PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of Monarch Casino & Resort, Inc. (the "Company") in connection with the annual meeting of stockholders of the Company to be held at the Atlantis Casino Resort, 3800 South Virginia Street, Reno, Nevada 89502, on Wednesday, June 12, 2002, at 10:00 a.m. local time, and any adjournment thereof, for the purposes indicated in the Notice of Annual Meeting of Stockholders.

THE ACCOMPANYING PROXY IS SOLICITED BY THE BOARD OF DIRECTORS OF THE COMPANY (THE "BOARD OF DIRECTORS"). This Proxy Statement and the accompanying form of proxy are being mailed to stockholders on or about May 8, 2002. Any stockholder giving a proxy has the power to revoke it prospectively by giving written notice to the Company, addressed to Ben Farahi, Secretary, at the

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

Company's principal address at 1175 W. Moana Lane, Suite 200, Reno, Nevada 89509 before the annual meeting, by delivering to the Company a duly executed proxy bearing a later date, by notifying the Company at the annual meeting prior to the commencement of the annual meeting, or by voting in person by ballot at the annual meeting after notifying the inspectors of election of the stockholder's intention to do so prior to the commencement of the annual meeting. The shares represented by the enclosed proxy will be voted if the proxy is properly executed and received by the Company prior to the commencement of the annual meeting, or any adjournment thereof.

None of the proposals to be voted on at the annual meeting creates a right of appraisal under Nevada law. A vote "FOR" or "AGAINST" any of the proposals set forth herein will only affect the outcome of the proposal.

The expenses of making the solicitation will consist of the costs of preparing, printing, and mailing the proxies and proxy statements and the charges and expenses of brokerage firms, custodians, nominees or fiduciaries for forwarding such documents to security owners. These are the only contemplated expenses of solicitation, and they will be paid by the Company.

VOTING SECURITIES

The close of business on May 3, 2002, has been fixed by the Board as the record date for determination of stockholders entitled to vote at the annual meeting. The securities entitled to vote at the annual meeting consist of shares of common stock, par value \$.01 ("Common Stock"), of the Company, with each share entitling its owner to one vote. Common Stock is the only outstanding class of voting securities authorized by the Company's Articles of Incorporation. The Company's Articles of Incorporation authorize the Company to issue 10,000,000 shares of preferred stock, par value \$.01 ("Preferred Stock"). None of the Preferred Stock is issued or outstanding, and the Company has no present plans to issue shares of Preferred Stock.

-1-

The Board is empowered to issue one or more series of Preferred Stock with such rights, preferences, restrictions, and privileges as may be fixed by the Board, without further action by the Company's stockholders. The issuance of the Preferred Stock could adversely affect the rights, including voting rights, of the holders of the Common Stock and could impede an attempted takeover of the Company. The Preferred Stock does not presently possess general voting rights.

The number of outstanding shares of Common Stock at the close of business on April 30, 2002, was 9,436,275. The number of shares outstanding may change between such date and May 3, 2002, if any currently exercisable options to purchase Common Stock are exercised, if the Company elects to repurchase and cancel any shares in open market or privately negotiated transactions, or if the Company otherwise authorizes the issuance of any shares. The stockholders do not possess the right to cumulate their votes for the election of directors.

The Audit Committee, comprised of Craig F. Sullivan and Charles W. Scharer, and chaired by Ronald R. Zideck, met four times during the fiscal year ended December 31, 2001. The Audit Committee is comprised exclusively of directors who are not salaried employees and a majority of whom are, in the opinion of the Board, free from any relationship which would interfere with the exercise of independent judgment as a committee member. The Audit Committee's function is to review reports of certified public accountants to the Company; to review Company financial practices, internal controls and policies with officers and key employees; to review such matters with the Company's auditors to determine scope of compliance and any deficiencies; to consider selection of independent public accountants; to review certain related party transactions; and to make periodic reports on such matters to the Board. The Audit Committee adopted an Audit Committee Charter on June 14, 2000, and subsequently amended it effective June 7, 2001. Each member of the Audit Committee is an "independent" director, as such term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers' Listings Standard.

The Compensation Committee, comprised of Ronald R. Zideck and Charles W. Scharer, and chaired by Craig F. Sullivan, met twice during the fiscal year ended December 31, 2001. The Compensation Committee's function is to review and make recommendations to the Board with respect to the salaries and bonuses of the Company's executive officers and to administer the 1993 Employee Stock Option Plan.

The Incentive Plan Committee, comprised of Craig F. Sullivan and Ronald R. Zideck, did not meet during the fiscal year ended December 31, 2001. The Incentive Plan Committee's function is to administer the 1993 Executive Long Term Incentive Plan (the "Incentive Plan") including determining such

matters as the persons to whom awards shall be granted, the number of shares to be awarded, when the awards shall be granted, when the awards shall vest, and the terms and provisions of the instruments evidencing the awards, to interpret the Incentive Plan, and to notify the Board of all decisions concerning awards granted to Incentive Plan participants.

The Directors' Plan Committee, comprised of John Farahi and Bob Farahi, did not meet during the fiscal year ended December 31, 2001. Neither John Farahi nor Bob Farahi is eligible to participate in the Directors' Plan. The Directors' Plan Committee's function is to administer the 1993 Directors' Stock Option Plan (the "Directors' Plan") and consists of not less than two directors of the Company selected by, and serving at the pleasure of, the Board. The Directors' Plan Committee has the authority to interpret the

-7-

Directors' Plan and make all determinations necessary or advisable for its administration. All decisions of the Directors' Plan Committee are subject to approval by the Board.

Craig F. Sullivan and Ronald R. Zideck of the Audit and Compensation Committees of the Board attended at least 75% of the committee meetings held during the fiscal year ended December 31, 2001. Charles W. Scharer attended at 75% of the committee meetings held after he became a Board member in July 2001.

BOARD MEETINGS

The Board held 5 meetings in the fiscal year ended December 31, 2001. John Farahi, Bob Farahi, Ben Farahi, Craig F. Sullivan and Ronald R. Zideck each attended at least 75% of the meetings held. Charles W. Scharer attended at least 75% of the meetings held since replacing Stephen L. Cavallaro as a Board member in July 2001.

COMPENSATION OF NON-EMPLOYEE DIRECTORS

In 2001, annual fees of \$25,000 were paid to directors who were not employees of the Company. As of March 1, 2002, these annual fees were increased to \$30,000 per director. Each non-employee director serving as the chairman of a committee of the Board received an additional annual fee of \$5,000 for each committee chaired in 2001. As of March 1, 2002, this annual fee was increased to \$10,000. Each director may be reimbursed for certain expenses incurred in connection with attendance at Board and committee meetings. Certain non-employee directors have been granted options to purchase Common Stock under the Directors' Plan.

1993 DIRECTORS' STOCK OPTION PLAN. The Directors' Plan is designed to encourage non-employee directors to take a long-term view of the affairs of the Company, to attract and retain superior non-employee directors and to aid in compensating non-employee directors for their services to the Company. The Company's non-employee directors for the year ended December 31, 2001, were Craig F. Sullivan, Ronald R. Zideck and Charles W. Scharer.

An eligible director, upon becoming a member of the Board of Directors, will receive an initial grant to purchase 2,400 shares of Common Stock ("Initial Director Grant"), plus an additional grant to purchase 650 shares of Common Stock for each committee chaired. Thereafter, immediately following the close of the annual stockholders' meeting, each eligible director will receive an annual option grant to purchase 2,400 shares of Common Stock ("Annual Director Grant") plus an additional grant to purchase 650 shares of Common Stock for each committee chaired. The Directors' Plan Committee may also recommend discretionary grants of options on terms deemed appropriate by

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

the Committee, subject to the approval of the Board.

The exercise price of all director option grants is 100% of the fair market value of the Common Stock on the date of grant. Initial Director Grants and Annual Director Grants may not be exercised until six months and one day after the date of the grant. All options granted under the Directors' Plan are non-qualified options, the tax treatment of which is determined under Section 422 of the Internal Revenue Code of 1986, as amended.

-8-

In 2001, Craig F. Sullivan and Ronald R. Zideck each received an Annual Director Grant of options to purchase 3,050 shares of Common Stock, and Charles W. Scharer received an Initial Director Grant of options, in accordance with the plan, to purchase 3,050 shares of Common Stock.

COMPENSATION PHILOSOPHY. The Committees seek to compensate the Company's executive officers in such a fashion that will attract and retain individuals who are responsible for the management, growth, and success of the Company. The Committees believe that executive compensation should be designed to reward those individuals for their services to the Company and encourage them to continue in its employ. The Committees' actions related to compensation of the Company's executive officers are submitted to the full Board of Directors for ratification and approval.

-10-

Although the Committees believe that the Company's overall financial performance is an important factor in the total compensation of the Company's executive officers, the Committees do not apply any specific quantitative formula in making compensation decisions. The Committees also recognize qualitative factors such as successful supervision of the Company's operations, development of corporate projects, promotion of the Company's corporate image, and participation in industry and community activities.

The Committees also evaluate the total compensation of the Company's executive officers in light of the compensation practices and relative corporate financial performance of other companies in the gaming industry similar to the Company in terms of asset size and target market. The Committees' goal is that the base salaries for the Chief Executive Officer and other executive officers should be established at levels considered appropriate in light of the duties and scope of responsibilities of each officer's position. Salaries are reviewed annually and are warranted to reflect sustained individual officer performance. The Chief Executive Officer and other executive officers are also eligible to receive incentive compensation in the form of stock options under the Incentive Plan; however, no options were granted to executive officers during 2001.

The Incentive Plan Committee recommends to the Board the persons to whom awards will be granted and in doing so, the Incentive Plan Committee considers the quantitative and qualitative factors and industry peer group comparisons discussed above. The number of options previously awarded to and held by executive officers is reviewed, but is not an important factor in determining the size of current option grants.

CHIEF EXECUTIVE OFFICER COMPENSATION. Following the recommendation of the Compensation Committee, the Board has established the Chief Executive Officer's salary at \$280,000. The Compensation Committee's recommendation was made on a subjective basis and did not bear a specific relationship to any particular measure of the Company's performance in 2001 or any prior period. In determining the Chief Executive Officer's salary, the Compensation Committee considered (a) the Chief Executive Officer's record of leadership and service to the Company since its inception, (b) the growth of the Company during the Chief Executive Officer's tenure, (c) the Chief Executive Officer's pivotal role in overseeing the day to day operations of the Company, and (d) the Chief Executive Officer's civic leadership in the Reno area.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

GUARANTEE FEES

The Company's Compensation Committee approved the payment of a guarantee fee of two percent of the average outstanding guaranteed debt as compensation for bank debt personal guarantees granted for the benefit of the Company by John Farahi, Bob Farahi and Ben Farahi. For the year ended December 31, 2001, the Company paid approximately \$1.5 million in guarantee fees to these persons.

INDEMNIFICATION OF DIRECTORS AND OFFICERS

Section 78.751 of Chapter 78 of the Nevada Revised Statutes ("NRS"), Article IX of the Company's Articles of Incorporation, and Article VII of the Company's Bylaws contain provisions for indemnification of officers and directors of the Company. The Articles of Incorporation require the Company to indemnify such persons to the full extent permitted by Nevada law. Each person will be indemnified in any proceeding provided that such person's acts or omissions did not involve intentional misconduct, fraud or knowing violation of law, or the payment of dividends in violation of NRS 78.300. Indemnification would cover expenses, including attorneys' fees, judgments, fines, and amounts paid in settlement.

The Company's Articles of Incorporation also provide that the Board may cause the Company to purchase and maintain insurance on behalf of any present or past director or officer insuring against any liability asserted against such person incurred in the capacity of director or officer or arising out of such status, whether or not the corporation would have the power to indemnify such person. The Company has obtained and maintains such insurance.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, or persons controlling the Company pursuant to the foregoing provisions, the Company has been informed that in the opinion of the Securities and Exchange Commission (the "SEC") such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.

The Company requires that the Audit Committee of the Board review certain related party transactions.

INDEPENDENT PUBLIC ACCOUNTANTS

Arthur Andersen, LLP has audited the Company's financial statements for the fiscal year ended December 31, 2001. The Board of Directors, Audit Committee and Company management have been monitoring and reviewing, in detail, the legal developments and press coverage regarding Arthur Andersen, LLP, in its role as auditors of Enron Corp., including the recent indictment of Arthur Andersen, LLP in connection with that matter. Arthur Andersen, LLP is expected to have a representative present at the annual meeting who will have the opportunity to make a statement if such representative desires to do so and is expected to be available to respond to appropriate questions.

-14-

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

As the Audit Committee has not made its formal recommendation to the Board, the Company has not yet formally engaged an independent public accountant to audit the Company's financial statements for the fiscal year ended December 31, 2002. In the event the Audit Committee and Board of Directors select a firm other than Arthur Andersen, LLP prior to the 2002 Annual Meeting, a representative of that firm will be invited to the stockholders' meeting.

AUDIT AND RELATED FEES

AUDIT FEES. The aggregate fees billed by Arthur Andersen, LLP for professional services for the audit of the Company's annual consolidated financial statements included in the annual report on Form 10-K for the fiscal year ended December 31, 2001, and review of the Company's unaudited interim quarterly financial statements included in its quarterly reports on Form 10-Q were \$61,000.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES. There were no fees billed by Arthur Andersen, LLP to the Company for financial information systems design and implementation fees for the fiscal year ended December 31, 2001.

ALL OTHER FEES. The aggregate fees billed to the Company for all other services rendered by Arthur Andersen, LLP for the fiscal year ended December 31, 2001, were \$15,000.

COMPATIBILITY OF FEES WITH INDEPENDENT ACCOUNTANT'S INDEPENDENCE. The Audit Committee has determined that the provision of services covered under the subheadings "Financial Information Systems Design and Implementation Fees" and "All Other Fees" above is compatible with maintaining Arthur Andersen's Independence.

COMPLIANCE WITH SECTION 16(A) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's directors and executive officers, and persons who own more than ten percent of a registered class of the Company's equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Officers, directors, and stockholders holding more than 10% of the class of stock are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during 2001 all reports as required under Section 16(a) filing requirements were filed as required, with the exception of one Form 4 for Ben Farahi, which was inadvertently filed late.

-15- VOTING PROCEDURES

A majority of a quorum of stockholders present in person or represented by proxy voting "FOR" the election of the nominees to the Board is

Edgar Filing: MONARCH CASINO & RESORT INC - Form DEF 14A

sufficient to approve the matters being voted on at the meeting. A quorum of stockholders exists when a majority of the stock issued and outstanding and entitled to vote at a meeting is present, in person, or represented by proxy, at the meeting. Abstentions are effectively treated as votes "AGAINST" a matter presented. Neither the Company's Articles of Incorporation, Bylaws, nor Nevada corporate statutes address the treatment and effect of abstentions and broker non-votes.

The Company will appoint three inspectors of election to: determine the number of shares outstanding and the voting power of each, the shares represented at the meeting, the existence of a quorum, and the authenticity, validity, and effect of a proxy; receive votes, ballots, or consents; hear and determine all challenges and questions in any way arising in connection with the right to vote; count and tabulate all votes or consents; determine when the polls shall close; determine the results; and do any other acts which may be proper to conduct the election or vote with fairness to all stockholders.

2003 ANNUAL MEETING OF STOCKHOLDERS

The next annual meeting of stockholders will be held on or about June 11, 2003. Stockholders desiring to present proper proposals at that meeting and to have their proposals included in the Company's Proxy Statement and form of proxy for that meeting must meet the eligibility and other criteria under Rule 14a-8 of the Securities Exchange Act of 1934 and must submit the proposal to the Company and such proposal must be received no later than January 9, 2003. Unless a stockholder proposal for the Company's 2003 Annual Meeting of Stockholders is submitted to the Company prior to March 25, 2003, management may use its discretionary voting authority to vote management proxies on the stockholder proposal without any discussion of the matter in the proxy statement.

OTHER BUSINESS

The Board does not know of any other business which will be presented for action by the stockholders at this annual meeting. However, if any business other than that set forth in the Notice of Annual Meeting of Stockholders should be presented at the annual meeting, the proxy committee named in the enclosed proxy intends to take such action as will be in harmony with the policies of the Board and in that connection will use their discretion and vote all proxies in accordance with their judgment.

-16-

The Company's 2001 Annual Report to Stockholders, including financial statements for the year ended December 31, 2001, accompanies these proxy materials, which are being mailed on or about May 8, 2002, to all stockholders of record of the Company as of May 3, 2002.
