ANNUAL MEETING OF SHAREHOLDERS

April 24, 2018

INTRODUCTION

The enclosed proxy is solicited by the Board of Directors of LCNB Corp. (also referred to as “LCNB” or the “Company”), in connection with the annual meeting of shareholders to be held on April 24, 2018 at 10:00 a.m. EDT at the Operations Building of LCNB located at 105 North Broadway, Lebanon, Ohio 45036, or at any adjournments thereof.

The meeting has been called for the following purposes: (i) electing Class I directors to serve until the 2021 annual meeting; (ii) ratifying the appointment of BKD, LLP as the independent registered public accounting firm for the Company; and (iii) transacting such other business as may properly come before the meeting or any adjournment thereof.

This Proxy Statement and the accompanying notice of meeting are being mailed to shareholders on or about March 12, 2018.

REVOCAION OF PROXIES, DISCRETIONARY

AUTHORITY AND CUMULATIVE VOTING

LCNB Common Shares can be voted at the annual meeting only if the shareholder is represented by proxy or is present in person. Shareholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the meeting and all adjournments thereof. Proxies may be revoked by: (i) written notice to the Secretary of LCNB (addressed to LCNB Corp., P.O. Box 59, Lebanon, Ohio 45036, Attention: Secretary); (ii) by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the meeting; or (iii) in open meeting at any time before it is voted.

Proxies solicited by the Board of Directors (the "Board") will be voted in accordance with the directions given therein. Where no instructions are indicated, properly executed proxies will be voted (i) **FOR** the election of the nominees for Class I directors, and (ii) **FOR** the ratification of the appointment of BKD, LLP as the independent registered public accounting firm for the Company. The proxy confers discretionary authority on the persons named therein to vote with respect to (i) the election of any person as a director where the nominee is unavailable or unable to serve, (ii) matters incident to the conduct of the meeting and (iii) any other business that may properly come before the meeting or any adjournments thereof. At this time, it is not known whether there will be cumulative voting for the election of directors at the meeting. If any shareholder demands cumulative voting for the election of directors at the meeting, your proxy will give the individuals named on the proxy full discretion and authority to vote cumulatively, and in their sole discretion, to allocate votes among any or all of the nominees, unless authority to vote for any or all of the nominees is withheld.

PERSON MAKING THE SOLICITATION

The enclosed proxy is being solicited by LCNB, and the cost of soliciting proxies will be borne by LCNB. In addition to use of the mails, proxies may be solicited personally or by telephone or facsimile by directors, officers and employees of LCNB who will receive no compensation in addition to their regular compensation.

VOTING SECURITIES

Each of the LCNB common shares (the “Common Shares”) outstanding on March 1, 2018, the record date of the meeting, is entitled to one vote on all matters coming before the meeting. As of March 1, 2018, LCNB had 10,036,837 Common Shares issued and outstanding. Only shareholders of record on the books of the Company on March 1, 2018 will be entitled to vote at the meeting either in person or by proxy. The presence at the meeting of at least a majority of the shares, in person or by proxy, will be required to constitute a quorum at the meeting.

Shareholders of LCNB have cumulative voting rights in connection with the election of directors if notice is given to the president, a vice-president or the secretary of LCNB, not less than 48 hours before the time fixed for holding the meeting, that any shareholder desires that the voting be cumulative. Cumulative voting rights enable a shareholder to cumulate his or her voting power to give one candidate as many votes as the number of directors to be elected multiplied by the number of Common Shares owned by that person, or to distribute his votes on the same principal among two or more candidates as the shareholder sees fit. If any shareholder demands cumulative voting for the election of directors at the meeting, your proxy will give the individuals named on the proxy full discretion and authority to vote cumulatively, and in their sole discretion, to allocate votes among any or all of the nominees, unless authority to vote for any or all of the nominees is withheld.

ITEMS OF BUSINESS TO BE VOTED ON BY SHAREHOLDERS

PROPOSAL 1. ELECTION OF DIRECTORS

LCNB's Regulations provide that its business shall be managed by a Board of Directors of not less than five nor more than fifteen persons. LCNB's Amended Articles of Incorporation divide such directors into three classes as nearly equal in number as possible and set their terms at three years. The Board of Directors currently has eight members, with Class I having three members, Class II having three members, and Class III having two members.

Assuming that at least a majority of the issued and outstanding common shares are present at the meeting so that a quorum exists, the nominees for Class I directors of LCNB receiving the most votes will be elected as directors.

The Board of Directors has nominated:

Stephen P. Wilson

Spencer S. Cropper

John H. Kochensparger III

The nominees have been nominated to serve as Class I directors until the 2021 annual meeting of shareholders and until their respective successors are elected and qualified. Mr. Wilson, Mr. Cropper and Mr. Kochensparger are incumbent directors whose present terms will expire at the 2018 annual meeting.

Please see the narrative under the heading "Director and Nominee Qualifications" beginning on page 9 of this Proxy Statement for additional discussion of the qualifications of each director nominee and continuing director.

It is intended that Common Shares represented by the accompanying form of proxy will be voted **FOR** the election of the nominees, unless contrary instructions are indicated as provided on the proxy card. If you do not wish your shares to be voted for particular nominees, please so indicate on the proxy card. If one or more of the nominees should at the time of the meeting be unavailable or unable to serve as a director, the shares represented by the proxies will be voted to elect the remaining nominees and any substitute nominee or nominees designated by the Board of Directors. The Board of Directors knows of no reason why any of the nominees will be unavailable or unable to serve. At this time,

it is not known whether there will be cumulative voting for the election of directors at the meeting. If any shareholder properly demands cumulative voting for the election of directors at the meeting, your proxy will give the individuals named on the proxy full discretion and authority to vote cumulatively and in their sole discretion to allocate votes among any or all of the nominees, unless authority to vote for any or all of the nominees is withheld.

We are asking our shareholders to ratify the selection of BKD as the Company’s independent registered public accounting firm. Although ratification of the appointment is not required by law, the Company’s Regulations, or otherwise, the Board is submitting the selection of BKD to our shareholders for ratification as a matter of good corporate practice. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of the Company and our shareholders.

It is intended that the common shares represented by the accompanying form of proxy will be voted **FOR** the resolution ratifying the appointment of BKD as the Company’s independent registered public accounting firm, unless contrary instructions are indicated as provided on the proxy card. Director and Nominee Qualifications

The Nominating Committee of our Board of Directors considers candidates to fill new directorships created by expansion and vacancies that may occur and makes recommendations to the Board of Directors with respect to such candidates. There is currently one Class III vacancy on the Board of Directors. The Board intends to fill the Class III vacancy upon consummation of the acquisition of Columbus First Bancorp, Inc., while also increasing the size of the Board by one to accommodate an additional Class II director. Each such vacancy will be filled with a former

Columbus First Bancorp, Inc. director. The Board has not adopted a policy with respect to minimum qualifications for directors, rather the Nominating Committee evaluates each individual in the context of the board as a whole and with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. The committee, in making its nominations, considers all relevant qualifications of candidates for board membership, including, among other things, factors such as an individual's business experience, industry knowledge and experience, financial background, breadth of knowledge about issues affecting the Company, public company experience, regulatory experience, diversity, current employment and other board memberships, and whether the candidate will be independent under the listing standards of the NASDAQ Stock Market ("NASDAQ"). In some cases, the Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific Board needs that arise from time to time. In the case of incumbent directors whose terms of office are set to expire, the committee also reviews such director's overall service to the Company during his or her term and any relationships and transactions that might impair such director's independence.

While the Company does not have a formal diversity policy for Board membership, the Board seeks directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. The Nominating Committee considers, among other factors, diversity with respect to viewpoint, skills, experience and community involvement in its evaluation of candidates for Board membership. Such diversity considerations are discussed by the Nominating Committee in connection with the general qualifications of each potential nominee.

Board of Directors Independence

Each year, the Board reviews the relationships that each director has with the Company and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable NASDAQ Rules and who the Board affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director are considered to be independent directors. The Board has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members' current and historic relationships with the Company and its competitors, suppliers and customers; their relationships with management and other directors; the relationships their current and former employers have with the Company; and the relationships between the Company and other companies of which the Company's Board members are directors or executive officers. After evaluating these factors,

the Board has determined that all of the directors, with the exception of Steve P. Foster, are independent directors of the Company within the meaning of applicable NASDAQ Rules.

Board Leadership Structure and Role in Risk Oversight

The Board currently separates the position of Chairman of the Board from the position of Chief Executive Officer. Steve P. Foster serves as our President and Chief Executive Officer and Stephen P. Wilson serves as Chairman of the Board. As the oversight responsibilities of the Board of Directors have expanded over the years, the Board has determined that it is beneficial to have an independent Chairman with the sole job of leading the Board, while allowing the President/CEO to focus his efforts on the day-

to-day management of the Company. The Board believes that it is important to have the President/CEO as a director. The Company aims to foster an appropriate level of separation between these two distinct levels of leadership of the Company. In addition to the Chairman, leadership is also provided through the respective chairs of the Board's various committees. However, no single leadership model is right for all companies and at all times. The Board recognizes that, depending on the circumstances, other leadership models, such as a combined Chief Executive Officer and Chairman of the Board position, might be appropriate. Accordingly, the Board periodically reviews its leadership structure.

The Board of Directors is responsible for consideration and oversight of risks facing the Company and is responsible for ensuring that material risks are identified and managed appropriately. Several oversight functions are delegated to committees of the Board with such committees regularly reporting to the full Board the results of their respective oversight activities. For example, the Audit Committee meets periodically with management in order to review the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. As part of this process, the Audit Committee reviews management's risk-assessment process and reports its findings to the full Board. Also, the Compensation Committee periodically reviews the most important enterprise risks to ensure that compensation programs do not encourage excessive risk-taking. Additional review or reporting on enterprise risks is conducted as needed or as requested by the Board or Board committees.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

LCNB has engaged and intends to continue to engage in the lending of money through the LCNB National Bank, its wholly-owned subsidiary, to various directors and officers of the Company. These loans to such persons were made in the ordinary course of business and in compliance with applicable banking laws and regulations, on substantially the same terms, including interest rates and collateral, as prevailing at the time for comparable transactions with other persons and do not involve more than a normal risk of collectability or other unfavorable features.

In addition to those banking transactions conducted in the ordinary course, the Bank was involved in the related transactions described below. Each of these transactions was made on terms similar to those that could have been negotiated with an unaffiliated third party.

The Bank retained the law firm of Kaufman & Florence during 2017 for legal services in connection with various matters arising in the course of the Bank's business. William H. Kaufman, a director of LCNB, is a partner in Kaufman & Florence. Additionally, customers of the Bank are charged for certain legal services provided by Mr. Kaufman's firm in the preparation of various documents. The approximate amount billed by Kaufman & Florence for legal services during 2017 was \$151,000. The Bank contemplates using Mr. Kaufman's firm in the future on similar terms, as needed.

The Company does not have a written process of approval and ratification of related party transactions. However, the Company does adhere to an unwritten policy, whereby before the Company or the Bank enters into any transaction for which the value of the transaction is expected to be at least \$120,000, and an interested party in the transaction is a director, executive officer, an immediate family member of a director or officer, or a shareholder owning 5% or greater of the Company's outstanding stock, the disinterested Board of Directors must review and approve the transaction. In reviewing the potential transaction, the directors will consider the fairness of the transaction to the Company, whether the transaction would or could compromise the interested party's independence and judgment, the best interests of the Company, and such other factors determined advisable by the Board of Directors. In

2017, the Board of Directors reviewed and approved of the related party transaction with Mr. Kaufman's firm, as described above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires LCNB's officers and directors and persons who own more than 10% of a registered class of LCNB's equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, directors and greater than 10% shareholders are required to furnish LCNB with copies of all Section 16(a) forms they file. Based solely on LCNB's review of the section 16(a) forms received by it and by statements of officers and directors concerning their compliance with the applicable filing requirements, the officers, directors and greater than 10% beneficial owners of LCNB have complied with all applicable filing requirements.

BOARD OF DIRECTORS MEETINGS AND COMMITTEES

In the fiscal year ended December 31, 2017, the Board of Directors met on 8 occasions. No director attended less than 75% of the aggregate of the total number of meetings of the Board and the committees on which he served. The Company encourages its directors to attend the Annual Meeting of the Shareholders, and in 2017, all of the directors attended the meeting. Directors do not receive any compensation from LCNB for their service on the Board of Directors of LCNB. However, each director of LCNB also serves as a director of LCNB National Bank, the banking subsidiary of LCNB, which meets once per month, for which each is compensated at a rate of \$14,000 annually. In addition, non-employee directors who serve on committees of the Board of Directors receive \$150 for each committee meeting attended. Further, the directors participate like the employees of the Company in the Non-Equity Incentive Plan of the Company, and thus receive cash compensation based upon the success of the Company over the previous year. In 2017, the directors each received compensation under this plan equal to 9.5% of their annual base compensation and committee meeting fees earned during 2017.

The table below summarizes all compensation paid to the directors of LCNB for their services as directors during fiscal year 2017.

The compensation paid to the directors of LCNB includes committee fees as follows: S. Cropper, \$900; J. Kochensparger \$2,550; A. Krehbiel, \$900; V. Krueckeberg, \$900; G. Leasure, \$2,550; and Mr. Wilson, \$1,650. Mr. Kaufman and Mr. Foster are not independent directors and do not receive committee fees.

(2)

The directors, in addition to their base and committee fees, receive a cash award that corresponds to the Bank's Non-Equity Incentive Plan. The percentage awarded to the officers is used to calculate the directors' cash award that year. The award is paid in the following year. This percentage is multiplied by the directors' base fee plus the committee fee to arrive at the award. The percentage used for the award paid in 2017 was 9.5%.

The Company has an Audit Committee that serves in a dual capacity as the Audit Committee of the Bank. During 2017, the members of the Audit Committee were Spencer S. Cropper (Chair), Anne E. Krehbiel, and Valerie S. Krueckeberg. The Audit Committee met a total of 6 times in 2017. All of the members of the Audit Committee meet the definition of independent director set forth in NASDAQ Listing Rule 5605(a)(2). Valerie S. Krueckeberg served as the financial expert as defined by the Sarbanes-Oxley Act and NASDAQ Listing Rule 5605(a)(2). The Audit Committee is responsible for engaging independent auditors, reviewing with the independent auditors the plans and results of the audit, and reviewing the adequacy of the Bank's internal accounting controls. The Board of Directors of the Company has adopted a written charter for the Audit Committee. The Audit Committee Charter is available online at <https://www.lcnbcorp.com/govdocs>.

The Bank also has a Building Committee, Appraisal Committee, Nominating Committee, Trust Committee, Bond Committee, Pension Committee, and Loan Committee. Each of these committees meet as needed. The Building Committee reviews the facility needs and repair and improvement issues of the Bank and its branch and other office buildings. The members of the Building Committee are Stephen P. Wilson, Anne E. Krehbiel, Steve P. Foster, John H. Kochensparger III, and William H. Kaufman. The Appraisal Committee reviews the appraisals conducted by the Bank's real estate appraisers to ensure that the appraisals are consistent and accurate. The members of the Appraisal Committee are Stephen P. Wilson, Peter Berninger, Matt Layer and Timothy Sheridan. The Trust Committee reviews the various trusts accepted by the Trust Department of the Bank, reviews trust investments and advises the trust officers in department operations. The members of the Trust Committee are Stephen P. Wilson, Steve P. Foster, Michael R. Miller, George L. Leasure, John H. Kochensparger III, S. Diane Ingram, Melanie K. Crane, Bradley A. Ruppert, Amy R. Kobes, Traci Hammiel, Michael D. Nusbaum, Myra A. Frame and Jackie Manley. The Bond Committee reviews the adequacy of the Bank's blanket bond coverage and recommends any changes in coverage to the Board of Directors of the Bank. The Bond Committee consists of the entire Board of Directors of the Bank. The Pension Committee reviews the Bank's defined benefit pension plan. The members of the Pension Committee are Stephen P. Wilson, Spencer S. Cropper, Steve P. Foster, Eric Meilstrup and Robert C. Haines II. The Loan Committee reviews the lending procedures of the Bank and reviews and approves requests for loans in excess of the established lending authority of the officers of the Bank. The Loan Committee consists of the entire Board of Directors of the Bank.

During 2017, the Nominating Committee consisted of all five of the Company's independent directors (as defined in NASDAQ Listing Rule 5605(a)(2)): Spencer S. Cropper, John H. Kochensparger III, George L. Leasure, Anne E. Krehbiel, and Valerie S. Krueckeberg. The Nominating Committee met one time in 2017 and does have a charter. Decisions concerning nominees for the Board of Directors will be made by the nominating committee and ratified by the entire Board. The Board has not adopted a policy with respect to minimum qualifications for board members. However, in making its nominations, the committee considers, among other things, an individual's business experience, industry experience, financial background, breadth of knowledge about issues affecting the Company, time available for

meetings and consultation regarding Company matters and other particular skills and experience possessed by the individual. Please see the narrative under the heading “Director and Nominee Qualifications” beginning on page 9 of this Proxy Statement for additional discussion of the nomination process. The Nominating Committee Charter is available online at <https://www.lcnbcorp.com/govdocs>.

Historically, the Company has not engaged third parties to assist in identifying and evaluating potential nominees, but would do so in those situations where particular qualifications are required to fill a vacancy and the Board’s contacts are not sufficient to identify an appropriate candidate.

The Company has not received director candidate recommendations from its shareholders and, as such, does not have a formal policy regarding consideration of such recommendations. However, any recommendations received from shareholders will be evaluated in the same manner that potential nominees suggested by Board members are evaluated. The Company does not intend to treat shareholder recommendations in any manner different from other recommendations. Shareholders may send director nomination recommendations to Stephen P. Wilson at P.O. Box 59, Lebanon, Ohio 45036.

The Bank has a designated Compensation Committee, which met one time in 2017 and does have a charter. The Compensation Committee Charter is available online at <https://www.lcnbcorp.com/govdocs>. During 2017, this committee consisted of the independent directors of the Bank: Spencer S. Cropper, George L. Leasure, John H. Kochensparger III, Anne E. Krehbiel, and Valerie S. Krueckeberg. The committee makes compensation recommendations to the Board of Directors for consideration, as further described in the “Compensation of Executive Officers” section below.

Officer, Chief Financial Officer and Controller. These codes of ethics are included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2003.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors of the Company is composed of three independent directors. The responsibilities of the Audit Committee are set forth in the revised charter of the Audit Committee which was adopted by the Board of Directors of the Company on February 17, 2004. The Audit Committee reviews, and revises if necessary, the Audit Charter at least annually. Any changes are presented to the Board of Directors for approval. The Audit Committee, among other matters, is responsible for the annual appointment and supervision of the independent public accountants, and reviews the arrangements for and the results of the auditors' examination of the Company's books and records and auditors' compensation. The Audit Committee reviews the Company's accounting policies, internal control procedures and systems and compliance activities.

The Audit Committee has reviewed and discussed the audited consolidated financial statements with management. The committee has also reviewed and discussed with BKD, LLP their independence as auditors for the fiscal year ended December 31, 2017, as required to be discussed by SAS 61, as it may be modified or supplemented.

The Audit Committee also has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committee), as may be modified or supplemented, and, as required, has discussed with BKD, LLP its independence.

Based on the foregoing discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

MARKET PRICE OF STOCK AND DIVIDEND DATA

LCNB had approximately 959 registered holders of its Common Shares as of December 31, 2017. The number of shareholders includes banks and brokers who act as nominees, each of whom may represent more than one shareholder. Trade prices for LCNB's Common Shares, reported through registered securities dealers, are set forth below. Trades have occurred during the periods indicated without the knowledge of LCNB.

The trade prices shown below are interdealer without retail markups, markdowns or commissions.

Third Quarter	0.160	0.160
Fourth Quarter	0.160	0.160
Total	\$0.640	\$0.640

It is expected that LCNB will continue to pay dividends on a similar schedule, to the extent permitted by business and other factors beyond management's control. LCNB depends on dividends from its subsidiary for the majority of its liquid assets, including the cash needed to pay dividends to its shareholders. Federal banking laws and regulations limit the amount of dividends the Bank may pay to the sum of retained net income, as defined, for the current year plus retained net income for the previous two years. Prior approval from the Office of the Comptroller of the Currency, the Bank's primary regulator, would be necessary for the Bank to pay dividends in excess of this amount. In addition, dividend payments may not reduce capital levels below minimum regulatory guidelines. Management believes the Bank will be able to pay anticipated dividends to LCNB without needing to request approval.

Equity Compensation Plan Information

The Company's 2015 Ownership Incentive Plan (the "Plan") was approved by shareholders at the 2015 annual meeting. The Plan provides for the grant of ownership incentives to key employees in the form of stock options, appreciation rights, restricted shares and/or restricted share units. The Plan is administered by the Compensation Committee. For additional information on the Plan, please refer to the Company's Definitive Proxy Statement, filed with the SEC on March 13, 2015. The Company's previous equity incentive plan, the 2002 Ownership Incentive Plan (the "2002 Plan"), expired in accordance with its terms in 2012. The Board established the 2002 Plan to provide awards to certain executive officers after reaching specific earnings and asset growth goals set at the beginning of each year. Options previously granted under the 2002 Plan continue to be exercised in accordance with the terms of the grants.

The following table summarizes share and exercise price information about LCNB's equity compensation plans as of March 1, 2018.

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

LCNB has no direct employees. All officers and other employees performing services for LCNB are employees of the Bank. The Compensation Committee is a committee of the Board of Directors, composed solely of independent directors, and is responsible for developing the Bank's executive compensation principles, policies and programs and approving the compensation to be paid to the Chief Executive Officer, Chief Financial Officer and each of the other named executive officers (the "named executive officers") of the Company and the Bank. The Compensation Committee consults with Steve P. Foster, President and Chief Executive Officer, concerning executive officer compensation; however, he does not participate in the deliberations regarding his compensation as President and Chief Executive Officer.

The primary objectives of the Bank's executive officer compensation programs are to:

- Provide a direct link between executive officer compensation and the interests of LCNB and LCNB's shareholders by making a portion of executive officer compensation dependent upon the financial performance of the Bank and the consolidated corporation.

- Support achieving the Bank's annual and longterm goals and objectives as determined by the Bank Board.

- Establish base salaries targeted at a market median level for comparable positions within a comparison group of companies in the banking industry when the executive is in a fully functioning role.

-

Provide executive officers with incentive compensation opportunities designed to pay total compensation levels that are above the median for above median performance.

-

Provide compensation plans and arrangements that encourage the retention of our proven team of executive officers.

The total compensation package for executive officers of the Company and the Bank includes: base salary, annual cash bonuses and incentive opportunities, which may consist of equity incentives under the 2015 Ownership Incentive Plan. Executive officers also receive other employee benefits generally available to all employees.

Generally, the named executive officers of the Bank are employed “at will” without severance agreements or employment contracts. The Company believes that its compensation levels and structure, as well as the Company’s culture and intangibles alleviate the need for the Company to utilize employment agreements with its named executive officers.

The Company held its most recent “say-on-pay” and “say-when-on-pay” advisory shareholder votes on the compensation of LCNB’s named executive officers at the April 2017 Annual Meeting. The Compensation Committee noted that the Company’s proposal regarding the “say-on-pay” vote had broad support among its shareholders. The 2017 “say-on-pay” vote results were 94.3% in favor. With respect to the “say-when-on-pay” advisory vote, the Company’s shareholders were almost evenly split between holding an advisory shareholder vote on the compensation of LCNB’s named executive officers once every three years versus every year, with every year receiving slightly more votes. Because of the near split amongst voters, and the Compensation Committee’s belief that a say-on-pay vote every three years is sufficient, the Board will continue to hold such advisory vote on executive compensation once every three years. Therefore, the next advisory shareholder vote on the compensation of LCNB’s named executive officers and the advisory vote on the frequency of the say-on-pay vote will occur at the 2020 annual meeting and the 2023 annual meeting, respectively.

Based on the results of the 2017 “say-on-pay” vote, no specific component of the executive compensation program was altered for fiscal year 2017. The Compensation Committee and the Company’s Board of Directors believe that the Company’s executive compensation has been appropriately tailored to its business strategies, aligns pay with performance, and reflects best practices regarding executive compensation. The committee will continue to consider shareholder sentiments about the Company’s core principles and objectives when determining executive compensation.

Engagement of Independent Compensation Consultant

The Compensation Committee has the sole authority to engage the services of any compensation consultant or advisor. In late 2013, the Compensation Committee engaged Blanchard Consulting Group (“BCG”) to provide consulting services surrounding executive compensation programs and policies. BCG is an independent third-party consulting group that focuses exclusively on providing compensation consulting to community banks throughout the country. During 2014, BCG assisted LCNB with an executive compensation review, a review of the annual cash incentive plan, and assistance with a market-based equity plan review and the development of the 2015 Ownership Incentive Plan (with the assistance of LCNB’s outside legal counsel). BCG was hired directly by the Compensation Committee and does not provide any other services to LCNB. The Compensation Committee considered all relevant factors,

including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934 in determining that BCG's work does not raise a conflict of interest.

In early 2014, BCG completed work on the executive total compensation review project. This project focused on all aspects of total compensation; including base salaries, cash incentives/bonuses, equity incentives and grants, other compensation and perquisites, and executive benefits and retirement programs. As part of this executive total compensation review, BCG utilized a peer group of twenty-one (21) publicly traded banks in Ohio and surrounding states and gathered and reviewed total compensation and performance data for these peer banks. A listing of the specific peer group banks utilized in the 2014 study is provided below. The report of findings from this study was utilized for 2014 decisions, including the recommendation for the adoption at the 2015 Annual Meeting of Shareholders of the 2015 Ownership Incentive Plan. Due to the comprehensive nature of the report, it was also utilized for 2015 compensation decisions.

In 2014, BCG also reviewed LCNB's annual/short-term cash incentive plan compared to market best practices. Significant changes were contemplated but not made for 2015, however, the Compensation Committee determined that changes would be made to the annual/short-term cash incentive plan in 2017 based on internal discussions and recommendations from BCG. A summary of the annual/short-term cash incentive plan for 2017 is provided later in this section.

2017 Executive Compensation Components

Annual Base Salaries

In setting annual salaries for the named executive officers, the Compensation Committee historically considered the salaries set forth in the *Ohio Bankers League Bank Compensation & Benefits Survey*. The *Ohio Bankers League Bank Compensation & Benefits Survey* publishes the median and certain other percentile salaries of over 300 financial institutions that take part in its survey of financial institutions in Ohio, Illinois and Missouri. The survey does not individually identify the financial institutions that participate.

For 2017, in addition to the OBL Survey, the Compensation Committee considered the market data provided in BCG's 2014 compensation report. This included salary data from the previously identified peer group along with various banking industry surveys. When setting each named executive officer's annual salary, the Compensation Committee starts at the median salary for an equivalent position in the market, and adjusts the salary for each named executive officer based upon such officer's history with the Company, experience overall, and general skill level. Named executive officers with greater tenure and more experience are generally compensated above the baseline provided by the median salary identified in the market, while named executive officers with shorter tenures with the Company and less experience are generally compensated below such baseline. The Compensation Committee uses the median salary as the starting point in setting the annual base salary for its named executive officers to help ensure that the Company's compensation remains competitive and the Company is able to uphold its goal of maintaining stable, effective management. Finally, the Compensation Committee compares the individual performance of the executive measured against the Board of Directors' previously determined subjective performance objectives for each executive for the previous year. Taking into consideration all of these factors, the Compensation Committee sets each named executive officer's salary.

Individual Performance Objectives

The Compensation Committee establishes subjective performance objectives for each executive officer on an annual basis. The performance objectives are tailored to the particular executive officer's area of responsibility within the Company and the Bank. Whether these performance objectives are achieved is one of the factors considered by the Compensation Committee when establishing annual base salaries for the following fiscal year. Additionally, these performance objectives are used to determine a small portion of the executive officers' annual bonuses and incentives. For fiscal year 2017, the named executive officers were evaluated on the performance criteria set forth below:

Incentive Compensation

In addition to the payment of base salary and the provision of standard employee benefits, the Bank's compensation programs provides executive officers the opportunity to earn additional compensation in the form of annual cash bonus incentives and equity incentives.

Annual Cash Bonus Incentives

The 2017 cash bonus program for executive officers was based primarily on the performance of the Company and the performance of the executive officer in meeting assigned goals for both the

Company and the officer personally. For named executive officers as well as employees of the Bank generally, the Compensation Committee believes that it is important to create an incentive to focus on the profitability and growth of the Company. As such, the majority of cash bonuses paid to all employees of the Company are based on the Company's performance. However, realizing that individual performance is not always fully recognizable solely in the Company's performance, the executive officers are also eligible for small cash bonuses based on the achievement of the goals detailed under *Performance Objectives* that are communicated at the beginning of each year to each executive and are unique to each executive officer's responsibilities.

In 2017, each named executive officer was eligible to receive a cash bonus based partially on the Company's performance for 2017 as measured by the core return on average assets (ROAA). Each named executive officer was eligible to receive a cash bonus ranging from 1.50% of that officer's base salary in the event that the Company's core ROAA was below 0.75% and up to 14.00% of that officer's base salary in the event that the Company's core ROAA was 1.50% and above. In 2017, the Company's Core ROAA was 0.99%, and so the portion of the cash bonus dependent on the Company's performance received by the named executive officers was 3.5% of their annual base salary.

The table below sets forth the potential bonus amounts tied to ROAA for 2017.

The other portion of each named executive officer's cash bonus was awarded based on the achievement of that individual's subjective performance objectives. In 2017, each named executive officer could earn up to an additional 6.0% of his base salary for meeting his individual performance objectives. This additional 6.0% of base salary is intended to encourage personal achievement of the individualized performance objectives. Historically, LCNB focused its annual cash bonus/incentive amounts entirely on Company performance. However, in recent years (including 2017) the Company has also utilized personal performance objectives. This small modification was made to encourage balance in

the annual cash incentive plan design. Additionally, LCNB determined in recent years that market influences made it appropriate to pay a minimal bonus for ROAA amounts below 1.0%. This shift was based on the external reality in community banking that has impacted profitability capabilities.

Based on the 2017 Company ROAA results, the largest cash bonus that a named executive officer would have been able to achieve in 2017 was 9.5% of his annual base salary. The Company believes that it has set the sliding scale for cash bonus compensation so that modest bonuses are achievable by the named executive officers based on adequate performance of the Company and the individual named executive officers. However, significantly larger bonuses will only be achieved by exceptional performance both by the Company and by an individual named executive officer. The Company believes that a maximum cash bonus/incentive award opportunity level of 20% of salary for the named executive officers is relatively modest when compared to market data.

The Company continues to implement a “Clawback” provision with respect to the 2017 cash bonus plan. This “Clawback” allows the Company to recoup incentive compensation amounts paid to employees if these amounts were paid based on misstated financials, or if the employee commits significant misconduct.

Equity Incentives

At the 2015 Annual Meeting, the Company’s shareholders voted to approve the 2015 Ownership Incentive Plan (the “2015 Plan”). The 2015 Plan replaced the previous equity plan that expired in 2012. The 2015 Plan is a result of significant discussions, market analysis, and cost modeling. All awards granted under the 2015 Plan are subject to the Company’s “Clawback” policy as it may be amended from time to time. During fiscal year 2017, 4,027 equity awards were granted under the 2015 Plan.

Option Awards Under the 2002 Plan

The Company established an equity incentive plan in 2002 that allowed for stock options to be awarded to executive officers based on a performance matrix. The plan expired in 2012. Therefore, no option awards have been granted since that time. The options previously awarded vest according to the following schedule on each anniversary of the Grant Date:

Years after the Grant Date	Vested Percentage
Less than 1	0%
At least 1 but less than 2	20%

At least 2 but less than 3	40%
At least 3 but less than 4	60%
At least 4 but less than 5	80%
At least 5 but no more than 10	100%

Any options which are vested and not exercised within 10 years from the date of the grant shall be deemed expired and no longer exercisable by the eligible person.

Other Compensation

The Company also provides other compensation to the named executive officers as it determines is necessary or advisable. Mr. Foster, President and Chief Executive Officer, receives an allowance for an

automobile and the named executive officers all receive payments for health insurance and long-term disability, as the Compensation Committee has decided that such small perquisites aid in the retention of the named executive officers.

Further, the Company maintains a Supplemental Income Plan for its former Chief Executive officer, Mr. Wilson. This plan was entered into in 1996, and provides that Mr. Wilson shall receive certain benefits upon his reaching 65 years of age, or a change in control of the Company. The Company adopted the plan in order to create an additional incentive for Mr. Wilson to continue his service with the Company as its Chief Executive Officer and to provide Mr. Wilson with added security for his retirement or in the case that the Company was sold. The Company is currently making payments under this plan.

In addition, the Bank has a nonqualified deferred compensation benefit plan which permits named executive officers to defer all or a portion of their cash bonus, as well as certain defined benefit plans, as further detailed below.

Analysis of Total Mix of Compensation

The Board of Directors feels that the combination of making cash bonus payments based upon specific goals for each named executive officer and separate bonus payments tied to earnings goals for the Company provides the necessary incentives to reach the Company's objectives. The cash bonus payments and the base salary together can provide the named executive officers a compensation package that is competitive with peers in the financial industry. Additionally, the 2015 Plan provides the Company with the ability to better balance executive compensation between short-term components (base salary and annual cash bonus incentives) and longer-term components (equity incentives).

2018 Executive Compensation

On February 12, 2018 the Compensation Committee recommended to the Board of Directors new performance measures under the annual cash bonus program. This program is designed to reward executive officers for meeting certain goals set annually by the Committee. Goals for 2018 include return on average assets, loan growth, deposit growth, efficiency rating, and strategic planning goals. The goals are weighted with Company performance goals accounting for 33% of the short-term cash incentive and individual performance goals accounting for 66% of the cash incentive. If those Company and individual performance goals are substantially met, each named executive officer can receive an award equal to 11.5% of his 2018 base salary. Substantially exceeding the Company and individual performance goals can increase the cash award to a maximum of 20% of base salary. The Company performance goals for the 2018 annual cash bonus program are:

Return on Average Assets

40%

Total Loan Growth

20%

Total Deposit Growth

5%

Efficiency Ratio

10%

The individual performance goals are weighted 25% and are tied to each named executive officer's strategic planning goals as defined in the LCNB Strategic Plan.

The Compensation Committee also recommended to the Board of Directors the implementation of specific performance measures with respect to the 2015 Plan. The Board of Directors approved the use of earnings per share and total asset growth as performance measures to reward the executive officers.

Earnings per share and total asset growth will be based on the Board approved budget. The Compensation Committee established a range of awards based on the achievement of those goals. The awards are calculated using a percentage that is applied to each executive officer's salary to arrive at a calculated number of shares. That percentage ranges from 0% of salary to a maximum of 20% of salary for most named executive officers. This plan will be effective based on the performance measures achieved in 2018. The dollar amounts that are earned will be converted to a specific number of shares based on the value of the shares on the date of grant. The shares will be granted from the 2015 Plan that was approved by LCNB's shareholders.

Forward Looking Statements

The information discussed in our Compensation Discussion and Analysis contains statements regarding future individual and Company performance measures, targets, and other goals. These goals are disclosed in the limited context of our executive compensation program and should not be understood to be statements of management's expectations or estimates of results or other guidance. We specifically caution investors not to apply these statements to other contexts.

Executive Compensation: Compensation Tables

All of the grants of restricted shares listed in the above table vest annually in five equal installments over a five-year period beginning on the first anniversary of the grant date, provided, however, that: (a) the respective grantee remains employed through the applicable vesting date and (b) vesting will be accelerated upon the grantee’s death, incapacity or retirement (after attaining the age of 65). Upon a change of control of the Company as defined in the 2015 Plan, 100% of the restricted shares will vest if at any time during the three months prior to the effective date of any change of control to the first anniversary of such change of control: (a) the grantee’s employment is terminated without cause, or (b) the grantee terminates employment for good reason. The grantees are eligible to receive dividends and other distributions declared by the Company on the restricted shares.

Pay Ratio Disclosure

Mr. Foster had an annual total compensation of \$635,104 in 2017, as reflected in the Summary Compensation Table included in this Proxy Statement. We estimate that the median annual compensation for all LCNB employees, excluding our CEO, was \$43,897 for 2017. Taking this into account, we estimate that Mr. Foster's annual total compensation was approximately 14.5 times that of the median annual compensation for all employees.

Although the Estimated Future Payouts are provided in the table, the awards were granted in 2017 and are disclosed in the "Summary Compensation Table."

All employees, including the named executive officers, participate in a Non-Equity Incentive Plan. This plan rewards employees based on the financial performance of the Company as described in the Compensation Discussion and Analysis. The estimated future payouts for the named executive officers in the above table are calculated using the ROAA scale established by the Compensation Committee and approved by the Board. Each named executive officer was eligible to receive a cash bonus ranging from 1.50% of that officer's base salary in the event that the Company's core ROAA was below .75% and 14.00% of that officer's base salary in the event that the Company's core ROAA was 1.5% and above. The appropriate percentage is multiplied by the officer's base salary to determine the cash award.

Defined Benefit Plan Disclosure

In 1954, the Bank adopted the LCNB National Bank Employees Pension Plan (the “Pension Plan”) a defined benefit plan. Employees hired on or after January 1, 2009 are not eligible to participate in the Pension Plan, however, some employees that were hired before that date continue to participate in the Pension Plan. Effective February 1, 2009, employees whose age plus vesting service equaled 55 to 64 will receive a monthly retirement benefit equal to 40% of the participant’s average monthly compensation. Employees whose age plus vesting service equaled less than 55 will receive a monthly retirement benefit equal to 30% of the participant’s average monthly compensation. A participant’s average monthly compensation is based on the five consecutive years of a participant’s employment with the Bank that produce the highest monthly average. Benefits are not reduced by Social Security payments or by payments from other sources and are payable in the form of a life annuity (ten years certain).

All employees are eligible to participate in the company’s enhanced 401(k) plan. Employees receive a 50% employer match on their contributions into their 401(k) plans, up to a maximum LCNB contribution of 3% of each individual employee’s annual compensation.

Certain highly compensated employees are eligible to participate in a nonqualified defined benefit retirement plan. The nonqualified plan ensures that participants receive the full amount of benefits to which they would have been entitled under the noncontributory defined benefit retirement plan in the absence of limits on benefit levels imposed by certain sections of the Internal Revenue Code.

The following table summarizes, as of the end of fiscal year 2017 for each of the Company’s named executive officers, information concerning each plan that provides for payments or other benefits at, following, or in connection with retirement.

The Defined Benefit Plan's actuarial assumptions used in 2017 included a discount rate of 3.60%, an expected long-term rate of return for Plan assets of 3.60% and a future compensation rate increase of 3.0%. The expected long-term rate of return on Plan assets was determined using historic returns on investments, adjusted for expected long-term interest rates.

(1)

The executive officers' contributions are also included in the Summary Compensation Table under Non-Equity Incentive Plan Compensation.

(2)

The portion of the Aggregate Earnings is also included in the Summary Compensation Table under Non-Qualified Deferred Compensation Earnings because the Bank is paying an above market rate on the aggregate balances that the Executive Officers have deferred. Those amounts for each officer are: Mr. Foster, \$42,816; Mr. Haines, \$2,265; Mr. Layer, \$6,360; Mr. McKay, \$10,337; and Mr. Meilstrup, \$4,711.

The Bank has a benefit plan which permits named executive officers to defer all or a portion of their cash bonus. The deferred compensation balance, which accrues interest at 8% annually, is distributable in cash after retirement or termination of employment either in one lump sum payment or ten equal payments over a period of ten years, in the discretion of the executive officer. Through the Compensation Committee, the LCNB Board of Directors determines

the interest rate that will be used to calculate earnings under the plan.

Termination and Change in Control Payments

The Company does not have employment agreements with its named executive officers. Therefore, these officers are employees at will and a termination of these named executive officers as of December 31, 2017 would not have triggered any payment obligations of the Company under their employment arrangements. However, under some of the Company's other benefit plans, the named executive officers would have been entitled to receive payments if a termination or change in control happened on December 31, 2017.

The 2015 Ownership Incentive Plan and the 2002 Plan each contain a double-trigger change of control clause that accelerates vesting upon a change of control as follows: the period beginning three months prior to the effective date of any change of control of the Company and ending on the first anniversary of such a change of control, one hundred percent of the ownership incentives granted which have been outstanding for at least six months shall vest and be exercisable by the holder in the event that (a) the holder's status as an employee is involuntarily terminated by the Company for any reason other

than cause, or (b) the holder voluntarily terminates his status as an employee as the result of a material reduction in the option holder's duties, title, or compensation from the Company. Thus, if there was a change in control on December 31, 2017 and the named executive officers were terminated or experienced material reductions in their duties, all of the ownership incentives held by the named executive officers for longer than six months would vest.

Upon such events, the named executive officers would have the following amount of restricted shares vest under the 2015 Ownership Incentive Plan:

Steve P. Foster	3,786
Robert C. Haines II	1,678
Matthew P. Layer	1,678
Leroy F. McKay	0
Eric J. Meilstrup	1,678
Michael R. Miller	0

Upon such events, the named executive officers would have options convertible into the following amount of the Company's Common Shares vest under the 2002 Plan:

Steve P. Foster	16,133
Robert C. Haines II	0
Matthew P. Layer	3,841
Leroy F. McKay	0
Eric J. Meilstrup	311
Michael R. Miller	0

The Deferred Compensation Plan provides that in the event of any termination of a named executive officer, or a change in control of the Company, the named executive officers affected by the termination or change in control are entitled to receive the entire amount of the deferred compensation in their account as of the next valuation date after such event. The named executive officer may elect whether to receive the deferred compensation in one lump sum, or in annual payments over ten years. In the event that each of the named executive officers experienced a termination event on December 31, 2017, each would be entitled to receive the following amounts under the Deferred Compensation Plan:

Steve P. Foster	\$934,485
Robert C. Haines II	\$49,684
Matthew P. Layer	\$139,243
Leroy F. McKay ⁽¹⁾	\$0
Eric J. Meilstrup	\$103,012
Michael R. Miller	\$0

(1)

Mr. McKay retired on July 31, 2017 and therefore was not eligible to receive a lump sum payment under the circumstances described above on December 31, 2017.

For the purposes of the Deferred Compensation Plan, a change in control would be deemed to have occurred if:

- a person or group obtained control of 50% of the Company's stock,
- a person or group acquires 35% of the Company's stock within a 12 month period,

-

a majority of the members of the Board of Directors are replaced within a 12 month period without the endorsement of a majority of the members of the board, or

-

any person or group acquires assets from the Company worth at least 40% of the fair market value of all of the assets of the Company.

For purposes of the 2015 Ownership Incentive Plan, a change in control would be deemed to have occurred if:

-

a person or group acquires ownership of the Company's shares representing more than 50% of total fair market value or total voting power,

-

a majority of the members of the Board of Directors are replaced without their approval, or

-

one person or group acquires assets representing 50% or more of the total gross fair market value of all the assets of the Company.

For purposes of the 2002 Plan, a change in control would be deemed to have occurred if:

-

a person or group obtained control of 50% of the Company's stock, or

-

a merger or sale of substantially all of the assets, reorganization, or the a majority of the members of the Board of Directors are replaced, without the approval of the Board of Directors.
