PROXY STATEMENT

The Board of Directors of Power-One, Inc. seeks your Proxy for use at our Annual Meeting of Stockholders. We will hold the meeting according to our Notice of Annual Meeting, unless we adjourn to a later date and/or time.

This proxy statement and the accompanying Notice of Annual Meeting discuss the purposes of the Annual Meeting. We have sent these proxy solicitation materials on or about April 4, 2001 to all stockholders entitled to vote at the Annual Meeting.

* VOTING AND SOLICITATION

Each share of common stock has one vote on all matters submitted to our stockholders at the Annual Meeting. Stockholders of record as of the close of business on March 15, 2001 will receive notice of and may vote at the Annual Meeting. Eligible stockholders may vote using one of the following methods:

- Online via the Internet, if available.
- By telephone, if available.
- By marking, signing, and returning the Proxy card.

There were 78,567,095 shares of our common stock issued and outstanding as of March 15, 2001. The closing sale price on that date was \$18.00 per share. Our common stock is traded on the Nasdaq National Market-Registered Trademark- under the symbol "PWER."

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of our common stock will constitute a quorum for the meeting. Assuming such a quorum is present, the affirmative votes of a majority of votes cast is necessary to approve the proposals presented to our stockholders at the Annual Meeting.

The inspector of elections that we appoint will count all votes cast in person or by proxy at the Annual Meeting. We will treat abstentions as shares that are present and entitled to vote to determine the presence of a quorum, but not as votes cast to determine the approval of any matter submitted to a vote of the stockholders.

If you hold your shares in "street name" through a broker or other nominee, and you do not give your broker or nominee specific instructions on how to vote your shares, your broker or nominee will be permitted to exercise voting discretion with respect to the matters proposed to be acted upon.

5

PROPOSAL 1 ELECTION OF DIRECTORS

Management is responsible for the company's financial reporting process, including its system of internal control, and for the preparation of consolidated financial statements in accordance with generally accepted accounting principles. The independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and review these processes. However, we are not professionally engaged in the practice of accounting or auditing and are not experts in the fields of accounting or auditing, or in the determination of auditor independence. We rely, without independent verification, on the information provided to us and on the representations made by management and the independent auditors.

In this context, we held three meetings during fiscal year 2000. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management and the independent auditors, Deloitte & Touche LLP. We discussed with the independent auditors the overall scope and plans for their audit. We met with the independent auditors, with and without management present, to discuss the results of their examinations and their evaluations of the company's system of internal control. Additionally, we have discussed with management the formation of an internal audit capability, either within the company or outsourced to others, to supplement the external independent auditors.

We have reviewed and discussed the audited consolidated financial statements for the fiscal year ended December 31, 2000 with management and Deloitte & Touche.

Edgar Filing: POWER ONE INC - Form DEFR14A

We also discussed with the independent auditors matters required to be discussed with audit committees under generally accepted auditing standards, including, among other things, matters related to the conduct of the audit of the consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).

The independent auditors also provided to us the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and we discussed with the independent auditors their independence from Power-One. When considering Deloitte & Touche's independence, we considered whether their provision of services to the company beyond those rendered in connection with their audit and review of the consolidated financial statements was compatible with maintaining their independence. We also reviewed, among other things, the amount of fees paid to Deloitte & Touche for audit and non-audit services.

During 2000, the company retained Deloitte & Touche to provide services in the following categories and approximate amounts:

| | | |
|---|---|-------------|
| - | Audit Fees: | \$ 641,000 |
| - | Financial Information Systems Design and Implementation Fees: | \$ 0 |
| - | All Other Fees (consists primarily of income tax consulting, planning and return preparation, merger and acquisition support, and other operational consulting projects): | \$1,540,000 |

Based on our review and these meetings, discussions and reports, and subject to the limitations on our role and responsibilities referred to above and in the Audit Committee Charter, we recommended to the Board of Directors that Power-One's audited consolidated financial statements for the fiscal year ended December 31, 2000 be included in the Annual

6

PROPOSAL 1 ELECTION OF DIRECTORS

Report on Form 10-K. We have also recommended the selection of Power-One's independent auditors, and, based on our recommendation, the Board has selected Deloitte & Touche as the independent auditors

for the fiscal year ending December 30, 2001, subject to stockholder ratification.

Jay Walters, Chairman
Dr. Hanspeter Brandli

RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE ELECTION OF THE CLASS I DIRECTORS LISTED ABOVE. WE WILL VOTE PROXIES RECEIVED BY US IN FAVOR OF THE NOMINEES UNLESS A CONTRARY CHOICE IS INDICATED.

7

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF AUDITORS

The Board of Directors, following the recommendation of the Audit Committee, has appointed Deloitte & Touche LLP, independent auditors, to audit our consolidated financial statements for the 2001 fiscal year. Services provided to us and our subsidiaries by Deloitte & Touche LLP in 2000 included the examination of our financial statements for the fiscal year ended December 31, 2000, limited reviews of quarterly reports, services related to filings with the Securities and Exchange Commission, consultations on various tax matters, services provided in connection with our acquisitions of HC Power, Inc. and Powec AS and general accounting consultation. This appointment is being presented to the stockholders for ratification at the meeting. If the appointment is not ratified, the Board of Directors will reconsider its selection.

Deloitte & Touche LLP has audited our consolidated financial statements since 1993.

Representatives of Deloitte & Touche LLP are expected to be present at the meeting. They will have the opportunity to address the audience at the meeting, and will be available to answer appropriate questions from stockholders.

RECOMMENDATION

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF DELOITTE & TOUCHE LLP AS POWER-ONE'S INDEPENDENT AUDITORS FOR 2001. WE WILL VOTE PROXIES RECEIVED BY US IN FAVOR OF THE RATIFICATION OF DELOITTE & TOUCHE LLP UNLESS A CONTRARY CHOICE IS INDICATED.

EMPLOYMENT CONTRACTS, TERMINATION OF EMPLOYMENT, CHANGE-IN-CONTROL ARRANGEMENTS AND CERTAIN TRANSACTIONS

William T. Yeates serves as our President and Chief Operating Officer under the terms set forth in a letter from Mr. Goldman. Pursuant to the letter, in addition to his salary and our standard employee benefits package, Mr. Yeates is eligible for a bonus based on the achievement of specific performance goals.

Pursuant to the letter to Mr. Yeates, he was also granted non-qualified stock options to purchase an aggregate of 675,000 shares of our common stock. Of these, 450,000 options become exercisable over four years at the rate of 25% per year; the remaining 225,000 vest and become exercisable on December 31, 2001.

In addition, we made certain loans to Mr. Yeates. A loan in the amount of \$100,000, and additional loans to cover certain relocation expenses, do not accrue interest and will be forgiven on the third anniversary of Mr. Yeates' hire if he is still employed by us, or upon his death, permanent disability or termination for other than cause. A separate loan in the amount of \$660,000 bears interest at the rate of 5.5% per annum and is due and payable on January 13, 2004.

Finally, if we experience a change in control, as defined in the letter to

include certain mergers and other triggering events, Mr. Yeates will receive a one-time payment equal to twice his most recent salary and annual bonus and up to 337,500 of his stock options will vest and become immediately exercisable.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our officers and directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC and NASDAQ. These persons are required by regulation of the SEC to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of the copies of such forms that we received, or written representations from certain reporting persons, we believe that during 2000 our officers, directors and greater than 10% beneficial owners complied with all applicable Section 16(a) filing requirements.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION(*)

The Compensation Committee consists of Mr. Jacoby, Dr. Brandli and Mr. Walters, each of whom is an independent, non-employee director. The Compensation Committee determines the cash portion of the Chief Executive Officer's salary, sets the range within which the other executive officers' salaries should vary and determines equity awards for all executive officers.

* This section of the proxy statement shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any of our filings pursuant to the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent we specifically incorporate this section by reference therein, and shall not be deemed soliciting material or otherwise deemed filed under either such Acts.

EXECUTIVE OFFICER COMPENSATION

Our executive compensation program is designed to attract, retain and motivate the senior executive talent required to ensure the company's success. The program also aims to support the creation of stockholder value and ensure that pay is consistent with performance. When establishing salaries, bonuses and stock or equity awards for executive officers, the Compensation Committee considers the individual's role, leadership responsibilities and performance during the last year and the amount of compensation paid to executive officers in similar positions at companies that compete with us for executives.

The Compensation Committee's belief has been that the company's performance generally is reflected in its stock price. Therefore, the company has paid base salaries and cash bonuses that have been in the lower half for executive officers at similar companies, but has supplemented cash compensation with equity awards that are tied to the performance of the company's stock. This emphasis on the value of the company's stock price has generally provided our executive officers with competitive overall pay packages.

Prior to determining compensation formulas for 2001, the Compensation Committee expects to retain the services of a compensation consulting firm to

Edgar Filing: POWER ONE INC - Form DEFR14A

assist it in reviewing the compensation levels of Power One's executive officers, as well as the specific compensation plans offered by the company. This will help ensure that the interests of both the company and its stockholders are met.

The Compensation Committee may consider other forms of compensation, both short- and long-term, in addition to those described below, designed to link compensation with achieving financial targets.

BASE SALARY. The Compensation Committee set Mr. Goldman's salary for 2000. The increase in Mr. Goldman's salary was due to our success in meeting financial targets in 1999. In addition to meeting or exceeding our operational targets and projected earnings per share, we also completed the acquisition of International Power Devices, Inc. and a successful offering of our common stock. The Compensation Committee also authorized Mr. Goldman to increase our other executive officers' salaries by 4% to 10% in his discretion based on the factors previously discussed.

MANAGEMENT BONUS PLAN. Under our Management Bonus Plan, our executive officers can earn bonuses based on the company's attaining specified EBITDA objectives during a particular fiscal year. Under this plan, which covers certain key employees, our executive officers can earn bonuses in amounts up to predetermined percentages of their base salaries. Mr. Goldman and Mr. Yeates are eligible to receive bonuses of up to 100% of their salaries. The remainder of our executive officers can earn bonuses of up to 80% of their salaries. Bonuses are based on actual EBITDA realized by the company during any fiscal year as a percentage of planned EBITDA. Our executive officers were awarded bonuses under the Management Bonus Plan for 2000, as indicated on the Summary Compensation Table on page 9.

DISCRETIONARY BONUS PLAN. Under the Discretionary Bonus Plan, our executive officers can receive, at the sole discretion of the Compensation Committee, a bonus of up to 50% of the executive's base salary. This bonus is based upon the Compensation Committee's determination of an individual's contribution to the company in conjunction with the company's (i) significantly exceeding projected earnings per share, (ii) having accelerated sales growth, (iii) executing acquisitions in an efficient manner, or (iv) achieving such other goals as the Board of Directors or the Compensation Committee may determine. The Compensation Committee did not award our executive officers any bonuses under the Discretionary Bonus Plan for 2000.

EQUITY BASED COMPENSATION. The Compensation Committee will provide long-term incentives linked to an increase in stock value by awarding, in amounts, to persons, and at times it

believes appropriate, stock options at the fair market value on the date of grant. Outstanding stock options of our executive officers which were granted in 1996 and 1998 are exercisable in various increments on the third through seventh anniversaries of the date of grant, but such options may be exercisable on earlier dates if we meet certain financial goals. In 1997 and 1999 we reached these financial targets, and 20% of each officer's outstanding options became exercisable. Financial targets were reached again in 2000 and, as a result, an additional 40% of outstanding stock options will become exercisable this year, including normal vesting. All options granted after 1998 are exercisable in 25% increments over four years, unless otherwise approved by the Compensation Committee.

Edgar Filing: POWER ONE INC - Form DEF14A

In 2000 the Compensation Committee recommended, and the Board of Directors approved, an amendment to our Amended and Restated 1996 Stock Incentive Plan that allows the Chairman to grant options, other than to officers or directors, at fair market value within aggregate limits approved by the Compensation Committee. The aggregate limit established by the Compensation Committee for 2000 was 3,600,000 options.

THE DEDUCTIBILITY OF EXECUTIVE COMPENSATION. Section 162(m) of the Internal Revenue Code does not permit us to deduct cash compensation in excess of \$1 million paid to the Chief Executive Officer and the four other most highly compensated executive officers during any taxable year, unless such compensation meets certain requirements. We believe that our stock incentive plan and our Management Bonus Plan (as previously described) comply with the rules under Section 162(m) for treatment as performance-based compensation, allowing us to deduct fully compensation paid to executives under these plans.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

No member of our Compensation Committee has a relationship that would constitute an interlocking relationship with executive officers or directors of another entity.
