Such statements reflect the current view of the Company with respect to future events and are subject to risks, uncertainties, assumptions and other factors relating to the Company and its subsidiaries, their industry, their operations and results of operations and any businesses that may be acquired by the Company. These risks include those described in the Company's Annual Report on Form 10-K for fiscal 2007. ### Item 1.01. Entry into a Material Definitive Agreement.

On April 28, 2008, the Company entered an amendment (the *Amendment*) to its Loan Agreement and related Revolving Note (collectively, the *Credit Facility*) with U.S. Bank National Association (the *Bank*). The Amendment extended the maturity date to November 15, 2009, increased the facility for letters of credit to \$15 million, and furthermore allowed for letters of credit of up to \$3 million to have an expiration date of no later than November 15, 2010. As of April 28, 2008, there were no outstanding advances under the Credit Facility.

As a result of the expansion of its international business, the Company has determined that additional increases in its facilities for letters of credit were necessary to secure future business.

The foregoing description of the Credit Facility is qualified in its entirety by reference to the Amendment, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.

### Item 2.03. Creation of a Direct Financial Obligation Under an Off-Balance Sheet Arrangement of a Registrant.
