Item 5. Other Events

On October 24, 2002, Riviera Holdings Corporation (the "Company") received approval from Nevada gaming regulators to conduct an exchange offer by which holders of the Company's 11% Senior Secured Notes due 2010 that were issued on June 26, 2002 ("Existing Notes") in transactions exempt from registration under the Securities Act of 1933, as amended (the "Act"), could exchange their Existing Notes for new notes ("New Notes") which are registered under the Act and whose terms and principal amounts are the same as those of the Existing Notes.

On that same date Nevada gaming regulators also approved the Company's pledge of the stock of its wholly-owned operating subsidiary, Riviera Operating Corporation ("ROC"), as additional collateral to secure the Company's obligations under the Existing Notes and New Notes. This approval was the last remaining condition precedent to the Company's pledge of the ROC stock.
