"Alternative Transaction" means, other than the transactions contemplated by the Merger Agreement, (1) any merger, consolidation, share exchange, recapitalization, business combination or other similar transaction involving the Company or its subsidiaries whose assets, individually or in the aggregate, would constitute 40 percent or more of the consolidated assets of the Company, (2) any sale, lease, exchange, mortgage, pledge, transfer or other disposition of 40 percent or more of the assets of the Company and its subsidiaries in a single transaction or series of related transactions, (3) any tender offer or exchange offer for 40 percent or more of the outstanding Company Common Shares or the filing of a registration statement under the Securities Act of 1933, as amended, in connection therewith or (4) any public announcement of a proposal, plan or intention to do any of the foregoing or any agreement to engage in any of the foregoing.
