## Edgar Filing: HARLEY DAVIDSON INC - Form 11-K

We have audited the accompanying statements of assets available for benefits of Harley-Davidson Retirement Savings Plan for Milwaukee and Tomahawk Hourly Bargaining Unit Employees as of December 31, 2005 and 2004, and the related statements of changes in assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. We were not engaged to perform an audit of the Plan's internal control over financial reporting. Our audits included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Plan at December 31, 2005 and 2004, and the changes in its assets available for benefits for the years then ended, in conformity with U.S. generally accepted accounting principles.

Our audits were performed for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying supplemental schedule of assets (held at end of year) as of December 31, 2005, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to auditing procedures applied in our audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Harley-Davidson Retirement Savings Plan for Milwaukee  
and Tomahawk Hourly Bargaining Unit Employees

Notes to Financial Statements

Years Ended December 31, 2005 and 2004

**1. Description of the Plan**

The following brief description of the Harley-Davidson Retirement Savings Plan for Milwaukee and Tomahawk Hourly Bargaining Unit Employees (the Plan) is provided for general information purposes only. Participants should refer to the *Summary Plan Description* for more complete information.

**General**

The Plan is a defined-contribution plan that covers hourly employees of the Harley-Davidson Motor Company Operations, Inc. (the Company) Milwaukee area and Tomahawk plants, subject to a union bargaining agreement and meeting minimum eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

Participants may defer a portion of their compensation on a pretax basis through contributions to the Plan. The maximum amount that participants may defer is determined from time to time by the plan administrator and is subject to limitations under the Internal Revenue Code (the Code). Company contributions are not permitted.

**Participants Accounts**

A separate account is maintained for each participant. The account balances are adjusted on a daily basis for participants' contributions, net investment income, loan fees, and distributions of participants' benefits or withdrawals.

Participants have the option of investing their contributions in one or any combination of 19 investment funds.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and, therefore, provides that participants may choose to direct their contributions and/or all or part of their account balances among any of the Plan's investment alternatives daily.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes to Financial Statements (continued)

**1. Description of the Plan (continued)**

**Vesting**

Participants are immediately vested in 100% of their contributions and earnings thereon.

**Payments of Benefits**

Benefit and withdrawal payments consist of the following:

Upon retirement, death, disability, or termination of employment, the balance in a participant's account is paid to the participant or beneficiary in a lump sum, periodic payments (permitted only in the event of retirement), or other form of payment as allowed under the Plan.

Participants may not withdraw prior to retirement, death, disability, or termination of employment any portion of their account pertaining to contributions made under provisions of Section 401(k) of the Code, except for financial hardships, as defined in the Code, or after the participant attains age 59½.

### **Master Trust Investment**

The Plan's investments consist of its interest in the commingled investments of the Harley-Davidson Retirement Savings Plan Master Trust (Master Trust) and notes receivable from participants. The Master Trust is a common trust arrangement under which investments of the Plan and four other Harley-Davidson defined-contribution plans are commingled (see Note 3). The Plan's investment in the Master Trust is based on its equity share of the Master Trust's investments.

### **Participant Loans**

Participants may borrow up to 50% of their vested account balances, not to exceed \$50,000. Loans bear interest commensurate with the rate which would be charged by commercial lenders for similar loans. The term of the loan cannot exceed 5 years (10 years in the case of a home purchase).

### **Administrative Expenses**

Administrative expenses generally are paid by the Company. Loan application and service fees are paid by participants.

#### **2. Summary of Significant Accounting Policies**

##### **Valuation of Investments**

The Master Trust investments in mutual funds and common trust funds are stated at fair value and are based on the quoted market or redemption values on the last business day of the Plan year. Securities traded on a national securities exchange (including the Harley-Davidson, Inc. common stock) are valued at the closing market price on the last business day of the Plan year. The money market fund is stated at cost, which approximates fair value.

The Harley-Davidson Stock Fund (the Fund) is tracked on a unitized basis. The Fund consists of Harley-Davidson, Inc. common stock and funds held in the Fidelity Cash Reserves Fund sufficient to meet the Fund's daily cash needs. Unitizing the Fund allows for daily trades. The value of a unit reflects the combined market value of Harley-Davidson, Inc. common stock and the cash investments held by the Fund.

Notes receivable from participants are stated as their unpaid principal balances, which approximate fair value.

##### **Risks and Uncertainties**

The Master Trust investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the financial statements and accompanying notes.

##### **Use of Estimates**

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

**Notes to Financial Statements (continued)**

**6. Income Tax Status**

The Plan received a determination letter from the Internal Revenue Service dated April 5, 2001, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax-exempt.

**7. Legal Matters**

On August 25, 2005, a class action lawsuit alleging violations of the ERISA was filed in the United States District Court for the Eastern District of Wisconsin against Harley-Davidson, Inc., the Administrative Committee of Harley-Davidson, Inc., and the following employees, officers and directors of Harley-Davidson, Inc. and its subsidiaries (Harley-Davidson, Inc.): Harold A. Scott, James M. Brostowitz, James L. Ziemer, Gail A. Lione, Barry K. Allen, Richard I. Beattie, Jeffrey L. Bleustein, George H. Conrades, Judson C. Green, Donald A. James, Sara L. Levinson, George L. Miles, Jr., and James A. Norling. In general, the ERISA complaint includes factual allegations similar to those in shareholder class action lawsuits that Harley-Davidson, Inc. has disclosed in its recent publicly available filings (which include complaints that allege securities law violations) and alleges on behalf of participants in the Plans that the plan fiduciaries breached their ERISA fiduciary duties. On February 15, 2006, the court ordered the ERISA action consolidated with the securities and other related actions that are pending in that court for administrative purposes.

Harley-Davidson believes the allegations against all of the defendants in the lawsuits against Harley-Davidson are without merit and it intends to vigorously defend against them. Since all of these matters are in the preliminary stages, Harley-Davidson is unable to predict the scope or outcome or quantify their eventual impact, if any, on Harley-Davidson. At this time Harley-Davidson is also unable to estimate associated expenses or possible losses. Harley-Davidson maintains insurance that may limit its financial exposure for defense costs and liability for an unfavorable outcome, should it not prevail, for claims covered by the insurance coverage.
