PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS
May 20, 2003

The enclosed proxy is solicited by and on behalf of the Board of Directors of CONMED Corporation (the "Company") for use at the Annual Meeting of Shareholders to be held on Tuesday, May 20, 2003, at 3:30 p.m. (New York time), at the offices of the Company at 525 French Road, Utica, New York, and any adjournment thereof. The matters to be considered and acted upon at such meeting are described in the foregoing notice of the meeting and this proxy statement. This proxy statement, the related form of proxy and the Company's Annual Report to Shareholders are being mailed on or about April 15, 2003, to all shareholders of record on March 31, 2003. Shares of the Company's common stock, par value \$.01 per share ("Common Stock") represented in person or by proxy will be voted as described in this proxy statement or as otherwise specified by the shareholder. Any proxy given by a shareholder may be revoked by the shareholder at any time prior to the voting of the proxy by delivering a written notice to the Secretary of the Company, by executing and delivering a later-dated proxy or by attending the meeting and voting in person.

Edgar Filing: CONMED CORP - Form DEF 14A

The persons named as proxies are Eugene R. Corasanti and Robert E. Remmell, who are presently directors and, in the case of Mr. Corasanti, an officer of the Company. The cost of preparing, assembling and mailing the proxy, this proxy statement and other material enclosed, and all clerical and other expenses of solicitations, will be borne by the Company. In addition to the solicitation of proxies by use of the mails, directors, officers and employees of the Company and its subsidiaries may solicit proxies by telephone, telegram or personal interview. The Company also will request brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to the beneficial owners of Common Stock held of record by such parties and will reimburse such parties for their expenses in forwarding soliciting material.

Votes at the 2003 Annual Meeting will be tabulated by a representative of Registrar and Transfer Company, which has been appointed by the Company's Board of Directors to serve as inspector of election.

VOTING RIGHTS

The holders of record of the 28,907,933 shares of Common Stock outstanding on March 31, 2003 will be entitled to one vote for each share held on all matters coming before the meeting. The holders of record of a majority of the outstanding shares of Common Stock present in person or by proxy will constitute a quorum for the transaction of business at the meeting. Shareholders are not entitled to cumulative voting rights. Under the rules of the Securities and Exchange Commission, or the SEC, boxes and a designated blank space are provided on the proxy card for shareholders if they wish either to abstain on one or more of the proposals or to withhold authority to vote for one or more nominees for director. In accordance with New York State law, such abstentions are not counted in determining the votes cast at the meeting. With respect to Proposal (1), the director nominees who receive the greatest number of votes at the meeting will be elected to the Board of Directors of the Company. Votes against, and votes withheld in respect of, a candidate have no legal effect. Proposal (2) requires the affirmative vote of the holders of a majority of the votes cast at the meeting in order to be approved by the shareholders.

When properly executed, a proxy will be voted as specified by the shareholder. If no choice is specified by the shareholder, a proxy will be voted "for" all portions of items (1) and (2) and in the proxies' discretion on any other matters coming before the meeting.

Under the rules of the New York Stock Exchange, Inc., which effectively govern the voting by any brokerage firm holding shares registered in its name or in the name of its nominee on behalf of a beneficial owner, Proposals (1) and (2) are considered "discretionary" items upon which brokerage firms may vote in their discretion on behalf of their clients if such clients have not furnished voting instructions within ten days prior to the Annual Meeting.

I. PROPOSALS TO BE SUBMITTED AT THE SHAREHOLDERS MEETING

There are two proposals expected to be submitted for shareholder approval. The first concerns the election of directors. The second concerns ratifying the appointment of the Company's independent auditors. These proposals are more fully described below.

PROPOSAL ONE: ELECTION OF DIRECTORS

At the meeting, eight directors are to be elected to serve on the Company's Board of Directors. The shares represented by proxies will be voted as specified by the shareholder. If the shareholder does not specify his or her

Edgar Filing: CONMED CORP - Form DEF 14A

choice, the shares will be voted in favor of the election of the nominees listed on the proxy card, except that in the event any nominee should not continue to be available for election, such proxies will be voted for the election of such other persons as the Board of Directors may recommend. The Company does not presently contemplate that any of the nominees will become unavailable for election for any reason. The director nominees who receive the greatest number of votes at the meeting will be elected to the Board of Directors of the Company. Votes against, and votes withheld in respect of, a candidate have no legal effect. Shareholders are not entitled to cumulative voting rights.

The Board of Directors presently consists of seven directors. Directors hold office for terms expiring at the next annual meeting of shareholders and until their successors are duly elected and qualified. Each of the nominees proposed for election at the Annual Meeting is presently a member of the Board of Directors and has been elected by the shareholders, with the exception of Ms. Golden, who is not a member of the Board of Directors.

The following table sets forth certain information regarding the members of, and nominees for, the Board of Directors:

The Board of Directors recommends a vote FOR this proposal.

PROPOSAL TWO: INDEPENDENT PUBLIC ACCOUNTANTS

The independent accountants for the Company have been PricewaterhouseCoopers LLP since 1982. The Audit Committee recommended to the Board of Directors that PricewaterhouseCoopers LLP be nominated as independent accountants for 2003, and the Board has approved the recommendation.

Unless otherwise specified, shares represented by proxies will be voted for the ratification of the appointment of PricewaterhouseCoopers LLP as independent accountants for 2003. Neither our certificate of incorporation nor our by-laws require that the shareholders ratify the appointment of PricewaterhouseCoopers LLP as our independent accountants. We are doing so because we believe it is a matter of good corporate governance. If the shareholders do not ratify the appointment, the Board of Directors and the Audit Committee will reconsider whether or not to retain PricewaterhouseCoopers LLP, but may elect to retain them. Even if the appointment is ratified, the Board of Directors and the Audit Committee in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of the Company and its shareholders.

Representatives of PricewaterhouseCoopers LLP are expected to be present at the meeting. Such representatives will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of votes cast at the meeting is necessary for the ratification of the appointment of PricewaterhouseCoopers LLP as independent accountants for the Company for 2003.

D. AUDIT COMMITTEE REPORT

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. The Board of Directors, in its business judgment, has determined that all members of the Audit Committee are "independent", as required by applicable listing standards of NASDAQ, in that no member of the Audit Committee has received any payments, other than compensation for Board services from the Company. Although not currently engaged professionally in the practice of auditing or accounting, the Audit Committee and Board of Directors have determined that Messrs. Daniels and Matthews qualify as "audit committee financial experts" within the meaning of Section 407 of the Sarbanes-Oxley Act of 2002 and the implementing regulations. The Audit Committee operates pursuant to a Charter that was last amended and restated by the Board of Directors on March 17, 2003. A copy of the amended and restated charter is attached to this proxy statement.

Management is responsible for CONMED's internal controls, financial reporting process and compliance with laws and regulations. The independent accountants are responsible for performing an independent audit of CONMED's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes, as well as to attend to the matters set forth in the amended and restated charter.

In this context, the Audit Committee has met and held discussions with management and with the independent auditors, including executive meetings without management present. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the independent accountants. The Audit Committee discussed with the independent auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

CONMED's independent auditors also provided to the Audit Committee the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with the independent accountants their independence. In this regard, the Audit Committee has determined that the provision of non-audit

services by the independent auditors is compatible with the auditor's independence in light of the nature and extent of permissible non-audit services provided to the Company.

Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact "independent".

Based upon the Audit Committee's review and discussions referred to above, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended that the Board of Directors include the Company's audited consolidated financial statements in CONMED's Annual Report on Form 10-K for the year ended December 31, 2002 filed with the SEC.

A total of 2,500,000 shares of Common Stock (subject to adjustment for stock splits and other changes in the Company's capital structure) had been reserved against the issuance of awards to be granted under the 1999 LTIP. Shares reserved under an award which for any reason expires or is terminated, in whole or in part, shall again be available for the purposes of the 1999 LTIP. As of March 31, 2003, options relating to 1,984,127 shares of Common Stock have been granted and not terminated under the 1999 LTIP. As of March 31, 2003, 830,441 of the options are exercisable. Under the 1992 Plan, in the discretion of the Stock Option Committee of the Board of Directors, options may be granted to officers and key employees of the Company and its subsidiaries for the purchase of shares of Common Stock. The Stock Option Committee presently consists of Messrs. Rimmell, Daniels and Dr. Schwartz.

Edgar Filing: CONMED CORP - Form DEF 14A

options to be granted under the 1992 Plan. Shares reserved under an option which for any reason expires or is terminated, in whole or in part, shall again be available for the purposes of the 1992 Plan. No additional options are available to be granted under the 1992 Plan. Options relating to 3,000,000 shares of Common Stock have been granted and not terminated under the 1992 Plan, of which options relating to 1,352,317 shares of Common Stock are still exercisable.

The 1983 Plan

In June 1983, the shareholders of the Company approved an employee stock option plan (the "1983 Plan"), which was subsequently amended and approved by the shareholders on June 30, 1987 and April 10, 1992. Options may be granted which are (i) incentive stock options within the meaning of Internal Revenue Code Section 422 or (ii) options other than incentive stock options (i.e., non-qualified options). Pursuant to the 1983 Plan, officers and key employees of the Company were eligible for grants of stock options at the fair market value of the Company's Common Stock on the date of grant, exercisable commencing one year after grant. The 1983 Plan is administered by the Stock Option Committee.

Under the Non-Employee Directors Plan, each Non-Employee Director elected, reelected or continuing as a director receives 4,500 options (which are non-qualified stock options under the Internal Revenue Code of 1986) with an option price equal to the fair market value of the Company's Common Stock on the business day following each annual meeting of the shareholders.

A total of 212,500 shares of Common Stock (subject to adjustment for stock splits and other changes in the Company's capital structure) are reserved against the exercise of options to be granted and not terminated under the Non-Employee Directors Plan, of which options for 83,334 shares of Common Stock have been granted and options for 49,564 shares are still exercisable. I. PENSION PLANS

The Company maintains a broadly based defined benefit pension plan (the "Pension Plan") for all employees. The Pension Plan entitles a participant to a normal monthly retirement benefit equal to 1 1/2% of the participant's average monthly earnings over the period of employment times years of service. The deferred compensation for Messrs. E. and J. Corasanti is not included in the

Edgar Filing: CONMED CORP - Form DEF 14A

calculation of retirement benefits. Benefits are fully vested after five years of service, starting from date of hire. Upon reaching normal retirement age, generally age 65 with five years of credited service, participants are entitled to receive vested benefits under the Pension Plan either in the form of a lump sum payment or a monthly retirement benefit.

The Pension Plan represents a "fresh start" as of January 1, 1989, replacing the three pension plans formerly in place. The three former plans have been merged into the Pension Plan, which is the former broadly based plan with the benefit formula increased from 1/2% of pay to 1 1/2% of pay. Benefits accrued by participants under the former plans became fully vested as of December 31, 1988 and are paid, when due, from this "fresh start" Pension Plan. Benefits accrued under the former plans are payable from the Pension Plan in addition to the benefits to be received under the Pension Plan.

As of December 31, 2002, Messrs. E. Corasanti, J. Corasanti and Abraham had seven, ten and six years of credited service, respectively in the Conmed Pension Plan. Messrs. Woodard and Starr had three and two years of credited service in the Linvatec and CONMED Electrosurgery Pension Plans respectively. The first table presents information concerning the annual pension payable under the Pension Plan based upon various assumed levels of annual compensation and years of service.

J. COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Company's Board of Directors, pursuant to the terms of the CEO and COO Employment Agreements, establishes the annual salary of Eugene R. Corasanti and Joseph J. Corasanti. The Compensation Committee establishes the compensation plans and specific compensation levels for the Company's other executive and senior officers. The Stock Option Committee administers the Company's stock option plans. The Compensation Committee is presently composed of Messrs. Matthews, Daniels and Mandia. The Stock Option Committee is presently composed of Messrs. Rimmell and Daniels and Dr. Schwartz.

The Board of Directors believes that the compensation of Eugene R. Corasanti, the Company's Chairman and Chief Executive Officer, should be heavily influenced by company performance, long-term growth and strategic positioning. Therefore, although there is necessarily some subjectivity in setting the CEO's salary, major elements of the compensation package are directly tied to company performance, long-term growth and strategic positioning. This philosophy is reflected in Mr. Corasanti's current five-year employment contract, which provides for a base annual salary of \$300,000 and permits the Board of Directors, in its discretion, to establish a higher salary for him. As set forth below, the current annualized base salary for Mr. E. Corasanti is \$370,000.

The Board of Directors believes that the compensation of Joseph J. Corasanti, the President and Chief Operating Officer ("COO"), should also be heavily influenced by company performance, long-term growth and strategic

Edgar Filing: CONMED CORP - Form DEF 14A

positioning. This philosophy is reflected in the employment contract for the COO which is generally similar to the contract provided to the CEO, and which provides for a base annual salary of \$200,000 and permits the Board of Directors to determine a higher salary for the COO in its discretion. As set forth below, the current base salary for Mr. J. Corasanti is \$275,000.

In 2000, the Company continued to integrate its completed acquisitions, again recording record revenues of \$392.2 million. The Company acquired certain minimally invasive surgery products from Imagyn Medical Technologies, Inc. for a cash purchase price of \$6.0 million, subject to additional contingent consideration of up to \$2.0 million. During part of this period, Mr. E. Corasanti managed the operations of Linvatec until a new President was appointed for Linvatec, and Mr. J. Corasanti assumed the responsibilities as President and COO. During this period, the Company also undertook efforts to improve its distribution channels in all product areas and intensified efforts to produce internal growth through the development and introduction of new products. For 2000, excluding certain one-time charges, the Company had net income of \$20.3 million, or \$1.31 per diluted share, or \$0.87 per share when adjusted to account for the September 2001 stock dividend. In light of these factors, the Board of Directors awarded Mr. E. Corasanti 2001 base salary compensation of \$350,000 and awarded Mr. J. Corasanti 2001 base salary compensation of \$225,000.

In addition, the Board of Directors awarded Mr. E. Corasanti an increase in deferred compensation to \$200,000 for 2000 and subsequent years and awarded Mr. J. Corasanti deferred compensation of \$100,000 in 2000, 2001 and 2002 under the terms of his employment agreement.

In 2001, the Company continued to focus on internal growth through the introduction of new products, even as it continued to integrate the Imagyn acquisition from the fall of 2000. In addition, the Company completed a second Imagyn acquisition that prompted the creation of an Endoscopy product line with a dedicated sales force. In addition, the Company acquired real estate which was significant to the operations of its orthopedic subsidiary, and secured less expensive financing through a \$50.0 million accounts receivable securitization. With the trend of increasing revenues and earnings for 2001, the

- 19 -

Board of Directors approved an increase in base compensation for Mr. E. Corasanti to \$350,000. In addition, the Board of Directors, with Messrs. E. Corasanti and J. Corasanti abstaining, voted to approve a five-year extension to the employment agreement of Mr. E. Corasanti together with a grant of options relating to 75,000 shares of common stock. In light of the Company's performance during 2001, a bonus of \$52,502 was awarded to Mr. E. Corasanti and a bonus of \$34,655 was awarded to Mr. J. Corasanti.

In 2002, the Company continued to focus on internal growth, through the introduction of a number of new products and improved distribution. In addition, the Company completed a number of strategic acquisitions and continued to integrate completed acquisitions. While the Company experienced record revenues and earnings, the results recognized at the end of the year were nonetheless lower than expected. In light of the continued trend toward increasing revenues and earnings, as well as the improvements to the Company's balance sheet, the Board of Directors, with Messrs. E. Corasanti and J. Corasanti abstaining, approved an increase in base compensation for Mr. E. Corasanti to \$350,000, and approved an increase in base compensation for Mr. J. Corasanti to \$275,000. In light of the year-end results proving to be lower than expected, no bonuses were paid to Messrs. E. Corasanti and J. Corasanti. Likewise, no officers were

Edgar Filing: CONMED CORP - Form DEF 14A

awarded any bonus in light of the final year-end performance.

The Compensation Committee has adopted similar policies with respect to compensation of the other executive officers of the Company. The Company's performance, long-term growth and strategic positioning and the individual's past performance and future potential are considered in establishing the base salaries of executive officers. The policy regarding other elements of the compensation package for executive officers is similar to the CEO's in that the package is tied to achievement of performance targets. In light of the Company's performance during 2002, Mr. E. Corasanti was granted options relating to 112,500 shares, and Mr. J. Corasanti was granted options relating to 112,500 shares. In 2002, the Compensation Committee also granted options to certain other executive officers.

Stock options are granted to the Company's executive officers primarily based on the executive's ability to influence the Company's long-term growth and profitability. The number of options granted is determined by using the same subjective criteria. All options are granted at the current market price. Since the value of an option bears a direct relationship to the Company's stock price, it is an effective incentive for managers to create value for shareholders. The Committee therefore views stock options as an important component of its long-term, performance-based compensation philosophy.

The Board of Directors has not yet adopted a policy with respect to qualification of executive compensation in excess of \$1 million per individual for deduction under Section 162(m) of the Internal Revenue Code of 1986, as amended, and the regulations thereunder. The Board of Directors does not anticipate that the compensation of any executive officer during 2003 will exceed the limits for deductibility. In determining a policy for future periods, the Board of Directors would expect to consider all relevant factors, including the Company's tax position and the materiality of the amounts likely to be involved.

K. BOARD OF DIRECTORS INTERLOCKS AND INSIDER PARTICIPATION; CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Company's Board of Directors, which is presently composed of Eugene R. Corasanti, Joseph J. Corasanti, Bruce F. Daniels, William D. Matthews, Robert E. Rimmell, Stuart J. Schwartz, and Stephen Mandia establishes the compensation plans and specific compensation levels for Eugene R. Corasanti directly (with Messrs. E. Corasanti and J. Corasanti abstaining) and for other executive officers through the Compensation Committee, and administers the Company's stock option plans through the Stock Option Committee. As disclosed above, Eugene R. Corasanti, the Chairman of the Board of Directors, is the Chief Executive Officer of the Company and also serves as an officer of the Company's

- 20 -

subsidiaries. Joseph J. Corasanti, a director of the Company, is the President and Chief Operating Officer of the Company, and also serves as an officer of several of the Company's subsidiaries and is the son of Eugene R. Corasanti.

Robert E. Rimmell had served as the Assistant Secretary of the Company, and as an officer of several of the Company's subsidiaries, until March 1, 2000, when he resigned from those positions. Mr. Rimmell is a partner in the law firm of Steates, Rimmell, Steates and Dziekan, which has served as counsel to the Company. The Company made payments to the firm of \$5,826 in 2002.

During 2002, the Company made aggregate payments of \$121,444 to with George A. Nole & Son, Inc., a construction company, in connection with certain

Edgar Filing: CONMED CORP - Form DEF 14A

renovations being made to one of the Company's Central New York facilities. The sole shareholder of George A. Nole & Son, Inc., a New York corporation, is Angelo Nole, who is the brother-in-law of Eugene R. Corasanti. The sub-contractors were awarded contracts following a competitive bidding process which was conducted through an architectural firm.

During 2002, the Company made aggregate payments of \$3,917 to Cohen & Cohen, a Utica, New York law firm partnership consisting of Daniel Cohen and Richard Cohen, the father-in-law and brother-in-law, respectively, of Joseph J. Corasanti. These payments related to fees associated with representation of the Company in connection with certain litigation matters in Utica, New York.

Through December 31, 2001, the Company had all premiums on three split-dollar life insurance policies with face amounts totaling \$3,175,000 for the benefit of Eugene R. Corasanti. The Company did not pay or accrue premiums in the fiscal year ended December 31, 2002. Premiums paid by the Company in prior years are treated by the Company as a loan to Mr. Eugene Corasanti, and at December 31, 2002, the aggregate amount due the Company from Mr. E. Corasanti related to these split-dollar life insurance policies is \$637,200. This amount (and loans, if any, for future premiums) will be repaid to the Company on Mr. E. Corasanti's death and the balance of the policy will be paid to Mr. E. Corasanti's estate or beneficiaries.

The Company likewise paid certain premiums associated with a split-dollar life insurance policy totaling \$1,000,000 for the benefit of Joseph J. Corasanti. The Company did not pay or accrue premiums in the fiscal year ended December 31, 2002. Premiums paid by the Company in prior years are treated by the Company as a loan to Mr. J. Corasanti, and at December 31, 2002, the aggregate amount due the Company from Mr. J. Corasanti related to these split-dollar life insurance policies is \$11,900. This amount (and loans, if any, for future premiums) will be repaid to the Company on Mr. J. Corasanti's death and the balance of the policy will be paid to Mr. J. Corasanti's estate or beneficiaries.

In connection with the enactment of the Sarbanes-Oxley Act of 2002 (the "Act") and the general prohibition against loans to officers, subject to an exception for certain pre-existing loan arrangements, the Board of Directors and management opted, as of October 2002, to stop making the premium payments which previously had been accounted for as loans pending further clarification of the regulations and interpretation of the Act. The policies for which the Company had previously been funding premium payments have cash balances sufficient to permit the payment of premiums. The Board of Directors and management may, however, elect to resume such payments if management and the Board of Directors conclude that the obligation to make such payments was maintained by the Company on the date of the enactment of the Act and was not materially modified pursuant to Section 402 of the Act and the implementing regulations, or if such payments are otherwise permitted.

No director may serve as a member of the Audit Committee if such director serves on the audit committee of more than two other public companies unless the Board of Directors determines that such simultaneous service would not impair the ability of such director to effectively serve on the Audit Committee, and discloses this determination in the Company's annual proxy statement. No member of the Audit Committee may receive (or shall have received during the preceding five years) any compensation from the Company other than (i) director's fees, which may be received in cash, stock options or other in-kind consideration ordinarily available to directors; (ii) a pension or other deferred compensation for prior service that is not contingent on future service; and (iii) any other regular benefits that other directors receive.
