## UNDERTAKINGS

The Registrant undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the Commission staff, and to furnish promptly, when requested to do so by the Commission staff, information relating to: the securities registered pursuant to Form 40-F; the securities in relation to which the obligation to file an annual report on Form 40-F arises; or to transactions in said securities.

## CONTROLS AND PROCEDURES

The Registrant carried out an evaluation, under the supervision and with the participation of the Registrant's management, including the Registrant's Chief Executive Officer and Chief Financial Officer, of the effectiveness of the Registrant's disclosure controls and procedures, as defined in Rules 13a-15(e) and 15d-15(e) of the Securities and Exchange Act of 1934 (the Exchange Act). Based on that evaluation, the Chief Executive Officer and Chief Financial Officer have concluded that the Registrant's disclosure controls and procedures as of December 31, 2004 were effective to ensure that information required to be disclosed by the Registrant in reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in Securities and Exchange Commission's rules and forms.

No changes were made in the Registrant's internal control over financial reporting during the period covered by this report that have materially affected, or are reasonably likely to materially affect, the Registrant's internal control over financial reporting.

The Registrant's management, including the Chief Executive Officer and Chief Financial Officer, does not expect that the Registrant's disclosure controls and procedures or internal control over financial reporting will prevent all error and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Further, the design of a control system must reflect the fact that there are resource constraints, and the benefits of controls must be considered relative to their costs. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the Registrant have been detected. These inherent limitations include the realities that judgments in decision-making can be faulty, and that breakdowns can occur because of simple error or mistake. Additionally, controls can be circumvented by the individual acts of some persons, by collusion of two or more people, or by management override of the control. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions; over time, control may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate. Because of the inherent limitations in a cost-effective control system, misstatements due to error or fraud may occur and not be detected.

## AUDIT COMMITTEE FINANCIAL EXPERT

Mr. Douglas Holtby serves as a member of the audit committee of the Registrant's Board of Directors. The Board of Directors has reviewed the definition of "audit committee financial expert" under item 8(a) of General Instruction B to Form 40-F and determined that Mr. Holtby satisfies the criteria for a audit committee financial expert under the Exchange Act. The Commission has indicated that the designation of Mr. Holtby as an audit committee financial expert does not make Mr. Holtby an "expert" for any purpose, impose any duties,

obligations or liability on Mr. Holtby that are greater than those imposed on members of the audit committee and board of directors who do not carry this designation or affect the duties, obligations or liability of any other member of the audit committee.

### CODE OF ETHICS

The Registrant has adopted a code of ethics that applies to the Registrant's principal executive officer, principal financial officer and principal accounting officer or controller, or persons performing similar functions. A copy of Registrant's code of ethics is posted on the Registrant's web-site at [www.goldcorp.com](http://www.goldcorp.com).

### PRINCIPAL ACCOUNTANT FEES AND SERVICES

Fees payable to the Registrant's independent auditor, KPMG LLP, for the years ended December 31, 2004, and December 31, 2003, totaled \$704,000 and \$543,000, respectively, as detailed in the following table:

	Year ended December 31, 2004	Year ended December 31, 2003

<b>TOTAL</b>	\$ 704,000	\$ 543,000

#### *Audit Fees*

These audit fees were for professional services rendered for the audits of the Registrant's consolidated financial statements, review of interim financial statements included in the Registrant's quarterly reports and services that generally only the independent auditor can reasonably provide, such as comfort letters, statutory audits, consents, and assistance and review of documents filed with the Securities and Exchange Commission and Canadian securities regulatory authorities.

#### *Audit-Related Fees*

These audit-related fees were for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under the audit fees category above. ---

***All Other Fees***

Fees disclosed in the table above under the item all other fees were for services other than the audit fees, audit-related fees and tax fees described above. These services included providing due diligence services relating to the Wheaton River acquisition.

***Pre-Approval Policies and Procedures***

The Registrant's audit committee is responsible for overseeing the work of the independent auditors and has considered whether the provision of services other than audit services is compatible with maintaining the auditors independence. The audit committee charter requires the pre-approval by the committee of all audit and permissible non-audit services provided by the independent auditors and no work is done without such pre-approval. The Registrant's senior management periodically provides the audit committee with a summary of services provided by the independent auditors.
