VIEX OPPORTUNITIES FUND, LP – SERIES ONE

_____, 2016

Dear Fellow Stockholder:

VIEX Opportunities Fund, LP – Series One, part of a series of VIEX Opportunities Fund, LP, a Delaware series limited partnership, and the other participants in this solicitation (collectively, “VIEX” or “we”) are the beneficial owners of an aggregate of 8,181,218 shares of common stock, par value \$0.0001 per share (the “Common Stock”), of Support.com, Inc., a Delaware corporation (the “Company”), representing approximately 14.9% of the outstanding shares of Common Stock. For the reasons set forth in the attached Proxy Statement, we believe significant changes to the composition of the Board of Directors of the Company (the “Board”) are necessary in order to ensure that the Company is being run in a manner consistent with your best interests. We are seeking your support for the election of our five nominees at the annual meeting of stockholders scheduled to be held on Friday, June 24, 2016, at 10:00 a.m. Pacific Time, at the Hyatt House Belmont/Redwood Shores hotel located at 400 Concourse Drive, Belmont, California 94002 (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”). We are seeking representation on the Board because we believe that the Board should include stockholder representatives who have appropriate and relevant skill sets, independence and a shared objective of enhancing value for the benefit of all of the Company’s stockholders. The individuals we have nominated are highly qualified, capable and committed to serve stockholders to help make Support.com a stronger, more profitable and more valuable company.

Our interests are fully aligned with the interests of all Support.com stockholders. We believe there is significant value to be realized at Support.com. However, we are concerned that the Board is not taking the appropriate actions to address the Company’s perennial underperformance and unlock value for the benefit of all stockholders. Given the Company’s history of poor financial and stock price performance and failed execution under the oversight of the incumbent Board (which now includes three recent additions who were unilaterally appointed without stockholder input), we strongly believe that the Board must be reconstituted to ensure that the interests of the stockholders, the true owners of Support.com, are appropriately represented in the boardroom, and that the Board takes the necessary steps to help the Company’s stockholders realize maximum value for their investment.

There are six directorships up for election at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our five nominees in opposition to the Company’s director nominees. The enclosed Proxy Statement is soliciting proxies to elect only our five nominees. Accordingly, the enclosed GOLD proxy card may only be voted for our nominees and does not confer voting power with respect to any of the Company’s director nominees. Stockholders who return the GOLD proxy card will only be able to vote for our five nominees and will not have the opportunity to vote for the one other seat up for election at the Annual Meeting. You can only vote for the Company’s director nominees by signing and returning a proxy card provided by the Company. Stockholders should refer to the Company’s proxy statement for the names, backgrounds, qualifications and other information concerning the Company’s nominees. Your vote to elect our nominees will have the legal effect of replacing five incumbent directors with our nominees. If at least four of our nominees are elected, they will constitute a majority of the Board.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed GOLD proxy card today. The attached Proxy Statement and the enclosed GOLD proxy card are first being mailed to the stockholders on or about [], 2016.

If you have already voted for the incumbent management slate you have every right to change your vote by signing, dating and returning a later dated GOLD proxy card or by voting in person at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact Morrow & Co., LLC, which is assisting us, at their address and toll-free numbers listed below.

Thank you for your support,

/s/ Eric Singer

BACKGROUND TO THE SOLICITATION

The following is a chronology of the material events leading up to this proxy solicitation:

- In May 2014, certain members of VIEX initially acquired shares of Common Stock of Support.com.
- In August 2015, Bradley L. Radoff engaged in multiple telephone conversations with Elizabeth Cholawsky, the Company's President, Chief Executive Officer and a director, and Roop Lakkaraju, the Company's Executive Vice President, Chief Financial Officer and Chief Operating Officer. During the call, the parties discussed VIEX's concerns regarding the failure of the Company's cloud-based software as a service (SaaS) offering Nexus to gain traction and the Company's ongoing losses.
- On September 10, 2015, representatives of VIEX attended the Company's Investor Day in Redwood City, California. At the Investor Day, representatives of VIEX met with Dr. Cholawsky and Mr. Lakkaraju to discuss the Company's corporate strategy.
- In September 2015, representatives of VIEX engaged in multiple telephone conversations with Dr. Cholawsky. During these conversations, the parties discussed the Company's continuing losses and VIEX's concerns that the Company lacks a viable long-term operating plan.
- On October 5, 2015, VIEX filed its initial Schedule 13D with the Securities and Exchange Commission ("SEC") disclosing a 10.5% ownership position in the Company. VIEX also stated its intent to engage in discussions with the Board regarding means to maximize stockholder value, including engaging a recognized investment bank to undertake a thorough review of all strategic alternatives, and the composition of the Board.
- On October 8, 2015, Joshua E. Schechter engaged in a telephone conversation with Dr. Cholawsky to discuss VIEX's concerns with the Company.
 - On October 9, 2015, VIEX issued an open letter to the Board noting the loss of stockholder value under the incumbent Board's watch, including an approximately 40% decline in share price in 2015. VIEX advised the Board not to engage in any material transaction without stockholder approval or prior to stockholders having an opportunity to vote on the composition on the Board. VIEX also made clear that it stood by ready to work constructively with the Board to help address the problems facing the Company. Also on October 9, 2015, VIEX filed an amendment to its Schedule 13D disclosing a 12.3% ownership position in the Company and the issuance of the letter to the Board.
- On October 12, 2015, Mr. Schechter engaged in a telephone conversation with Dr. Cholawsky to discuss the framework of a potential settlement to reconstitute the Board and avoid a proxy contest at the Annual Meeting.
- On October 14, 2015, the Company announced that, effective October 13, 2015, the Board adopted a stockholder rights agreement, or poison pill, generally preventing stockholders from acquiring 15% or more of the Company's outstanding Common Stock, subject to certain exceptions.

- On October 15, 2015, VIEX filed an amendment to its Schedule 13D disclosing a 13.5% ownership position in the Company and criticizing the Board's decision to unilaterally adopt the poison pill without stockholder approval. VIEX also stated its belief that rather than spending stockholder capital on entrenchment mechanisms, the Board should retain an investment bank to undertake a thorough review of strategic alternatives.
- On October 20, 2015, Mr. Schechter engaged in a telephone conversation with Jim Stephens, Chairman of the Board. During the call, Mr. Schechter expressed VIEX's concerns with the Company's cash-burn and lack of clarity on its financial outlook. The parties also discussed VIEX's concerns that the market has not been receptive to the Company's business strategy.
- On October 29, 2015, VIEX received a letter from Mr. Stephens on behalf of the Board regarding the October 12, 2015 meeting between Mr. Schechter and Dr. Cholawsky. In the letter, the Board informed VIEX that it had rejected VIEX's proposed terms for a settlement framework and the Company did not offer a counter proposal. Mr. Stephens concluded the letter with "it is the determination of our Board that your current proposal does not provide the basis for us to discuss a resolution."
- Also on October 29, 2015, VIEX issued a letter to the Board urging the Board to stop wasting corporate resources on entrenchment and to engage with VIEX to address the Company's serious issues including operating performance, the reconstitution of the Board and the engagement of a financial advisor to fully explore strategic alternatives. Also on October 29, 2015, VIEX filed an amendment to its Schedule 13D disclosing a 14.8% ownership position in the Company and the issuance of the letter to the Board.
- In November 2015, Mr. Radoff had multiple telephone conversations with representatives of Support.com regarding the composition of the Board.
- On November 10, 2015, VIEX issued a letter to the Board informing the Board of VIEX's receipt of numerous emails and phone calls in support of VIEX's efforts to improve the Company and that many stockholders have expressed support for the removal of the incumbent Board. VIEX also called on the Board to call a special meeting of stockholders at the earliest possible date to enable stockholders to establish a clear mandate for the Company. In addition, VIEX stated it intended to hold each member of the Board personally liable to the fullest extent permitted by law if the Board enters into a transaction, reverse merger, equity offering or any other material transaction without stockholder approval. Also on November 10, 2015, VIEX filed an amendment to its Schedule 13D disclosing the issuance of the letter to the Board.
- On December 4, 2015, VIEX received a proposed settlement framework from the Company that contemplated expanding the size of the Board from six (6) to eight (8) members, appointing two mutually agreeable candidates to the Board, having one (1) incumbent member of the Board not stand for re-election at the Annual Meeting and reducing the Board to seven (7) members following the Annual Meeting.
- On December 10, 2015, the Company announced that, effective December 10, 2015, the Board approved amendments to amend and restate the Bylaws to, among other things, include new advance notice provisions for valid director nominations and business proposals by stockholders.
- On December 18, 2015, Mr. Radoff had a telephone conversation with Dr. Cholawsky and Mr. Lakkaraju during which Mr. Radoff suggested Richard Bloom and Mr. Schechter as director candidates.

- On December 28, 2015, Mr. Bloom met with Dr. Cholawsky in Thousand Oaks, California. During the meeting, the parties discussed Mr. Bloom's candidacy for the Board.
- On January 6, 2016, Eric Singer met with Dr. Cholawsky in Las Vegas at the CES consumer electronics tradeshow to discuss VIEX's concerns with the Company. Bloom and Schechter would be valuable additions to the Board and could bring fresh perspectives to the Company's strategy and business plan. No mention of a potential proxy contest was made.
- January 9, 2016, Mr. Bloom met with Mark Fries, the then Chairman of the Nominating and Corporate Governance Committee of the Board, in North Hollywood, California. During the meeting, the parties discussed Mr. Bloom's candidacy for the Board.
- On January 13, 2016, Mr. Schechter held a video conference interview with Mr. Stephens and Dr. Cholawsky during which the parties discussed Mr. Schechter's candidacy for the Board. The parties also discussed VIEX's concerns that the market has not been receptive to the Company's business strategy.
- On January 23, 2016, Mr. Radoff received an e-mail from Dr. Cholawsky informing him that the Company had rejected Messrs. Bloom and Schechter as candidates to the Board.
- On January 25, 2016 VIEX issued an open letter to Mr. Stephens in response to the Board's decision to reject two highly-qualified candidates, Messrs. Bloom and Schechter, recommended by VIEX to the Board. In addition, VIEX explained its concern that after two months of attempted negotiations the Board determined that a group that owns approximately 15% of the Company should be refused a single Board seat, especially considering the incumbents have presided over a company with poor share price performance and a significantly negative enterprise value. Also on January 25, 2016, VIEX filed an amendment to its Schedule 13D disclosing the issuance of the letter to Mr. Stephens.
 - On February 18, 2016, Mr. Schechter spoke with Mr. Stephens to discuss how to avoid a proxy contest.
- Also on February 18, 2016, the Company received a letter from the Nasdaq Stock Market notifying the Company that it was no longer in compliance with Marketplace Rule 5450(a)(1), as the bid price of the Company's Common Stock closed below the minimum \$1.00 per share for the 30 consecutive business days preceding February 18, 2016.
- On March 7, 2016, the Company announced that Mr. Fries had resigned from the Board, effective March 4, 2016. The Company also announced that effective March 4, 2016, Tim Stanley was appointed to the Board.
- Also on March 7, 2016, Messrs. Radoff, Schechter and Singer engaged in a conversation with Mr. Stephens during which the parties discussed VIEX's concerns with the viability of the Company's Nexus offering.
- On March 15, 2016, the Company announced that directors Martin O'Malley and Shawn Farshchi had resigned from the Board, effective March 14, 2016. The Company also announced that effective March 14, 2016, Elizabeth Fetter and Lowell Robinson were appointed to the Board.

- On March 25, 2016, Series One delivered a letter to the Issuer nominating Richard Bloom, Brian J. Kelley, Bradley L. Radoff, Joshua E. Schechter and Eric Singer for election to the Board at the Annual Meeting.
- On March 29, 2016, VIEX issued a press release announcing the nomination of the Nominees to the Board. In addition, VIEX expressed its concerns that despite the Board's recent additions, VIEX believes that the Company's operating losses will continue to mount and stockholder value will continue to deteriorate until direct stockholder representatives are added to the Board. Also on March 29, 2016, VIEX filed an amendment to its Schedule 13D disclosing the nomination of the Nominees and the issuance of the press release.
- On April 21, 2016, the Company announced that, effective as of the close of business on April 20, 2016, the Company terminated the poison pill that was adopted on October 13, 2015. The Company also announced that on April 20, 2016 the Board adopted the NOL Plan generally preventing stockholders from acquiring 4.99% or more of the Company's outstanding Common Stock without receiving Board approval.

· On April 22, 2016, the Company filed its preliminary proxy statement.

REASONS FOR THE SOLICITATION

WE BELIEVE THAT CHANGE TO SUPPORT.COM'S BOARD IS NEEDED NOW

Collectively, as the largest stockholder of Support.com, with ownership of approximately 14.9% of the Company's outstanding shares, VIEX has a vested financial interest in maximizing the value of the Company.

Over the past six months, we have made multiple attempts to lead a constructive dialogue with Support.com's Board and management team. Our efforts were met with apparent defensive and reactive changes, such as the unilateral appointment of directors Elizabeth Fetter, Lowell Robinson and Tim Stanley and the unilateral adoption of the stockholder rights agreement, or poison pill (which has since been replaced by the NOL Plan), without stockholder approval.

We have privately and publicly articulated our concerns regarding the Company, including its poor stock price performance, negative enterprise value and seemingly flawed business strategy. We are concerned that Support.com will continue to underperform until the Board is reconstituted with representatives whose interests are better aligned with those of the Company's stockholders. We believe it is evident that real and immediate change is needed on the Board to ensure that the interests of stockholders, the true owners of the Company, are appropriately represented in the boardroom. If our Nominees are elected, the paramount objective of the Board will be maximizing stockholder value. Our Nominees are committed to taking the necessary steps to ensure stockholder value is realized, including by conducting a full review of all operations, reducing corporate expenses and undertaking a full strategic alternatives review process.

We Are Concerned with the Company's Poor Stock Performance under the Leadership of the Incumbent Board and Management Team

The Company's total shareholder returns have been negative over the past one, three, five and ten-year periods. Over each such period, Support.com has significantly trailed the NASDAQ Composite Index and the NASDAQ Computer Index.

	SPRT	NASDAQ Composite Index	NASDAQ Computer Index
1-year	-43%	-2%	0%
3-year	-76%	55%	70%
5-year	-83%	84%	88%
10-year	-79%	135%	135%

Source: Bloomberg, calculated as of April 25, 2016.

It is evident to us that the significant destruction of stockholder value that has persisted over the near and long term under the leadership of the incumbent Board (which now includes three recent additions who were unilaterally appointed without stockholder input) warrants a complete overhaul in the boardroom.

We Are Concerned the Incumbent Board is Committed to a Strategy that has been Rejected by the Market

Since the Company's Q1 2014 earnings call, during which Chairman Stephens (who was also Interim CEO at the time) announced the beta testing of the Company's next generation cloud-based software as a service (SaaS) offering Nexus, the Company's stock price has declined approximately 61.5%¹, leading us to believe that the market has rejected the Nexus strategy. Per the Company's own guidance, the Company is not expected to achieve a breakeven run-rate until

the end of 2018² under its existing strategy, which we do not find particularly encouraging, especially considering Nexus has already fallen behind projections. For example, in the Company's Q3 2015 earnings release, the Company disclosed "Nexus is on a path to meet the Company's 2015 year-end goals of 1,300 to 1,700 seats and \$1 million in annual recurring revenue."³ The actual results for 2015 were 727 seats and \$488,000 in annual recurring revenue.⁴ At the same time, Support.com's cash balances are being depleted in furtherance of the strategy, declining from approximately \$75.5 million at the end of Q1 2014⁵ to an estimated \$50 to \$52 million at year end 2016.⁶

1 Calculated from April 30, 2014 to April 26, 2016.

2 Company Q4 2015 Earnings Call on February 17, 2016.

3 Company Press Release issued October 28, 2015.

4 Company Q4 2015 Earnings Call on February 17, 2016.

5 Company 10-Q filed May 8, 2014.

6 Company Q4 2015 Earnings Call on February 17, 2016.

We Are Concerned with the Company's Poor Corporate Governance Practices and Limitations of Stockholder Rights

We are extremely concerned by the Board's defensive and reactionary approach to our involvement that we believe limits stockholders' rights. Shortly after the filing of our initial Schedule 13D, the Board unilaterally adopted a stockholder rights agreement, or poison pill, which effectively prevented stockholders from acquiring 15% or more of the Company's outstanding Common Stock. Then, just one day prior to filing its preliminary proxy statement, the Company announced that the Board had adopted the NOL Plan effectively preventing stockholders from acquiring 4.99% or more of the Company's outstanding Common Stock without Board approval. In addition, the Board unilaterally adopted numerous amendments to the Bylaws, including new advance notice provisions for valid director nominations and business proposals by stockholders, in an apparent attempt to make it more difficult and costly for stockholders to bring business before meetings. We do not believe the Board should utilize the Company's corporate machinery to insulate itself.

Further, we are disappointed the Board would unilaterally replace half of the incumbent members of the Board without stockholder input following our public efforts to upgrade the Board. It is evident to us that the current Board has not been interested in proactively and continually adding new talent to the Board absent stockholder intervention, and we question the ability of the incumbent Board to properly identify and select candidates who will contribute to the maximization of stockholder value given the significant value destruction that has occurred under the incumbent Board's watch.

We are also concerned with the Company's poor corporate governance that severely limits the ability of stockholders to seek effective change at Support.com. Stockholders are prohibited from taking action by written consent, cannot call special meetings and can amend certain provisions of the Company's organizational documents (including all Bylaw provisions) with a prohibitively high supermajority vote of two-thirds of all outstanding shares.

We are Concerned that the Board is not Aligned with Stockholders as Evidenced by its Minimal Level of Stock Ownership

We believe the Board's ineffectiveness at tackling the persistent destruction of stockholder value is in large part a function of a troubling misalignment of interests between the directors and Support.com's stockholders. Collectively, the members of the Board own outright an aggregate of 204,705 shares of Common Stock, representing less than 0.4% of the Company's outstanding shares. Even when including all unexercised options and awards that vest within 60 days, the members of the Board collectively beneficially own just 506,639 shares, representing beneficial ownership of approximately 0.9% of the outstanding shares. We believe that the low level of stock ownership by the incumbent Board evidences a lack of alignment between their interests and the interests of the Company's current stockholders. We believe the Board is in desperate need of new independent directors whose interests are better aligned with stockholders who have invested their own capital in the Company's stock.

In contrast, our Nominees collectively own an aggregate of 8,181,218 shares of Common Stock, representing approximately 14.9% of the outstanding shares. Mr. Radoff directly owns 875,000 shares, and by virtue of his relationship with BLR Partners as further explained elsewhere in this Proxy Statement, may be deemed the beneficial owner of 3,905,623 shares of Common Stock directly owned by BLR Partners, for an aggregate of 4,780,623 shares of Common Stock, constituting approximately 8.7% of the outstanding shares. Mr. Singer, by virtue of his relationship with Series One as further explained elsewhere in this Proxy Statement, may be deemed the beneficial owner of 3,250,595 shares of Common Stock owned by Series One, constituting approximately 5.9% of the outstanding shares. Mr. Schechter directly owns 100,000 shares of Common Stock, Mr. Bloom directly owns 50,000 shares of Common Stock and Mr. Kelley does not own any shares of Common Stock, constituting approximately 0.2%, 0.1% and 0%, respectively, of the outstanding shares.

Our Nominees are Committed to Taking the Necessary Steps to Maximize Stockholder Value

We have identified five highly qualified, independent directors with relevant business and financial experience who we believe will bring a much needed stockholder perspective into the boardroom and would be valuable in assessing and executing on initiatives to unlock value at the Company. Our slate of Nominees consists of individuals with a blend of operating, turnaround, capital allocation and corporate governance experience who are committed to representing the best interests of the Company's stockholders in the boardroom. If elected, our Nominees will work hard to establish a culture of accountability and will fully and fairly evaluate all opportunities to maximize stockholder value, including, but not limited to:

- Conducting a full review of the Company's operations to determine viability and the best risk adjusted path forward;
- Engaging a financial advisor to explore strategic alternatives available to the Company;
- Improving the Company's corporate governance practices; and
- Reducing corporate expenses.

If elected, our Nominees will bring direct stockholder representation and an owner's mindset to the Board. Our interests are closely aligned with those of all stockholders and we will relentlessly seek to restore the value of our Company for its stockholders.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

The Board is currently composed of six directors, each with terms expiring at the Annual Meeting. We are seeking your support at the Annual Meeting to elect our five Nominees in opposition to the Company's director nominees. Your vote to elect the Nominees will have the legal effect of replacing five incumbent directors with the Nominees. If at least four of the Nominees are elected, such Nominees will represent a majority of the members of the Board. In the event that our director Nominees comprise less than a majority of the Board following the Annual Meeting, there can be no assurance that any actions or changes proposed by our Nominees will be adopted or supported by the full Board.

THE NOMINEES

The following information sets forth the name, age, business address, present principal occupation, and employment and material occupations, positions, offices, or employments for the past five years of each of the Nominees. This information has been furnished to us by the Nominees. Each of the Nominees is a citizen of the United States of America. The nominations were made in a timely manner and in compliance with the applicable provisions of the Company's governing instruments. Mr. Bloom earned a BS summa cum laude in Economic Science from The Wharton School, University of Pennsylvania.

VIEX believes that Mr. Bloom's extensive experience serving in senior executive positions, coupled with his service on various company boards will make him a valuable addition to the Board.

Brian J. Kelley, age 64, has served as the Chief Executive Officer of Four Winds Advisors LLC, where he advises technology focused clients on restructuring, turnaround and business development, since October 2012. Mr. Kelley previously served as the Chief Executive Officer and a director of Alteva, Inc. Mr. Kelley’s professional experience also includes serving as the President of TAMCO Technology Corp., a financial solutions-focused business management and development company concentrated on communications technology asset management, from 2007 to 2010; President, Chief Executive Officer and a director of Cognitronics Corporation, a formerly publicly-traded provider of central-office communications technology hardware and software solutions, from 1994 to 2006; and various senior management positions with TIE/Communications, Inc., a formerly publicly-traded diversified telecommunications services company, from 1981 to 1994. Mr. Kelley holds a Bachelor of Arts degree in Economics from the University of New Hampshire and a Masters in Business Administration degree from the University of Connecticut.

VIEX believes that Mr. Kelley's expertise in the technology industry and his experience leading successful turnarounds of public and private companies in the industry will make him a valuable addition to the Board.

Bradley L. Radoff, age 42, has served as Principal of Fondren Management LP, a private investment management company, since January 2005. Mr. Radoff served as a Portfolio Manager at Third Point LLC, a registered investment advisory firm, from July 2006 to February 2009. He has also served as Managing Director of Lonestar Capital Management LLC, a registered investment advisory firm, from April 2003 to December 2004. Previously, Mr. Radoff served as a director of Citadel Investment Group LLC, a global financial institution, from July 2000 to March 2003. He began his career working as an analyst at Third Point Management LLC, from August 1997 to June 2000, and at Yellowstone Capital LLC, from August 1995 to July 1997. In addition, Mr. Radoff co-founded Snap Kitchen LLC in 2009 and has served as a director there since August 2013. Mr. Radoff has also served as a director of Pogo Producing Company from March 2007 to November 2007 prior to its sale to Plains Exploration. Mr. Radoff graduated summa cum laude with a B.A. in Economics from The Wharton School at the University of Pennsylvania.

VIEX believes that Mr. Radoff's successful career in investment management and advisory and background in finance and accounting will make him an ideal candidate for the Board.

Joshua E. Schechter, age 43, is a private investor. Mr. Schechter has also served as a director of Viad Corp (NYSE:VVI), an S&P SmallCap 600 international experiential services company, since April 2015, where he also serves as a member of its Corporate Governance & Nominating Committee. He previously served as a director of Aderans Co., Ltd. Mr. Schechter previously served on the Board of Directors of The Pantry, Inc. Mr. Schechter earned an MPA in Professional Accounting, and a BBA from The University of Texas at Austin.

VIEX believes that Mr. Schechter's financial and investment experience in a variety of industries, together with his significant experience serving on a number of public company boards, makes him well qualified to serve on the Board.

Eric Singer, age 42, has served as the managing member of each of VIEX GP and VIEX Capital since May 2014. From March 2012 until September 2014, Mr. Singer served as co-managing member of Potomac Capital Management III, L.L.C., the general partner of Potomac Capital Partners III, L.P. ("PCP III"), and Potomac Capital Management II, L.L.C., the general partner of Potomac Capital Partners II, L.P. The principal business of PCP III and PCP II is investing in securities. From July 2007 to April 2009, Mr. Singer was a senior investment analyst at Riley Investment Management. (NASDAQ:SIGM), a semiconductor company, from August 2012 until December 2013, including as its Chairman of the Board from January 2013 until December 2013, and Zilog Corporation (NASDAQ:ZILG), a semiconductor company, from August 2008 until its sale in February 2010. Mr. Singer holds a B.A. from Brandeis University.

VIEX believes that Mr. Singer's financial expertise and significant experience serving as a director of various technology companies, will make him a valuable addition to the Board.

Mr. Bloom's principal business address is 15652 Woodvale Road, Encino, California 91436. Mr. Kelley's principal business address is 92 Four Winds Lane, New Canaan, Connecticut 06840. Mr. Radoff's principal business address is 1177 West Loop South, Suite 1625, Houston, Texas 77027. Mr. Schechter's principal business address is 302 South Mansfield Avenue, Los Angeles, California 90036. Mr. Singer's principal business address is c/o VIEX Capital Advisors, LLC, 825 Third Avenue, 33rd Floor, New York, New York 10022.

As of the date hereof, Mr. Bloom directly owns 50,000 shares of Common Stock. As of the date hereof, Mr. Schechter directly owns 100,000 shares of Common Stock. As of the date hereof, Mr. Kelley does not beneficially own any securities of the Company.

As of the date hereof, Mr. Radoff directly owns 875,000 shares of Common Stock. As the sole shareholder and sole director of each of BLRGP and FMLP, Mr. Radoff may be deemed the beneficial owner of the 3,905,623 shares of Common Stock owned by BLR Partners, as further explained elsewhere in this Proxy Statement.

As of the date hereof, Mr. Singer does not directly own any securities of the Company. As the managing member of each of VIEX GP and VIEX Capital, Mr. Singer may be deemed the beneficial owner of the 3,250,595 shares of Common Stock owned by Series One, as further explained elsewhere in this Proxy Statement.

Each of the Nominees may be deemed to be a member of the Group for the purposes of Section 13(d)(3) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Each of the Nominees specifically disclaims beneficial ownership of shares of Common Stock that he does not directly own, except to the extent of his respective pecuniary interest therein. For information regarding purchases and sales during the past two years by the members of the Group of securities of the Company, see Schedule I.

Series One, VIEX GP, VIEX Capital, BLR Partners, BLRPart GP, BLRGP, Fondren Management, FMLP and Messrs. Radoff and Singer have entered into letter agreements pursuant to which they agreed to indemnify each of Messrs. Bloom, Kelley and Schechter against claims arising from the solicitation of proxies from the Company’s stockholders in connection with the Annual Meeting and any related transactions.

On March 25, 2016, Series One, VIEX GP, VIEX Capital, BLR Partners, BLRPart GP, BLRGP, Fondren Management, FMLP and the Nominees entered into a Joint Filing and Solicitation Agreement in which, among other things, the parties agreed (i) to the joint filing on behalf of each of them of statements on Schedule 13D, and any amendments thereto, with respect to the securities of the Company to the extent required by applicable law, (ii) to solicit proxies for the election of the Nominees at the Annual Meeting and (iii) that all expenses incurred in connection with the solicitation shall be split between BLR Partners and its affiliates (60%) and Series One and its affiliates (40%).

Other than as stated herein, there are no arrangements or understandings between members of the Group or any other person or persons pursuant to which the nomination of the Nominees described herein is to be made, other than the consent by each of the Nominees to be named in this Proxy Statement and to serve as a director of the Company if elected as such at the Annual Meeting. None of the Nominees are a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceedings.

Each Nominee presently is, and if elected as a director of the Company, each of the Nominees would, in our view, be, an “independent director” within the meaning of (i) applicable NASDAQ listing standards applicable to board composition, including Rule 5605(a)(2), and (ii) Section 301 of the Sarbanes-Oxley Act of 2002. No Nominee is a member of the Company’s compensation, nominating or audit committee that is not independent under any such committee’s applicable independence standards.

If VIEX is successful in electing at least four of the Nominees at the Annual Meeting, then a change in control of the Board may be deemed to have occurred under certain of Support.com’s material contracts and agreements, and such a change in control may trigger certain change in control provisions or payments in certain of the Company’s plans and agreements, including in the Company’s employment agreements with its named executive officers (NEOs), and certain equity plans. With respect to the Company’s employment agreements with its NEOs, the change in control provisions are “double-trigger” provisions, meaning that a change of control in and of itself does not trigger any payments, but rather there would also need to be either a termination of the executive without “cause” or a voluntary resignation by the executive for “good reason” before any benefits are triggered. In the event of such termination or resignation in connection with a change in control, Dr. Cholawsky would be eligible to receive severance pay equal to 12 months of base salary and 100% of her equity awards would vest immediately, except for stock options with market-based conditions. In the event of such termination or resignation in connection with a change in control, Mr. Lakkaraju would be eligible to receive severance pay equal to six months of base salary and 50% of the short-term cash incentive target in effect for the year in which he is terminated/resigns and 100% of his equity awards would vest

immediately, except for stock options with market-based conditions. Our Nominees, if elected, do not presently have any intention to terminate any of the covered NEOs without cause or to otherwise take any action that may provide “good reason” for any such covered NEOs to voluntarily terminate their employment for “good reason.” In addition, under the Company’s 2010 Equity and Performance Incentive Plan, award grants of options, appreciation rights, restricted stock, restricted stock units, performance shares and performance units may provide for accelerated vesting upon a change of control.

We do not expect that the Nominees will be unable to stand for election, but, in the event any Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed GOLD proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to its Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominees in accordance with the Company’s Bylaws and shares of Common Stock represented by the enclosed GOLD proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size or increases the number of directors whose terms expire at the Annual Meeting.

YOU ARE URGED TO VOTE FOR THE ELECTION OF THE NOMINEES ON THE ENCLOSED GOLD PROXY CARD.

PROPOSAL NO. 2

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

As discussed in further detail in the Company's proxy statement, the Company is asking stockholders to indicate their support for the compensation of the Company's named executive officers. This proposal, commonly known as a "say-on-pay" proposal, is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies and practices described in the Company's proxy statement. Accordingly, the Company is asking stockholders to vote for the following resolution:

"RESOLVED, that the compensation paid to the Company's Named Executive Officers, as disclosed in the Company's proxy statement for the 2016 annual meeting of stockholders pursuant to SEC rules and regulations, including the Compensation Discussion and Analysis, compensation tables and narrative discussion, is hereby APPROVED."

According to the Company's proxy statement, the stockholder vote on the say-on-pay proposal is an advisory vote only, and it is not binding on the Company, the Board or the Compensation Committee of the Board; however, the Board and the Compensation Committee of the Board are expected to take into account the outcome of the vote when considering future compensation decisions.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION AND INTEND TO VOTE OUR SHARES ACCORDING TO THE RECOMMENDATION OF ISS.

PROPOSAL NO. 3

APPROVAL OF THE COMPANY'S SECOND AMENDED AND RESTATED 2010 EQUITY AND
PERFORMANCE INCENTIVE PLAN

As discussed in further detail in the Company's proxy statement, the Board adopted the Restated Equity Plan on February 9, 2016, subject to the approval of the Company's stockholders. Accordingly, the Company is asking stockholders to approve the Restated Equity Plan.

As disclosed in the Company's proxy statement, the sole purpose of adopting the Restated Equity Plan is to increase the number of shares of Common Stock available for issuance under the Restated Equity Plan by 1,000,000 shares, for a total of 8,250,00 shares available for issuance.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE APPROVAL OF THE COMPANY'S SECOND
AMENDED AND RESTATED 2010 EQUITY AND PERFORMANCE INCENTIVE PLAN AND INTEND TO
VOTE OUR SHARES ACCORDING TO THE RECOMMENDATION OF ISS.

PROPOSAL NO. 4

APPROVAL OF AN AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION
TO EFFECT A REVERSE STOCK SPLIT OF THE COMPANY'S COMMON STOCK WITHIN A RANGE OF
REVERSE SPLIT RATIOS

As discussed in further detail in the Company's proxy statement, the Board is proposing to amend the Charter to effect a reverse stock split of the issued and outstanding shares of Common Stock and those shares held in treasury stock at a split ratio of not less than one-for-three and not more than one-for-seven (the "Reverse Split"), subject to the approval of the Company's stockholders. Accordingly, the Company is asking stockholders to approve the amendment to the Charter to authorize the Board to effect the Reverse Split.

VIEX is in favor of this proposal because it may help the Company regain compliance with the minimum bid price rule established by the NASDAQ Stock Market. VIEX does not want the Company to become delisted and encourages stockholders to vote in favor of this proposal.

WE RECOMMEND A VOTE "FOR" THE APPROVAL OF THE AMENDMENT TO THE COMPANY'S RESTATED
CERTIFICATE OF INCORPORATION TO EFFECT A REVERSE STOCK SPLIT OF THE COMPANY'S
COMMON STOCK AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 5

SUBJECT TO APPROVAL OF PROPOSAL NO. 4, APPROVAL TO AMEND THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE TOTAL NUMBER OF SHARES OF COMMON STOCK THAT THE COMPANY IS AUTHORIZED TO ISSUE

As discussed in further detail in the Company's proxy statement, the Board is proposing, subject to approval of Proposal No. 4, that the Charter be amended to effect a reduction in the total number of authorized shares of Common Stock from 150,000,000 to not less than 21,428,572 (the "Reduced Authorization"). The Company has disclosed that the Reduced Authorization will not be considered for approval by the stockholders unless the Reverse Split is approved. If the Reverse Split is approved but the Reduced Authorized proposal is not approved, the Reverse Split alone will be authorized. In the event the Reverse Split is approved by stockholders, the Company is asking stockholders to approve the amendment to the Charter to provide for the Reduced Authorization.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE APPROVAL TO AMEND THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION TO REDUCE THE TOTAL NUMBER OF SHARES OF AUTHORIZED COMMON STOCK AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 6

RATIFICATION OF THE SECTION 382 TAX BENEFITS PRESERVATION PLAN

As discussed in further detail in the Company's proxy statement, the Board is asking stockholders to ratify the NOL Plan that was adopted by the Board on April 20, 2016. The Company has explained that the NOL Plan is intended to act as a deterrent to any person acquiring beneficial ownership of 4.99% or more of the Company's outstanding shares of Common Stock within the meaning of Section 382 of the Internal Revenue Code, as amended, other than with the approval of the Board, in an effort to diminish the risk that the Company's ability to utilize its net operating loss carryforwards may become substantially limited. The Company estimates that as of December 31, 2015, the Company had approximately \$126.2 million of (pre-tax) federal NOLs that could potentially be utilized in certain circumstances to offset the Company's future taxable income and reduce its federal income tax liability.

The Company has disclosed that stockholder ratification of the NOL Plan is not required by applicable law or by the Company's Charter, Bylaws or other governing documents; however, the Board is requesting stockholder ratification of the adoption of the NOL Plan to determine stockholders' viewpoints on the advisability of the NOL Plan. The Company also has disclosed that, in the event the stockholders fail to ratify the NOL Plan, the Board may, although it is not required to, reconsider whether or not to preserve the NOL Plan.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE SECTION 382 TAX BENEFITS PRESERVATION PLAN AND INTEND TO VOTE OUR SHARES ACCORDING TO THE RECOMMENDATION OF ISS.

PROPOSAL NO. 7

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has appointed BDO USA, LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2016. The Company is submitting the appointment of BDO USA, LLP for ratification by the stockholders at the Annual Meeting.

As disclosed in the Company's proxy statement, although stockholder ratification is not required by the Bylaws or otherwise, if the selection of BDO USA, LLP as the Company's independent registered public accounting firm for fiscal 2016 is not ratified by the Company's stockholders, the Audit Committee of the Board will review its future selection of the Company's independent registered public accounting firm. The Company also disclosed that even if the selection is ratified, the Audit Committee of the Board may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the Company's and stockholders' best interests.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE APPOINTMENT OF BDO USA, LLP AS THE INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM OF THE COMPANY FOR FISCAL 2016 AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 8

LIMITED AUTHORIZATION TO ADJOURN THE ANNUAL MEETING

As discussed in further detail in the Company's proxy statement, the Board is proposing that if the Annual Meeting is convened and a quorum is present, but there are not sufficient votes to approve Proposal No. 4 and Proposal No. 5, the Company's proxy holders may move to adjourn the Annual Meeting at that time in order to enable the Board to solicit additional proxies. No authority is being sought under this Proposal No. 8 to adjourn the Annual Meeting until after all proposals referenced in the Company's proxy statement, other than Proposals No. 4 and 5, including the election of directors, are voted upon and the polls for all such proposals, other than Proposals No. 4 and 5, have been closed. The limited authorization is subject to the approval of the Company's stockholders. Accordingly, the Company is asking stockholders to approve the limited authorization to adjourn the Annual Meeting.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE LIMITED ADJOURNMENT PROPOSAL AND INTEND TO VOTE OUR SHARES ACCORDING TO THE RECOMMENDATION OF ISS.

VOTING AND PROXY PROCEDURES

Stockholders are entitled to one vote for each share of Common Stock held of record on the Record Date with respect to each matter to be acted on at the Annual Meeting. Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares of Common Stock. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares of Common Stock after the Record Date. Based on publicly available information, VIEX believes that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the shares of Common Stock.

Shares of Common Stock represented by properly executed GOLD proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted FOR the election of the Nominees to the Board, AGAINST the approval, on an advisory basis, of the compensation of the Company's named executive officers, AGAINST the approval of the Restated Equity Plan, FOR the approval to amend the Charter to effect the Reverse Split, FOR the approval to amend the Charter to reduce proportionally the total number of shares of Common Stock that the Company is authorized to issue, AGAINST the ratification of the adoption of the NOL Plan, FOR the ratification of the appointment of BDO USA, LLP as the Company's independent registered public accounting firm for the year ending December 31, 2016 and FOR the limited authorization to adjourn the Annual Meeting if there are not sufficient votes to approve Proposal No. 4 and Proposal No. 5.

According to the Company's proxy statement for the Annual Meeting, the current Board intends to nominate six candidates for election at the Annual Meeting. This Proxy Statement is soliciting proxies to elect only our Nominees. Accordingly, the enclosed GOLD proxy card may only be voted for the Nominees and does not confer voting power with respect to the Company's nominees. VIEX intends to vote all of its shares of Common Stock in favor of the Nominees. Stockholders should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees. In the event that some of the Nominees are elected, there can be no assurance that the Company nominee(s) who get the most votes and are elected to the Board will choose to serve as on the Board with the Nominees who are elected.

QUORUM; DISCRETIONARY VOTING

A quorum is the minimum number of shares of Common Stock that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. For the Annual Meeting, the presence, in person or by proxy, of the holders of at least a majority of the outstanding shares of Common Stock as of the Record Date will be considered a quorum for the transaction of business.

Abstentions are counted as present and entitled to vote for purposes of determining a quorum. Shares represented by "broker non-votes" also are counted as present and entitled to vote for purposes of determining a quorum. However, if you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal on which your broker does not have discretionary authority to vote (a "broker non-vote"). Under applicable rules, your broker will not have discretionary authority to vote your shares at the Annual Meeting on any of the proposals.

If you are a stockholder of record, you must deliver your vote by mail, attend the Annual Meeting in person and vote, vote by Internet or vote by telephone in order to be counted in the determination of a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. Brokers do not have discretionary authority to vote on any of the proposals at the Annual Meeting. Accordingly, unless you vote via proxy card or provide instructions to your broker, your shares of Common Stock will count for purposes of attaining a quorum, but will not be voted on those proposals.

VOTES REQUIRED FOR APPROVAL

Election of Directors – The Company has adopted a plurality vote standard for non-contested and contested director elections. As a result of our nomination of the Nominees, the director election at the Annual Meeting will be contested, so the six nominees for director receiving the highest vote totals will be elected as directors of the Company. With respect to the election of directors, only votes cast “FOR” a nominee will be counted. Proxy cards specifying that votes should be withheld with respect to one or more nominees will result in those nominees receiving fewer votes but will not count as a vote against the nominees. Neither an abstention nor a broker non-vote will count as a vote cast “FOR” or “AGAINST” a director nominee. Therefore, abstentions and broker non-votes will have no direct effect on the outcome of the election of directors.

Advisory Vote on Executive Officer Compensation According to the Company’s proxy statement, assuming that a quorum is present, for the advisory vote on executive compensation, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval. The Company has indicated that abstentions will have the same effect as a vote against this proposal, but broker non-votes will have no effect on the proposal.

Approval to Amend Charter to Effect a Reverse Stock Split - According to the Company’s proxy statement, assuming that a quorum is present, the amendment to the Charter authorizing the Reverse Split requires the approval of holders of at least a majority of the outstanding shares of Common Stock, and not merely the approval of a majority of the shares represented in person and by proxy at the Annual Meeting. Therefore, the Company has indicated that abstentions and broker non-votes will have the same effect as a vote against the proposal.

Approval to Amend Charter to Reduce the Total Number of Shares of Common Stock – According to the Company’s proxy statement, the proposal to reduce the total number shares of Common Stock is subject to the approval of Proposal No. 4. If Proposal No. 4 is approved, assuming that a quorum is present, the amendment to the Charter to reduce the number of authorized shares of Common Stock requires the approval of holders of at least a majority of the outstanding shares of Common Stock, and not merely the approval of a majority of the shares represented in person and by proxy at the Annual Meeting. Therefore, the Company has indicated that abstentions and broker non-votes will have the same effect as a vote against the proposal.

Ratification of the Adoption of the NOL Plan - According to the Company's proxy statement, assuming that a quorum is present, for the ratification of the adoption of the NOL Plan, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval. The Company has indicated that abstentions will have the same effect as a vote against this proposal, but broker non-votes will have no effect on the proposal.

Ratification of the Appointment of Public Accounting Firm According to the Company's proxy statement, assuming that a quorum is present, for the ratification of BDO USA, LLP, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval. Limited Authorization to Adjourn the Annual Meeting - According to the Company's proxy statement, assuming that a quorum is present, for the approval of the limited authorization to adjourn the Annual Meeting, the affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for approval. The Company has indicated that abstentions will have the same effect as a vote against this proposal, but broker non-votes will have no effect on the proposal.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to VIEX in care of Morrow at the address set forth on the back cover of this Proxy Statement or to the Company at 900 Chesapeake Drive, 2nd Floor, Redwood City, California, or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to VIEX in care of Morrow at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the outstanding shares of Common Stock. Additionally, Morrow may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Nominees.
