CONTROLS AND PROCEDURES

Management's responsibility for financial information contained in the Annual Report is described on page 104 of Exhibit 3, 2008 Consolidated Financial Statements. In addition, the Bank's Audit and Conduct Review Committee of the Board of Directors has reviewed, and the Board of Directors has reviewed and approved, the 2008 Consolidated Financial Statements and Management's Discussion and Analysis prior to release. Scotiabank is committed to providing timely, accurate and balanced disclosure of all material information and to providing fair and equal access to such information. The Bank's disclosure policies and practices are published on its website.

Disclosure controls and procedures

Our disclosure controls and procedures are designed to provide reasonable assurance that information is accumulated and communicated to the Bank's management, including the Chief Executive Officer (CEO) and Chief Financial Officer (CFO), as appropriate, to allow timely decisions regarding required disclosure.

As of October 31, 2008, the Bank's management, with the participation of the CEO and CFO, evaluated the effectiveness of its disclosure controls and procedures, as defined under the rules adopted by the U.S. Securities and Exchange Commission (SEC) and the Canadian securities regulatory authorities, and has concluded that the Bank's disclosure controls and procedures are effective.

Internal controls over financial reporting

Management of the Bank is responsible for establishing and maintaining adequate internal controls over financial reporting. These controls include policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Bank; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with GAAP, and that receipts and expenditures are being made only in accordance with authorizations of management and directors of the Bank; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Bank's assets that could have a material effect on the financial statements.

All control systems contain inherent limitations, no matter how well designed. As a result, the Bank's management acknowledges that its internal controls over financial reporting will not prevent or detect all misstatements due to error or fraud. In addition, management's evaluation of controls can provide only reasonable, not absolute, assurance that all control issues that may result in material misstatements, if any, have been detected.

Management assessed the effectiveness of internal controls over financial reporting, using the Committee of Sponsoring Organizations of the Treadway Commission (COSO) framework, and based on that assessment concluded that internal control over financial reporting was effective, as of October 31, 2008.

Changes in internal control over financial reporting

There have been no changes in the Bank's internal control over financial reporting that have materially affected, or are reasonably likely to materially affect, the Bank's internal control over financial reporting during the year ended October 31, 2008.

INTERNAL CONTROL OVER FINANCIAL REPORTING

Management's Report on Internal Control over Financial Reporting and the Report of Independent Registered Public Accounting Firm are provided in Exhibit 4.

AUDIT COMMITTEE FINANCIAL EXPERT

All of the members of the Bank's Audit and Conduct Review Committee of the Board of Directors (audit committee) are financially literate and independent, and one or more members of the audit committee meet the definition of a financial expert. The Bank's board of directors has determined that Mr. Ronald A. Brenneman is an audit committee financial expert and is independent, as that term is defined by the New York Stock Exchange's corporate governance standards applicable to the Bank.

The Securities and Exchange Commission has indicated that the designation of a person as an audit committee financial expert does not impose on such person any duties, obligations or liability that are greater than the duties, obligations and liability imposed on such person as a member of the audit committee and board of directors in the absence of such designation.

CODE OF ETHICS

The Bank has adopted a code of ethics, entitled Scotiabank Guidelines for Business Conduct (the Guidelines). These Guidelines have been in place for many years and apply to all directors, officers and employees of the Bank. Effective August 1, 2008, the Guidelines were updated to reflect current industry best practices. A copy of the revised Guidelines was filed as an exhibit to Form 6-K filed with the U.S. Securities and Exchange Commission (EDGAR Company Filings) on August 1, 2008. The Guidelines are available on the Bank's website at www.scotiabank.com, in the Corporate Governance section, and are available in print to any person, without charge, upon written request to the Secretary of the Bank at the Toronto executive office address shown above. A supplement to the Guidelines, entitled Financial Reporting Whistleblower Policy, is also posted on the Bank's website. Amendments to the Guidelines and waivers, if any, for directors and executive officers will be disclosed on the Bank's website. There were no such waivers granted in fiscal 2008.

PRINCIPAL ACCOUNTANT FEES AND SERVICES

The disclosure provided in Table 59 Fees paid to the shareholders' auditors on page 92 of Exhibit 2, Management's Discussion and Analysis, is incorporated by reference herein. The nature of these services is described below:

Audit services generally relate to the statutory audits and review of financial statements, as well as services associated with registration statements, prospectuses, periodic reports and other documents filed with securities regulatory bodies or other documents issued in connection with securities offerings.

Audit-related services include attest services required by regulatory bodies not directly linked to the financial statements, audits of employee benefit plans, other associated entities and mutual funds, and special attest services not required by statute or regulation, but requested by a party to a specific transaction. In 2008 these services included specified procedures with respect to a potential international acquisition, training on accounting and financial reporting, review of controls and procedures related to regulatory reporting of a subsidiary as requested by the local regulator, and consultation on the potential impact of new accounting standards.

Tax services outside of the audit scope represent primarily specified procedures to assist in the preparation of personal tax returns of individuals not in financial reporting or accounting roles, specified review procedures required by local tax authorities, attestation on tax returns of certain subsidiaries as required by local tax authorities, and review to determine compliance with an agreement with the tax authorities.

Other non-audit services are primarily providing industry salary surveys.

None of the above services were approved pursuant to an exemption under paragraph (c)(7)(i)(C) of Rule 2-01 of Regulation S-X from the requirement that the audit committee pre-approve the services. The majority of the hours expended on the audits of the 2008 and 2007 consolidated financial statements were attributable to work performed by the full-time permanent employees of the Bank's independent auditors, KPMG LLP. The Audit and Conduct Review Committee's pre-approval policies and procedures, as revised effective March 5, 2007, were attached as Exhibit 7 to the Form 40-F filed on December 19, 2007 for the fiscal year ended October 31, 2007 and were subsequently approved without changes upon annual review January 21, 2008.
