All documents filed by the Registrant pursuant to Section 13(a), 13(c), 14 or 15(d) of the Securities Exchange Act of 1934, after the date of this Registration Statement and prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all such securities remaining unsold, shall be deemed to be incorporated by reference herein and to be a part hereof from the date of filing such documents.

Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein (or in any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein) modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities

Not applicable.

Item 5. Interests of Named Experts and Counsel

Legal matters in connection with the validity of the common stock offered under the Plans identified on the cover page of this Registration Statement (the "Plans") have been passed upon for DTE Energy Company ("DTE Energy") by Patrick B. Carey, Associate General Counsel of DTE Energy. Mr. Carey beneficially owns and holds options to purchase DTE Energy common stock and is eligible to participate in one or more of the Plans.

Item 6. Indemnification of Directors and Officers

(a) Indemnification. The DTE Energy Company Amended and Restated Articles of Incorporation provide that, to the fullest extent permitted by the Michigan Business Corporation Act (the “MBCA”) or any other applicable law, no director of DTE Energy Company (“DTE Energy”) shall be personally liable to DTE Energy or its shareholders for or with respect to any acts or omissions in the performance of his or her duties as a director of DTE Energy.

DTE Energy’s articles of incorporation further state that each person who is or was or had agreed to become a director or officer of DTE Energy, or each such person who is or was serving or who had agreed to serve at the request of DTE Energy’s board of directors as an employee or agent of DTE Energy or as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise (including the heirs, executors, administrators or estate of such person), shall be indemnified by DTE Energy to the full extent permitted by the MBCA or by any other applicable laws as presently or hereafter in effect.

DTE Energy’s articles of incorporation further state that DTE Energy may enter into one or more agreements with any person, which agreements provide for indemnification greater or different than that provided in the articles of incorporation.

Section 209(1)(c) of the MBCA permits a corporation to eliminate or limit a director’s liability to the corporation or its shareholders for money damages for any action taken or any failure to take action as a director, except liability for (1) the amount of financial benefit received by a director to which he or she is not entitled; (2) the intentional infliction of harm on the corporation or the shareholders; (3) a violation of Section 551 of the MBCA, dealing with unlawful distributions; or (4) for an intentional criminal act.

Section 561 of the MBCA permits a corporation to indemnify its directors and officers against expenses (including attorneys’ fees), judgments, penalties fines and amounts paid in settlement actually and reasonably incurred by them in connection with any action, suit or proceeding brought by third parties, if such directors or officers acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. Sections 562 and 564 (c) of the MBCA provide that in a derivative action, i.e., one by or in the right of the corporation or its shareholders, indemnification may be made for expenses including attorney’s fees and an amount paid in settlement actually and reasonably incurred by directors and officers in connection with the defense or settlement of an action or suit, but only with respect to a matter as to which they have acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification will be made if such person will have been found liable to the corporation, unless and only to the extent that the court in which the action or suit was brought has determined upon application that the defendant officers or directors are fairly and reasonably entitled to indemnity for such expenses despite such adjudication of liability.

Section 563 of the MBCA provides that a director or officer who has been successful on the merits or otherwise in defense of an action, suit or proceeding referred to in Sections 561 and 562, or in defense of a claim, issue or matter in the action, suit, or proceeding shall be indemnified against actual and reasonable expenses, including attorney’s fees, incurred by him or her in connection with the action, suit or proceeding, and an action, suit or proceeding brought to enforce this mandatory indemnification.

(b) Insurance. DTE Energy (with respect to indemnification liability) and its directors and officers (in their capacities as such) are insured against liability for wrongful acts (to the extent defined) under twelve insurance policies providing aggregate coverage in the amount of \$235 million.

Item 7. Exemption from Registration Claimed.

Item 9. Undertakings.

(1) The undersigned Registrant hereby undertakes:

(A) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(A)(i) and (1)(A)(ii) of this Item 9 do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(B) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(C) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(2) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
