NEWS RELEASE

**TEEKAY REPORTS ADDITIONAL
CANCELLATION OF INDEBTEDNESS**

Nassau, The Bahamas, December 9, 2003 Teekay Shipping Corporation announced today that it has cancelled \$57.9 million of its 8.32 percent First Preferred Ship Mortgage Notes (the Notes) which the Company recently repurchased. This is in addition to the \$57.8 million of Notes the Company cancelled on November 6, 2003. Effectively this satisfies all of the 2007 and \$25.7 million of the 2006 sinking fund payments related to the Notes. Following this cancellation, approximately \$109.3 million of the Notes remain outstanding.

The Company may repurchase additional Notes from time to time in accordance with applicable laws, regulations and stock exchange requirements. On February 2, 2004, the Company will use cash to satisfy a \$45 million sinking fund payment applicable to the Notes. This payment will retire Notes at their face value.

About Teekay

Teekay is the leading provider of international crude oil and petroleum product transportation services, transporting more than 10 percent of the world's sea-borne oil. With offices in 12 countries, Teekay employs more than 4,200 seagoing and shore-based staff around the world. The Company has earned a reputation for safety and excellence in providing transportation services to major oil companies, oil traders and government agencies worldwide.

Teekay's common stock is listed on the New York Stock Exchange where it trades under the symbol TK .

Forward Looking Statements

This release contains forward-looking statements (as defined in Section 21E of the Securities Exchange Act of 1934, as amended) which reflect management's current views with respect to certain future events, including statements regarding any additional repurchases by Teekay of its 8.32% Notes. Actual results may differ materially from those expressed or implied by such forward-looking statements. The following factors are among those that could cause actual results to differ materially from the forward-looking statements, which involve risks and uncertainties, and that should be considered in evaluating any such statement: changes in production of or demand for oil and petroleum products, either generally or in particular regions; greater or less than anticipated levels of tanker newbuilding orders or greater or less than anticipated rates of tanker scrapping; changes in trading patterns significantly impacting overall tanker tonnage requirements; other factors that may affect the Company's financial condition and cash flows and, thus, the Company's ability to repurchase additional Notes; and other factors discussed in Teekay's Report on Form 20-F for the fiscal year ended December 31, 2002, filed with the U.S. Securities and Exchange Commission. The Company expressly disclaims any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in the Company's expectations with respect thereto or any change in events, conditions or circumstances on which any such statement is based.
