**VERITAS Software and Precise Software Solutions Announce Deadline  
for Electing Merger Consideration**

**MOUNTAIN VIEW, Calif. June 24, 2003** In connection with the pending merger between VERITAS Software Corporation (Nasdaq: VRTS) and Precise Software Solutions Ltd. (Nasdaq: PRSE), as previously announced, any Precise shareholder wishing to make an election to receive the cash consideration or the mixed consideration must deliver to Mellon Investor Services LLC, the Exchange Agent, a properly completed election form, together with such shareholder's stock certificates or a properly completed notice of guaranteed delivery, by 5:00 p.m., New York City time, on June 27, 2003, the Election Deadline.

If the merger is completed, Precise shareholders will receive, upon their election and subject to the election procedures described in the proxy statement/prospectus, for each ordinary share of Precise, either: (1) the cash consideration, which consists of \$16.50 in cash or (2) the mixed consideration, which consists of \$12.375 in cash, plus 0.2365 of a share of VERITAS Software common stock. Precise shareholders who do not make a proper and timely election with respect to their Precise ordinary shares or who effectively revoke their elections prior to the Election Deadline will be deemed to have elected to receive the cash consideration of \$16.50 for their Precise ordinary shares, even if the value of the mixed consideration is higher than \$16.50. Precise shareholders may receive only one form of consideration for all of their Precise ordinary shares.

To comply with Israeli securities laws, Precise shareholders who are Israeli holders and who properly and timely elect to receive the mixed consideration will not receive any shares of VERITAS Software common stock, but instead will receive \$12.375 in cash, plus an amount in cash equal to 0.2365 multiplied by the closing sale price of one share of VERITAS Software common stock on the trading day immediately prior to the time the merger takes effect. Precise shareholders who are Israeli holders and who do not make a proper and timely election with respect to their Precise ordinary shares or who effectively revoke their elections prior to the

Election Deadline will be deemed to have elected to receive the cash consideration of \$16.50 for their Precise ordinary shares, even if the value of the mixed consideration is higher than \$16.50.

Precise shareholders who acquired Precise ordinary shares after May 27, 2003, the record date for the Precise extraordinary shareholder meeting, may not vote such shares at the extraordinary shareholder meeting because they were not the record holder of those shares on the record date. However, Precise shareholders are entitled to make an election with respect to shares acquired after the record date at any time prior to the Election Deadline. Precise shareholders may obtain copies of the election form, as well as a copy of the proxy statement/prospectus dated June 2, 2003, previously mailed to holders of Precise ordinary shares as of the record date and filed with the Securities and Exchange Commission, from the Exchange Agent by calling Mellon Investor Services LLC toll-free at (888) 689-2681 from within the U.S. or at (201) 373-5213 from outside the U.S. The proxy statement/prospectus contains important information that should be reviewed prior to making an election to receive the cash consideration or the mixed consideration.

Precise shareholders may change their elections at any time prior to the Election Deadline, by written notice accompanied by a properly completed and signed later-dated election form received by the Exchange Agent prior to the Election Deadline or by withdrawal of such shareholder's share certificates by written notice received by the Exchange Agent prior to the Election Deadline. All elections will be revoked automatically if the merger agreement between VERITAS Software and Precise is terminated. Precise shareholders who have made an election with respect to their Precise ordinary shares may not thereafter sell the Precise ordinary shares with respect to which an election has been made until the election has been effectively revoked and the share certificates have been returned by the Exchange Agent.

Questions regarding the election procedures and requests for additional copies of the election form should be addressed to Mellon Investor Services LLC, Reorganization Department, Post Office Box 3301, South Hackensack, New Jersey 07606, telephone toll-free: (888) 689-2681 from within the U.S. or (201) 373-5213 from outside the U.S. Precise shareholders who hold their shares in street name should also contact their brokers for additional information regarding the election procedures that they should follow with respect to such shares.
