VOTING OF PROXIES

The officers named in the form of proxy accompanying this Circular will vote the common shares of the Company in respect of which they are appointed proxy in accordance with the directions of the shareholder appointing them. In the absence of such direction, such shares will be voted FOR the election of directors, FOR the appointment of Ernst & Young LLP as auditors, FOR Resolution No. 1--Proposal to Amend the Company's Articles of Continuance to Increase the Requirement for Share Ownership Percentages Necessary for Submitting Shareholder Proposals Nominating Persons for Election to the Company's Board of Directors, FOR Resolution No. 2--Proposal to Ratify the

1

Continued Existence of the Shareholder Rights Plan and FOR Resolution No. 3--Proposal to Amend the 1995 Stock Option Plan to Increase the Number of Shares Reserved for Issuance.

The Board of Directors has fixed March 12, 2002 as the record date for the determination of shareholders entitled to vote at the meeting. On that date there were outstanding and entitled to vote [] shares of common stock of the Company. Each share is entitled to one vote.

Each matter to be voted on, except for the election of directors and the Proposal to Amend the Company's Articles of Continuance (Resolution No. 1), requires the approval of a majority of common shares represented and entitled to vote on such matter to be effective. Resolution No. 1--the Proposal to Amend the Company's Articles of Continuance requires the approval of 66 2/3(rds) of the common shares represented and entitled to vote on such matter to be effective. The voting for the election of directors is described below. No votes may be taken at the meeting, other than a vote to adjourn, unless a quorum has been constituted consisting of the representation of at least twenty percent (20%) of the outstanding shares as of the record date. Votes will be tabulated by the

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

Company's transfer agent subject to the supervision of persons designated by the Board of Directors as inspectors.

The BUSINESS CORPORATIONS ACT (NEW BRUNSWICK) (the "Act") provides by section 65(1) for cumulative voting for the election of directors so that each shareholder entitled to vote at an election of directors has the right to cast a number of votes equal to the number of votes attached to the shares held by such shareholders multiplied by the number of directors to be elected and may cast all such votes in favour of one candidate or distribute them among the candidates in any manner. The Act further provides, in section 65(2), that a separate vote of shareholders shall be taken with respect to each candidate nominated for director unless a resolution is passed unanimously permitting two or more persons to be elected by a single resolution. Where a shareholder has voted for more than one candidate without specifying the distribution of votes among such candidates, the shareholder shall be deemed to have divided the votes equally among the candidates for whom such shareholder voted. If a shareholder desires to distribute votes otherwise than equally among the nominees for whom such shareholder has directed persons in the enclosed form of proxy to vote, such shareholder must do so personally at the meeting or by another form of proxy. ON ANY BALLOT THAT MAY BE CALLED FOR THE ELECTION OF DIRECTORS, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO CAST THE VOTES TO WHICH THE SHARES REPRESENTED BY SUCH PROXY ARE ENTITLED EQUALLY AMONG ALL THE PROPOSED NOMINEES WHOSE NAMES ARE SET FORTH IN THE TABLE UNDER "ELECTION OF DIRECTORS" BELOW, EXCEPT THOSE, IF ANY, EXCLUDED BY THE SHAREHOLDER IN THE PROXY, OR UNLESS THE SHAREHOLDER WHO HAS GIVEN SUCH PROXY HAS DIRECTED THAT THE SHARES BE WITHHELD FROM VOTING IN THE ELECTION OF DIRECTORS.

The enclosed form of proxy confers discretionary authority on the person named therein with respect to amendments to or variations of matters identified in the Notice of Meeting and other matters that may properly come before the meeting. At the date of this Circular, the management of the Company knows of no such amendments, variations or other matters.

Proxies to be used at the meeting must be deposited with the Company or its transfer agent and registrar, Computershare Trust Company of Canada, prior to the commencement of the meeting. If you are unable to attend the meeting, please date, sign and return the accompanying form of proxy to Computershare Trust Company of Canada. Abstentions and broker non-votes will not be treated as votes cast or common shares entitled to vote with respect to any matter described in this Management Proxy Circular.

EMPLOYMENT CONTRACTS

The Company entered into an Employment Agreement with Charles D. Winston on January 1, 2000 and an Amendment to such Agreement on February 26, 2002, pursuant to which the Company agreed to employ Mr. Winston as the CEO until December 31, 2003 and to pay him certain benefits upon his termination of employment without cause, prior to such date, which benefits are further detailed in the severance agreement referenced below. In addition, the Employment Agreement provides for Mr. Winston to perform consulting services for the Company for a two (2) year period commencing on January 1, 2004, at 50% of his base salary for the last year of his Employment Agreement.

In addition, the Company has entered into severance agreements with certain members of its executive management team, including the Named Executive Officers but excluding Mr. Austin. The agreements, excluding the agreement with Mr. Stukalin, supercede previously executed severance agreements and all of the agreements provide for a severance payment if employment with the Company is terminated without cause or upon or following defined change of control events. The Severance Agreement with Mr. Winston was entered into on May 24, 2001 ("Effective Date") and

11

amended on February 26, 2002. The effective date for each of the agreements with Messrs. Swain, Woolley, and Pelsue and Ms. Palmer is May 24, 2001. The effective date for the agreement with Mr. Stukalin is March 1, 2000

The severance agreement entered into with Mr. Winston is coterminous with his Employment Agreement and is not subject to renewal; while the severance agreements entered into with Messrs. Swain, Woolley, Pelsue and Stukalin and Ms. Palmer continue for a minimum term of three years from their respective effective dates and will automatically extend for periods of one year after the initial term unless the Company or the executive gives notice at least ninety days prior to the expiration of the current period that the agreement will not be extended. Under the severance agreements the payment in the event of termination without cause is equal to a minimum of one year and a maximum of two years of the sum of (a) annual base salary; (b) targeted annual bonus; (c) prorated portion of the annual bonus; and (d) the cost of certain employment benefits, except that with respect to Mr. Winston the payment is equal to a minimum of two years and a maximum of three years of the sum of (a)-(d) and that with respect to Mr. Stukalin the payment is equal to a minimum of one year and a maximum of two years of the sum of his annual base salary, his average targeted annual bonus paid for the prior two years and the costs of certain employment benefits. If the termination of employment occurs upon or following a defined change of control of the Company, the payment is equal to three times the sum of (a)-(d), except that with respect to Mr. Winston the payment is equal to four times the sum of (a)-(d) and with respect to Mr. Stukalin the payment is equal to his termination without cause payments discussed herein plus an additional twelve (12) months. Also, pursuant to these agreements all unvested options then held shall immediately vest, provided that such options shall expire upon the earlier of (i) three years or the remainder of the option term in the event of a change of control, or (ii) six months or the remainder of the option term in the event of a termination for cause, except that with respect to Mr. Stukalin, his options expire within six (6) months of the date of termination in either case. Most of these agreements provide that a payment would be increased in the event that it would subject the officer to an excise tax as a parachute payment under the U.S. Federal Tax Code. The increase would be equal to the additional tax liability imposed on the executive as a result of the payment.

COMPOSITION OF COMPENSATION COMMITTEE

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

The Compensation Committee (the "Committee") determines all aspects of compensation payable to the Chief Executive Officer and the other Named Executive Officers (see "Summary Compensation Table"). As at December 31, 2001 the Committee was composed of three members of the then existing Board of Directors: Benjamin J. Virgilio; Richard B. Black; and Byron O. Pond. The Compensation Committee held seven (7) meetings during fiscal 2001.

REPORT ON EXECUTIVE COMPENSATION

The executive compensation policy of the Company has as its goals the following:

- (1) to provide executives with compensation that is fair and competitive in the market place;
- (2) to incent executives to meet and exceed financial and other strategic objectives; and
- (3) to raise the perspectives of executives from simply increasing the size of the Company to taking a strategic path toward increasing shareholder value.

SALARY

Base salaries are determined on an individual basis taking into consideration the individual's position in the Company, the individual's ability to contribute to the Company's performance and amounts paid by technology companies of similar size for comparable positions.

12

ANNUAL BONUS

Each executive officer has the opportunity to earn an annual bonus. The amount of the bonus is tied to the individual's performance and the achievement of specific goals and objectives which, in some cases, may be difficult to quantify. Cash bonuses may also, at the discretion of the Compensation Committee, be used to recognize other significant contributions of an executive to the overall success of the Company's objectives. All cash bonuses are paid at the discretion and upon the approval of the Compensation Committee. The amount of the potential bonuses varies based upon the executive officer's position in the Company, ability to impact Company performance and contribute to the Company's objectives, and degree of responsibility.

LONG TERM INCENTIVES

Executives may participate in the Company's stock option plans (the "Plans"). The Plans are administered by the Compensation Committee which designates the individuals who are to be granted options, the number of options to be granted and other terms and conditions of the options. The number of stock options granted to executive officers is based upon the same factors as are relevant in setting their salaries and annual bonuses.

CHIEF EXECUTIVE OFFICER'S COMPENSATION

During the year ended December 31, 2001, Charles D. Winston served as the Company's Chief Executive Officer. In setting the Chief Executive Officer's salary and target bonus for the year ended December 31, 2001, the Committee reviewed salaries and bonuses paid to other chief executive officers of technology companies of similar size and considered his ability to impact the achievement of the Company's objectives. For the year ended December 31, 2001, Mr. Winston's target bonus was 70% of his base salary and an option to purchase

250,000 common shares was granted to Mr. Winston in 2001 with an exercise price of \$8.930 per share.

The Company's Audit Committee has also received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 (entitled "Independence Discussion with Audit Committees"), has discussed the independence of Ernst & Young and considered whether the provision of non-audit services by Ernst & Young LLP is compatible with maintaining auditor independence, and has satisfied itself as to the auditor's independence.

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

Based on the review and discussions noted above, the Company's Audit Committee has recommended to the Board that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2001 for filing with the SEC. RESOLUTION NO. 1--PROPOSAL TO AMEND THE COMPANY'S ARTICLES OF CONTINUANCE TO INCREASE THE SHARE OWNERSHIP REQUIREMENT NECESSARY FOR SUBMITTING SHAREHOLDER PROPOSALS NOMINATING PERSONS FOR ELECTION TO THE COMPANY'S BOARD OF DIRECTORS

The holders of the common shares will be asked to consider and, if thought satisfactory, to approve, with or without variation, Resolution No. 2, the full text of which is set out in Schedule "A" to this Management Proxy Circular. The resolution relates to the approval of an amendment to the Company's Articles of Continuance (the "Articles") which would require that a proposal by a shareholder may include nominations for the election of directors to the Company's Board of Directors if the proposal is signed by one or more holders of shares representing in the aggregate not less than 10% of the shares or not less than 10% of the shares of a class of shares of the Company entitled to vote at the meeting to which the proposal is to be presented (the "Percentage Ownership Threshold"). The Company's Articles currently provide for a 5% Percentage Ownership Threshold. Section 89(4) of the Business Corporations Act (New Brunswick) permits the Company to raise the Percentage Ownership Threshold up to 10% with shareholder approval.

The Board of Directors believes that the primary effect of increasing the Percentage Ownership Threshold will be to decrease the likelihood of disruptive proxy contest by which a third party might seek to gain control of the Company without going through the process of making a bid that is negotiated and fair to shareholders. The Company cannot, however, assure shareholders that the increase in the Percentage Ownership Threshold will not discourage or prevent an offer to acquire the Company that the shareholders would find attractive. In addition, the Board of Directors believes that increasing the Percentage Ownership Threshold from 5% to 10% facilitates continuity and stability of leadership and promotes effective long-term strategic planning and the creation of long-term value for shareholders of the Company.

The Board of Directors is not proposing this amendment to the Company's Articles in response to, or in anticipation of, any pending or threatened proxy contest or take-over bid. Rather, the Board of Directors has observed that proxy contests and unsolicited tender offers are highly disruptive and often used to gain control of a company at an unfairly low price or, in the case of proxy contests, by avoiding making any offer to shareholders. The Board of Directors believes that increasing the Percentage Ownership Threshold, together with approval of Resolution No. 2 (ratification of the continued existence of the Rights Plan), will assist the Board of Directors in preserving its ability to negotiate directly with a potential takeover bidder on behalf of the Company's shareholders, thus increasing the fair and equitable treatment of all shareholders.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors recommends that the shareholders approve the amendment to the Articles and vote for the adoption of Resolution No. 1. In order to be effective, Resolution No. 1 must be approved by 66 2/3(rds) of the votes cast at the meeting.

RESOLUTION NO. 2--PROPOSAL TO RATIFY THE CONTINUED EXISTENCE OF THE SHAREHOLDER

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

RIGHTS PLAN

On April 12, 1999, the Board of Directors of the Company adopted a shareholder rights plan (the "Rights Plan" or the "Plan"), which was ratified by the Company's shareholders at its annual meeting on May 11, 1999. Pursuant to the terms of the Rights Plan, shareholders of the Company will be asked to vote on a resolution ("Resolution No. 2") to ratify, confirm and approve the continued existence of the Rights Plan. The full text of Resolution No. 2 is set out in Schedule "B" to this Management Proxy Circular.

20

INTRODUCTION

The provisions of the Rights Plan are set out in a shareholder rights plan agreement (the "Agreement") dated and effective as of April 12, 1999, between the Company and Montreal Trust Company of Canada (the "Rights Agent"). Under the Rights Plan, one purchase right ("Right") has been issued in respect of each common share of the Company outstanding as of the date hereof and will be issued in respect of each common share of the Company issued hereafter.

In order to continue beyond the date of the meeting, the Plan's existence must be confirmed by resolution passed by a majority of the votes cast by Independent Shareholders (generally, shareholders other than the Offeror or Acquiring Person, their Associates and Affiliates, and Persons acting jointly or in concert with the Offeror or Acquiring Person) who vote in respect of this Resolution No. 2 at the meeting.

If ratified by a majority of common shares held by Independent Shareholders, the Rights Plan will remain in full force and effect.

If the Plan's continued existence is not approved at the Meeting by the affirmative vote of holders of a majority of the common shares voted by Independent Shareholders present in person or represented by proxy, the Plan will thereupon effectively become void and of no further force and effect.

All capitalized terms used without definition under the heading "Proposal to Ratify the Existence of the Shareholder Rights Plan" have the meanings ascribed to them in the Agreement.

OBJECTIVES OF THE RIGHTS PLAN

The Board of Directors implemented the Rights Plan to ensure that, to the extent possible, in the context of a bid for control of the Company through an acquisition of the Company's common shares, shareholders will be treated equally and fairly and will be positioned to receive full value for their shares. In deciding to implement the Rights Plan, of concern to the Board of Directors was the widely held view that existing securities legislation provides too short a response time to a Company that is the subject of an unsolicited bid for control.

Also of concern to the Board of Directors is the possibility that, under existing securities laws, the Company's shareholders could be treated unequally in the context of a bid for control. These concerns are described in more detail below.

The Rights Plan was not adopted and approved by shareholders in response to, or in anticipation of, any pending or threatened take-over bid, nor to deter take-over bids generally. Rather, the objectives of the Rights Plan are to give adequate time for shareholders to properly assess a bid without undue pressure, for the Board of Directors to consider value-enhancing alternatives and to allow competing bids to emerge. In addition, the Rights Plan has been designed to

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

provide shareholders of the Company with equal treatment in a bid for control of the Company.

In adopting the Rights Plan, the Board of Directors initially considered the following concerns inherent in the existing legislative framework governing take-over bids and considers these concerns to remain relevant today:

- (a) Time. Current legislation permits a take-over bid to expire in 35 days in Canada and 20 business days in the United States. The Board of Directors is of the view that this is not sufficient time to permit shareholders to consider a take-over bid and to make a reasoned and unhurried decision. The Rights Plan provides a mechanism whereby the minimum expiry period for a Take-over Bid must be 45 days after the date of the bid and the bid must remain open for a further period of 10 Business Days after the Offeror publicly announces that the shares deposited or tendered and not withdrawn constitute more than 50% of the Voting

21

Shares outstanding held by Independent Shareholders. The Plan is intended to provide shareholders with adequate time to properly evaluate the offer and to provide the Board of Directors with sufficient time to explore and develop alternatives for maximizing shareholder value. Those alternatives could include, if deemed appropriate by the Board of Directors, the identification of other potential bidders, the conducting of an orderly auction or the development of a corporate restructuring alternative which could enhance shareholder value.

- (b) Pressure to Tender. A shareholder may feel compelled to tender to a bid which the shareholder considers to be inadequate out of a concern that failing to tender may result in the shareholder being left with illiquid or minority discounted shares in the Company. This is particularly so in the case of a partial bid for less than all shares of a class where the bidder wishes to obtain a control position but does not wish to acquire all of the Voting Shares. The Plan provides a shareholder approval mechanism in the Permitted Bid provision which is intended to ensure that a shareholder can separate the tender decision from the approval or disapproval of a particular take-over bid. By requiring that a bid remain open for acceptance for a further 10 Business Days following public announcement that more than 50% of the Voting Shares held by Independent Shareholders have been deposited, a shareholder's decision to accept a bid is separated from the decision to tender, lessening the undue pressure to tender typically encountered by a shareholder of a Company that is the subject of a take-over bid.
- (c) Unequal Treatment. While existing securities legislation has addressed many concerns of unequal treatment, there remains the possibility that control of a Company may be acquired pursuant to a private agreement in which a small group of shareholders disposes of shares at a premium to market price which premium is not shared with the other shareholders. In addition, a person may slowly accumulate shares through stock exchange acquisitions which may result, over time, in an acquisition of control without payment of fair value for control or a fair sharing of a control premium among all shareholders. The Plan addresses these concerns by applying to all acquisitions resulting in the acquiror beneficially holding greater than 20% of the Voting Shares, to better ensure that shareholders receive equal treatment.

GENERAL IMPACT OF THE RIGHTS PLAN

In the past, shareholder rights plans have been criticized by some

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

commentators on the basis that they may serve to deter take-over bids, to entrench management, and to place in the hands of boards of directors, rather than shareholders, the decision as to whether a particular bid for acquisition of control is acceptable. Critics of some shareholder rights plans have also alleged that they cast a needlessly wide net, thereby increasing the likelihood of an inadvertent triggering of the plan, while at the same time deterring shareholders from participating in legitimate corporate governance activities.

The Board of Directors has considered these concerns, and believes that they have been largely addressed in the Plan.

It was not the intention of the Board of Directors in adopting the Plan to secure the continuance of existing directors or management in office, nor to avoid a bid for control of the Company. For example, through the Permitted Bid mechanism, described in more detail below, shareholders may tender to a bid which meets the Permitted Bid criteria without triggering the Plan, regardless of the acceptability of the bid to the Board of Directors. Furthermore, even in the context of a bid that does not meet the Permitted Bid criteria, the Board of Directors will continue to be bound to consider fully and fairly any bid for the Company's common shares in any exercise of its discretion to waive application of the Plan or redeem the Rights. In discharging that responsibility, the Board of Directors must act honestly and in good faith with a view to the best interests of the Company and its shareholders.

22

The Rights Plan does not preclude any shareholder from utilizing the proxy mechanism of the Business Corporations Act (New Brunswick) to promote a change in the management or direction of the Company, and has no effect on the rights of holders of outstanding voting shares of the Company to requisition a meeting of shareholders, in accordance with the provisions of applicable corporate and securities legislation, or to enter into agreements with respect to voting their common shares. The definitions of "Acquiring Person" and "Beneficial Ownership" have been developed to minimize concerns that the Plan may be inadvertently triggered or triggered as a result of an overly-broad aggregating of holdings of institutional shareholders and their clients.

The Board of Directors continues to believe that the dominant effect of the Plan will be to enhance shareholder value, and ensure equal treatment of all shareholders in the context of an acquisition of control.

The Rights Plan will not interfere with the day-to-day operations of the Company. The initial issuance of the Rights does not in any way alter the financial condition of the Company, impede its business plans or alter its financial statements. In addition, the Rights Plan is initially not dilutive and is not expected to have any effect on the trading of common shares. However, if a Flip-In Event occurs and the Rights separate from the common shares, as described in the summary below, reported earnings per share and reported cash flow per share on a fully-diluted or non-diluted basis may be affected. In addition, holders of Rights not exercising their Rights after a Flip-In Event may suffer substantial dilution.

The Rights Plan may, however, increase the price to be paid by a potential Offeror to obtain control of the corporation and may discourage certain transactions, including Take-over Bids for less than all the Voting Shares of the Company. Accordingly, the Rights Plan may deter some Take-over Bids.

The Board of Directors believes that the results of several unsolicited take-over bids in Canada demonstrate that shareholder rights plans can enhance shareholder value without removing the ultimate decision from the shareholders. In a number of instances, a change of control was achieved following an unsolicited bid in circumstances where the ultimately successful bid was

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

substantially better than the original offer made by the bidder. There can be no assurance however that the Rights Plan, if its continued existence is approved, would serve to cause a similar result.

The Ontario Securities Commission has indicated that the board of directors of a Company confronted with an unsolicited take-over bid will not be allowed to maintain a shareholder rights plan indefinitely to keep a bid from the shareholders; however, these decisions also indicate that so long as the board of directors is actively and realistically seeking value-maximizing alternatives, shareholder rights plans may serve a legitimate purpose.

TERMS OF THE RIGHTS PLAN

The following is a summary of the terms of the Rights Plan. The summary is qualified in its entirety by the full text of the Rights Agreement, copies of which will be made available to Shareholders of record upon request made to GSI Lumonics Inc., 105 Schneider Road, Kanata, Ontario, K2K 1Y3, Attention: Secretary.

ISSUANCE OF RIGHTS

One Right has been issued by the Company in respect of each common share outstanding at 5:00 p.m. (Ottawa Time) on April 12, 1999, and one Right will be issued in respect of each common share of the Company issued thereafter, prior to the earlier of the Separation Time and the Expiration Time. Each Right entitles the registered holder thereof to purchase from the Company one common share at the exercise price of Cdn\$200, subject to adjustment and certain anti-dilution provisions (the

23

"Exercise Price"). The Rights are not exercisable until the Separation Time. If a Flip-In Event occurs, each Right will entitle the registered holder to receive, upon payment of the Exercise Price, common shares of the Company having an aggregate market price equal to twice the Exercise Price.

TRADING OF RIGHTS

Until the Separation Time (or the earlier termination or expiration of the Rights), the Rights will be evidenced by the certificates representing the common shares of the Company and will be transferable only together with the associated common shares. From and after the Separation Time, separate certificates evidencing the Rights ("Rights Certificates"), together with a disclosure statement prepared by the Corporation describing the Rights, will be mailed to holders of record of common shares (other than an Acquiring Person) as of the Separation Time. Rights Certificates will also be issued in respect of common shares issued prior to the Expiration Time to each holder (other than an Acquiring Person) converting, after the Separation Time, securities ("Convertible Securities") convertible into or exchangeable for common shares. The Rights will trade separately from the common shares after the Separation Time.

SEPARATION TIME

The Separation Time is the Close of Business on the eighth Business Day after the earlier of (i) the "Stock Acquisition Date", which is generally the first date of public announcement of facts indicating that a Person has become an Acquiring Person; and (ii) the date of the commencement of, or first public announcement of the intent of any Person (other than the Company or any subsidiary of the Company) to commence a Take-over Bid (other than a Permitted Bid or a Competing Permitted Bid, so long as such bid continues to satisfy the requirements of a Permitted Bid or Competing Permitted Bid). In either case, the

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

Separation Time can be such later Business Day as may from time to time be determined by the Board of Directors. If a Take-over Bid expires or is cancelled, terminated or otherwise withdrawn prior to the Separation Time, it shall be deemed never to have been made.

ACQUIRING PERSON

In general, an Acquiring Person is a Person who is the Beneficial Owner of 20% or more of the Company's outstanding common shares and any other shares in the share capital or any voting interest of the Company entitled to vote generally on the election of directors ("Voting Shares"). Currently, no Voting Shares other than the common shares are outstanding. Excluded from the definition of "Acquiring Person" are the Company and its subsidiaries, and any Person who becomes the Beneficial Owner of 20% or more of the outstanding Voting Shares as a result of one more or any combination of a Voting Share Reduction, a Permitted Bid Acquisition, an Exempt Acquisition and a Pro Rata Acquisition. The definitions of "Voting Share Reduction", "Permitted Bid Acquisition", "Exempt Acquisition" and "Pro Rata Acquisition" are set out in the Agreement. However, in general:

- (a) a "Pro Rata Acquisition" means an acquisition of Voting Shares pursuant to a dividend reinvestment plan, share purchase plan, stock dividend, a stock split or other similar event. It also means the acquisition or exercise of share purchase rights distributed pursuant to a bona fide rights offering or a public or private distribution of Voting Shares or Convertible Securities (including a conversion or exchange of such Convertible Securities) but only if the acquisition allows the acquirer to maintain its percentage holding of Voting Shares;
- (b) a "Voting Share Reduction" means an acquisition or redemption by the Company of Voting Shares;
- (c) an "Exempt Acquisition" means a share acquisition in respect of which the Board of Directors has waived the application of the Plan or which was made prior to the date of the Agreement; and

24

- (d) a "Permitted Bid Acquisition" means an acquisition of Voting Shares made pursuant to a Permitted Bid or a Competing Permitted Bid.

Also excluded from the definition of "Acquiring Person" are underwriters acting in connection with a bona fide distribution of securities to the public.

BENEFICIAL OWNERSHIP

In general, a Person is deemed to Beneficially Own common shares actually held by others in circumstances where those holdings are or should be grouped together for purposes of the Plan. Included are holdings by the Person's Affiliates (generally, a person that controls, is controlled by, or under common control with another person) and Associates (generally, relatives sharing the same residence). Also included are securities which the Person or any of the Person's Affiliates or Associates has the right to acquire within 60 days (other than customary agreements with and between underwriters and/or banking group and/or selling group members with respect to a distribution of securities, and other than pledges of securities in the ordinary course of business).

A Person is also deemed to "Beneficially Own" any securities that are Beneficially Owned (as described above) by any other Person with which the Person is acting jointly or in concert.

The definition of "Beneficial Ownership" contains several exclusions whereby

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

a Person is not considered to "Beneficially Own" a security. A Person shall not be deemed to be the Beneficial Owner of a security because the holder of such security has either agreed pursuant to a Permitted Lock-up Agreement to deposit or tender such security to a Take-over Bid made by such Person or such Person's Affiliate or Associate or because such security has been deposited or tendered to a Take-over Bid made by such Person or such Person's Associates or Affiliates until the earlier of such security being accepted unconditionally for payment or exchange pursuant to the Take-over Bid and such security being taken up and paid for. "Permitted Lock-Up Agreement" is defined in the Agreement; however, generally a "Permitted Lock-Up Agreement" is an agreement between a Person and one or more holders of Voting Shares to tender shares to a Take-over Bid (the "Lock-Up Bid") which agreement provides that the obligation to tender or deposit is terminable at the option of the holder of Voting Shares if another Take-over Bid is made at a price or value per Voting Share that is at least 5% in excess of the Lock-up Bid or another Take-over Bid is made for a number of Voting Shares at least 5% greater than a number of Voting Shares bid for under the Lock-Up Bid at a price or value that is not less than the price or value offered under the Lock-up Bid and in the event that the Lock-up Bid is not successful no break-up fees, top-up fees, penalties or expenses or other amounts that exceed in the aggregate the cash equivalent of 2 1/2% of the price or value payable under the Lock-up Bid to the holders of Voting Shares who are party to the Permitted Lock-up Agreement.

25

There are other exemptions from the deemed "Beneficial Ownership" provisions for institutional shareholders acting in the ordinary course of business. These exemptions apply to (i) a fund manager ("Fund Manager") which holds securities in the ordinary course of business in the performance of its duties for the account of any other Person (a "Client"); (ii) a licensed trust Company ("Trust Company") acting as trustee or administrator or in a similar capacity in relation to the estates of deceased or incompetent persons (each an "Estate Account") or in relation to other accounts (each an "Other Account") and which holds such security in the ordinary course of its duties for such accounts; (iii) the administrator or the trustee (a "Plan Administrator") of one or more pension funds or plans (a "Plan") registered under Canadian or U.S. law or (iv) an agency (the "Crown Agent") established by statute, and its ordinary business or activity includes the management of investment funds for employee benefit plans, pension plans, insurance plans, or various public bodies. The foregoing exemptions only apply so long as the Fund Manager, Trust Company, Plan Administrator or Crown Agent is not then making or has not then announced an intention to make a Take-over Bid, other than an Offer to Acquire Voting Shares or other securities (X) by means of ordinary market transactions (including prearranged trades entered into in the ordinary course of business of such Person) executed through the facilities of a stock exchange or organized over-the-counter market, alone or acting jointly or in concert with any other Person, (Y) pursuant to a distribution by the Company or (Z) by means of a Permitted Bid (as defined below).

Finally, a Person will not be deemed to "Beneficially Own" a security because (i) the Person is a Client of the same Fund Manager, an Estate Account or an Other Account of the same Trust Company, or Plan with the same Plan Administrator as another Person or Plan on whose account the Fund Manager, Trust Company or Plan Administrator, as the case may be, holds such security; or (ii) the Person is a Client of a Fund Manager, Estate Account, Other Account or Plan, and the security is owned by the Fund Manager, Trust Company or Plan Administrator, as the case may be.

FLIP-IN EVENT

A Flip-In Event occurs when any Person becomes an Acquiring Person. In the event that, prior to the Expiration Time, a Flip-In Event which has not been

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

waived occurs (see "Redemption, Waiver and Termination" below), each Right (except for Rights Beneficially Owned or which may thereafter be Beneficially Owned by an Acquiring Person or a transferee of such a Person, which Rights will become null and void) shall constitute the right to purchase from the Company, upon exercise thereof in accordance with the terms of the Plan, that number of common shares having an aggregate Market Price on the date of the Flip-In Event equal to twice the Exercise Price, for the Exercise Price (such Right being subject to anti-dilution adjustments). For example, if at the time of the Stock Acquisition Date the Exercise Price is \$200.00 and the Market Price of the common shares is \$40.00, the holder of each Right would be entitled to purchase common shares having an aggregate Market Price of \$400.00 (that is, 10 common shares) for \$200.00 (that is, a 50% discount from the Market Price).

PERMITTED BID AND COMPETING PERMITTED BID

A Permitted Bid is a Take-over Bid made by way of a Take-over Bid circular and which complies with the following additional provisions:

- (a) the Take-over Bid is made to all holders of record of Voting Shares wherever resident as registered on the books of the Company, other than the Offeror;
- (b) the Take-over Bid contains, and the take-up and payment for the securities tendered or deposited thereunder is subject to, irrevocable and unqualified conditions that:
 - (i) no Voting Shares shall be taken-up or paid for pursuant to the Take-over Bid (a) prior to the Close of Business on the date which is not to be less than 45 days following the date of the Take-over Bid and (b) unless at the Close of Business on that date, the Voting

26

Shares deposited or tendered pursuant to the Take-over Bid and not withdrawn constitute more than 50% of the Voting Shares outstanding which are held by Independent Shareholders;

- (ii) unless the Take-over Bid is withdrawn, Voting Shares may be deposited pursuant to such Take-over Bid at any time prior to the Close of Business on the date of the first take up of or payment for Voting Shares;
- (iii) any Voting Shares deposited pursuant to the Take-over Bid may be withdrawn until taken up and paid for; and
- (iv) if more than 50% of the Voting Shares held by Independent Shareholders are deposited or tendered pursuant to the Take-over Bid and not withdrawn, the Offeror will make a public announcement of that fact and the Take-over Bid shall remain open for deposits and tenders of Voting Shares for not less than 10 Business Days from the date of such public announcement.

If a Permitted Bid ceases to be a Permitted Bid because it ceases to meet any or all of the criteria at any time, any acquisition of Voting Shares made pursuant to such Permitted Bid, including any acquisition of Voting Shares made prior to such time, ceases to be an acquisition of Voting Shares made pursuant to a Permitted Bid (or a Competing Permitted Bid, as described below).

A Competing Permitted Bid is a Take-over Bid that is made after a Permitted Bid has been made but prior to its expiry, and satisfies all the requirements of a Permitted Bid as described above, except that a Competing Permitted Bid is not required to remain open for 45 days so long as it is open until the later of

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

21 days after the date of the Competing Permitted Bid and 45 days after the earliest date on which any other Permitted Bid or Competing Permitted Bid then in existence was made.

REDEMPTION, WAIVER AND TERMINATION

- (a) Redemption of Rights. The Board of Directors acting in good faith may, with prior shareholder approval, at any time prior to the later of the Stock Acquisition Date and the Separation Time, elect to redeem all but not less than all of the then outstanding Rights at a redemption price of \$.0001 per Right, appropriately adjusted for anti-dilution as provided in the Agreement (the "Redemption Price").
- (b) Waiver of Inadvertent Acquisition. The Board of Directors is required to waive the application of the Plan in respect of the occurrence of any Flip-In Event if (i) the Board of Directors has determined, following the Stock Acquisition Date and prior to the Separation Time, that a Person became an Acquiring Person under the Plan; and (ii) the Acquiring Person, within 10 days after the determination by the Board of Directors or such later date as the Board of Directors may determine (the "Disposition Date"), has reduced its Beneficial Ownership of Voting Shares such that the Person is no longer an Acquiring Person. If the person remains an Acquiring Person at the Close of Business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date.
- (c) Permitted Bid Acquisition. In the event that a Person acquires, pursuant to a Permitted Bid or a Competing Permitted Bid, more than 50% of the outstanding common shares (including shares held at the date of the bid), the Board of Directors shall, immediately upon the consummation of the acquisition, be deemed to have elected to redeem the Rights at the Redemption Price.
- (d) Discretionary Waiver with Mandatory Waiver of Concurrent Bids. The Board of Directors may, prior to the occurrence of the relevant Flip-In Event, upon prior written notice to the Rights Agent, waive the application of the Plan to a Flip-In Event that may occur by reason

27

of a Take-over Bid made by means of a Take-over Bid circular to all holders of record of Voting Shares. However, if the Board of Directors waives the application of the Plan, the Board of Directors shall be deemed to have waived the application of the Plan, in respect of any other Flip-In Event occurring by reason of such a Take-over Bid made prior to the expiry of a bid for which a waiver is, or is deemed to have been, granted.

- (e) Waiver on Agreement to Reduce Beneficial Ownership by Acquiring Person. The Board of Directors may, prior to the Close of Business on the eighth Business Day following a Stock Acquisition Date or such later Business Day as it may from time to time determine, upon prior written notice to the Rights Agent, waive the application of the Plan to a Flip-In Event, provided that the Acquiring Person has reduced its Beneficial Ownership of Voting Shares (or has entered into a contractual arrangement with the Company, acceptable to the Board of Directors, to do so within 10 days of the date on which such contractual arrangement is entered into or such later date as the Board of Directors may determine) such that at the time the waiver becomes effective, the Person having acquired the Voting Shares is no longer an Acquiring Person. If such a waiver becomes effective prior to the Separation Time, the applicable Flip-In Event shall be deemed not to have occurred.

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

- (f) Redemption of Rights on Withdrawal or Termination of Bid. Where a Take-over Bid that is not a Permitted Bid is withdrawn or otherwise terminated after the Separation Time and prior to the occurrence of a Flip-In Event, or if the Board of Directors grants a waiver under the circumstances described in (e) above after the Separation Time, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price. Upon the Rights being so redeemed, all the provisions of the Plan shall continue to apply as if the Separation Time had not occurred and Rights Certificates had not been mailed, and the Separation Time shall be deemed not to have occurred.

If the Board of Directors is deemed to have elected or elects to redeem the Rights as described in paragraphs (a) or (c) above, the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights is to receive the Redemption Price. Within 10 days of any such election or deemed election to redeem the Rights, the Company will notify the holders of the common shares or, after the Separation Time, the holders of the Rights.

ANTI DILUTION ADJUSTMENTS

The Exercise Price of a Right, the number and kind of securities subject to purchase upon exercise of a Right, and the number of Rights outstanding, will be adjusted in certain events, including;

- (a) if there is a stock dividend (other than pursuant to any dividend reinvestment plan) on the common shares, or a subdivision or consolidation of the common shares, or an issuance of common shares (or Convertible Securities) in respect of, in lieu of or in exchange for common shares; or
- (b) if the Company fixes a record date for the distribution to all holders of common shares of certain rights or warrants to acquire common shares or Convertible Securities, or for the making of a distribution to all holders of common shares or evidences of indebtedness or assets (other than regular periodic cash dividends or stock dividends payable in common shares) or other securities.

No adjustment in Exercise Price will be made unless it represents, on a cumulative basis with other unreflected adjustments, at least a 1% change in the Exercise Price.

28

SUPPLEMENTS AND AMENDMENTS

The following changes may be made subject to subsequent ratification by the holders of the common shares or, after the Separation Time, Rights:

- (a) changes that the Board of Directors, acting in good faith, determines are necessary to maintain the validity of the Agreement and the Rights as a result of any change in any applicable legislation, regulation or rules; and
- (b) changes to the Plan in order to cure any clerical or typographical error.

Subject to the above exceptions, any amendment, variation or deletion of or from the Agreement and the Rights, is subject to the prior approval of the holders of common shares, or, after the Separation Time, the holders of the Rights.

Edgar Filing: GSI LUMONICS INC - Form PRE 14A

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors has determined that the continued existence of the Rights Plan is in the best interests of the Company and the holders of its common shares. The Board of Directors unanimously recommends that the shareholders approve the continued existence of the Rights Plan and vote for the adoption of Resolution No. 2. In order to be effective, Resolution No. 2 must be approved by a majority of votes cast at the meeting.

29

RESOLUTION NO. 3--AMENDMENT TO 1995 STOCK OPTION PLAN TO INCREASE THE NUMBER OF SHARES RESERVED FOR ISSUANCE UNDER THE PLAN BY 2,000,000 SHARES

The holders of the common shares will be asked to consider and, if thought satisfactory, to approve, with or without variation, Resolution No. 3, the full text of which is set out in Schedule "C" to this Management Proxy Circular, which resolution relates to the approval of an amendment to the Company's 1995 Stock Option Plan, as amended (the "1995 Option Plan"). The Board of Directors approved the amendment to the 1995 Plan and shareholder approval is required to meet the Rules of The Toronto Stock Exchange. At the date hereof, the amendment to the 1995 Option Plan is subject to regulatory approval.

The 1995 Option Plan is intended to encourage ownership of common shares by employees (including contract employees), consultants, and directors and thereby provide additional incentive for them to promote the success of the Company in a highly competitive business environment. Under the 1995 Option Plan, the maximum number of common shares which may be issued is 4,906,000. The 1995 Option Plan is more fully described in this Proxy Circular under the heading "Stock Option Plans." In the view of the Board of Directors, it is necessary and appropriate to increase the specified maximum number of common shares issuable under the 1995 Option Plan in order to permit the continued grant of options to attract and retain talented individuals in accordance with the purposes of the 1995 Option Plan. Accordingly, the Board of Directors has determined that the total maximum number of common shares reserved for issuance under the 1995 Option Plan should be increased by 2,000,000 to 6,906,000. The new specified maximum number of shares that may be issuable under the 1995 Option Plan would represent approximately % of the issued and outstanding common shares at the date of this Proxy Circular. This increase in the 1995 Option Plan together with other common shares reserved for issuance pursuant to share compensation arrangements of the Company represents approximately % of the issued and outstanding common shares as of the date of this Proxy Circular.

The Toronto Stock Exchange Policy requires a specified maximum number of shares issuable under the 1995 Option Plan to be stated therein. The Toronto Stock Exchange Policy also requires a shareholder vote to be taken where, among other matters, the maximum number of shares reserved for issuance pursuant to stock options may exceed 10% of the outstanding shares.

RECOMMENDATION OF THE BOARD OF DIRECTORS

The Board of Directors recommends that the shareholders approve the amendment to the 1995 Option Plan and vote for the adoption of Resolution No. 3. In order to be effective, Resolution No. 3 must be approved by a majority of votes cast at the meeting.

OTHER BUSINESS

Management does not know of any matters to be brought before the Meeting other than those set forth in the Notice accompanying this Circular.
