Item 7.01 Regulation FD Disclosure

On or about November 15, 2011, Newfield Exploration Company (the “Company”) received a letter from the Central Laborers’ Pension Fund (the “Central Laborers’ Fund”) that included a stockholder proposal to implement a policy at the Company that would separate the roles of the Chief Executive Officer and the Chairman of the Board (the “Stockholder Proposal”). The Stockholder Proposal was included as Item 4 in the Proxy Statement distributed to stockholders on or about March 23, 2012. Prior to receiving the Stockholder Proposal, the Company’s Board of Directors was in the process of revising its Corporate Governance Guidelines, which included an expanded explanation of the roles and responsibilities of the independent Lead Director. On February 10, 2012, the Company’s Board of Directors adopted new Corporate Governance Guidelines, which are available for review on the Company’s website, www.newfield.com, under the heading “Corporate Governance”. After communications with the Central Laborers’ Fund, the Company received a letter dated March 23, 2012 from the Central Laborers’ Fund withdrawing the Stockholder Proposal. As a result, the Stockholder Proposal will not be presented, and no vote will be required with respect thereto, at the Company’s 2012 Annual Meeting of Stockholders to be held on May 4, 2012.
