Leading Independent Proxy Advisory Firm ISS Recommends Chico's FAS Shareholders Vote "FOR" All Four of Chico's FAS Director Nominees on WHITE Proxy Card

Chico's FAS Urges Shareholders to Support the Positive Change Underway and Vote "FOR" Chico's FAS' Director Nominees on the WHITE Proxy Card

FORT MYERS, Fla., July 11, 2016 – Chico's FAS, Inc. (NYSE:CHS) today announced that Institutional Shareholder Services ("ISS"), a leading independent proxy advisory firm, has recommended that Chico's FAS' shareholders vote "FOR" all four of the Company's highly-qualified director nominees – Shelley Broader, Bonnie Brooks, Janice Fields and William "Bill" Simon – on the WHITE proxy card in connection with the Company's 2016 Annual Meeting of Shareholders to be held on July 21, 2016. ISS also recommended that shareholders vote "FOR" the other proposals to be considered at the Annual Meeting, including the advisory vote on executive compensation, the declassification of the Chico's FAS Board of Directors and the ratification of Ernst & Young as the Company's auditors.

In its July 8, 2016 report, ISS recognized the positive, proactive change that has been underway at Chico's FAS and concluded:¹

"For more than a year the board has been undertaking significant change in both the executive suite and the boardroom, and directing operating and strategic changes which are just beginning to have an effect on corporate financial performance.

As the dissidents have not made a compelling case that additional change at the board level is warranted – and particularly because the strength of all four management nominees suggests those nominees are likely the best candidates to continue driving the necessary improvements in the company's performance – votes on the White management card FOR management nominees Broader, Brooks, Fields, and Simon are warranted."

In commenting on the Company's financial performance and recognizing that the Board of Directors and management team are committed to top and bottom line improvement, ISS stated:

“The actions this board has taken certainly appear to strike at the root cause of the issues at the company: driving material cost savings, reducing capital expenditure, better aligning resources with growth opportunities, and focusing on other initiatives – like ROI on its marketing spend – that can improve gross margins.”

Regarding the two Chico's FAS nominees targeted by Barington and rejecting Barington's red herring issue on Bonnie Brooks, ISS said:

“Bonnie Brooks, who would also join the board if elected at this annual meeting, brings significant, current retail experience – including experience in mid- and high-end apparel – as well as successful turnaround experience at three retailers.”

“Janice Fields, the newest incumbent on the board with a tenure of 3 years, adds relevant experience... Perhaps more critically, as chair of the Nominating and Governance Committee she has been the architect of its renewal, including replacing one long-tenured director and the former CEO with two unusually well-qualified new nominees – Brooks and Simon – whose skills and experience are directly relevant to the new CEO's mandate.”

ISS also recognized that the Chico's FAS Board has been committed to proactive action to best serve the interests of shareholders, strong corporate governance and world-class leadership, including a refreshed Board, noting:

“there is a clear track record of the board taking matters into its own hands long before the proxy contest began – including significantly refreshing its own ranks with new directors bringing clearly relevant experience, changing its own leadership while maintaining an independent chairman, changing the leadership of its executive team, and implementing cost reduction initiatives in 2014 and 2015 even as all these other changes were in process.”

Commenting on the ISS recommendation, Chico's FAS issued the following statement:

ISS's recommendation in support of ALL FOUR of the Board's nominees reaffirms what we have said all along – Shelley Broader, Bonnie Brooks, Janice Fields and Bill Simon are the best qualified director candidates for Chico's FAS and have the skills and experience needed to support the Company's success and drive shareholder value in today's competitive retail environment.

As ISS recognizes, positive change has been underway for some time at Chico's FAS, and now, under the direction of our new Chief Executive Officer and President, Shelley Broader, we are successfully executing on a new strategic plan and have made numerous positive changes across the Company – in strategy, management, operations, finance and governance – with more to come.

Like ISS, many shareholders and analysts have also applauded the significant progress we are making, which confirms our conviction that Chico's FAS is on the right path to profitable growth and value creation for all Chico's FAS shareholders.

We believe that replacing any one of the Board's superior director nominees with either of Barington's less qualified candidates would leave us without relevant and current skills and experience that is critical to supporting continued success under Ms. Broader's new plan. Indeed, while ISS recognized that each Barington nominee had some relevant experience, it observed that each lacked important experience, whether turnaround and extensive international global experience in the case of Ms. Grove, or executive retail experience in the case of Mr. Mitarotonda, already well represented in the Company's nominees.

Furthermore, Barington is not a long-term investor in Chico's FAS and thus in our view would not credibly represent the interests of Chico's FAS shareholders in the boardroom. Barington and its affiliates currently own approximately 0.92% of the Company's outstanding shares and own derivatives potentially convertible into another approximately 850,000 shares or 0.64% of the Company's outstanding shares. The majority of such derivatives were purchased within the past six months and at least 650,000 of them are out-of-the-money call options.

We are confident that we are on the right track and with the right team and strategic plan to usher in a new era of profitable growth and value creation for all Chico's FAS shareholders. We urge shareholders to protect the value of their investment and disregard Barington's self-serving campaign by voting "FOR" the Chico's FAS director nominees on the WHITE proxy card.

Chico's FAS reminds shareholders that every vote is important, no matter how many or how few shares it represents. The Company urges all shareholders to use the WHITE proxy card to vote "FOR" the Company's four director nominees TODAY. Shareholders who inadvertently submitted a Blue proxy have every legal right to change their vote, as only the latest-dated proxy counts.
