Item 1.01. Entry into a Material Definitive Agreement

On May 30, 2007, Ceridian Corporation, a Delaware corporation (["Ceridian"]), Foundation Holdings, Inc., a Delaware corporation (["Parent"]) and Foundation Merger Sub, Inc., a Delaware corporation and a wholly owned subsidiary of Parent (["Merger Sub"]), entered into an Agreement and Plan of Merger (the ["Merger Agreement"]). Parent and Merger Sub are jointly owned, directly or indirectly, by Thomas H. Lee Partners, L.P. (["THL Partners"]) and Fidelity National Financial, Inc. (["FNF"]). The Merger Agreement is attached as Exhibit 2.1 hereto and is hereby incorporated herein by reference.

Under the terms of the Merger Agreement, Merger Sub will merge with and into Ceridian and each share of Ceridian common stock outstanding at the effective time of the merger (other than shares with respect to which appraisal rights have been properly exercised) will be converted into the right to receive \$36 per share in cash and the surviving corporation will become a wholly owned subsidiary of Parent.

Completion of the merger will be subject to conditions including: (a) approval of the Merger Agreement by Ceridian shareholders, (b) approval by certain governmental regulators and authorities, including approvals under applicable antitrust laws and change of control approvals in connection with state money transmitter licenses, (c) the absence of an injunction by any court or other tribunal of competent jurisdiction which prohibits the consummation of the merger, (d) subject to certain exceptions, the accuracy of representations and warranties of the other party, and (e) material compliance of the other party with its covenants and material performance of the other party of its obligations.

The foregoing summary of the Merger Agreement does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement attached as Exhibit 2.1 hereto, which is incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about Ceridian. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure schedules provided by Ceridian in connection with the signing of the Merger Agreement. These disclosure schedules contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between Ceridian, Parent and Merger Sub, rather than establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about Ceridian, Parent or Merger Sub.

Important factors known to FNF that could cause such material differences are identified and discussed from time to time in FNF's filings with the Securities and Exchange Commission, including the possibility that the transaction will not be completed or will not provide the benefits anticipated, due to competition, unexpected liabilities or other factors, the possibility that FNF and THL Partners will not be able to find co-investors to participate in the transaction, which could result in the acquisition debt being consolidated into FNF's balance sheet and adversely affect the financial strength ratings of FNF's insurance subsidiaries, and those factors which are discussed in FNF's Annual Report on Form 10-K for the year ended December 31, 2006 and other filings with the SEC, which factors are also incorporated herein by reference.

None of Ceridian, THL Partners or FNF undertakes any obligation to correct or update any forward-looking statements, whether as a result of new information, future events or otherwise.
