WHEREAS, the investment companies that are parties to this Agreement are management investment companies registered under the Investment Company Act of 1940, as amended (the "Act"); and

WHEREAS, AllianceBernstein L.P. provides investment advisory services and/or certain administrative and financial services to the investment companies; and

WHEREAS, Rule 17g-1, as amended, promulgated under the Act requires registered management investment companies to provide and maintain fidelity bonds covering their officers and employees in amounts no less than stated minimums based upon the gross assets of such registered management investment companies; and

WHEREAS, Paragraph (b) of Rule 17g-1 permits registered management investment companies which are managed and/or whose shares are distributed by the same person to be named as insured under a joint bond; and

WHEREAS, the investment companies are registered management investment

companies managed by AllianceBernstein L.P.; and

WHEREAS, the Board of Directors of the Sanford C. Bernstein Fund, Inc. ("SCB Fund") elected to calculate the required amounts of fidelity bond coverage on a basis that treated each portfolio of SCB Fund as a separate registered management investment company for purposes of Rule 17g-1, even though not required to do so under the Rule; and

WHEREAS, the Boards of Directors or Trustees of each investment company that is a party to this agreement other than SCB Fund (each such investment company, an "AB Fund", and together, the "AB Funds") that has multiple portfolios elected to calculate the required amounts of fidelity bond coverage on a basis that treated such an investment company as a single registered management investment company for purposes of Rule 17g-1; and

WHEREAS, the Board of Directors or Trustees of each of the investment companies has approved coverage under one joint fidelity bond with each of the other investment companies which are parties to this Agreement in the respective amounts set forth in Schedule A to this Agreement; and

WHEREAS, the Board of Directors or Trustees of each of the investment companies has approved an extension of the 2008-2009 joint fidelity bond such that it shall expire on May 15, 2009 instead of March 6, 2009; and

WHEREAS, The Boards of Directors or Trustees of each of the investment companies have re-calculated the amount of fidelity bond coverage necessary for the investment companies to comply with Rule 17g-1 during the extension period using gross asset values as of February 28, 2009.

NOW, THEREFORE, it is agreed as follows:

1. That the investment companies which are parties to this Agreement will be named as insured and will be covered under a joint fidelity bond with National Union Fire Insurance Co. (AIG), Zurich Insurance Company, Continental Insurance Company (CNA), Fidelity & Deposit Company of Maryland and Liberty Mutual Insurance Company in the aggregate amount of \$57,000,000 at a total annual premium of \$49,860.00, each such investment company having specific coverage in accordance with Rule 17g-1(d) and each such investment company (or portfolio thereof) allocated a portion of the premium for the insured bond in the respective amounts set forth in Schedule A opposite its name. The required coverage amount (as determined pursuant to the elections of the respective Boards) for each investment company is also shown opposite the name of each investment company in a separate column on Schedule A.
2. AllianceBernstein L.P. has been named an insured under the joint fidelity bond for administrative convenience. The parties agree that in no event will AllianceBernstein L.P. be entitled to retain any recovery payable under the joint fidelity bond, although it may receive payments for distribution to one or more investment companies to facilitate the administration of the insured bond.
3. (a) If any investment company and one or more other parties hereto that is an investment company sustains a loss for which recovery is received under the policy, each such investment company shall receive that portion of the recovery which is sufficient in amount to indemnify that party in full for the loss sustained by it (other than the portion thereof subject to a deductible), unless the recovery is inadequate to fully indemnify all investment companies for such losses (other than the portions thereof subject to deductibles).

(b) If the recovery is inadequate to indemnify fully each such party for such loss (other than the portion thereof subject to a deductible), the recovery shall be allocated among the parties as follows:

(i) The AB Funds shall be allocated an aggregate amount equal to the lesser of (A) their actual aggregate loss (net of any deductible) and (B) the sum of \$40.175 million plus the difference between \$16.825 million and the amount of the loss recovered by the SCB Fund under clause (ii). Such amount shall be allocated among the AB Funds on an equitable and proportionate basis as determined by their respective Boards of Directors or Trustees, but each AB Fund shall be allocated an amount at least equal to the amount which it would have received had it provided and maintained a single insured bond with the minimum coverage required by Rule 17g-1(d)(1).

(ii) SCB Fund shall be allocated an aggregate amount equal to the lesser of (A) its actual loss (net of any deductible) and (B) the sum of \$16.825 million plus the difference between \$40.175 million and the amount of the loss recovered by the AB Funds under clause (i). Such amounts shall be allocated among the portfolios of the SCB Fund on an equitable and proportionate basis as determined by the Board of Directors of the SCB Fund, but each portfolio shall be allocated an amount at least equal to the amount which it would have received had it provided and maintained a single insurance bond with the minimum coverage required by Rule 17g-1(d)(1), assuming that such portfolio would be deemed a separate registered investment company for such purposes.

(iii) Where a compromise results in recovery by either or both of SCB Fund and one or more of the AB Funds of less than the full amount of its (or their) actual aggregate loss covered by the fidelity bond, the recovery shall be allocated consistent with (i) and (ii) above, without regard to the proportion of the actual aggregate loss recovered, and with the \$16.825 million and \$40.175 million amounts being reduced proportionate to any reduction to the \$57 million total insured bond as a result of such compromise unless the compromise was based on facts and circumstances particular to one or more, but fewer than all, insured parties seeking to recover, in which case one or both of the \$16.875 million or \$40.175 million amounts will be adjusted in an equitable manner taking into account the particular facts and circumstances and the principles reflected above.

4. This Agreement shall be governed by and construed in accordance with the laws of the State of New York.
