Section 5 - Corporate Governance and Management

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(e) On April 24, 2013, the Board of Directors of Diamond Hill Investment Group, Inc. (the "Company") approved the Diamond Hill Fixed Term Deferred Compensation Plan (the "Fixed Term Plan") and the Diamond Hill Variable Term Deferred Compensation Plan (the "Variable Term Plan", and along with the Fixed Term Plan, each a "Plan" and collectively, the "Plans"). R. H. Dillon, the Company's President and Chief Executive Officer, is eligible to participate in the Variable Term Plan, along with each person employed by the Company or any of its affiliates as a portfolio manager or research analyst who is a member of a select group of management or highly compensated employees. James F. Laird, the Company's Secretary, Treasurer and Chief Financial Officer, is eligible to participate in the Fixed Term Plan, along with each person employed by the Company or any of its affiliates who is not a portfolio manager or research analyst. Brief descriptions of the terms and conditions of the Plans are provided below. The summaries and descriptions of the Plans are qualified in their entirety by reference to the Fixed Term Plan and Variable Term Plan, copies of which are attached hereto as Exhibits 10.1 and 10.2, respectively.

Deferrals of Incentive Compensation. Pursuant to the Plans, participants may elect to defer certain Incentive Compensation, defined as the gross amount that is earned by a participant under any bonus plan maintained by the Company or any of its affiliates, excluding base salary. Participants may elect to defer up to 50% of the stock portion of their annual bonus and up to 100% of the cash portion of their annual bonus for a Plan Year (the calendar year). After the applicable deadline, a deferral election is irrevocable for that Plan year unless otherwise permitted under that Plan. Generally, the participant must submit a deferral election by December 31 of the year before the services are to be performed.

Earnings. The deferred Incentive Compensation, if any, is credited to an account for that Plan Year. The participant is 100% vested in the account, although the account is subject to the terms and conditions of the Company's Compensation Recoupment and Restitution Policy. The account will be credited with earnings and losses based on the performance of the investment selections in the participant's account.

Plan Funding. The Plans are unfunded, unsecured promises by the Company to pay the account balances under the Plans at a later date. Participants have only the rights of general unsecured creditors of the Company and do not have any interest in or right to any specific asset of the Company.

Plan Amendment and Termination. The Company may amend, modify, suspend or terminate the Plans at any time without any participant's consent unless it would retroactively reduce a participant's account balance.

Distributions Generally.

Fixed Term Plan

Under the Fixed Term Plan, the account for each Plan Year will be distributed in a single lump sum payment within 90 days following the fifth anniversary of the date the Incentive Compensation was deferred except in the event of death, Disability or a Change in Control. For example, if the participant elects to defer payment of a portion of the annual bonus paid for services performed in 2014, the participant will not receive payment until 2020 regardless of whether the participant's employment terminates prior to

Edgar Filing: DIAMOND HILL INVESTMENT GROUP INC - Form 8-K

such date.

Variable Term Plan

Under the Variable Term Plan, the participant must elect when they wish to receive distribution of the portion of their account attributable to that Plan Year when the participant submits the Deferral Election Form to defer payment. The participant may elect to receive the account:

- In a single lump sum payment within 90 days following either:
 - (1) the termination of employment, or
 - (2) the earlier of
 - (A) the termination of employment, or
 - (B) on a specified date which is at least five years after the annual bonus was deferred; or

- In substantially equal annual installments for up to five years beginning on the January 1 following either:
 - (1) the termination of employment, or
 - (2) the earlier of
 - (A) the termination of employment, or
 - (B) on a specified date which is at least five years after the annual bonus was deferred.

In no event will a distribution occur before the fifth anniversary of the date the Incentive Compensation is deferred except for death, Disability or Change in Control. For example, if the participant elects to defer payment of a portion of the annual bonus for services performed in 2014 until the termination of employment and the participant terminates employment in 2018, the participant will not receive payment until 2020. If the participant is a "specified employee" of the Company within the meaning of the Internal Revenue Code, any distribution payable upon the termination of employment will not be, or begin to be, distributed until six months after the date of the termination of employment.

Under the Variable Term Plan, the participant may change the time or form of distribution by making an election to do so not less than 12 months before the date payment is scheduled to be made or begin. The election will not be effective for 12 months, and the distribution must be deferred at least five years from the date the amount would otherwise have been paid. For example, if a participant elects to have a portion of the 2013 annual bonus paid in 2020, the new election must be made at least 12 months prior to January 1, 2020 and the participant must elect to receive payment in 2025 or later.

Distributions Upon Death, Disability or Change in Control. In the event of death or Disability (as defined in the Plans), the participant's account will be distributed to the participant or the participant's beneficiary, as applicable, in a lump sum within 90 days after the event. In the event that the Company undergoes a Change in Control (as defined in the Plans), the account will be distributed in a lump sum within 30 days after the Change in Control.
