All directors hold office until the next annual meeting of shareholders and until their successors have been duly elected and qualified or until their earlier death, resignation or removal.

Executive Officers and Certain Significant Employees of the Company

The names, ages, and positions of the executive officers of the Company are listed below.

Name ----	Age ---	Position -----
Larry M. Heimendinger	59	Chairman of the Board (performing duties of President and Chief Executive Officer)
Richard E. Munczenski	62	Vice President and General Manager
Sandy B. Sewitch	47	Chief Financial Officer

Larry M. Heimendinger has served as the Chairman of the Board of Directors since March 1994. Also since March 1994, through his position as Chairman of the Board, in accordance with the Amended and Restated Bylaws of the Company, Mr. Heimendinger has been performing the duties of President and Chief Executive Officer. He will continue to perform such duties until a replacement for President and Chief Executive Officer is elected and qualified.

Richard E. Munczenski joined the Company in August 1969, and has served as Vice President and General Manager since April 1995.

Sandy B. Sewitch has served as the Chief Financial Officer of the Company since April 1993, when he joined the Company.

The officers of the Company hold office at the discretion of the Board of Directors of the Company.

There are no family relationships among the executive officers or directors of the Company, and there is no arrangement or understanding between any director and any other person pursuant to which such director was elected.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's directors and officers, and persons who beneficially own more than 10% of the

3

Edgar Filing: GENERAL KINETICS INC - Form 10-K/A

Company's common stock (the "Common Stock"), to file with the Securities and Exchange Commission initial reports of ownership and reports of changes in ownership of the Company's equity securities. Officers, directors and greater than 10% shareholders are also required to furnish the Company with copies of all forms they file pursuant to Section 16(a).

To the Company's knowledge, based solely on a review of such reports furnished to the Company, during the fiscal year ended May 31, 2004, all Section 16(a) filing requirements applicable to its officers, directors and greater than 10% shareholders were complied with, except, due to administrative oversight, the following directors did not timely report on Form 4 their annual receipt of options automatically granted to them under the Company's 1994 Nonemployee and Directors Stock Option Plan: Mr. Heimendinger (12,500 options), and Messrs. Hacala, Cotnoir and McConnell (each, 10,000 options).

Audit Committee

The audit committee of the Board of Directors reviews the various accounting, financial reporting and internal control functions and makes recommendations to the Board of Directors for the selection of independent public accountants. In addition, the committee will monitor the independence of the independent accountants. The members of the audit committee are Mr. Hacala and Mr. Cotnoir.

The Company's Board of Directors does not have an "audit committee financial expert," within the meaning of such phrase under applicable regulations of the Securities and Exchange Commission (the "SEC"), serving on its audit committee. The Board of Directors believes that all members of its audit committee are financially literate and experienced in business matters, and that one or more members of the audit committee are capable of (i) understanding generally accepted accounting principles ("GAAP") and financial statements, (ii) assessing the general application of GAAP principles in connection with the Company's accounting for estimates, accruals and reserves, (iii) analyzing and evaluating the Company's financial statements, (iv) understanding the Company's internal controls and procedures for financial reporting; and (v) understanding audit committee functions, all of which are attributes of an audit committee financial expert. However, the Board of Directors believes that there are no audit committee members who have obtained these attributes through the experience specified in the SEC's definition of "audit committee financial expert." Further, like many small companies, it is difficult for the Company to attract and retain board members who qualify as "audit committee financial experts," and competition for these individuals is significant. The board believes that its current audit committee is able to fulfill its role under SEC regulations despite not having a designated "audit committee financial expert."

Code of Ethics

The Company's Board of Directors has adopted a Code of Ethics for Senior Financial Officers to promote honest and ethical conduct, proper disclosure of information in the Company's periodic reports, and compliance with applicable governmental laws, rules, and regulations by the Company's senior officers who have financial responsibilities. A copy of the Code of Ethics for Senior Financial Officers may be obtained free of charge by submitting a request to General Kinetics Incorporated, 10688-D Crestwood Drive, Manassas, VA 20109, Attn: Secretary.

8

- (1) Beneficial ownership as reported in the above table has been determined in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended, and includes shares of the Company's Common Stock which may be acquired within 60 days of August 31, 2004 through the exercise of warrants, options, or other convertible securities, as follows: Rabo Investment Management Ltd., 4,170,000 shares (see footnote 2 below); Manassas Partners LLC, 11,600,000 shares (see footnote 3 below); Mr. Cotnoir, 115,000 shares; Mr. McConnell, 115,000 shares; Mr. Hacala, 70,000 shares; Mr. Heimendinger, 11,743,750 shares (see footnote 4 below); Mr. Munczenski, 38,277 shares; and all directors and named executive officers as a group, 12,082,027 shares. Additionally, each of Messrs. Cotnoir and McConnell were granted options to purchase 100,000 shares, and Mr. Heimendinger was granted an option to purchase 125,000 shares, where such options would vest only if the stock price reached certain stipulated multiples of a base price of \$1.0026 (for ten consecutive trading days). These options never vested, and expired on October 28, 1999.
- (2) Based on information provided by Rabo Investment Management Ltd. (f/k/a Gutzwiller & Partner, A.G., the "Manager") in a Schedule 13D/A filed with the Securities and Exchange Commission (the "SEC") on November 9, 2001, and adjusted to reflect the sale of certain debentures of the Company to Manassas Partners LLC (see footnote 3 below). The Manager reported that it may be deemed to be the beneficial owner of an aggregate of 1,715,000 outstanding shares of the Company's Common Stock, including (x) 242,700 shares purchased by the Manager as to which the Manager is the economic beneficial owner and as to which it holds sole voting and dispositive power and (y) 1,472,300 shares held in client accounts. The Manager also indicated that it may be deemed to be the beneficial owner of 1% convertible debentures of the Company having an aggregate principal amount of \$7,885,000, including (a) \$585,000 which were purchased by the Manager as to which the Manager is the economic beneficial owner and holds sole voting and dispositive power, and (b) \$7,300,000 held in client accounts managed by the Manager on behalf of various clients who hold beneficial economic ownership thereof and as to which the Manager holds voting and dispositive power. Based on the Schedule 13D referenced in footnote 3 below, the Company believes that the Manager sold convertible debentures of the Company having an aggregate principal amount of \$5,800,000 to Manassas Partners LLC on March 12, 2003, leaving the Manager as the beneficial owner of convertible debentures having an aggregate principal amount \$2,085,000. Such debentures are convertible into an aggregate of 4,170,000 shares of Common Stock. After such a conversion, the Manager would be deemed to be the beneficial owner of 5,885,000 shares, which

Edgar Filing: GENERAL KINETICS INC - Form 10-K/A

would represent 45.3% of the Company's then outstanding Common Stock.

- (3) Based on information provided by Manassas Partners LLC ("Manassas") and Larry M. Heimendinger in a Schedule 13D filed with the SEC on March 25, 2003, Manassas acquired, at a significant discount, outstanding convertible debentures of the Company, in a principal amount of \$5,800,000 (see "Certain Relationships and Related Transactions"). By their terms, the debentures would be immediately convertible, in whole or in part, into an aggregate of up to 11,600,000 shares of Common Stock, which would represent 62.0% of the Company's then outstanding Common Stock.
- (4) Includes (a) 11,600,000 shares of Common Stock issuable upon possible future conversion of the debentures held by Manassas described in footnote 3 above which may be deemed to be beneficially owned by Mr. Heimendinger, and (b) options to acquire an aggregate of 143,750 shares of Common Stock.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

At May 31, 2004, the Company held approximately 5.7% of the outstanding common stock of Link2It Corporation, a company formed by Larry

Edgar Filing: GENERAL KINETICS INC - Form 10-K/A

Heimendinger and Richard McConnell, both members of the Company's Board of Directors. Such equity securities were originally received by the Company prior to 1998 in consideration of, among other things, amounts advanced by the Company to or on behalf of Link2It, LLC, which merged into Link2It Corporation in January 2001. The Company accounts for its holdings of Link2It Corporation's common stock using the cost method. The Company has assigned no value to this investment due to its speculative nature.

In August 2001, Link2It entered into a factoring agreement with the Company that replaced the Company's prior factoring agreement. The agreement, which was approved by a unanimous vote of the Company's Board of Directors, including the unanimous vote of the disinterested directors, was on terms substantially similar to those of the prior facility, but was more favorable to the Company in certain respects. A new factoring agreement with Link2It Corporation, on similar terms, was entered into in April 2002. No borrowings were outstanding under this factoring agreement at May 31, 2004. During fiscal 2004, the Company replaced the Link2It factoring agreement with a new factoring agreement with Key Capital Factoring, an unrelated third party.

On March 12, 2003, Manassas Partners LLC, a Delaware limited liability company of which Larry Heimendinger, Chairman of the Board of Directors of the Company, is the managing member, purchased from third parties, at a significant discount, a portion of the Company's outstanding convertible debentures in an aggregate principal amount of \$5,800,000.
