Explanation of Responses:

* If the form is filed by more than one reporting person, see Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) These performance stock options arose from a target award of 7,125 such options that were awarded to reporting person on December 30, 2014 and, by their terms, were to vest and become exercisable, provided i) reporting person was continuously employed by the issuer through December 30, 2017, and ii) the Company met certain financial metrics over the period from January 1, 2015 through December 31, 2017. Those financial metrics included the relative growth of its earnings before income tax ("EBIT") compared to the median growth of EBIT of a certain group of industry peers (weighted at 50%), the relative growth of its net sales as compared to the median growth of net sales of that same group (weighted at 30%) and the relative growth of the fair market value of the Company's common stock as compared to the Russell 2000 Index (weighted at 20%). The percentage of target options subject to vesting could range from 0% (for underperformance) to 200% (for outperformance).

(2) (Continued from footnote 1) Issuer has completed its measurement of the Company's financial performance over the measurement period and determined that reporting person is entitled to receive 195% of the target award. In this case, the reporting person would receive the product of 7,125 x 1.95 = 13,894 options, of which 6,769 are in addition to the target amount that had been reported in the Form 4 of the reporting person on or about the date of the award.

Remarks:

Managing Director - AMVAC Netherlands BV

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, see Instruction 6 for procedure.
