Option Purchase

As previously announced by the Company, in May 2000, the Company entered into a Termination, Settlement, Redemption and Option Agreement, (the "Agreement") with Geoffrey P. Jurick, its Chairman, Chief Executive Officer and President, and two of Mr. Jurick's institutional creditors.

In accordance with the Agreement, the Company, in May 2000, purchased

7.0 million shares of common stock, par value \$.01 per share, of the Company (the "Common Stock") from the two institutional creditors for \$6.0 million. In addition, under the terms of the Agreement, the Company was granted an option to purchase from the two institutional creditors all of the remaining 4.1 million shares of Common Stock owned by them for approximately \$5.5 million (the "Option Purchase Price"). The Company exercised this option and, on June 10, 2002, purchased the 4.1 million shares for an aggregate purchase price of \$5.5 million, or \$1.34 per share, from these two institutional creditors (the "Option Purchase"). The purchase price was paid by the Company using cash generated from operations. As a result of these transactions, the outstanding litigation between Mr. Jurick and these two institutional creditors has been resolved.

Share Repurchases

In addition, the Company has purchased an additional 336,800 shares of Common Stock pursuant to its previously announced share repurchase program. As a result of the Option Purchase and these open market purchases by the Company, the outstanding shares of Common Stock of the Company were reduced to approximately 26.9 million shares.
