Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

In a Form 4 filed on March 22, 2013, the reporting person reported the acquisition of the number of performance rights identified in the table above that related to the issuer's achievement of a market capitalization goal. That award no longer represents the right to receive (1) shares of the issuer's common stock. Instead, if the applicable performance goal is achieved by December 31, 2016, the reporting person

will be entitled to the grant of a stock option with respect to the same number of shares that would have been issued to the reporting person upon achievement of the goal under the original terms of the award.

(2) The option is scheduled to vest in eight semi-annual installments over the four-year period following the grant date, subject to the reporting person's continued employment or service with the issuer through the applicable vesting date.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
