results and the successful completion of the IPO from Tyco; and
- o CIT's previously described compensation strategy.

The base salary of Mr. Gamper was reviewed by the Compensation and Governance Committee following the IPO and determined to be appropriate at its current annual rate of \$900,000.

The Compensation and Governance Committee awarded Mr. Gamper a bonus of \$1,250,000 for his performance for 2002. This bonus was awarded in two pieces. For the period from January 1, 2002 to June 30, 2002, he received \$750,000, which was converted into restricted stock that vests one year from the date of grant in August 2003, based on CIT's financial results and his efforts toward the successful completion of CIT's IPO during a turbulent period in the financial marketplace. For the period from July 1, 2002 to December 31, 2002, he received \$500,000 based upon post-IPO financial results. This amount reflects the shortfall of CIT's actual financial results versus CIT's pre-tax income financial goal for this period, while recognizing that CIT strengthened its balance sheet by raising over \$250 million in new capital. Compared to total cash compensation levels of chief executive officers of the financial services

Edgar Filing: CIT GROUP INC - Form DEF 14A

competitor companies, Mr. Gamper's total cash compensation for calendar year 2002 fell slightly below the market median. In addition to the foregoing compensation, during the fiscal year ended September 30, 2002, Mr. Gamper also received a bonus for the period from October 1, 2001 to December 31, 2001 under the Tyco incentive programs that was comprised of a grant of unrestricted Tyco stock in the amount of \$168,832 and a bonus of \$750,000, of which \$375,000 was paid in cash in January 2002 and \$375,000 was deferred and subsequently paid by CIT in August 2002 in CIT restricted stock.

Mr. Gamper received two option grants in 2002. The first was made by the Tyco board of directors in February 2002 and was converted into a CIT option as described above under "Long-Term Incentives". Thus, Mr. Gamper was awarded a stock option grant of 119,560 stock options with an exercise price of \$39.87. The second grant was made by CIT at the time of our IPO and consisted of 1,400,000 stock options at an exercise price of \$23.00. As a result of CIT's separation from Tyco, Mr. Gamper forfeited 800,000 unvested Tyco stock options.

This Report has been furnished on behalf of the Board by the members of its Compensation and Governance Committee.

Director Compensation

Directors who are also CIT employees do not receive any fees or other compensation for service on the Board or its committees. Non-employee directors of CIT are paid an annual retainer of \$50,000, which they may elect to receive in one or more of the following forms:

Edgar Filing: CIT GROUP INC - Form DEF 14A

- o Cash
- o Stock Options
- o Restricted Stock

The number of shares of Common Stock underlying options that a director may elect to receive instead of cash remuneration is calculated using the Black-Scholes option pricing model. Any options that directors elect to receive are immediately vested, but are not exercisable until the one year anniversary of the date of grant. These options have a term of ten years and an exercise price equal to the closing price of CIT Common Stock on the date of grant. Any amount that a director elects to receive in restricted stock is converted into shares of Common Stock based upon a market value equal to the closing price of Common Stock on the date awarded. The restrictions on the restricted stock lapse on the first anniversary of the grant date.

In addition, each non-employee director is entitled to an annual grant of stock options having a Black-Scholes value of \$35,000, except that the committee chairmen are entitled to grants with a \$45,000 valuation. At the time of appointment to the Board, non-employee directors are each awarded a grant of stock options to acquire 10,000 shares of Common Stock. The option component of director remuneration and the options granted at the time of appointment become vested and exercisable in three equal, annual installments. These options have a term of ten years and an exercise price equal to the closing price of our Common Stock on the date of the grant.

10

We reimburse all directors for reasonable out-of-pocket expenses incurred in attending Board or committee meetings.

 (1) Bonus payments made under CIT's Annual Bonus Plan for the three months ended December 31, 2002 related to performance during the six-month period from July 1, 2002 through December 31, 2002.

Bonus payments made under CIT's Annual Bonus Plan for the twelve months ended September 30, 2002 related to performance during the nine-month period from October 1, 2001 through June 30, 2002.

For the period from October 2001 through June 2002, the Named Executive Officers received a portion of their annual bonus as CIT restricted stock. The amounts shown include the value of the restricted stock. The number of shares was based on a price of \$22.20, the closing price of CIT Common Stock on August 13, 2002, the date of the grant. All shares were issued with a one-year restriction. The number and value of shares awarded are as follows: Mr. Gamper - 50,675 shares (\$1,124,985), Mr. Hallman - 12,162 shares (\$269,996), Mr. Leone - 15,765 shares (\$349,983), Mr. Marsiello - 11,711 shares (\$259,984), and Mr. Zdanow - 11,261 shares (\$249,994). The balance of the listed bonus amounts relate to cash bonuses paid under a Tyco quarterly corporate bonus plan, which was discontinued after our IPO.

Of the \$1,668,832 in annual bonus that Mr. Gamper received for the period from October 2001 through September 2002, \$918,832 was awarded for his performance under the Tyco corporate bonus plan, of which \$750,000 was paid out in two quarterly payments, \$375,000 in cash and \$375,000 in CIT restricted stock as discussed above, and \$168,832 was awarded in unrestricted shares of Tyco common stock (3,521 shares at a Tyco share price of \$47.95). The additional \$750,000 was awarded by CIT for his performance from January 1 through June 30, 2002, of which \$749,985 was paid in CIT restricted stock as discussed above and \$15 was paid in cash to reflect a fractional share.

For the nine months ended September 2001, Mr. Gamper received a bonus of

Edgar Filing: CIT GROUP INC - Form DEF 14A

\$3,120,434, of which \$2,002,040 was paid in cash and \$1,118,394 was paid as a grant of 25,020 shares of Tyco common stock, based on the closing price of Tyco common stock of \$44.70 per share on October 1, 2001, the date of the grant.

The amounts shown in the Bonus column for 2001 and 2000 (other than for Mr. Gamper as described above), represent the cash amounts paid under CIT's Annual Bonus Plan.

The amounts shown in the Bonus column for 1999 represent the cash amounts paid under CIT's Annual Bonus Plan and the value of CIT Common Stock or Common Stock units received in lieu of cash. Pursuant to the former CIT Long-Term Equity Compensation Plan ("Former ECP"), executive officers could elect to receive between 10% and 50% of their 1999 annual bonus awards in Common Stock or Common Stock units, respectively, rather than cash. The cash portion deferred was converted to shares of Common Stock or Common Stock units with a market value equal to 125% of the deferred amount. The amounts included in the Bonus column for shares issued in 1999 represent the fair market value on January 26, 2000 (the date of grant) of the shares of CIT Common Stock awarded, based on the closing price of \$19.625 per share of CIT Common Stock. The value of restricted stock taken in lieu of cash is as follows: Mr. Gamper - \$687,503, Mr. Hallman - \$85,938, Mr. Leone - \$165,007, Mr. Marsiello - \$125,011, and Mr. Zdanow - \$125,011.

- (2) The payments set forth in each period under Other Annual Compensation represent the dividends paid on restricted stock held in each of those years. Such dividends were payable at the same rate applicable to all other issued and outstanding shares.
- (3) Restricted Stock Awards include grants of Performance Accelerated Restricted Shares ("PARS") made in January 2000 under the Former ECP and grants of restricted stock made in June 2001 under the Tyco International Ltd. 1994 Restricted Stock Ownership Plan for Key Employees in conjunction with the acquisition of CIT by Tyco.

The 2001 grants vest 100% on the third anniversary date of the grant for Mr. Gamper and one-third on each anniversary for the others, subject to earlier vesting under other conditions as described in the individual Award Agreements. The shares of Tyco restricted stock were converted into CIT restricted stock based on our IPO offering price. Recipients of restricted stock have the right to vote such shares and receive dividends. The PARS awarded under the Former ECP vested on June 1, 2001 due to the change of control associated with the acquisition of CIT by Tyco. The PARS were issued at a fair market value of \$20.75. Awards were as follows: Mr. Gamper - 142,000 shares; Mr. Hallman - 30,000 shares; Mr. Leone - 30,000 shares; Mr. Marsiello - 30,000 shares; and Mr. Zdanow - 30,000 shares.

For the year 2000, Restricted Stock Awards also included grants made under a Special Stock Award Program to Mr. Hallman, Mr. Leone, Mr. Marsiello and Mr. Zdanow. Payments under this plan were based on the achievement of performance measures for the year 2000. Awards were in the form of restricted stock grants recommended and approved on January 24, 2001. The Awards vested 50% on the date of grant, and the remaining 50% was subject to restriction until January 24, 2002, except that these shares vested on June 1, 2001 in conjunction with the acquisition of CIT by Tyco. The values of these grants are included in the Restricted Stock Awards column based on the share price on the grant date of January 24, 2001 of \$21.75 per share of CIT Common Stock. Awards were as follows: Mr. Hallman - 20,000 shares; Mr. Leone - 7,500 shares; Mr. Marsiello - 20,000 shares; and Mr. Zdanow - 20,000 shares.

Edgar Filing: CIT GROUP INC - Form DEF 14A

The number and value at December 31, 2002 of restricted stock holdings based upon the closing market price of \$19.60 per share of CIT Common Stock was as follows: Mr. Gamper - 230,023 shares (\$4,508,451), Mr. Hallman - 22,675 shares (\$444,430), Mr. Leone - 27,473 shares (\$538,471), Mr. Marsiello 24,454 shares (\$479,298), and Mr. Zdanow - 24,641 shares (\$482,964). A portion of this stock was granted as part of their annual bonus for the period from October 2001 through June 2002. For more details see footnote (1).

- (4) During the three months ended December 31, 2002, no new option awards were issued to the Named Executive Officers.

Options that were originally granted to purchase Tyco common stock or to purchase CIT Common Stock prior to the acquisition of CIT by Tyco are reported in the table as current options to purchase CIT Common Stock. Options to purchase CIT Common Stock prior to the acquisition of CIT by Tyco were converted in June 2001, in connection with such acquisition, into options to purchase shares of Tyco common stock based on a conversion rate of .6907 of a share of Tyco common stock for each share of CIT Common Stock. Options to purchase Tyco common stock were converted in July 2002, in connection with our IPO, into options to purchase CIT Common Stock based on a conversion rate of .5978 of a share of CIT Common Stock for each share of Tyco common stock.

Two new option awards were granted during the twelve months ended September 30, 2002. The first grant was awarded on February 5, 2002 under the Tyco International Ltd. Long Term Incentive Plan and the Tyco International Ltd. Long Term Incentive Plan II. These options were converted into options to purchase shares of CIT Common Stock at the time of our IPO. The second grant was awarded under the ECP on July 2, 2002 to coincide with our IPO. For more details see the table below "Option Grants In Last Fiscal Year".

Options granted between January and September 2001 were awarded under the Tyco International Ltd. Long Term Incentive Plan and the Tyco International Ltd. Long Term Incentive Plan II. The 2001 grants vested one-third on each anniversary date for Mr. Gamper and 100% at the end of three years for the others. At the time of our IPO, all unvested options granted between January and September 2001 were cancelled.

For Mr. Gamper, 800,000 unvested Tyco options were cancelled and 8,994 vested options were forfeited. Additionally, Mr. Gamper, retained 400,000 vested Tyco options that were awarded on June 1, 2001 and vested on June 1, 2002. These options did not convert to options to purchase shares of CIT Common Stock and remained as options to purchase shares of Tyco common stock. For Mr. Hallman, 200,000 unvested Tyco options were cancelled. For Mr. Leone, 200,000

unvested Tyco options were cancelled. For Mr. Marsiello, 200,000 unvested Tyco options were cancelled. For Mr. Zdanow, 125,000 unvested Tyco options were cancelled.

Options for 2000 and 1999 were originally awarded under the Former ECP and represent CIT options that were converted in connection with the acquisition of CIT by Tyco into options to purchase shares of Tyco common stock, and then converted into options to purchase new shares of CIT Common Stock in connection with our IPO.

(1) The options reported above are for the fiscal year ended September 30, 2002 and the transition period ended December 31, 2002. Options for the fiscal year ended September 30, 2002 were previously reported in our Annual Report on Form 10-K for the fiscal year ended September 30, 2002. Except for options originally granted in July 2002, all options listed were originally granted to purchase Tyco common stock while Tyco owned CIT or to purchase CIT Common Stock prior to the acquisition of CIT by Tyco. Options to purchase CIT Common Stock prior to the acquisition of CIT by Tyco were converted in June 2001, in connection with such acquisition, into options to purchase shares of Tyco common stock based on a conversion rate of .6907 of a share of Tyco common stock for each share of CIT Common Stock. Options to purchase Tyco common stock were converted in July 2002, in connection with our IPO, into options to purchase CIT Common Stock based on a conversion rate of .5978 of a share of CIT Common Stock for each share of Tyco common stock. Each date of grant represents the date of original grant of a current CIT option, converted Tyco option or earlier CIT option. The vesting schedule and expiration date for each option is based upon the original date of grant.

(2) Options granted in July 2002 were granted under the ECP. These stock options fully vest on the fourth anniversary of the date of the grant, subject to earlier vesting under conditions described in the individual award agreements. Options granted in February 2002 were granted as options to purchase shares of Tyco common stock under the Tyco International Ltd. Long Term Incentive Plan and the Tyco International Ltd. Long Term Incentive Plan II. At the time of our IPO, these options were converted into options to purchase shares of CIT Common Stock. These stock options vest fully on the third anniversary of the date of the grant, subject to earlier vesting under conditions described in the individual award agreements.

Options granted prior to February 2002 were originally granted as options to purchase shares of CIT Common Stock under the Former ECP. These options were converted into options to purchase shares of Tyco common stock at the time of the acquisition of CIT by Tyco and then converted into options to purchase new shares of CIT Common Stock at the time of our IPO. The options granted prior to February 2002 are fully vested.

- (3) Represents the percentage of all options granted in fiscal 2002 and the transition period ended December 31, 2002 under the ECP.
- (4) The July 2002 options were issued as part of a Company-wide IPO grant with an exercise price equal to the initial offering price of CIT Common Stock on the date of grant. The February 2002 options were originally granted by Tyco at an exercise price equal to the closing price of Tyco common stock on the date of grant. The remaining options were originally granted by CIT prior to its acquisition by Tyco at an exercise price equal to the closing price of CIT Common Stock on the date of grant. The exercise prices of the earlier CIT options were adjusted at the time of the acquisition of CIT by Tyco, and the exercise prices of all Tyco options, including those converted from earlier CIT options, were adjusted at the time of our IPO. The exercise price for each converted option represents the current values after applying all applicable conversion formulas.
- (5) The ultimate value of the options will depend on the future market price of CIT Common Stock, which cannot be forecast with reasonable accuracy. The actual value, if any, an optionee will realize upon exercise of an option will depend on the excess of the market value of CIT Common Stock over the exercise price on the date the option is exercised. The values shown are based on the Black-Scholes option-pricing model, which is a method of calculating a theoretical value of the options based upon a mathematical formula using certain assumptions. For the calculation, the following assumptions were used: an assumed life of three to eight years; interest rate of 3.2% to 4.9%, which represents the risk free rate with a maturity date similar to the assumed exercise period; assumed annual volatility of underlying shares of 27.8% to 33.2%, calculated based on a historical share price movement analysis of peer organizations over periods generally commensurate with the expected life of the option; quarterly dividend payment of \$0.12 per share; and the vesting schedule indicated for the grant.

Retention Agreements

General

At its meeting on November 5, 2002, the Compensation and Governance Committee of the Board approved revised retention agreements for the Named Executive Officers, effective January 1, 2003.

Mr. Gamper's retention agreement extends until December 31, 2004 and provides for him to serve as the Chief Executive Officer of CIT for an annual base salary of not less than \$900,000 and an annual cash bonus based on performance targets (with a target bonus of at least 200% of his annual base salary). Pursuant to his retention agreement, his base salary will be reviewed when the salaries of all executive officers of CIT are reviewed.

Mr. Gamper's retention agreement provides for his participation in all employee pension, welfare, perquisites, fringe benefit and other benefit plans generally applicable to the most senior executives of CIT, and continued participation in CIT's Executive Retirement Program and all other supplemental and excess retirement plans during the term of the retention agreement on terms no less favorable than provided immediately prior to the effective date of the agreement. Mr. Gamper is eligible to receive benefits under the CIT retiree medical and life insurance plan for the remainder of his life and the life of his spouse. In addition, Mr. Gamper is entitled to receive expense reimbursement and certain additional benefits during the term of his employment.

Messrs. Hallman, Leone, Marsiello and Zdanow also have retention agreements that extend until December 31, 2004. Their agreements provide for the payment of an annual base salary of not less than the amount received prior to the effective date of January 1, 2003, to be reviewed when the salaries of all executive officers of CIT are reviewed. They are also entitled to an annual bonus opportunity based on the performance of CIT and their business units, in accordance with CIT's incentive plans and programs (with a target bonus of at least 125% of annual base salary). Their retention agreements provide for their participation in all employee pension, welfare, perquisites, fringe benefit and other benefit plans generally available to senior executives. In addition, their retention agreements provide for continued participation in CIT's Executive Retirement Program and all other supplemental and excess retirement plans on terms no less favorable than provided immediately prior to the effective date of the agreement. They are also eligible to receive benefits under the CIT retiree medical and life insurance plan.

Termination and Change-In-Control Arrangements

If Mr. Gamper's employment is terminated by him for "good reason" or by CIT without "cause" (in each case, as these terms are defined in his retention agreement), then he would be entitled to a cash payment equal to (i) the sum of his unpaid base salary through the date of termination and his "Severance Bonus" pro rated for the portion of the year he completed in the year of his termination, (ii) three times the sum of his annual base salary plus his Severance Bonus, paid over a period of three years, provided that he continues to comply with the confidentiality and non-compete provisions of his retention agreement, and (iii) a "Special Cash Bonus" (without regard to CIT's financial performance). "Severance Bonus" means the greater of (i) the executive's average annual bonus over the two calendar years preceding the date of termination or (ii) the executive's target bonus. "Special Cash Bonus" means a payment in

Edgar Filing: CIT GROUP INC - Form DEF 14A

satisfaction of obligations under Mr. Gamper's prior retention agreement, equal to \$1.25 million. Also, in such event, any stock options then held by Mr. Gamper would vest immediately and all restrictions on restricted stock held by Mr. Gamper would lapse. In addition, Mr. Gamper would be paid or provided with any amounts or benefits he is eligible to receive under any benefit plan of CIT, including the retiree medical benefits described above, and to the extent permitted under law he would be credited with three additional years of age and service credit under the relevant retirement plans.

Mr. Gamper also would be entitled upon any such termination to outplacement services, an office, attorney and accountant fee reimbursement up to \$25,000 per year, officer's and director's insurance and indemnification, and a car and driver. Mr. Gamper would be entitled to each of the items described in the previous sentence for two years following the date of termination, except for the insurance, which would extend for five years. Upon retirement, Mr. Gamper would be entitled to the benefits listed above for the stated time period, with the exception of outplacement services.

17

In the event of a change of control (as defined in the retention agreement) during the term of his retention agreement, Mr. Gamper may elect to terminate his employment for any reason effective on the 90th day following such event. If (i) Mr. Gamper elects to so terminate his employment or (ii) within ninety days his employment is terminated by CIT without cause or by him for good reason, then Mr. Gamper is entitled to the severance benefits described under a good reason termination. Termination payments following a change of control are payable in a lump sum within 30 days of termination.

Mr. Gamper's retention agreement provides that he will not, during the retention period and for two years after the date of termination (three years in the case of termination by CIT without "cause" or by Mr. Gamper for "good reason" (in each case, as these terms are defined in the retention agreement)), without the written consent of the Board (A) engage or be interested in any business in the U.S. which is in competition with any lines of business actively being conducted by CIT on the date of termination, (B) hire any person who was employed by CIT or its affiliates within the six-month period preceding the date of such hiring or solicit, entice, persuade or induce any person or entity doing business with CIT or its affiliates to terminate such relationship or to refrain from extending or renewing the same, or (C) disparage or publicly criticize CIT or any of its affiliates.

The retention agreements of Messrs. Hallman, Leone, Marsiello and Zdanow provide that, under certain circumstances, upon a termination of employment each would be entitled to receive: (i) the sum of (1) his unpaid annual base salary through the termination date and (2) a pro-rated Severance Bonus based on the portion of the fiscal year completed prior to termination; and (ii) the sum of (1) the greater of (x) his annual base salary payable for the remainder of the retention agreement, or (y) two times his annual base salary, and (2) two times his Severance Bonus. "Severance Bonus" means the greater of (i) the executive's average annual bonus over the two calendar years preceding the date of termination, or (ii) the executive's target bonus. In addition, all unvested stock options would vest immediately and all restrictions on restricted stock held by the executive would lapse. Each of them would also receive life insurance and medical, dental and disability benefits for up to two years after termination, any other amounts or benefits required to be paid or provided (to the extent not paid) and outplacement services. They also would be credited with two additional years of age and service credit under all relevant company retirement plans.

Edgar Filing: CIT GROUP INC - Form DEF 14A

In the event of a change of control (as defined in his retention agreement) during the term of the retention agreements of Messrs. Hallman, Leone, Marsiello, and Zdanow, the term of each such agreement would be extended to the second anniversary of the change of control. In addition, if the executive's employment is terminated without cause or by the executive for good reason during the two year extension period, the executive would receive the compensation and benefits described under a good reason termination, except that the executive would receive 2.5 times the sum of his annual base salary and the Severance Bonus (instead of the greater of (i) his annual base salary payable for the remainder of the retention agreement, or (ii) two times his annual base salary, and two times the Severance Bonus). This payment would be payable in a lump sum within 30 days of the termination.

The retention agreements of Messrs. Hallman, Leone, Marsiello and Zdanow also provide that each of them will not, while employed by CIT under the retention agreement and for one year after termination, without the written consent of the Board, (A) engage or be interested in any business in the United States which is in competition with any lines of business actively being conducted by CIT on the date of termination, (B) hire any person who was employed by CIT within the six-month period preceding the date of such hiring or solicit, entice, persuade or induce any person or entity doing business with the Company to terminate such relationship or to refrain from extending or renewing the same, or (C) disparage or publicly criticize CIT or any of its affiliates.

In the event that Mr. Gamper or the other Named Executive Officers become subject to excise taxes under Section 4999 of the Internal Revenue Code, each retention agreement provides for a gross up payment equal to the amount of such excise taxes.

Retirement Plan and Supplemental Retirement Plan

The CIT Group Inc. Retirement Plan (the "Retirement Plan") covers all officers and salaried employees who have one year of service and have attained age 21. We also maintain a Supplemental Retirement Plan for employees whose benefit in the Retirement Plan is subject to Internal Revenue Code limitations.

18

The Retirement Plan was revised in 2000 with a new "cash balance" formula, which became effective January 1, 2001. Under this new formula, each member's accrued benefits as of December 31, 2000 was converted to a lump sum amount and each year thereafter the balance is to be credited with a percentage of the member's "Benefits Pay" (comprised of base salary, plus certain annual bonuses, sales incentives and commissions) depending on the member's period of service as follows:

Period of Service -----	% of "Benefits Pay" -----
1 - 9 years	5
10 - 19 years	6
20 - 29 years	7
30 years or more	8

These balances are also to receive annual interest credits, subject to certain government limits. For 2001, the interest credit was 7.00% and for 2002 it was 5.76%. Upon termination after 5 years of employment or retirement, the amount credited to a member is to be paid in a lump sum or converted into an

Edgar Filing: CIT GROUP INC - Form DEF 14A

annuity. Certain eligible members had the option of remaining under the Retirement Plan formula as in effect prior to January 1, 2001.

Messrs. Gamper, Hallman, Leone, Marsiello and Zdanow are earning benefits under the "cash balance" formula effective January 1, 2001. The following table shows the estimated annual retirement benefits (including the benefits under the Supplemental Retirement Plan) which would be payable to each individual if he retired at normal retirement age (age 65) at his normalized 2002 "benefits pay." The projected amounts include annual interest credits at 5.76%.

Name -----	Year of Normal Retirement -----	Estimated Annual Benefit -----
Albert R. Gamper, Jr.	2007	\$557,589
Thomas B. Hallman	2017	\$145,917
Joseph M. Leone	2018	\$208,611
Lawrence A. Marsiello	2015	\$221,437
Nikita Zdanow	2002	\$169,583

Executive Retirement Plan

The Named Executive Officers are participants under the Executive Retirement Plan, which provides life insurance equal to approximately three times base salary during such participant's employment, with a life annuity option payable monthly by CIT upon retirement. The participant pays a portion of the annual premium, which is calculated based on the provided life insurance benefit. We are entitled to recoup our payments from the proceeds of the policy in excess of the death benefit. Upon the participant's retirement, a life annuity will be payable out of CIT's general assets and we anticipate recovering the cost of the life annuity out of the proceeds of the insurance policy payable to CIT upon the death of the participant.

In addition to the table of pension benefits shown above, we are conditionally obligated to make annual payments under the Executive Retirement Plan in the amounts indicated to the Named Executive Officers at retirement: Mr. Gamper, \$463,130; Mr. Hallman, \$160,453; Mr. Leone, \$222,592; Mr. Marsiello, \$229,608 and Mr. Zdanow, \$224,608.

Other Employee Benefits

We maintain a defined contribution plan with a 401(k) feature. In addition, we maintain a supplemental unfunded defined contribution plan for employees in a grandfathered defined benefit plan. Retiree medical and dental coverage is offered on a contributory basis to certain eligible employees who meet specified age and service requirements.

Long-Term Equity Compensation Plan

The ECP allows for the granting of incentive stock options, non-qualified stock options, stock appreciation rights, restricted stock, performance shares and performance units (each, an "Award") to employees and directors of CIT and its subsidiaries. The ECP is administered by the Compensation and Governance Committee

of the Board and by the full Board with respect to grants of awards to non-employee directors (the "Administrator"). The Administrator has the discretion to select the participants to whom Awards will be granted and the type, size and terms and conditions applicable to each Award, and the authority

Edgar Filing: CIT GROUP INC - Form DEF 14A

to interpret, construe and implement the provisions of the ECP.

The ECP is being submitted to stockholders for approval under Proposal 3. A general summary of the ECP is set forth in Proposal 3.

Annual Incentive Compensation

Annual Bonus Plan. CIT has adopted the CIT Group Inc. Annual Bonus Plan (the "Annual Bonus Plan"), under which awards may be made to any employees of CIT and its subsidiaries. The Annual Bonus Plan replaces the annual bonus provisions of the ECP. It is a performance-based plan in which payments are based on the achievement of performance goals in accordance with the requirements of Internal Revenue Code Section 162(m). The Annual Bonus Plan is being submitted to stockholders for approval under Proposal 4. A general summary of the Annual Bonus Plan is set forth in Proposal 4.

Discretionary Bonus Plan. CIT has also adopted the CIT Group Inc. Discretionary Bonus Plan (the "Discretionary Bonus Plan"), under which awards may be made to any employees of CIT and its subsidiaries. Bonuses under this plan are purely discretionary and are not contingent upon the failure to attain performance goals under the Annual Bonus Plan or other performance based arrangements of the Company. Bonuses under this Plan will be determined by the Compensation and Governance Committee; provided that the Compensation and Governance Committee may delegate to the Chief Executive Officer the discretion to determine bonuses for employees other than the Chief Executive Officer and the executive officers named in this proxy statement or otherwise designated by the Compensation and Governance Committee.

Employee Stock Purchase Plan

CIT's Employee Stock Purchase Plan (the "ESPP") covers United States and Canadian employees of CIT and participating subsidiaries customarily employed at least 20 hours per week. Under the ESPP, eligible employees can choose to have between 1% and 10% of their base salary withheld to purchase shares of Common Stock quarterly at a purchase price equal to 85% of the fair market value of our Common Stock on either the first business day or the last business day of the quarterly offering period, whichever is lower. The fair market value of a share of Common Stock is the closing trading price on the New York Stock Exchange for that day. The amount of Common Stock that may be purchased by a participant through the plan is generally limited to \$25,000 per year.

The ESPP is being submitted to stockholders for approval under Proposal 5. A general summary of the ESPP is set forth in Proposal 5.

Certain Relationships and Related Transactions

We have in the past and may in the future enter into certain transactions with affiliates. Such transactions have been, and it is anticipated that such transactions will continue to be, entered into at a fair market value for the transaction.

General

Tyco acquired us in June 2001 and we became an indirect, wholly owned subsidiary of Tyco. In July 2002, Tyco sold 100% of our issued and outstanding Common Stock in our IPO. Prior to our IPO, some of our directors and executive officers were also directors, officers and employees of Tyco and/or its other subsidiaries.

In connection with our IPO, we entered into agreements with Tyco relating to our separation from Tyco and the ongoing relationship of the two companies after the offering date, as described below. In addition, while owned by Tyco, we engaged in a number of transactions and entered into a number of agreements with Tyco and its subsidiaries in the ordinary course of business relating to our business and our prior relationship with the Tyco group of companies, the material terms of which are described below.

Agreements Relating to Our Initial Public Offering

Separation Agreement

We entered into a separation agreement to address claims that may arise with respect to our respective businesses. The separation agreement provides for cross-indemnification and mutual releases designed principally to place financial responsibility for possible third-party claims relating to our business with us and financial responsibility for possible third-party claims relating to Tyco's businesses with Tyco. The cross-indemnification includes liabilities for misstatements relating to the registration of our Common Stock in our IPO. In addition, Tyco has indemnified us against liabilities for

Edgar Filing: CIT GROUP INC - Form DEF 14A

misstatements in filings and press releases made to comply with securities laws, unless the misstatements are solely attributable to us. The separation agreement also provides for access to information, insurance, cooperation in the event of litigation and avoidance of conduct or statements that would be injurious to one another.

Tax Agreement

We entered into an agreement pursuant to which Tyco has indemnified us for any income-based tax liabilities, determined on a non-consolidated basis, imposed on any of our predecessors for periods or partial periods ending on or prior to the date such predecessors merged into us. Tyco also indemnified us for any liability of ours or of our predecessors for any income-based taxes imposed as a result of the merger of our predecessors with us. We are also indemnified for any penalties imposed on us resulting from the late filing of federal income tax returns that were prepared by or under the direction for Tyco on our behalf and from late payments related to those returns. Tyco has also indemnified us for any liability for U.S. federal income taxes and income taxes of New York, New Jersey and any other state for which a unitary return was filed, resulting from a tax position reflected on any applicable income tax return prepared by, or under the direction of, Tyco on our behalf which was taken by Tyco in a manner inconsistent with our past practices. Tyco did not indemnify us, however, for any tax liability resulting from a claim for refund filed by or on behalf of our predecessor on May 30, 2002. The agreement further provides that we will pay Tyco for the use of any tax attributes of Tyco Capital Holding Inc., one of our predecessors, existing as of the date of the merger with us. We believe that as

22

of the date of the merger, the tax attributes of Tyco Capital Holding Inc. consisted of net operating losses. The payments to Tyco will be based on the actual tax benefits that we realize from the Tyco Capital Holding Inc. tax attributes.

Financial Services Cooperation Agreement

We entered into an agreement with Tyco pursuant to which we may have the opportunity to provide financing for Tyco customers after our IPO. Pursuant to this agreement, Tyco may offer us the opportunity in appropriate circumstances to develop financing programs under which we could offer Tyco customers financing, leasing, rental and related financial services and products. We may also have the opportunity to provide other financial services in connection with the acquisition of products and services from third party suppliers. This agreement will remain in effect until terminated by either party on 90 days' notice.

Operating Agreement

When Tyco acquired us, CIT and Tyco entered into an Operating Agreement, dated as of June 1, 2001, that provided that (i) CIT and Tyco would not engage in transactions, including finance, underwriting and asset management and servicing transactions, unless the transactions were at arm's-length and for fair value, (ii) CIT would have sole discretion and decision-making authority for underwriting, managing and servicing assets in transactions originated through Tyco, (iii) dividends and distributions from CIT to Tyco were limited to (x) fifteen percent (15%) of our cumulative net income, plus (y) the net capital contributions by Tyco to CIT, and (iv) CIT would at all times maintain our books, records and assets separately from Tyco. The Operating Agreement terminated upon completion of our IPO.

Edgar Filing: CIT GROUP INC - Form DEF 14A

Other Transactions

As of December 31, 2002, certain subsidiaries of Tyco sold receivables totaling \$350.0 million to CIT in a factoring transaction. At various times during Tyco's ownership of CIT, CIT and Tyco engaged in similar factoring transactions, the highest amount of which was \$384.4 million.

We have entered into a number of equipment loans and leases with affiliates of Tyco. Lease terms generally range from 3 to 12 years. Tyco has guaranteed payment and performance obligations under each loan and lease agreement. At December 31, 2002, the aggregate amount outstanding under these equipment loans and leases was approximately \$28.9 million.

On May 1, 2002, CIT assumed a third-party corporate aircraft lease obligation from Tyco. The assumed lease obligation is approximately \$16.0 million and extends for 134 months beginning on May 1, 2002. Prior to Tyco's acquisition of CIT, CIT had an agreement to purchase this aircraft directly from the previous owner.

On September 30, 2001, we sold at net book value certain international subsidiaries to a non-U.S. subsidiary of Tyco. As a result of this sale, we had receivables from affiliates totaling \$1,440.9 million, representing our debt investment in these subsidiaries. CIT charged arm's length, market-based interest rates on these receivables, and recorded \$19.0 million of interest income, as an offset to interest expense, related to those notes for the quarter ended December 31, 2001. A note receivable issued at the time of this transaction of approximately \$295 million was collected. Following Tyco's announcement on January 22, 2002 that it planned to separate into four independent, publicly traded companies, we repurchased at net book value the international subsidiaries on February 11, 2002. In conjunction with this repurchase, the receivables from affiliates of \$1,588.1 million on the Consolidated Balance Sheet at December 31, 2001 was satisfied.

While CIT was an indirect subsidiary of Tyco, certain of CIT's expenses, such as third party consulting and legal fees, were paid by Tyco and billed to CIT. The payables were subsequently satisfied.

PROPOSAL 2

APPOINTMENT OF INDEPENDENT ACCOUNTANTS

The Audit Committee has appointed the firm of PricewaterhouseCoopers LLP ("PricewaterhouseCoopers"), 1177 Avenue of the Americas, New York, New York 10036, as independent accountants to examine the financial statements of CIT and its subsidiaries for the year ending December 31, 2003, and to perform appropriate auditing services. A resolution will be presented at the meeting to ratify the appointment. The affirmative vote of a majority of the number of votes entitled to be cast by the Common Stock represented at the meeting is needed to ratify the appointment. If the stockholders do not ratify the appointment of PricewaterhouseCoopers, the Audit Committee will reconsider the selection of independent accountants.

PricewaterhouseCoopers has examined our financial statements since June 2001. A member of PricewaterhouseCoopers will be present at the meeting, will have the opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions by stockholders.

Changes in and Disagreements with Accountants on Accounting and Financial

Disclosure.

Prior to Tyco's acquisition of CIT, the independent auditor for CIT was KPMG LLP. The independent auditor for Tyco was PricewaterhouseCoopers. On June 1, 2001, in connection with the acquisition, Tyco and CIT jointly determined that CIT would terminate its audit engagement with KPMG LLP and enter into an audit engagement with PricewaterhouseCoopers, in order to facilitate the auditing of Tyco's Consolidated Financial Statements. CIT's Board approved the appointment of PricewaterhouseCoopers as the independent auditor for CIT.

In connection with the audit of the year ended December 31, 2000, and the subsequent interim period through June 1, 2001, there were no disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements if not resolved to their satisfaction would have caused them to make reference in connection with their opinion to the subject matter of the disagreement.

The audit report of KPMG LLP on the Consolidated Financial Statements of CIT and its subsidiaries as of and for the year ended December 31, 2000 did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope or accounting principles.

Audit Fees

Aggregate fees for professional services rendered by PricewaterhouseCoopers in connection with its audits of the Company's consolidated financial statements as of and for the three months ended December 31, 2002 were \$1.3 million. Aggregate fees in connection with its audit of the Company's consolidated financial statements as of and for the year ended September 30, 2002, including limited reviews of the Company's unaudited interim financial statements, were \$3.6 million.

Financial Information Systems Design and Implementation Fees

During the transition period ended December 31, 2002 and year ended September 30, 2002, PricewaterhouseCoopers rendered no professional services to the Company in connection with the design and implementation of financial information systems.

All Other Fees

In addition to the fees described above, aggregate fees of \$0.5 million and \$3.4 million were billed by PricewaterhouseCoopers during the three months ended December 31, 2002 and year ended September 30, 2002, respectively, primarily for the following professional services (in millions):

	Three months ended December 31, 2002	Twelve months ended September 30, 2002
	-----	-----
Audit related services (a)	\$0.38	\$2.93
Income tax compliance and related tax services	\$0.09	\$0.47
Other	--	--
	----	----
Total All Other Fees	\$0.47	\$3.40

(a) Audit related services include fees for audit and attestation services related to the following: financial statements of certain subsidiaries

Edgar Filing: CIT GROUP INC - Form DEF 14A

with statutory reporting requirements, financial statements of employee benefit plans, consents and comfort letters in conjunction with various SEC filings/debt offerings, agreed-upon procedures related to securitized receivable pools, and securitization and third-party servicing compliance requirements. The above fees exclude professional fees relating to the SEC registration statement filed in conjunction with our IPO.

The Audit Committee has determined that CIT will not retain PricewaterhouseCoopers for any non-audit professional services without the prior approval of the Audit Committee. In general, CIT does not retain PricewaterhouseCoopers to provide information systems, tax, or other consulting services. The Audit Committee has determined that the professional services provided by PricewaterhouseCoopers as described above are compatible with maintaining the principal accountant's independence.

The Board of Directors recommends a vote "For" the ratification of PricewaterhouseCoopers LLP as CIT's independent auditors for 2003.

PROPOSAL 3

APPROVAL OF LONG-TERM EQUITY COMPENSATION PLAN

Description of the Long-Term Equity Compensation Plan

The ECP covers directors and employees of CIT and its subsidiaries, which is approximately 5,850 persons. The ECP is administered by the Compensation and Governance Committee of the Board, and by the full Board with respect to grants of awards to non-employee directors (the "Administrator"). A total of 26 million shares were originally reserved for issuance under the ECP. As of March 31, 2003, a total of 6,302,504 shares are available for future grants to participants.

The ECP became effective on June 1, 2002 and has been amended (i) to remove "annual incentive awards" from the ECP and provide for them in the Annual Bonus Plan, (ii) to increase the number of available shares from 26 million to 36 million, (iii) to incorporate limitations on the grant of certain awards, (iv) to revise the definition of "change of control, and (v) to make other administrative changes.

The following is a summary of the principal features of the ECP and does not purport to be complete. Stockholders are urged to read the ECP in its entirety. This summary is qualified by reference to the ECP itself. The full text of the ECP is attached as Annex C.

The ECP provides for the grant of Awards, with the terms set forth in the individual award agreements ("Award Agreements"). The Administrator has the discretion to select the participants to whom Awards will be granted and the type, size and terms and conditions applicable to each Award, and the authority to interpret, construe and implement the provisions of the ECP. The Administrator's decisions will be binding at all times. All Awards under the ECP will be intended to constitute deductible "qualified performance-based compensation" within the meaning of Internal Revenue Code Section 162(m), provided, however, that in the event the Administrator determines that such compliance is not desired with respect to an Award of Restricted Stock (as defined below), compliance with Internal Revenue Code Section 162(m) will not be required.

Subject to adjustments made as a result of a change in corporate

Edgar Filing: CIT GROUP INC - Form DEF 14A

capitalization or a corporate transaction, the total number of shares of Common Stock that may be subject to Awards under the ECP is 36 million shares, with no more than 5 million shares of Common Stock being issuable in the form of restricted stock, performance shares or performance units. Any shares of Common Stock under Awards that terminate or lapse will again be available under the ECP, and any shares that are transferred or relinquished to CIT in satisfaction of the exercise price or any withholding obligation with respect to an Award will be deemed to be available for Awards under the ECP. In addition, if any Awards granted under another equity compensation plan are converted into Awards granted under the ECP in connection with a merger or other business transaction approved by our stockholders, the number of shares of Common Stock that may be subject to Awards under the ECP will be increased by the number of shares covered by the converted Awards. Common Stock issued under the ECP may be either authorized but unissued shares, treasury shares or any combination thereof.

Because the Administrator makes discretionary grants under the ECP, the amount and dollar value of future grants are not determinable at this time. The maximum aggregate number of shares of Common Stock that may be granted in the form of stock options, stock appreciation rights, restricted stock, or performance units/shares in any one fiscal year to any one participant is 100% of the shares available under the ECP. The maximum dollar limit of cash payable for performance units in any performance period for one participant is \$10 million.

With respect to any Awards based in whole or in part on performance objectives, prior to the end of the performance period during which performance will be measured (the "Performance Period"), the Administrator, in its discretion, may adjust the performance objectives to reflect an event that may materially affect CIT's performance including, but not limited to, market conditions, changes in accounting policies or practices, an acquisition or disposition of assets or other property by CIT, or other unusual or unplanned events.

Set forth below is a brief description of the Awards that may be granted under the ECP:

Stock Options. Options (each an "Option") to purchase shares of Common Stock, which may be incentive or non-qualified stock options, may be granted under the ECP at an exercise price (the "Option Price") determined by the Administrator in its discretion. The Option Price will not be less than the fair market value of the Common Stock on the date of grant of an Option, unless (a) the Option is a substitute award granted in

26

connection with an acquisition or merger or (b) the grant is contingent upon the completion of a securities offering and the exercise price of the Option is not less than the value of the securities offered. Each Option represents the right to purchase one share of Common Stock at the specified Option Price.

Options will expire no later than ten years after the date on which they were granted.

Stock Appreciation Rights. An Award of a stock appreciation right ("SAR") may be granted under the ECP with respect to shares of Common Stock. Generally, one SAR is granted with respect to one share of Common Stock. The SAR entitles the participant, upon the exercise of the SAR, to receive an amount equal to the appreciation in the underlying share of Common Stock. The appreciation is equal to the difference between (i) the "base value" of the SAR (which is determined with reference to the fair market value of the Common Stock on the date the SAR

Edgar Filing: CIT GROUP INC - Form DEF 14A

is granted) and (ii) the fair market value of the Common Stock on the date the SAR is exercised. Upon the exercise of a vested SAR, the exercising participant will be entitled to receive the appreciation in the value of one share of Common Stock as so determined.

Tandem Options/SARs. An Option and a SAR may be granted "in tandem" with each other (a "Tandem Option/SAR"). An Option and a SAR are considered to be in tandem with each other because the exercise of the Option aspect of the tandem unit automatically cancels the right to exercise the SAR of the tandem unit, and vice versa. The Option may be an incentive stock option or non-qualified stock option, and the Option may be coupled with one SAR, more than one SAR or a fractional SAR in any proportionate relationship selected by the Administrator. Descriptions of the terms of the Option and the SAR aspects of a Tandem Option/SAR are provided above.

Restricted Stock. An Award of restricted stock ("Restricted Stock") is an Award of Common Stock that is subject to restrictions including forfeiture conditions and restrictions against transfer for a period specified by the Administrator. Restricted Stock Awards may be granted under the ECP for services and/or payment of cash. Restrictions on Restricted Stock may lapse in installments based on factors selected by the Administrator. A grantee who has received a Restricted Stock Award generally has the rights of a stockholder of CIT, including the right to vote and to receive cash dividends on the shares subject to the Award, unless otherwise determined by the Administrator. Stock dividends issued with respect to a Restricted Stock Award may be treated as additional shares under such Award with respect to which such dividends are issued.

Performance Shares and Performance Units. A performance share Award ("Performance Shares") and/or a performance unit Award (a "Performance Unit") may be granted under the ECP. Each Performance Unit will have an initial value that is established by the Administrator at the time of grant. Each Performance Share will have an initial value equal to the fair market value of one share of Common Stock on the date of grant. Such Awards may be earned based upon satisfaction of certain specified performance criteria. Performance objectives will be established before, or as soon as practicable after, the commencement of the Performance Period. The extent to which a grantee is entitled to payment in settlement of such an Award at the end of a Performance Period will be determined based on whether the performance criteria have been met and payment will be made in cash or in shares of Common Stock, or some combination thereof.

Performance Measures. The Administrator may grant Awards under the ECP to eligible participants subject to the attainment of specified pre-established performance measures. The number of performance-based Awards granted under the ECP in any fiscal year is determined by the Administrator. The Administrator will adopt in writing each year, within 90 days of the beginning of such year, the applicable performance goals that must be achieved in order to receive annual performance-based Awards and, if applicable, shares of Restricted Stock, Performance Units and Performance Shares. At the time that performance goals are established by the Administrator for a year, the Administrator will establish an individual performance-based Award opportunity for such year for each participant or group of participants. A participant's individual annual performance-based Award opportunity is based on the participant's achievement of his or her performance goals during such year and may be expressed in dollars, as a percentage of base salary, or by formula. A participant's actual performance-based Award may be paid in cash, shares of Common Stock or a combination thereof.

The value of performance-based Awards may be based on absolute measures or on a comparison of CIT's measures during a Performance Period to the comparable measures of a group of competitors. Measures selected by the Administrator shall be one or more of the following and, where applicable, may be measured before or

Edgar Filing: CIT GROUP INC - Form DEF 14A

after interest, depreciation, amortization, service fees, extraordinary items and/or special items: pre-tax

27

earnings, operating earnings, after-tax earnings, return on investment, revenues or income, net income, absolute and/or relative return on equity, capital invested or assets, earnings per share, cash flow or cash flow on investments, profits, earnings growth, share price, total stockholder return, economic value added, expense reduction, customer satisfaction, or any combination of the foregoing measures as the Administrator deems appropriate.

Change of Control. Upon a Change of Control of CIT (as defined for purposes of the ECP): (i) all outstanding Options and SARs will become immediately exercisable and will remain exercisable until the earlier of the expiration of their initial term or the second anniversary of the grantee's termination of employment with CIT; (ii) all restrictions on outstanding shares of Restricted Stock will lapse; (iii) the performance goals with respect to all outstanding awards of Restricted Stock, Performance Shares and Performance Units will be deemed to have been fully attained for the Performance Period; and (iv) the vesting of all Awards denominated in shares of Common Stock will be accelerated.

No Repricing. No repricing of any Awards under the ECP will occur without stockholder approval.

Federal Income Tax Consequences

The following summary describes the principal federal income tax consequences of Awards made under the ECP. The summary is based upon an analysis of the Internal Revenue Code, as currently in effect, judicial decisions, administrative rulings, regulations and proposed regulations, all of which are subject to change. Any such change could have retroactive effect and could affect the consequences described in the summary. The summary does not purport to cover all federal income tax consequences that may apply to a participant and does not contain any discussion of foreign, state or local tax laws. Participants are urged to consult their own tax advisors regarding the tax consequences to them of Awards under the ECP.

A participant will not recognize any income upon the grant of an Option. A participant will recognize compensation taxable as ordinary income (and be subject to income tax withholding) upon exercise of a nonqualified stock option equal to the excess of the fair market value of the shares of Common Stock purchased over their exercise price, and the Company will be entitled to a corresponding deduction. A participant will not recognize income (except for purposes of the alternative minimum tax) upon exercise of an incentive stock option. If the shares of Common Stock acquired by exercise of an incentive stock option are held for the longer of two years from the date the Option was granted or one year from the date it was exercised, any gain or loss arising from a subsequent disposition of the shares of Common Stock will be taxed as long-term capital gain or loss, and the Company will not be entitled to any deduction. If, however, the shares of Common Stock are disposed of within this period, then in the year of disposition the participant will recognize compensation taxable as ordinary income equal to the lesser of the amount realized upon such disposition or the fair market value of the shares of Common Stock on the date of exercise minus the exercise price. The Company will be entitled to a corresponding deduction.

A participant who is granted SARs will not recognize any taxable income upon the grant of the SARs. Upon exercise, the participant will recognize

Edgar Filing: CIT GROUP INC - Form DEF 14A

taxable compensation in an amount equal to the fair market value of any shares of Common Stock delivered and the amount of cash paid by the Company. This amount is deductible by the Company as compensation expense.

A participant receiving Restricted Stock will not recognize taxable income at the time of the grant, and the Company will not be entitled to a tax deduction at that time, unless the participant makes an election under Internal Revenue Code Section 83(b) to be taxed at the time that the Restricted Stock is granted. If an Internal Revenue Code Section 83(b) election is not made, the participant will recognize taxable income at the time that the restrictions lapse in an amount equal to the excess of the fair market value of the shares of Common Stock at that time over the amount, if any, paid for the shares of Common Stock. The amount of ordinary income recognized by a participant by making an Internal Revenue Code Section 83(b) election or upon the lapse of the restrictions is deductible by the Company as compensation expense, except to the extent that the deduction limits applicable to compensation in excess of \$1 million apply. In addition, a participant receiving dividends with respect to Restricted Stock for which an Internal Revenue Code Section 83(b) election has not been made and before the restrictions lapse will recognize taxable compensation, rather than dividend income, in an amount equal to the dividends paid, and the Company will be entitled to a corresponding deduction, except to the extent that the compensation deduction limit applies.

28

A participant receiving Performance Shares or Performance Units will not recognize taxable income upon the grant of the shares or units, and the Company will not be entitled to a tax deduction at that time. Upon the settlement of the Performance Shares or Performance Units, the participant will recognize ordinary income in an amount equal to the fair market value of any shares of Common Stock delivered and any cash paid by the Company. This amount is deductible by the Company as compensation expense, except to the extent that the compensation deduction limit applies.

The Board of Directors recommends that you vote "For" the approval of the CIT Group Inc. Long-Term Equity Compensation Plan.

PROPOSAL 4

APPROVAL OF ANNUAL BONUS PLAN

Description of the Annual Bonus Plan

The Annual Bonus Plan is a performance-based plan in which payments are based on the achievement of performance goals in accordance with the requirements of Internal Revenue Code Section 162(m). The Annual Bonus Plan replaces the annual bonus features previously included in the ECP. The Annual Bonus Plan, including the performance goals thereunder, is being submitted to stockholders for approval pursuant to Internal Revenue Code Section 162(m) and the corresponding regulations.

The following is a summary of the principal features of the Annual Bonus Plan and does not purport to be complete. Stockholders are urged to read the Annual Bonus Plan in its entirety. This summary is qualified by reference to the Annual Bonus Plan itself. The full text of the Annual Bonus Plan is attached as Annex D.

Edgar Filing: CIT GROUP INC - Form DEF 14A

The Annual Bonus Plan provides annual incentive awards to qualified employees of CIT and its subsidiaries, which as of April 1, 2003, was approximately 3,800 persons, including "covered employees" (as defined under the Annual Bonus Plan, which generally refers to the five most highly compensated executive officers of CIT). The actual awards will be based solely upon the achievement of Performance Targets. Under the Annual Bonus Plan, "Performance Target" means a goal which shall be equal to a desired level or levels for any plan year or plan years of any or a combination of the following criteria on an absolute or relative basis and, where applicable, measured before or after interest, depreciation, amortization, service fees, extraordinary items and/or special items: (i) pre-tax earnings; (ii) operating earnings; (iii) after-tax earnings; (iv) return on investment; (v) earned value added; (vi) earnings per share; (vii) revenues; (viii) cash flow or cash flow on investment; (ix) return on assets or return on net assets; (x) return on capital; (xi) return on equity; (xii) return on sales; (xiii) operating margin; (xiv) total stockholder return or stock price appreciation; or (xv) net income; in each case determined in accordance with generally accepted accounting principles (subject to modifications approved by the Compensation and Governance Committee) consistently applied on a business unit, divisional, subsidiary or consolidated basis or any combination thereof. The Compensation and Governance Committee is responsible for selecting the financial performance objective or objectives to be used for each annual incentive award under the Annual Bonus Plan. Because the Compensation and Governance Committee makes awards under the Annual Bonus Plan tied to CIT's future performance based upon the above criteria, the amount and dollar value of future awards are not determinable at this time. The maximum aggregate payout with respect to an annual incentive award granted in any plan year to any one covered employee may not exceed 3% of the consolidated pre-tax earnings of the Company for such plan year. Annual incentive awards are payable in cash, awards under the ECP, or a combination of the two.

The Board of Directors recommends that you vote "For" the approval of the CIT Group Inc. Annual Bonus Plan.

PROPOSAL 5

APPROVAL OF EMPLOYEE STOCK PURCHASE PLAN

Description of the Employee Stock Purchase Plan

The ESPP covers eligible employees of CIT and certain of its subsidiaries deemed eligible by CIT to participate in the ESPP ("Participating Subsidiaries") (each an "ESPP Participant") and provides ESPP Participants with an opportunity to purchase shares of Common Stock through payroll deductions. The ESPP is intended to qualify as an "employee stock purchase plan" under Internal Revenue Code Section 423. The ESPP became effective October 1, 2002 and the first purchases under the ESPP took place on December 31, 2002. The following is a summary of the principal features of the ESPP and does not purport to be complete. Stockholders are urged to read the ESPP in its entirety. This summary is qualified by reference to the ESPP itself. The full text of the ESPP is attached as Annex E.

The Employee Benefit Plans Committee of CIT (the "EBP Committee") administers the ESPP. The members of the EBP Committee are appointed by the Chief Executive Officer of CIT. The ESPP may be amended or terminated at any time by the EBP Committee, provided, however, that no such amendment or termination may be made which would impair the rights of any ESPP Participant under the ESPP without his or her consent.

Edgar Filing: CIT GROUP INC - Form DEF 14A

All of CIT's employees located in the United States and Canada who are customarily employed for at least 20 hours per week by CIT or by a Participating Subsidiary, which were approximately 5,200 persons as of April 1, 2003, are eligible to participate in the ESPP.

Prior to each calendar quarter of the ESPP (an "Offering Period"), an ESPP Participant may authorize payroll deductions to be taken from his or her base salary to be used to purchase shares of Common Stock under the ESPP. The rate of payroll deductions may be between 1% and 10% of the ESPP Participant's base salary. Options are granted to ESPP Participants on the first day of each Offering Period to purchase up to a number of shares of Common Stock equal to the total amount of payroll deductions accumulated during the Offering Period divided by the lesser of (i) 85% of the fair market value of a share of Common Stock on the first business day of an Offering Period or (ii) 85% of the fair market value of a share of Common Stock on the last business day of an Offering Period. Thus, the option price per share is equal to 85% of the fair market value of a share of Common Stock on either the first business day of an Offering Period or the last business day of an Offering Period, whichever is lesser. The fair market value of a share of Common Stock is the closing trading price of a share of Common Stock on the New York Stock Exchange.

The option to purchase shares of Common Stock under the ESPP is automatically exercised on the last day of the Offering Period. The maximum number of whole shares (and fractional shares, if allowed) of Common Stock subject to the option will be purchased for the ESPP Participant at the applicable option price with the payroll deductions accumulated during the Offering Period. In any calendar year, no ESPP Participant may purchase shares of Common Stock which have a fair market value that exceeds \$25,000, based upon the fair market value on the date that the option to purchase such shares of Common Stock is granted to the ESPP Participant.

Because ESPP Participants participate in the ESPP in their discretion, the amount and dollar value of future benefits are not determinable at this time. The maximum number of shares of Common Stock which will be available for sale under the ESPP is 1,000,000, subject to adjustment by CIT upon a change in the capitalization of CIT. The shares of Common Stock to be sold to ESPP Participants under the ESPP may, at the election of CIT, be either treasury shares, authorized but unissued shares or publicly traded shares.

If the shares of Common Stock to be sold to ESPP Participants under the ESPP are publicly traded shares, CIT will contribute 15% of the purchase price, determined by the fair market value of a share of Common Stock. ESPP Participants may enroll in, or increase or decrease their rate of payroll deductions under, the ESPP at any time to be effective for the next Offering Period. An ESPP Participant may not increase or decrease the rate of payroll deductions during an Offering Period to be effective for that Offering Period.

31

No interest accrues on the payroll deductions held in an ESPP Participant's account under the ESPP. Cash dividends for the shares of Common Stock held in an ESPP Participant's account are automatically invested in shares of Common Stock at the fair market value of the shares of Common Stock on the date that the cash dividends are invested in such shares (with no contribution by CIT for any discount toward the purchase of such shares of Common Stock). Shares of Common Stock purchased with cash dividends are held in an ESPP Participant's account under the ESPP.

An ESPP Participant will have the right to vote shares of Common Stock

Edgar Filing: CIT GROUP INC - Form DEF 14A

held in the ESPP Participant's account under the ESPP. However, an ESPP Participant has no interest or voting right in shares of Common Stock covered by an option until such option has been exercised under the provisions of the ESPP.

ESPP Participants may withdraw all, but not less than all, payroll deductions accumulated during the Offering Period at any time prior to 15 days before the end of the Offering Period by giving notice to the EBP Committee. If an ESPP Participant withdraws from the ESPP, the accumulated payroll deductions will be paid to the ESPP Participant as promptly as administratively possible and no further payroll deductions will be made for the ESPP Participant for such Offering Period. An ESPP Participant's withdrawal from the ESPP during one Offering Period does not affect such ESPP Participant's eligibility to participate in subsequent Offering Periods. However, in such a case, the ESPP Participant must authorize the resumption of payroll deductions and the rate of such payroll deductions. An ESPP Participant's termination of employment for any reason or failure to remain in the continuous employ of CIT or a Participating Subsidiary for at least 20 hours per week during the Offering Period shall constitute a withdrawal from the ESPP.

Neither payroll deductions credited to an ESPP Participant's account nor any rights with regard to the exercise of an option to receive shares of Common Stock under the ESPP may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution, or as provided to a beneficiary in accordance with the provisions of the ESPP) by the ESPP Participant.

Federal Income Tax Consequences

The following summary describes the principal United States federal income tax consequences to CIT and ESPP Participants of participation in the ESPP. The summary is based upon an analysis of the Internal Revenue Code, as currently in effect. Any change under the Internal Revenue Code could have a retroactive effect and could affect the consequences described in the summary. The summary does not purport to cover all federal income tax consequences that may apply to CIT or an ESPP Participant and does not contain any discussion of foreign, state or local tax laws. ESPP Participants are urged to consult their own tax advisors regarding the tax consequences to them resulting from participation in the ESPP. The ESPP is intended to comply with the provisions of Internal Revenue Code Section 423 as an "employee stock purchase plan."

CIT will be entitled to a tax deduction equal to the amount of payroll deductions authorized by an ESPP Participant under the ESPP to the same extent as other compensation paid to the ESPP Participant.

With respect to CIT's 15% contribution, if an ESPP Participant satisfies the applicable holding period, CIT will not be entitled to any tax deduction for any income recognized by the ESPP Participant. If a disqualifying disposition (as explained below) occurs, CIT will be entitled to a tax deduction equal to the amount that the ESPP Participant includes as ordinary income in the year in which the disqualifying disposition occurs.

The payroll deductions authorized by an ESPP Participant under the ESPP continue to be taxable income to the ESPP Participant in the year such amounts are earned. Such income is subject to taxation to the same extent (federal, state and local) as other compensation income received by the ESPP Participant. However, an ESPP Participant will not recognize income either upon enrollment in the ESPP or upon any purchase of shares of Common Stock under the ESPP. All tax consequences are deferred until an ESPP Participant sells the shares of Common Stock acquired under the ESPP, disposes of such shares by gift, or dies.

The tax treatment with respect to a disposition of shares of Common Stock purchased pursuant to an option under the ESPP depends on whether such shares of

Edgar Filing: CIT GROUP INC - Form DEF 14A

Common Stock are disposed of within the holding period provided under Internal Revenue Code Section 423. Under Internal Revenue Code Section 423, the required holding period is the later of (i) two years after the date of the option grant or (ii) one year after the option exercise date. The required holding period is also satisfied if the ESPP Participant dies while holding

32

shares of Common Stock acquired under the ESPP. If a disposition does not satisfy the required holding period under Internal Revenue Code Section 423, such disposition is called a "disqualifying disposition." If a disqualifying disposition occurs, the ESPP Participant must recognize as ordinary income, in the year of such disqualifying disposition, the difference between the fair market value of the shares of Common Stock on the date that the option is exercised and the option's exercise price.

Since the ESPP provides that the option price per share of Common Stock generally shall be the lesser of (i) 85% of the fair market value of a share of Common Stock on the first business day of an Offering Period or (ii) 85% of the fair market value of a share of Common Stock on the last business day of an Offering Period, an ESPP Participant who satisfies the required holding period under Internal Revenue Code Section 423 must include as ordinary income at the time of sale or other taxable disposition of the shares of Common Stock purchased pursuant to an option, or upon the ESPP Participant's death while still holding the shares of Common Stock purchased pursuant to an option exercised under the ESPP, the lesser of:

- (i) the amount, if any, by which the fair market value of the shares of Common Stock when the option was exercised exceeds the option price; or
- (ii) the amount, if any, by which the fair market value of the shares of Common Stock at the time of such disposition or death exceeds the option price paid.

The basis of the shares of Common Stock purchased pursuant to an option will be increased by the amount of ordinary income recognized. If an ESPP Participant satisfies the applicable holding period with respect to the shares of Common Stock purchased pursuant to an option, such shares of Common Stock would be eligible for capital gains treatment under the Internal Revenue Code.

The Board of Directors recommends that you vote "For" the approval of the CIT Group Inc. Employee Stock Purchase Plan.

Section 4. Shares Subject to the Plan and Maximum Awards

4.1. Number of Shares Available for Grants. Subject to adjustment as provided in Section 4.2 and Section 4.3 herein, the maximum number of Shares with respect to which Awards may be granted to Participants under the Plan, and the maximum number of Shares that may be issued upon the exercise of ISOs, shall be 36 million of the total outstanding shares of all classes of common stock of CIT. No more than 5 million Shares may be issued in connection with Awards of Restricted Stock and Performance Shares and Performance Units. Shares issued under the Plan may be either authorized but unissued Shares, treasury Shares or any combination thereof. Awards under the Plan may be provided to Participants for all or a portion of the "Annual Incentive Awards" granted to eligible participants under the CIT Group Inc. Annual Bonus Plan.

4.2. Lapsed Awards, Transferred and Relinquished Shares, and Transactions. To the fullest extent permitted under Rule 16b-3 of the Exchange Act and Sections 422 and 162(m) of the Code:

(a) If any Award granted under this Plan is canceled, terminates, expires, or lapses for any reason without the issuance of Shares or payment in respect thereof (with the exceptions of SARs settled in cash, the termination of a Tandem SAR upon exercise of the related Option, or the termination of a related Option upon exercise of the corresponding Tandem SAR), any Shares subject to such Award again shall be available for the grant of an Award under the Plan.

(b) If any Shares are transferred or relinquished to the Company in satisfaction of all or a portion of the exercise price or any withholding obligation with respect to an Award granted under this Plan, any Shares so transferred or relinquished shall be deemed to be available for the grant of an Award under the Plan.

(c) If Substitute Awards (as defined in Section 2.43(iii)) are granted under the Plan in connection with any acquisition or combination specifically approved by CIT's shareholders, the maximum number of Shares with respect to which Awards may be granted to Participants under the Plan shall be increased by the number of Shares covered by such Substitute Awards.

4.3. Adjustments in Authorized Shares. In the event of any change in corporate capitalization, such as a stock split, stock dividend or combination of shares or a corporate transaction, such as any merger, consolidation, separation, including a spin-off, or other distribution of stock or property of the Company, any reorganization (whether or not such reorganization comes within the definition of such term in Code Section 368), or any partial or complete liquidation of the Company, an adjustment shall be made in the number and class of Shares which may be delivered under Section 4.1, in the number and class of and/or price of Shares subject to outstanding Awards granted under the Plan, and in the Awards limits set forth in subsections 4.4 (a), (b), (c), (d) and (e) as may be determined to be appropriate and equitable by the Committee, in its sole discretion, to prevent dilution or enlargement of rights, provided, however, that the number of Shares subject to any Award shall always be a whole number.

4.4. Maximum Awards. The following rules shall apply to grants of such Awards under the Plan:

(a) Stock Options: The maximum aggregate number of Shares that may be granted in the form of Stock Options, pursuant to any Award granted in any one Plan Year to any one single Participant shall be 100% of the maximum number of Shares provided under Section 4.1.

Edgar Filing: CIT GROUP INC - Form DEF 14A

(b) SARs: The maximum aggregate number of Shares that may be granted in the form of Stock Appreciation Rights, pursuant to any Award granted in any one Plan Year to any one single Participant shall be 100% of the maximum number of Shares provided under Section 4.1.

(c) Restricted Stock: The maximum aggregate grant with respect to Awards of Restricted Stock granted in any one Plan Year to any one Participant shall be 100% of the maximum number of Shares provided under Section 4.1.

C-5

(d) Performance Shares/Performance Units: The maximum aggregate grant with respect to Awards of Performance Shares or Performance Units granted in any one Plan Year to any one Participant shall be 100% of the maximum number of Shares provided under Section 4.1.

(e) If cash is awarded with respect to Performance Units, the maximum dollar limit in any one performance period to any one Participant shall be \$10 million.

Section 5. Eligibility and Participation

5.1. Eligibility. Persons eligible to participate in this Plan include all Directors and all Employees, including Employees who are members of the Board.

5.2. Actual Participation. Subject to the provisions of the Plan, the Committee in its sole discretion may, from time to time, select from all eligible Employees and Directors, those to whom Awards shall be granted and shall determine the nature, amount and terms and conditions of each Award.

Section 6. Stock Options

6.1. Grant of Options. Subject to the terms and provisions of the Plan, Options may be granted to Participants in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee; provided, however, that in the case of ISOs the aggregate Fair Market Value (determined at the time the ISO is granted) of the Shares with respect to which ISOs are exercisable for the first time by any optionee during any calendar year (under all plans of the Company and any Subsidiary) shall not exceed \$100,000.

6.2. Award Agreement. Each Option granted shall be evidenced by an Award Agreement that shall specify the Option Price, the duration of the Option, the number of Shares to which the Option pertains, and such other provisions as the Committee shall determine. The Award Agreement also shall specify whether the Option is intended to be an ISO within the meaning of Code Section 422, or an NQSO whose grant is intended not to fall under the provisions of Code Section 422.

6.3. Option Price. The Option Price for each grant of an Option under this Plan shall be at least equal to one hundred percent (100%) of the Fair Market Value of a Share on the date the Option is granted, except that (i) a Substitute Award may be granted with an exercise price less than, equal to or greater than the Fair Market Value of a Share on the date such Award is granted, (ii) grants of NQSOs made under the Plan concurrent with or contingent upon the consummation of a private placement, public offering or similar transaction involving Shares or other securities of the Company may be granted with an exercise price equal to the value or price attributed to Shares or such securities for purposes of such transaction, and (iii) in the case of an ISO granted to a Participant

Edgar Filing: CIT GROUP INC - Form DEF 14A

owning (actually or constructively under Code Section 424(d)) more than ten percent (10%) of the total combined voting power of all classes of stock of the Company or of a Subsidiary, the Option Price shall not be less than one hundred and ten percent (110%) of the Fair Market Value of the Shares on the date of grant.

6.4. Duration of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, that no Option shall be exercisable later than the tenth (10th) anniversary date of its grant and no ISO granted to a ten percent (10%) shareholder of the Company shall be exercisable later than the fifth (5th) anniversary of the date of grant.

6.5. Exercise of Options. Options granted under this Section 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which need not be the same for each Award or for each Participant.

6.6. Payment. Options granted under this Section 6 shall be exercised by the delivery of notice of exercise to the Company or its designee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares. The Option Price upon exercise of any Option shall be payable to the Company or its designee in full either (a) in cash or its equivalent, or (b) by tendering previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the total Option price (provided that the Shares which are tendered (other than Shares acquired on the open market) must have been held by the Participant for at least six (6) months prior to their tender to satisfy the Option Price), or (c) by a

C-6

combination of (a) and (b). The Committee also may allow cashless exercise as permitted under applicable Federal Reserve Board regulations, subject to applicable securities law restrictions, or by any other means which the Committee determines to be consistent with the Plan's purpose and applicable law. Subject to any governing rules or regulations, as soon as practicable after receipt of a written notification of exercise and full payment, the Company shall deliver to the Participant, in the Participant's name, Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s); provided, however, that if the Committee permits cashless exercise of Options, a Participant may elect to receive the cash proceeds from the cashless exercise in lieu of Shares.

6.7. Restrictions on Share Transferability. The Committee may impose such restrictions on the transfer of any Shares acquired pursuant to the exercise of an Option granted under this Section 6 as it may deem advisable, including, without limitation, restrictions under applicable Federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, and under any blue sky or state securities laws applicable to such Shares.

6.8. Termination of Employment with the Company. Subject to the provisions of Section 12, each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Section 6, and may reflect distinctions based on the reasons for termination of employment with the Company.

Edgar Filing: CIT GROUP INC - Form DEF 14A

6.9. Nontransferability of Options.

(a) Incentive Stock Options. No ISO granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, all ISOs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant or in the event of the Participant's legal incapacity, the Participant's legal guardian or representative.

(b) Nonqualified Stock Options. Except as otherwise provided in a Participant's Award Agreement, no NQSO granted under this Section 6 may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution; provided, however, that Participants who are executive officers of the Company or Directors may, in the Committee's sole discretion, transfer a NQSO gratuitously or for value to a member of such Participant's immediate family or to a trust, partnership, limited liability company or similar entity benefiting or owned by such Participant's immediate family. Further, except as otherwise provided in a Participant's Award Agreement or with respect to the immediate family member or the immediate family entity of an executive officer of the Company, as determined by the Committee, in its sole discretion, all NQSOs granted to a Participant under this Section 6 shall be exercisable during his or her lifetime only by such Participant or in the event of the Participant's legal incapacity, the Participant's legal guardian or representative.

Section 7. Stock Appreciation Rights

7.1. Grant of SARs. Subject to the terms and conditions of the Plan, SARs may be granted to Participants at any time and from time to time as shall be determined by the Committee. The Committee may grant Freestanding SARs, Tandem SARs, or any combination of these forms of SAR. The Committee shall have complete discretion in determining the number of SARs granted to each Participant; and, consistent with the provisions of the Plan, in determining the terms and conditions pertaining to such SARs. The grant price of a Freestanding SAR shall equal the Fair Market Value of a Share on the date of grant of the SAR. The grant price of Tandem SARs shall equal the Option Price of the related Option.

7.2. Exercise of Tandem SARs. Tandem SARs may be exercised for all or part of the Shares subject to the related Option upon the surrender of the right to exercise the equivalent portion of the related Option. A Tandem SAR may be exercised only with respect to the Shares for which its related Option is then exercisable. Notwithstanding any other provision of this Plan to the contrary, with respect to a Tandem SAR granted in connection with an ISO: (i) the Tandem SAR will expire no later than the expiration of the underlying ISO;

C-7

(ii) the value of the payout with respect to the Tandem SAR may be for no more than one hundred percent (100%) of the difference between the Option Price of the underlying ISO and the Fair Market Value of the Shares subject to the underlying ISO at the time the Tandem SAR is exercised; and (iii) the Tandem SAR may be exercised only when the Fair Market Value of the Shares subject to the ISO exceeds the Option Price of the ISO.

7.3. Exercise of Freestanding SARs. Freestanding SARs may be exercised

Edgar Filing: CIT GROUP INC - Form DEF 14A

upon whatever terms and conditions the Committee, in its sole discretion, imposes upon them.

7.4. SAR Agreement. Each SAR grant shall be evidenced by an Award Agreement that shall specify the grant price, the term of the SAR, and such other provisions as the Committee shall determine.

7.5. Term of SARs. The term of an SAR granted under the Plan shall be determined by the Committee, in its sole discretion; provided, however, that such term shall not exceed ten (10) years.

7.6. Payment of SAR Amount. Upon exercise of an SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying: (i) the difference between the Fair Market Value of a Share on the date of exercise over the grant price; by (ii) the number of Shares with respect to which the SAR is exercised. At the discretion of the Committee, the payment upon SAR exercise may be in cash, in Shares of equivalent value, or in some combination thereof, subject to the availability of Shares to the Company.

7.7. Rule 16b-3 Requirements. Notwithstanding any other provision of the Plan, the Committee may impose such conditions on exercise of an SAR (including, without limitation, the right of the Committee to limit the time of exercise to specified periods) as may be required to satisfy the requirements of any exemption from the liability provisions of Section 16 of the Exchange Act (or any successor rule).

7.8. Termination of Employment with the Company. Subject to the provisions of Section 12, each SAR Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the SAR following termination of the Participant's employment with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with a Participant, need not be uniform among all SARs issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of employment with the Company.

7.9. Nontransferability of SARs. Except as otherwise provided in a Participant's Award Agreement, no SAR granted under the Plan may be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, all SARs granted to a Participant under the Plan shall be exercisable during his or her lifetime only by such Participant or in the event of the Participant's legal incapacity, the Participant's legal guardian or representative.

Section 8. Restricted Stock

8.1. Grant of Restricted Stock. Subject to the terms and provisions of the Plan, the Committee, at any time and from time to time, may grant Shares of Restricted Stock to Participants in such amounts as the Committee shall determine. Such Shares of Restricted Stock may be granted upon the attainment of applicable Performance Targets or may be Awards unrelated to Performance Targets. As soon as practicable after the close of each Plan Year, the Committee shall determine with respect to each Participant whether and the extent to which any applicable Performance Targets were attained or exceeded.

8.2. Restricted Stock Agreement. Each Restricted Stock Award shall be evidenced by a Restricted Stock Award Agreement that shall specify the restrictions, including restrictions creating a substantial risk of forfeiture, the Period(s) of Restriction, the number of Shares of Restricted Stock granted, and such other provisions as the Committee shall determine. Restrictions on Restricted Stock shall lapse at such time(s) and in such manner and subject to such conditions as the Committee shall in each instance determine, which need

Edgar Filing: CIT GROUP INC - Form DEF 14A

not be the same for each Award or for each Participant.

8.3. Transferability. Except as provided in this Section 8, the Shares of Restricted Stock granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated until the end of the applicable Period of Restriction established by the Committee and specified in the Restricted Stock Award

C-8

Agreement, or upon earlier satisfaction of any other conditions, as specified by the Committee in its sole discretion and set forth in the Restricted Stock Award Agreement. All rights with respect to the Restricted Stock granted to a Participant under the Plan shall be available during his or her lifetime only to such Participant, or in the event of the Participant's legal incapacity, to the Participant's legal guardian or representative.

8.4. Other Restrictions. The Committee shall impose such other conditions and/or restrictions on any Shares of Restricted Stock granted pursuant to the Plan as it may deem advisable including, without limitation, a requirement that Participants pay a stipulated purchase price for each Share of Restricted Stock, time-based restrictions on vesting following the attainment of the Performance Target, if applicable, and/or restrictions under applicable Federal or state securities laws. The Company or its designee shall retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such Shares have been satisfied. Except as otherwise provided in this Section 8, Shares of Restricted Stock covered by each Restricted Stock grant made under the Plan shall become freely transferable by the Participant after the last day of the applicable Period of Restriction.

8.5. Voting Rights. During the Period of Restriction, Participants holding shares of Restricted Stock granted hereunder may exercise full voting rights with respect to those Shares.

8.6. Dividends and Other Distributions. Unless otherwise determined by the Committee at the time of grant, during the Period of Restriction, Participants holding Shares of Restricted Stock granted hereunder may be credited with regular cash dividends paid with respect to the underlying Shares while they are so held. The Committee may apply any restrictions to the dividends that the Committee deems appropriate. In the event that any dividend constitutes a "derivative security" within the meaning of Rule 16a-1 of the General Rules and Regulations promulgated under the Exchange Act or an "equity security" within the meaning of Section 3(a)(11) of the Exchange Act, such dividend shall be subject to a period of restriction equal to the remaining Period of Restriction applicable to the Restricted Stock with respect to which the dividend has been paid.

8.7. Termination of Employment with the Company. Subject to the provisions of Section 12, each Restricted Stock Award Agreement shall set forth the extent to which the Participant shall have the right to receive unvested Restricted Shares following termination of the Participant's employment with the Company. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Shares of Restricted Stock issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination of employment with the Company.

Section 9. Performance Units and Performance Shares.

Edgar Filing: CIT GROUP INC - Form DEF 14A

9.1. Grant of Performance Units/Shares. Subject to the terms of the Plan, Performance Units and/or Performance Shares may be granted to Participants in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee upon the attainment of the Performance Target. Each Award of Performance Shares and/or Performance Units shall be evidenced by an Award Agreement that shall specify the initial value of such Performance Shares and/or Performance Units, the Performance Target which payment of such Performance Shares and/or Performance Units depends, the time period during which the Performance Target must be met (the "Performance Period"), the number of Performance Shares and/or Performance Units awarded and such other terms and conditions as the Committee may determine.

9.2. Value of Performance Units/Shares. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant.

9.3. Earning of Performance Units/Shares. Subject to the terms of this Plan, after the applicable Performance Period has ended, the holder of Performance Units/Shares shall be entitled to receive payout on the number and value of Performance Units/Shares earned by the Participant over the Performance Period, to be determined, as a function of the extent to which the corresponding Performance Target has been achieved. As soon as practicable after the close of each Plan Year, the Committee shall determine with respect to each Participant whether and the extent to which any applicable Performance Targets were attained or exceeded.

C-9

9.4. Payment of Performance Shares/Units. As soon as practicable after the end of a Performance Period, if the applicable Performance Target for that Performance Period has been achieved, the Company shall deliver to a Participant payment for such Participant's Performance Shares and/or Performance Units in an amount determined, as specified in such Participant's Performance Share and/or Unit Award Agreement, on the last day of the Performance Period by reference to the achievement of the applicable Performance Target. At the discretion of the Committee, the aggregate value of such Participant's Performance Shares and/or Performance Units shall be paid in cash or in Shares of equivalent value or in some combination thereof, subject to the availability of Shares to the Company. If, and to the extent that, dividends with respect to Shares are declared or paid during the Performance Period, the Committee may direct payment of dividend equivalents to a Participant in an amount equal to the dividends that such Participant would receive or have received if such Participant's Performance Shares were Shares; provided, however, that such dividend equivalents shall be subject to the same restrictions as apply to dividends payable with respect to Restricted Stock pursuant to Section 8.4.

9.5. Termination of Employment with the Company. Subject to the provisions of Section 12, each Participant's Performance Share and/or Unit Award Agreement shall set forth if, and the extent to which, the Participant shall have the right to receive payment of Performance Shares and/or Performance Units following termination of the Participant's employment with the Company or any Subsidiary. Such terms and conditions shall be determined in the sole discretion of the Committee, need not be uniform among all Performance Share and/or Performance Unit Awards and may reflect distinctions based on the reasons for termination of employment with the Company.

9.6. Nontransferability. Except as otherwise provided in a Participant's Award Agreement, Performance Units and/or Performance Shares may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other

Edgar Filing: CIT GROUP INC - Form DEF 14A

than by will or by the laws of descent and distribution. Further, except as otherwise provided in a Participant's Award Agreement, a Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant or, in the event of the Participant's legal incapacity, the Participant's legal representative.

Section 10. Beneficiary Designation

10.1. The beneficiary or beneficiaries of the Participant to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit shall be determined under the Company's Group Life Insurance Plan. A Participant under the Plan may, from time to time, name any beneficiary or beneficiaries to receive any benefit in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, including the beneficiary designated under the Company's Group Life Insurance Plan, and will be effective only when filed by the Participant in writing (in such form or manner as may be prescribed by the Committee) with the Company during the Participant's lifetime. In the absence of a valid designation under the Company's Group Life Insurance Plan or otherwise, if no validly designated beneficiary survives the Participant or if each surviving validly designated beneficiary is legally impaired or prohibited from taking, the Participant's beneficiary shall be the Participant's estate.

Section 11. Deferrals. The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares that would otherwise be due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock, or the satisfaction of any requirements or goals with respect to Performance Units and/or Performance Shares. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals.

Section 12. Effect of a Change of Control

12.1. Treatment of Outstanding Awards. Except as otherwise provided in an applicable Award Agreement, upon a Change of Control:

(a) Any and all SARs and Options that are granted hereunder to a Participant prior to such Change of Control and that have not lapsed or been forfeited by the effective date of the Change of Control shall

C-10

become immediately exercisable, and shall remain exercisable until the earlier of the expiration of their initial term or the second anniversary of the Participant's termination of employment with the Company;

(b) Any Period of Restriction and restrictions imposed on Restricted Stock that is granted hereunder to a Participant prior to such Change of Control and that has not been forfeited by the effective date of the Change of Control shall lapse;

(c) The Performance Target with respect to all outstanding Awards of Restricted Stock, Performance Units and Performance Shares that are granted hereunder to a Participant prior to such Change of Control and that have not lapsed or been forfeited by the effective date of the Change of Control shall be deemed to have been attained; and

(d) The vesting of all Awards denominated in Shares that are granted

Edgar Filing: CIT GROUP INC - Form DEF 14A

hereunder to a Participant prior to such Change of Control and that have not lapsed or been forfeited by the effective date of the Change of Control shall be accelerated.

12.2. The Committee may, in its sole discretion, provide in any Award Agreement for the accelerated vesting of such Award, the accelerated exercisability of such Award and/or the deemed attainment of the Performance Target with respect to such Award upon specified events similar to a Change of Control.

12.3. Termination, Amendment, and Modifications of Change of Control Provisions. Notwithstanding any other provision of this Plan or any Award Agreement provision, the provisions of this Section 12 may not be terminated, amended, or modified upon or after a Change of Control to affect adversely any Award theretofore granted under the Plan without the prior written consent of the Participant with respect to said Participant's outstanding Awards. Subject to Section 13.3, the Board of Directors, upon recommendation of the Committee, may terminate, amend or modify this Section 12 at any time and from time to time prior to a Change of Control.

Section 13. Amendment, Adjustment, and Termination.

13.1. Amendment and Termination. Subject to Section 13.3, the Committee may at any time, and from time to time, in its sole discretion alter, amend, suspend or terminate the Plan in whole or in part for any reason or for no reason; provided, however, that no amendment or other action that requires stockholder approval in order for the Plan to continue to comply with applicable law shall be effective unless such amendment or other action shall be approved by the requisite vote of stockholders of the Company entitled to vote thereon and no repricing of any Awards under the Plan shall occur without stockholder approval.

13.2. Adjustment of Performance Targets and Awards. Subject to Section 13.3, the Committee in its discretion may make adjustments to Performance Targets and Awards and to the terms and conditions of, and the criteria included in, Award Agreements in recognition of events that may materially affect the performance of the Company, including, but not limited to, (a) unusual or nonrecurring events or market conditions (including, without limitation, the events described in Section 4.3), (b) significant acquisitions or dispositions of assets or other property by the Company, (c) changes in accounting policies or practices and (d) changes in applicable laws or regulations, whenever and to whatever extent the Committee determines that such adjustments are appropriate.

13.3. Awards Previously Granted. No alteration, amendment, suspension or termination of the Plan shall adversely affect in any material way any Award previously made under the Plan without the written consent of the affected Participant; provided, however, that the Committee may modify, without a Participant's consent, any Award previously made to a Participant who is a foreign national or employed outside the United States to recognize differences in local law, tax policy or custom.

13.4. Compliance with Code Section 162(m). At all times when Code Section 162(m) is applicable, all Awards granted under this Plan shall comply with the requirements of Code Section 162(m); provided, however, that in the event the Committee determines that such compliance is not desired with respect to any Award of Restricted Stock, compliance with Code Section 162(m) will not be required. In addition, in the event that changes are made to Code Section 162(m) to permit greater flexibility with respect to any Award or Awards available under the Plan, the Committee may, subject to this Section 13, make any adjustments it deems appropriate.

Section 14. Withholding.

14.1. Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy Federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

14.2. Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, or upon any other taxable event arising as a result of Awards granted hereunder, Participants may elect to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares having a Fair Market Value on the date the tax is to be determined equal to the applicable total tax (using the Federal Supplemental wage rate, and state or local equivalent as well as any FICA or Medicare taxes), as determined by the Committee, which could be imposed on the transaction. All such elections shall be irrevocable, made in such form as the Committee shall designate, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Section 15. Successors. All obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

Section 16. Arbitration. Any dispute, controversy or claim arising out of or relating to the Plan that cannot be resolved by the Participant on the one hand, and the Company on the other, shall be submitted to arbitration in the state of New Jersey under the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; provided that any such submission by the Participant must be made within two years of the date of the events giving rise to such dispute, controversy or claim. The determination of the arbitrator shall be conclusive and binding on the Company and the Participant, and judgment may be entered on the arbitrator's award in any court having jurisdiction. The expenses of the arbitration proceeding shall be borne by the Company; provided, however, that each party shall bear its own legal expenses unless the Participant is the prevailing party, in which case the Company shall promptly reimburse the Participant for the reasonable legal fees and expenses incurred by the Participant in connection with such contest or dispute (excluding any fees payable pursuant to a contingency fee arrangement).

Section 17. Legal Construction.

17.1. Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

17.2. Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

17.3. Requirements of Law. The granting of Awards and the issuance of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

C-12

17.7. Incompetent Payee. If the Committee shall find that any individual to whom any amount is payable under the Plan is found by a court of competent jurisdiction to be unable to care for his or her affairs because of illness or accident, or is a minor, or has died, then the payment due to him or her or to his or her estate (unless a prior claim thereof has been made by a duly appointed legal representative) may, if the Committee so elects, be paid to his or her spouse, a child, a relative, an institution maintaining or having custody of such individual, or any other individual deemed by the Committee to be a proper recipient on behalf of such individual otherwise entitled to payment. Any such payment shall constitute a complete discharge of all liability of the Plan thereof.

17.8. Plan Not an Employment Contract. This Plan is not nor shall anything contained herein be deemed to give any Employee or other individual any right to be retained in his or her employer's employ or to in any way limit or restrict his or her employer's right or power to discharge any Employee or other individual at any time and to treat such Employee without any regard to the effect which such treatment might have upon him as a Participant of the Plan.

11.1. Withdrawals from Account. A Participant may withdraw all but not less than all the payroll deductions credited to his or her Account under the Plan at any time prior to the Closing Date by giving notice to the Committee in such form or manner as the Committee may prescribe. All of the Participant's payroll deductions credited to his or her Account will be paid to him or her as soon as administratively possible after receipt of his or her notice of withdrawal and his or her Option for the current Offering Period will be automatically terminated, and no further payroll deductions for the purchase of shares of Common Stock will be made during such Offering Period.

11.2. Termination of Employment. Upon termination of the Participant's employment prior to the Closing Date for any reason, including retirement or death, the payroll deductions credited to his or her Account will be returned to him or her or, in the case of his or her death, to the person or persons entitled thereto under Section 16 hereof, as soon as administratively possible, and his or her Option will be automatically terminated.

11.3. Reduction of Hours. In the event an Employee fails to remain in the continuous employ of the Company or a Participating Subsidiary for at least twenty (20) hours per week during the Offering Period in which the Employee is a Participant, he or she will be deemed to have elected to withdraw from the Plan and the payroll deductions credited to his or her Account will be returned to him or her as soon as administratively possible and his or her Option will be terminated.

11.4. Eligibility After Withdrawal. A Participant's withdrawal from an Offering Period will not have any effect upon his or her eligibility to participate in a succeeding offering or in any similar plan which may hereafter be adopted by the Company. However, in such a case, the Participant must authorize the resumption of payroll deductions and the rate of such payroll deductions.

Section 12. No Interest. No interest shall accrue on the payroll deductions held in the Account of a Participant in the Plan.

Section 13. Stock.

13.1. Shares Subject to Plan. The maximum number of shares of Common Stock which shall be made available for sale under the Plan shall be one million (1,000,000), subject to adjustment upon changes in capitalization of the Company as provided in Section 20 hereof. The shares of Common Stock to be sold to Participants under the Plan may, at the election of the Company, be either treasury shares, authorized but unissued shares or publicly traded shares. If at the termination of any Offering Period the total number of shares of Common Stock which would otherwise be subject to Options granted pursuant to Section 7.1 hereof exceeds the number of shares of Common Stock then available under the Plan (after deduction of all shares of Common Stock for which Options have been exercised or are then outstanding), the Company shall promptly notify the Participants, and shall, in its sole discretion (i) make a pro rata allocation of the shares of Common Stock remaining available for Option grant in as uniform a manner as shall be practicable and as it shall determine to be equitable, (ii) terminate the Offering Period without issuance of any shares of Common Stock or (iii) obtain shareholder approval for an increase in the number of shares of Common Stock authorized under the Plan such that all Options could be exercised in full. The Company may delay determining which of (i), (ii) or (iii) above it shall decide to effect, and may accordingly delay issuances of any shares of Common Stock under the Plan for such time as is necessary to attempt to obtain shareholder approval for any increase in shares of Common Stock authorized under the Plan. The Company shall promptly notify Participants of its determination to effect (i), (ii) or (iii) above upon making such decision. A Participant may withdraw all but not less than all the payroll deductions credited to his or her Account under the Plan at any time prior to such notification from the Company. In the event the Company determines to effect (i) or (ii) above, it shall promptly upon such determination return to each Participant all payroll deductions not applied towards the purchase of shares of Common Stock.

13.2. Rights in Stock before Exercise. The Participant will have no interest or voting right in shares of Common Stock covered by his or her Option

until such Option has been exercised.

13.3. Registration of Stock upon Exercise. Shares of Common Stock to be delivered to a Participant under the Plan shall be registered in the name of the Participant.

Section 14. Dividends. Cash dividends for shares of Common Stock in Participants' Accounts under the Plan shall not be distributed to Participants directly, but shall be automatically invested in shares of Common Stock at the full Fair Market Value on the date of such investment as soon as administratively possible after such dividends are paid by the Company. Such shares of Common Stock will be held in Accounts under the Plan.

Section 15. Administration. The Plan shall be administered by the Committee. The administration, interpretation or application of the Plan by the Committee shall be final, conclusive and binding upon all Participants.

E-4

Section 16. Designation of Beneficiary. The beneficiary or beneficiaries of the Participant to receive any shares of Common Stock and cash, if any, from the Participant's Account under the Plan in the event of such Participant's death prior to delivery to him or her of such shares of Common Stock and cash shall be determined under the Company's Group Life Insurance Plan. A Participant under the Plan may, from time to time, name any beneficiary or beneficiaries to receive any shares of Common Stock and cash, if any, from the Participant's Account under the Plan. Each such designation shall revoke all prior designations by the same Participant, including the beneficiary designated under the Company's Group Life Insurance Plan, and will be effective only when filed by the Participant in writing (in such form or manner as may be prescribed by the Committee) with the Company during the Participant's lifetime.

Section 17. Transferability. Neither payroll deductions credited to a Participant's Account nor any rights with regard to the exercise of an Option or to receive shares of Common Stock under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way (other than by will, the laws of descent and distribution or as provided in Section 16 hereof) by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 11 hereof.

Section 18. No Segregation of Funds. The Company shall not be obligated to segregate payroll deductions received or held by the Company under the Plan. Such payroll deductions shall be used to purchase shares of Common Stock under the Plan in accordance with Section 8 hereof.

Section 19. Reports. Individual Accounts will be maintained for each Participant in the Plan. Statements of Account will be given to Participants within a reasonable period of time following each Closing Date.

Section 20. Adjustments Upon Changes in Capitalization. Subject to any required action by the shareholders of the Company, the number of shares of Common Stock covered by each Option under the Plan which have not yet been exercised and the number of shares of Common Stock which have been authorized for issuance under the Plan but have not yet been placed under Option (collectively, the "Reserves"), as well as the price per share of Common Stock covered by each Option under the Plan which has not yet been exercised, shall be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock resulting from a stock split or the payment of a stock dividend (but only on the Common Stock) or any other increase or decrease in the

number of shares of Common Stock effected without receipt of consideration by the Company; provided, however, that conversion of any convertible securities of the Company shall not be deemed to have been "effected without receipt of consideration". Such adjustment shall be made by the Board or the Compensation and Governance Committee of the Board, whose determination in that respect shall be final, binding and conclusive. Except as expressly provided herein, no issue by the Company of shares of stock of any class, or securities convertible into or exercisable for shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Option.

The Board or the Compensation and Governance Committee of the Board may, if it so determines in the exercise of its sole discretion, also make provision for adjusting the Reserves, as well as the price per share of Common Stock covered by each outstanding Option under the Plan, in the event that the Company effects one or more reorganizations, recapitalizations, rights offerings or other increases or reductions of shares of its outstanding Common Stock, and in the event of the Company being consolidated with or merged into any other corporation.

Section 21. Amendment and Termination of the Plan.

21.1. Amendment and Termination. The Committee may at any time amend, alter, suspend or discontinue the Plan, but no amendment, alteration, suspension or discontinuation shall be made which would impair the rights of any Participant under any Option theretofore granted without his or her consent.

21.2. Shareholder Approval of Amendments. The Company shall obtain shareholder approval of any Plan amendment to the extent necessary and desirable to comply with Rule 16b-3 promulgated under the Exchange Act or with Section 423 of the Code (or any successor statute or rule or other applicable law, rule or regulation),

such shareholder approval to be obtained in such a manner and to such a degree as is required by the applicable law, rule or regulation.

21.3. Effect of Amendment or Termination. Any such amendment or termination of the Plan shall not affect Options already granted hereunder and such Options shall remain in full force and effect as if this Plan had not been amended or terminated.

Section 22. Notices. All notices or other communications by a Participant to the Company under or in connection with the Plan shall be deemed to have been duly given when received in the form specified by the Company at the location, or by the person, designated by the Company for the receipt thereof. All notices or other communications to a Participant by the Company shall be deemed to have been duly given when sent by the Company by regular mail to the address of the Participant on the human resources records of the Company.

Section 23. Conditions Upon Issuance of Shares of Common Stock. Shares of Common Stock shall not be issued with respect to an Option unless the exercise of such Option and the issuance and delivery of such shares of Common Stock pursuant thereto shall comply with all applicable provisions of law, domestic or foreign, including, without limitation, the Securities Act of 1933, as amended, the Exchange Act, the rules and regulations promulgated thereunder, and the requirements of any stock exchange or automated quotation system upon which the shares of Common Stock may then be listed or quoted, and shall be further subject to the approval of counsel for the Company with respect to such

compliance.

As a condition to the exercise of an Option, the Company may require the person exercising such Option to represent and warrant at the time of any such exercise that the shares of Common Stock are being purchased only for investment and without any present intention to sell or distribute such shares of Common Stock if, in the opinion of counsel for the Company, such a representation is required by any of the aforementioned applicable provisions of law.

Section 24. Plan Not an Employment Contract. This Plan is not nor shall anything contained herein be deemed to give any Employee or other individual any right to be retained in his or her employer's employ or to in any way limit or restrict his or her employer's right or power to discharge any Employee or other individual at any time and to treat such Employee without any regard to the effect which such treatment might have upon him as a Participant of the Plan.

Section 25. Arbitration. Any dispute, controversy or claim arising out of or relating to the Plan that cannot be resolved by the Participant on the one hand, and the Company on the other, shall be submitted to arbitration in the state of New Jersey under the National Rules for the Resolution of Employment Disputes of the American Arbitration Association; provided that any such submission by the Participant must be made within two years of the date of the events giving rise to such dispute, controversy or claim. The determination of the arbitrator shall be conclusive and binding on the Company and the Participant, and judgment may be entered on the arbitrator's award in any court having jurisdiction. The expenses of such arbitration shall be borne by the Company; provided, however, that each party shall bear its own legal expenses unless the Participant is the prevailing party, in which case the Company shall promptly reimburse the Participant for the reasonable legal fees and expenses incurred by the Participant in connection with such contest or dispute (excluding any fees payable pursuant to a contingency fee arrangement).

Section 26. Legal Construction.

26.1. Governing Law. The Plan shall be construed in accordance with and governed by the laws of the State of New Jersey.

26.2. Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

26.3. Severability. In the event any provision of the Plan shall be held illegal or invalid for any reason the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

E-6

29.4. Requirement of Law. The operation of the Plan and the payment of benefits under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals as may be required.

Section 27. Effective Date and Approval of Plan by Shareholders. The Plan shall become effective on the first day of the first Offering Period beginning as soon as administratively practicable after the Company commences the public sale of Common Stock (the "Effective Date"), subject however, to receipt of approval of the Plan by shareholders of the Company in accordance with Section 423(b)(2) of the Code.
