**EVERGREEN UTILITES AND HIGH INCOME FUND
PROXY STATEMENT**

This proxy statement is furnished in connection with the solicitation of proxies by and on behalf of the Board of Trustees of Evergreen Utilities and High Income Fund (the "Fund") for the Annual Meeting of Shareholders (the "Meeting") to be held at Evergreen Investments, 200 Berkeley Street, 26th Floor, Boston, Massachusetts 02116-5034, on December 12, 2008 at 10:00 a.m. Eastern time. The address of the principal office of the Fund is Evergreen Investments, 200 Berkeley Street, Boston, Massachusetts 02116-5034.

This proxy statement, the accompanying Notice of Annual Meeting of Shareholders, the proxy card and the Annual Report of the Fund for the period ended August 31, 2008 will be first sent to shareholders on or about October 30,

2008.

Proxy Solicitation

The Board of Trustees intends to bring before the Meeting the matters set forth in the accompanying notice. You can vote by returning your properly executed proxy card in the envelope provided. When you complete and sign your proxy card, the proxies named will vote on your behalf at the Meeting (or any adjournments thereof) exactly as you have indicated. If no choice is specified, your shares of the Fund will be voted FOR the election of the nominees named in the enclosed proxy card and IN FAVOR OF the change to the fundamental investment restriction concerning lending. Holders of common shares ("Shares") of the Fund ("Shareholders") will vote on the election of Ms. Kosel and Messrs. Austin, McDonnell and Shima and the proposed amendment to the fundamental investment restriction concerning lending. If any other matters are properly presented at the Meeting for action, the persons named as proxies will vote in accordance with the views of management of the Fund. Shareholders may revoke a proxy prior to the Meeting by giving timely written notice of such revocation to the Fund at the address above, by submitting a subsequent proxy timely and in accordance with the methods prescribed by this proxy statement, or by attending the Meeting and voting in person.

Abstentions and broker non-votes (i.e., Shares held by brokers or nominees as to which (i) instructions have not been received from the beneficial owners or other persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) are counted as present for quorum purposes. The Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration") provides that the holders of thirty-three and a third percent (33 1/3%) of the Shares issued, outstanding and entitled to vote, present in person or by proxy, shall constitute a quorum for the transaction of business at the Meeting. With regard to the election of trustees, votes may be cast FOR all nominees or the authority to vote may be WITHHELD either with respect to all of the nominees or any individual nominee. With regard to the Fund's fundamental investment restriction concerning lending, votes may be cast IN FAVOR OF or AGAINST the proposed amendment or you may ABSTAIN from voting. Abstentions, broker non-votes, and votes that are withheld will count for purposes of determining whether a quorum is present, will have no effect with respect to the election of trustees (Proposal 1), but will have the effect of a vote against the proposed amendment to the Fund's fundamental investment restriction concerning lending (Proposal 2).

If a quorum is met, the affirmative vote of a plurality of the votes cast by Shareholders present in person or represented by proxy at the Meeting and entitled to vote is required for the election of trustees (Proposal 1). The approval of the proposed change in the fundamental investment restriction concerning lending (Proposal 2) requires the affirmative vote of a majority of the outstanding voting securities of the Fund as defined in the Investment Company Act of 1940, as amended (the "1940 Act"). The 1940 Act defines the vote of a majority of the outstanding voting securities of the Fund to mean the affirmative vote of the lesser of (a) 67% or more of the Shares of the Fund present at the meeting, if more than 50% of the outstanding shares of the Fund are present in person or by proxy at the Meeting, or (b) more than 50% of the outstanding Shares of the Fund.

In the event a quorum is not present at the Meeting or a quorum is present but sufficient votes to approve a proposal are not received, the persons named as proxies may propose one or more adjournments of the Meeting to permit further solicitation of proxies. The persons named as proxies will vote in favor of an adjournment those votes marked in favor of the proposal. The persons named as proxies will vote against any such adjournment those votes marked against the proposal. The Meeting, whether or not a quorum is present, may be adjourned from time to time by the vote of a majority of the Shares represented at the Meeting, either in person or by proxy; or by the chair of the Meeting, in his or her discretion. Abstentions and broker non-votes will not be voted on a motion to adjourn.

Any proposal for which sufficient favorable votes have been received by the time of the Meeting may be acted upon and considered final regardless of whether the Meeting is adjourned to permit additional solicitation with respect to any other proposal. In certain circumstances in which the Fund has received sufficient votes to approve a matter being

recommended for approval by the Fund's Board of Trustees, the Fund may request that brokers and nominees, in their discretion, withhold submission of broker non-votes in order to avoid the need for solicitation of additional votes in favor of the proposal.

The Fund will bear the costs of preparing, printing and mailing this proxy statement, the proxies and any additional materials which may be furnished to Shareholders. Solicitation may be undertaken by mail, telephone, facsimile and personal contact. The Fund has engaged the Altman Group to solicit proxies from brokers, banks, other institutional holders and individual Shareholders for a fee of approximately \$30,000.00. This fee will be borne by the Fund.

Voting Securities and Principal Holders Thereof

Shareholders of record of the Fund's Shares at the close of business on October 10, 2008 will be entitled to vote at the Meeting or any adjournment thereof to the extent set forth in this proxy statement. As of October 10, 2008, the Fund had outstanding 8,974,723 common shares. Each common share will be entitled to one vote for each dollar, and a fractional vote for each fraction of a dollar, of net asset value per share, as to any matter on which the common share is entitled to vote.

As of October 10, 2008, the Depository Trust Company owned of record approximately 100% of the outstanding shares of the Fund. No person is reflected on the books and records of the Fund as owning beneficially 5% or more of the outstanding shares of any class of the Fund as of October 10, 2008.

As of October 10, 2008, the officers and Trustees of the Fund as a group beneficially owned in the aggregate less than 1.00% of the common shares of the Fund and less than 1.00% of the outstanding securities of Wachovia Corporation ("Wachovia"), parent of Evergreen Investment Management Company, LLC ("EIMC"), the Fund's investment advisor, and Tattersall Advisory Group, Inc. ("TAG"), the Fund's sub-advisor. Additionally, as of October 10, 2008, the officers and Trustees of the Fund as a group beneficially owned in the aggregate less than 1.00% of Crow Point Partners, LLC ("Crow Point"), the other sub-advisor to the Fund.

I. ELECTION OF TRUSTEES (Proposal 1)

The Board of Trustees has nominated four persons for election to the Fund's Board of Trustees. Each of these nominees currently serves on the Fund's Board of Trustees. In accordance with the Fund's Declaration, the Trustees have been divided into three classes (each a "Class"): Class I, Class II and Class III. The Trustees in each Class serve until the annual meeting in the year indicated: Class I, 2010, Class II, 2008 and Class III, 2009 or, if later, until their respective successors are elected and qualified. At each subsequent annual meeting, the persons elected to the Class of Trustees whose terms are expiring will generally be nominated for a three-year term. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Trustees. If any nominee for any reason becomes unable to serve or is unwilling to serve, the persons named as proxies in the enclosed proxy card will vote for the election of such other person or persons as they may consider qualified. The Board of Trustees has no reason to believe that any of the four nominees will be unable or unwilling to serve.

The Board of Trustees of the Fund proposes the following nominees for election at the 2008 Meeting:

Trustee	Class	Expiration of Term if Elected
Charles A. Austin III	Class II	2011 Annual Meeting ¹

Carol A. Kosel	Class II	2011 Annual Meeting ^{1,2}
Gerald M. McDonnell	Class II	2011 Annual Meeting ¹
Richard J. Shima	Class II	2011 Annual Meeting ¹

1 Or, if later, until their respective successors are elected and qualified.

2 Or, if shorter, until she ceases to serve as a trustee of the open-end Evergreen funds.

You cannot vote by proxy for anyone other than the four nominees currently proposed to serve on the Board of Trustees.

Board Meetings and Committees

The Fund is supervised by a Board of Trustees. The Trustees meet periodically throughout the year to oversee the Fund's activities, reviewing, among other things, the Fund's performance and its contractual arrangements with various service providers. During the fiscal year ended August 31, 2008, the Board of Trustees held 6 regular meetings and 4 special meetings. Each Trustee attended at least 75% of the aggregate of the total number of meetings of the Board and Committees on which he or she served.

The Fund has an Executive Committee which consists of K. Dun Gifford, Dr. Russell A. Salton, III and the Chairman of the Board, Michael S. Scofield, each of whom is not an "interested person" of the Fund as defined in the 1940 Act (an "Independent Trustee"). The Executive Committee recommends Trustees to fill vacancies, prepares the agenda for Board Meetings, acts on routine matters between scheduled Board meetings and reviews and resolves conflicts of

interest between the Fund and the Fund's investment advisor or its affiliates. The Executive Committee also oversees and assists Trustee oversight of: litigation commenced by or against the Evergreen funds; litigation commenced by or against any service provider to the Evergreen funds that relates to the Evergreen funds or that may have a material effect on the service provider's ability to perform its services to the Evergreen funds; non-routine regulatory actions, examinations, inspections, or other activities in respect of any service provider to the Evergreen funds that relate to its services to the Evergreen funds or that may have a material effect on the service provider's ability to perform its services to the Evergreen funds. The Executive Committee met 36 times during fiscal year 2008.

The Nominating Committee is responsible for nominating candidates for election to the Board of Trustees by the full Board. The Committee may solicit suggestions for persons to fill vacancies on the Board of Trustees from such sources as it deems appropriate, including EIMC. The Committee will consider nominations for openings on the Board of Trustees from Shareholders who have separately or as a group held for at least one full year at least 5% of the outstanding shares of the Fund. For additional detail, please see the Fund's Policy for the Consideration of Trustee Nominees attached as Exhibit B.

The Qualified Legal Compliance Committee is responsible for establishing written procedures for the confidential receipt, retention and consideration of any report of evidence of a material violation of an applicable U.S. federal or state securities law, a material breach of a fiduciary duty arising under U.S. federal or state law, or a similar material violation of any U.S. federal or state law by a Fund or by any officer, Trustee, employee or agent of a Fund. The Committee is also responsible for determining whether an investigation is necessary regarding any report of evidence of a material violation. If it is determined that there has been a material violation, the Committee is responsible for informing the Fund's chief legal officer and chief executive officer and taking all other appropriate actions to respond to evidence of a material violation.

The Fund has a 15(c) Committee which consists of Charles A. Austin III, K. Dun Gifford, Dr. Leroy Keith, Jr., William W. Pettit, Dr. Russell A. Salton, III and the Chairman of the Committee, Michael S. Scofield, each of whom is an Independent Trustee. The 15(c) Committee is responsible for gathering relevant information to assist the full Board in fulfilling its obligations relating to the initial approval and renewal of advisory and distribution contracts pursuant to Section 15 of the 1940 Act. It may request information from and submit questions to the Fund's investment advisor and its affiliates in order for the full Board of Trustees to determine whether or not to enter into or renew Fund contracts. The 15(c) Committee met 5 times during fiscal year 2008.

The Fund has an Audit Committee which consists of Dr. Russell A. Salton, III, Patricia B. Norris and the Chairman of the Committee, Charles A. Austin III, each of whom is an Independent Trustee. The purpose of the Audit Committee is to review the Fund's accounting and financial reporting policies and practices, their internal controls and, as appropriate, the internal controls of certain service providers, review the quality and objectivity of the Fund's financial statements and the independent audits thereof, and to act as liaison between the Fund's independent auditors and the Board of Trustees. The Audit Committee also oversees and assists Trustee oversight of matters related to pricing and valuation of portfolio securities. Each member of the Audit Committee is "independent" as defined in the American Stock Exchange's listing standards. The Audit Committee met 18 times during fiscal year 2008.

The Fund has a Performance Committee which consists of K. Dun Gifford, Gerald McDonnell, Richard J. Shima, Richard K. Wagoner and the Chairman of the Committee, Dr. Leroy Keith, Jr. The Performance Committee reviews all activities involving investment-related issues and activities of EIMC and any sub-advisors to the Evergreen funds and assesses the performance of the Evergreen funds. With the exception of Mr. Wagoner, the members of the Performance Committee are Independent Trustees. The Performance Committee met 6 times during fiscal year 2008.

The Fund has a Distribution, 12b-1, and Service Committee (formerly the 12b-1 Committee) which consists of Carol A. Kosel, David M. Richardson and the Chairman of the Committee, William W. Pettit, each of whom is an Independent Trustee. The Distribution, 12b-1, and Service Committee oversees and assists Trustee oversight of: the means by which shares of the Evergreen funds are distributed; expenditures by the Evergreen funds' distributor of

amounts paid under the funds' Rule 12b-1 plans; the nature and quality of services provided by the Evergreen fund's transfer agents; and the overall level of servicing provided to shareholders of the Fund. The Distribution, 12b-1, and Service Committee met 4 times during fiscal year 2008.

Nominating Committee Process

The Executive Committee also functions as the Nominating Committee. The members of the Executive Committee are "independent" as defined in the American Stock Exchange's listing standards. The Executive Committee Charter details the Nominating Committee functions. A copy of the Evergreen funds' Executive Committee Charter is attached as Exhibit A.

The Board of Trustees has approved a policy pursuant to which the Board of Trustees may consider nominees for election as Trustees. The policy states the minimum nominee qualifications, the process for identifying and evaluating trustee nominees and the process for considering nominees recommended by shareholders. The Evergreen funds' Policy for the Consideration of Trustee Nominees is attached as Exhibit B.

Communications with Board Members

The Board of Trustees has approved a policy for communications with Board members. Any shareholder who wishes to send a communication to the Board of Trustees of an Evergreen fund should send the communications to the Evergreen Board of Trustees, P.O. Box 20083, Charlotte, North Carolina 28202. If a shareholder wishes to send a communication directly to an individual Trustee or to a Committee of the Fund's Board of Trustees, the communication should be specifically addressed to such individual Trustee or Committee and sent to the above address.

Trustee Attendance Policy at Annual Shareholder Meetings

The Evergreen funds that are listed on the American Stock Exchange are required to hold an Annual Meeting of Shareholders. On March 18, 2004, the Board of Trustees approved a policy for Trustee attendance at annual shareholder meetings that encourages Trustee attendance at each Annual Meeting of Shareholders in person or by video conference.

Mr. Charles A. Austin III attended the 2007 Annual Meeting of Shareholders.

II. AMENDMENT TO LENDING POLICY (Proposal 2)

The Fund may invest in loans, including, for example, corporate loans, loan participations, direct debt, bank debt, and bridge debt. Loans are subject to risks similar to those associated with below-investment grade bond investments, such as, for example, credit risk (e.g., the risk an issuer will default on its obligations), interest rate risk, below investment grade bond risk (e.g., heightened volatility and risk of default), and the risk that the loan may become illiquid and difficult to value. The Fund has the following policy regarding lending that may not be amended without a vote of the Fund's shareholders:

"The Fund may not make loans to other persons, except that the Fund may lend its portfolio securities in accordance with applicable law. The acquisition of investment securities or other investment instruments shall not be deemed to be the making of a loan."

It is proposed that shareholders approve the replacement of the foregoing fundamental restriction with the following amended fundamental restriction concerning lending:

"The Fund may not make loans to other persons, except that the Fund may lend its portfolio securities or cash in accordance with applicable law. The acquisition of investment securities or other investment instruments shall not be deemed to be the making of a loan."

Proposal 2 is intended principally to eliminate any uncertainty as to the Fund's ability to participate in lending transactions as a lender in the initial lending syndicate. In such a loan, the Fund, alone or with other lenders, may lend

money or agree to lend money directly to a borrower. These transactions differ from other cases where the Fund invests in corporate or other loans, where the Fund may acquire all or some of the interest in a loan from an entity which made the original loan. Management does not expect that the Fund's participation in such loans would affect materially the operation of the Fund; however, participation in loans at origination may present risks not present when the Fund purchases loans from other lenders. For example, as a member of the original lending syndicate, the Fund may receive material non-public information that could limit the Fund's ability to buy or sell the loans or other securities at a time when the portfolio manager believes it is advisable to do so.

The following is a summary discussion of the principal risks involved in investing in loans. Loans in which the Fund may invest are subject generally to the same risks as debt securities in which the Fund may invest, including, for example, credit risk and interest rate risk. Borrowers may include corporate, governmental, or other borrowers. Loans in which the Fund invests may be made to finance highly leveraged corporate acquisitions. The highly leveraged capital structure of the borrowers in such transactions may make such loans especially vulnerable to adverse changes in economic or market conditions. Loans generally are subject to restrictions on transfer, and only limited opportunities may exist to sell loans in secondary markets. As a result, the Fund may be unable to sell loans at a time when it may otherwise be desirable to do so or may be able to sell them only at a price that is less than their fair market value. Market bids may be unavailable for loans from time to time; the Fund may find it difficult to establish a fair value for loans held by it. If the Fund only acquires an assignment or a participation in a loan made by a third party, the Fund may not be able to control the exercise of any remedies that the lender would have under the loan. In addition, the Fund may have to rely on the assignor(s) or participating institution(s) to demand and receive payments in respect of the loans, and to pay those amounts on to the Fund; the Fund will be subject to the risk that the assignor(s) may be unwilling or unable to do so. In such a case, the Fund would not likely have any rights over or against the borrower directly. Many loans in which the Fund invests may be unrated, and the Fund's investment advisers will be required to rely exclusively on their analysis of the borrower in determining whether to acquire, or to continue to hold, a loan. Certain of the loans acquired by the Fund may involve revolving credit facilities under which a borrower may from time to time borrow and repay amounts up to the maximum amount of the facility. In such cases, the Fund would have an obligation to advance its portion of such additional borrowings upon the terms specified in the loan participation. The Fund may be required to fund such advances at times and in circumstances where the Fund might not otherwise choose to make a loan to the borrower. The value of collateral, if any, securing a loan can decline, or may be insufficient to meet the borrower's obligations or difficult to liquidate. In addition, the Fund's access to collateral may be limited by bankruptcy or other insolvency laws. If a secured loan is foreclosed, the Fund could become part owner of any collateral, and would bear the costs and liabilities associated with owning and disposing of the collateral. In addition, under legal theories of lender liability, the Fund potentially might be held liable as a co-lender.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), requires the Fund's Trustees, principal executive officers and certain other persons to file reports regarding ownership of, and transactions in, the Fund's securities with the Securities and Exchange Commission (the "SEC"). Copies of the required filings must also be furnished to the Fund. For the prior fiscal year, the Fund believes that all reports required to be filed by the Fund's officers and Trustees were filed on a timely basis.

Forms 3, 4, and 5 for the officers and Trustees of the Fund may be accessed through Evergreen Investments' Web site at www.EvergreenInvestments.com.

Independent Registered Public Accounting Firm. KPMG LLP ("KPMG"), 99 High Street, Boston, Massachusetts 02110, has been approved by the Trustees of the Fund as the independent registered public accounting firm of the Fund for the current fiscal year ending August 31, 2009.

The Audit Committee of the Board of Trustees unanimously recommended the selection of KPMG, and the Board of Trustees unanimously approved such selection, at a meeting held on September 17-18, 2008.

The Fund's Audit Committee has established and adopted policies and procedures for pre-approving audit services, audit-related services, tax services and all other services provided by the Fund's independent registered public accounting firm as well as the fee levels or budgeted amounts for those services. The Fund's policies and procedures include reporting and request or application requirements that are intended to keep the Audit Committee informed of all the services provided by the Fund's independent registered public accounting firm. In addition, the Fund's Chief Compliance Officer is required to monitor the performance of the services provided by the Fund's independent registered public accounting firm in order to determine whether those services are in compliance with the Fund's pre-approval policies and procedures and to report the results of this monitoring to the Audit Committee on a periodic basis. The Fund's pre-approval policies and procedures do not delegate any of the Audit Committee's responsibilities under the Exchange Act for pre-approving services performed by the Fund's independent registered public accounting firm to the Fund's management.

A representative of KPMG, if requested by any Shareholder, will be present via telephone at the Meeting to respond to appropriate questions from Shareholders and will have an opportunity to make a statement if he or she chooses to do so. It is not expected that such representative will be present in person at the Meeting.

In approving the selection of KPMG for the Fund, the Audit Committee considered, in addition to other practices and requirements relating to the selection of the Fund's independent registered public accounting firm, whether any services performed by KPMG for the Fund and the investment advisor and for certain related parties for which KPMG received non-audit fees are compatible with maintaining the independence of KPMG as the Fund's independent registered public accounting firm.

On September 17, 2008, the Audit Committee reviewed and discussed with management the Fund's audited financial statements for the fiscal year ended August 31, 2008. The Audit Committee has reviewed and discussed with KPMG the matters required to be discussed by Statements on Auditing Standards, No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from KPMG required by Independence Standards Board Standard No. 1, and has discussed with KPMG its independence. Based on these reviews and discussions, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the annual report to Shareholders for the previous fiscal year for filing with the SEC.

The following table presents fees billed for professional audit services rendered by KPMG for the audit of the Fund's annual financial statements for the fiscal years ended August 31, 2007 and 2008, respectively, and for fees billed for

other services rendered by KPMG to the Fund. There were no fees paid to KPMG during the fiscal years where the de minimis exception was used.

	2008	2007
Audit fees	\$47,708	\$54,108
Audit-related fees	\$0	\$0
Tax fees ¹	\$727	\$0
Non-audit fees ²	\$912,374	\$1,108,367
All other fees	\$0	\$0

1 Tax fees consists of fees for tax consultation, tax compliance and tax review.

2 Non-audit fees consists of the aggregate fees for non-audit services rendered to the Fund, EIMC (not including any sub-advisor whose role is primarily portfolio management and is subcontracted with or overseen by another investment advisor) and EIS.

The Board of Trustees has adopted a written charter for the Audit Committee which is attached to this proxy statement as Exhibit C (the "Charter"). The Audit Committee reviews the Charter at least annually and may recommend changes to the Board.

Other Business

As of the date of this Proxy Statement, neither the Fund's officers nor EIMC are aware of any other business to come before the Meeting other than as set forth in the Notice of Annual Meeting of Shareholders. If any other business is properly brought before the Meeting, or any adjournment thereof, the persons named as proxies in the enclosed proxy card will vote in accordance with the views of management of the Fund.

Required Vote for Proposal 1

Required Vote for Proposal 2

Approval of the amendment to the fundamental investment restriction concerning lending requires the affirmative vote of a majority of the outstanding voting securities of the Fund as defined in the 1940 Act. The 1940 Act defines the vote of a majority of the outstanding voting securities of the Fund to mean the affirmative vote of the lesser of (a) 67% or more of the Shares of the Fund present at the meeting, if more than 50% of the outstanding shares of the Fund are present in person or by proxy at the Meeting, or (b) more than 50% of the outstanding Shares of the Fund.

Notice

A certificate of Trust in respect of the Fund is on file with the Secretary of the State of Delaware. As provided in the Fund's Declaration, the obligations of any instrument made or issued by any Trustee or Trustees or by any officer or officers of the Fund are not binding upon any of them or the shareholders individually but are binding only upon the assets and property of the Fund.

The persons named as proxies for the 2008 annual meeting of Shareholders of the Fund will have discretionary authority to vote on any matters presented at the meeting of which the Fund did not have notice on or before September 15, 2009.

Mere submission of a proposal does not guarantee inclusion of the proposal in the proxy statement or presentation of the proposal at the 2009 annual meeting since such inclusion and presentation are subject to various conditions and requirements, including those required by applicable law.

THE BOARD OF TRUSTEES OF THE FUND UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH NOMINEE AS A TRUSTEE AND IN FAVOR OF THE AMENDMENT TO THE FUND'S FUNDAMENTAL INVESTMENT RESTRICTION CONCERNING LENDING.
