**Item 1.01 Entry into a Material Definitive Agreement**

The Compensation Committee of the Registrant's Board of Directors had previously approved the following target 2008 cash bonuses for the following executive officers pursuant to the Registrant's Annual Bonus Program:

Officer

2008 Target Bonus

Joseph G. Morone	\$896,250
Michael C. Nahl	220,924
Daniel A. Halftermeyer	194,597
David B. Madden	188,320
Michael J. Joyce	189,889
Ralph M. Polumbo	130,521

As previously reported, the Committee determined that cash bonuses for the Registrant's top management, including the above-named officers, for 2008 would be based on one or more of: consolidated operating income, adjusted corridor or segment operating income, corridor or segment net sales of other functional metrics and individual performance criteria. A cash bonus equal to the target amount will generally be paid if the Committee determines that appropriate performance levels in each of these areas has been achieved. Lesser bonuses may be paid if such performance is not achieved and larger bonuses if performance exceeds such levels. The Committee further determined, however, that it would reserve the right to exercise its discretion, after the close of the 2008 fiscal year, as in prior years, to determine to what extent cash bonuses had been earned, and reserved the right to take individual performance factors (including, for example, the possible adverse impact during the year of cost-reduction, plant closings or downsizings and other restructuring-related activities in specific divisions, regions or business lines) into account, and to employ both objective and subjective criteria in determining the final bonuses.

On December 17, 2008, the Committee determined that 50% of any bonus determined by the Committee to be payable pursuant to the criteria set forth above, will be paid in shares of the Company's Class A Common Stock. The remaining 50%, if paid (as determined by the Committee in its sole discretion), will be paid in cash.
