DIANA CONTAINERSHIPS INC. ANNOUNCES ONE-FOR-SEVEN
REVERSE STOCK SPLIT

ATHENS, GREECE, June 30, 2017 – Diana Containerships Inc. (NASDAQ: DCIX), (the "Company"), a global shipping company specializing in the ownership of containerships, today announced that its Board of Directors (the "Board") has determined to effect a reverse stock split of the Company's common shares, par value \$0.01 per share, at a ratio of one-for-seven. The Company's shareholders approved the reverse stock split and granted the Board the authority to determine the exact split ratio and proceed with the reverse stock split at the Company's Annual Meeting of Shareholders held on June 29, 2017.

The reverse stock split will take effect, and the Company's common stock will begin trading on a split-adjusted basis on The Nasdaq Global Select Market, as of the opening of trading on or around July 5, 2017 under the existing trading symbol "DCIX." The new CUSIP number for the Company's common stock following the reverse stock split is Y2069P200.

Upon effectiveness of the reverse stock split, every seven shares of the Company's issued and outstanding common stock will be automatically combined into one issued and outstanding share of common stock, without any change to the par value per share. This will reduce the number of outstanding common shares of the Company from approximately 14.4 million shares to approximately 2.1 million shares.

No fractional shares will be issued in connection with the reverse stock split. Shareholders who would otherwise hold a fractional share of the Company's common stock will receive a cash payment in lieu thereof at a price equal to that fraction to which the shareholder would otherwise be entitled multiplied by the closing price of the Company's common stock on The Nasdaq Global Select Market on the last trading day prior to the effective date of the reverse stock split.

Shareholders with shares held in book-entry form or through a bank, broker, or other nominee are not required to take any action and will see the impact of the reverse stock split reflected in their accounts on or after the effective date. Such beneficial holders may contact their bank, broker, or nominee for more information.

Shareholders with shares held in certificate form will receive instructions from the Company's exchange agent, Computershare, for exchanging their stock certificates for a new certificate representing the shares of common stock resulting from the reverse stock split.

Additional information about the reverse stock split can be found in the Company's proxy statement mailed to shareholders on or around June 5, 2017, a copy of which was furnished to the Securities and Exchange Commission on June 6, 2017 on the Company's Report of Foreign Private Issuer on Form 6-K and is available on the Securities and Exchange Commission's website at www.sec.gov.
