Directions to attend the annual meeting, where you may vote in person, can be found online at www.snl.com/irweblinkx/docs.aspx?iid=1032031.

Who is Entitled to Vote?

We have fixed the close of business on May 23, 2011 as the record date for stockholders entitled to notice of and to vote at our annual meeting. Only holders of record of Riverview's common stock on that date are entitled to notice of and to vote at the annual meeting. You are entitled to one vote for each share of Riverview common stock you own, unless you own more than 10% of Riverview's outstanding shares. As provided in our Articles of Incorporation, record holders of common stock who beneficially own in excess of 10% of Riverview's outstanding shares are not entitled to any vote in respect of the shares held in excess of the 10% limit. On May 23, 2011, there were 22,471,890 shares of Riverview common stock outstanding and entitled to vote at the annual meeting.

How Do I Vote at the Annual Meeting?

Proxies are solicited to provide all stockholders of record on the voting record date an opportunity to vote on matters scheduled for the annual meeting and described in these materials. You are a stockholder of record if your shares of Riverview common stock are held in your name. If you are a beneficial owner of Riverview common stock held by a broker, bank or other nominee (i.e., in "street name"), please see the instructions in the following question.

Shares of Riverview common stock can only be voted if the stockholder is present in person or by proxy at the annual meeting. To ensure your representation at the annual meeting, we recommend you vote by proxy even if you plan to attend the annual meeting. You can always change your vote at the meeting if you are a stockholder of record.

Voting instructions are included on your proxy card. Shares of Riverview common stock represented by properly executed proxies will be voted by the individuals named on the proxy card in accordance with the stockholder's instructions. Where properly executed proxies are returned to us with no specific instruction as how to vote at the annual meeting, the persons named in the proxy will vote the shares FOR the election of each of our director nominees, FOR advisory approval of the compensation of our executive compensation as disclosed in this Proxy Statement and FOR the approval of the advisory vote on holding an advisory vote on executive compensation every year. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed proxy and acting thereunder will have the discretion to vote on these matters in accordance with their best judgment. We do not currently expect that any other matters will be properly presented for action at the annual meeting.

You may receive more than one proxy card depending on how your shares are held. For example, you may hold some of your shares individually, some jointly with your spouse and some in trust for your children. In this case, you will receive three separate proxy cards to vote.

What if My Shares Are Held in Street Name?

If you are the beneficial owner of shares held in street name by a broker, your broker, as the record holder of the shares, is required to vote the shares in accordance with your instructions. If your common stock is held in street name, you will receive instructions from your broker that you must follow in order to have your shares voted. Your broker may allow you to deliver your voting instructions via the telephone or the Internet. Please see the instruction form that accompanies this Proxy Statement. If you do not give instructions to your broker, your broker may nevertheless vote the shares with respect to discretionary items, but will not be permitted to vote your shares with respect to non-discretionary items, pursuant to current industry practice. In the case of non-discretionary items, the shares not voted will be treated as "broker non-votes." The proposal to elect directors and the advisory votes on

executive compensation and the frequency of stockholder votes on executive compensation are considered non-discretionary items; therefore, you must provide instructions to your broker in order to have your shares voted on these proposals.

If your shares are held in street name, you will need proof of ownership to be admitted to the annual meeting. A recent brokerage statement or letter from the record holder of your shares are examples of proof of ownership. If you want to vote your shares of common stock held in street name in person at the annual meeting, you will have to get a written proxy in your name from the broker, bank or other nominee who holds your shares.

Participants in the ESOP or 401(k) Plan

If you participate in the Riverview Bancorp, Inc. Employee Stock Ownership Plan (the “ESOP”) or if you hold shares through the Riverview Bancorp, Inc. Employees’ Savings and Profit Sharing Plan (“401(k) Plan”), you will receive a proxy card, that will serve as a voting instruction form, that reflects all shares you may direct the trustees to vote on your behalf under the plans. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustees how to vote the shares of common stock allocated to his or her account. The ESOP trustees, subject to the exercise of their fiduciary duties, will vote all unallocated shares of Riverview common stock held by the ESOP and allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Under the terms of the 401(k) Plan, a participant is entitled to direct the trustee as to the shares in the 401(k) Employer Stock Fund credited to his or her account. The trustee will vote all shares for which no directions are given or for which instructions were not timely received in the same proportion as shares for which the trustee received voting instructions. As of the close of business on the voting record date, May 23, 2011, 499,528 shares and 753,477 shares have been allocated to participants’ accounts in the ESOP and 401(k), respectively. The deadline for returning your voting instructions to each plan’s trustees is July 12, 2011.

How Many Shares Must Be Present to Hold the Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, in person or by proxy, of at least a majority of the shares of Riverview common stock entitled to vote at the annual meeting as of the record date will constitute a quorum. Proxies received but marked as abstentions will be included in the calculation of the number of shares considered to be present at the meeting.

What if a Quorum Is Not Present at the Meeting?

If a quorum is not present at the scheduled time of the meeting, a majority of the stockholders present or represented by proxy may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given unless the meeting is adjourned for 120 days or more. An adjournment will have no effect on the business that may be conducted at the meeting.

Vote Required to Approve Proposal 1: Election of Directors

Directors are elected by a plurality of the votes cast, in person or by proxy, at the annual meeting by holders of Riverview common stock. Accordingly, the three nominees for election as directors who receive the highest number of votes actually cast will be elected. Pursuant to our Articles of Incorporation, stockholders are not permitted to cumulate their votes for the election of directors. Votes may be cast for or withheld from each nominee. Votes that are withheld will have no effect on the outcome of the election because the nominee receiving the greatest number of votes will be elected. Our Board of Directors unanimously recommends that you vote “FOR” the election of each of its director nominees.

Vote Required to Approve Proposal 2: Advisory Approval of Executive Compensation

Approval of the advisory (non-binding) vote on executive compensation requires the affirmative vote of a majority of the outstanding shares present in person or by proxy at the annual meeting. Abstentions will have the same effect as a vote against the proposal and broker non-votes will have no effect on the proposal. Our Board of Directors unanimously recommends that you vote “FOR” approval of the compensation of our named executive officers.

Vote Required to Approve Proposal 3: Advisory Vote on the Frequency of Shareholder Votes on Executive Compensation

The advisory (non-binding) vote regarding the frequency of shareholder votes on executive compensation has three alternatives. Shareholders may vote that shareholder votes on executive compensation be held every year, every two years or every three years, or shareholders may abstain from voting. The alternative receiving the greatest number of votes – every year, every two years or every three years – will be the frequency that shareholders approve. Abstentions and broker non-votes will have no effect of the outcome of the advisory vote because the alternative

receiving the greatest number of votes will be the frequency that shareholders approve. Our Board of Directors unanimously recommends that you vote “FOR” the adoption of an advisory resolution that shareholders should consider an advisory resolution on executive compensation every year.

May I Revoke My Proxy?

You may revoke your proxy before it is voted by:

- submitting a new proxy with a later date;
- notifying the Corporate Secretary of Riverview in writing before the annual meeting that you have revoked your proxy; or
- voting in person at the annual meeting.

If you plan to attend the annual meeting and wish to vote in person, we will give you a ballot at the annual meeting. However, if your shares are held in street name, you must bring a validly executed proxy from the nominee indicating that you have the right to vote your shares.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of May 23, 2011, the voting record date, information regarding share ownership of:

- those persons or entities (or groups of affiliated persons or entities) known by management to beneficially own more than five percent of Riverview’s common stock other than directors and executive officers;
- each director and director nominee of Riverview;
- each executive officer of Riverview or Riverview Community Bank named in the Summary Compensation Table appearing under “Executive Compensation” below (known as “named executive officers”); and
- all current directors and executive officers of Riverview and Riverview Community Bank as a group.

Persons and groups who beneficially own in excess of five percent of Riverview’s common stock are required to file with the Securities and Exchange Commission (“SEC”), and provide a copy to us, reports disclosing their ownership pursuant to the Securities Exchange Act of 1934. To our knowledge, no other person or entity, other than those set forth below, beneficially owned more than five percent of the outstanding shares of Riverview’s common stock as of the close of business on the voting record date.

Beneficial ownership is determined in accordance with the rules and regulations of the SEC. In accordance with Rule 13d-3 of the Securities Exchange Act, a person is deemed to be the beneficial owner of any shares of common stock if he or she has voting and/or investment power with respect to those shares. Therefore, the table below includes shares owned by spouses, other immediate family members in trust, shares held in retirement accounts or funds for the benefit of the named individuals, and other forms of ownership, over which shares the persons named in the table may possess voting and/or investment power. In addition, in computing the number of shares beneficially owned by a

person and the percentage ownership of that person, shares of common stock subject to outstanding options that are currently exercisable or exercisable within 60 days after the voting record date are included in the number of shares beneficially owned by the person and are deemed outstanding for the purpose of calculating the person's percentage ownership. These shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person.

PROPOSAL 1 – ELECTION OF DIRECTORS

Our Board of Directors consists of eight members and is divided into three classes. Approximately one-third of the directors are elected annually to serve for a three-year period or until their respective successors are elected and qualified. The table below sets forth information regarding each director of Riverview and each nominee for director. The Nominating Committee of the Board of Directors selects nominees for election as directors. All of our nominees currently serve as Riverview directors. Bessie (Bess) R. Wills was appointed to the Board on December 15, 2010. Ms. Wills was recommended by the Nominating Committee. Each nominee has consented to being named in this Proxy Statement and has agreed to serve if elected. If a nominee is unable to stand for election, the Board of Directors may either reduce the number of directors to be elected or select a substitute nominee. If a substitute nominee is selected, the proxy holders will vote your shares for the substitute nominee, unless you have withheld authority. At this time, we are not aware of any reason why a nominee might be unable to serve if elected.

The Board of Directors recommends a vote FOR the election of Patrick Sheaffer, Edward R. Geiger and Bess R. Wills, each for a three-year term.

During the fiscal year ended March 31, 2011, the Riverview Board of Directors held nine regular meetings, two special meetings and three work sessions. The Bank Board of Directors held eight regular meetings, one special meeting and three work sessions. No director attended fewer than 75% of the total meetings of the Boards and committees on which he or she served during this period.

Committees and Committee Charters

Riverview's Board of Directors has standing Audit and Nominating Committees. Riverview Community Bank's Board of Directors has standing Executive, Audit, Personnel/Compensation, Compliance and Risk Management, Senior Loan and Nominating Committees. Riverview's Board of Directors does not have its own compensation committee because Riverview has no employees. Riverview's Audit and Nominating Committees have adopted written charters, copies of which are available on our website at www.riverviewbank.com.

Committees of the Riverview Board of Directors

The Executive Committee consists of Directors Sheaffer (Chairman), Allen and Douglass. This Committee meets as necessary in between meetings of the full Board of Directors. The Executive Committee did not meet during the fiscal year ended March 31, 2011.

The Audit Committee consists of Directors Douglass (Chairman), Olson and Nies, and is responsible for developing and monitoring the audit program. It also has the sole authority to appoint or replace our independent auditor. The Committee meets with the independent auditor to discuss the results of the annual audit and quarterly procedures. The members of the Committee also receive and review all the reports, findings and other information presented to them by the officers regarding financial reporting policies and practices. Each member of the Audit Committee is "independent," in accordance with the requirements for companies listed on The Nasdaq Stock Market LLC ("Nasdaq"). In addition, Mr. Douglass has been designated by the Board of Directors as the "audit committee financial expert," as defined by the SEC. The Audit Committee met six times during the fiscal year ended March 31, 2011.

The Stock Option Committee consists of Directors Olson (Chairman), Allen and Nies, and is responsible for approving all stock option grants. The Committee met three times during the fiscal year ended March 31, 2011.

The Nominating Committee consists of Directors Nies (Chairman), Olson and Allen, and is responsible for selecting nominees for the election of directors and developing a list of nominees for Board vacancies. Each member of the Committee is "independent," in accordance with the requirements for companies quoted on The Nasdaq Stock Market. The Committee met three times during the fiscal year ended March 31, 2011.

Only those nominations made by the Committee or properly presented by stockholders will be voted upon at the annual meeting. In its deliberations for selecting candidates for nominees as director, the Nominating Committee

evaluates the qualifications of individual candidates, including identifying the beneficial impact a candidate will have on Riverview and the Board in terms of skill set, knowledge of the banking business, the candidate's independence, communication skills, education, individual success in chosen fields, business development contributions, character, expertise, experience and involvement in community, business and civic affairs. The Committee also considers whether the candidate would provide for adequate representation of the market area of Riverview Community Bank. Any nominee for director made by the Committee must be highly qualified with regard to some or all these attributes. In searching for qualified director candidates to fill vacancies in the Board, the Committee solicits its current Board of Directors for names of potentially qualified candidates. Additionally, the Committee may request that members of the Board of Directors pursue their own business contacts for the names of potentially qualified candidates. The Committee would then consider the potential pool of director candidates, select the candidate the Committee believes best meets the then-current needs of the Board, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a Riverview director. The Committee will consider director candidates recommended by our stockholders. If a stockholder submits a proposed nominee, the Committee would consider the proposed nominee, along with any other proposed nominees recommended by members of our Board of Directors, in the same manner in which the Committee would evaluate its nominees for director. For a description of the proper procedure for stockholder nominations, see "Stockholder Proposals and Nominations" in this Proxy Statement.

Director Qualifications and Experience

As described in the previous paragraph, the Nominating Committee considers a number of criteria when selecting new members of the Board. The following table identifies the experience, qualifications, attributes and skills that the Committee considered in making its decision to nominate directors to our Board; however, the fact that a particular attribute was not considered should not be construed to be a determination that the director lacks such an attribute.

Leadership Structure

The positions of Chairman of the Board and Chief Executive Officer are held by the same person. Gary R. Douglass serves as Vice-Chairman of the Board and lead independent director. The lead independent director acts as the principal liaison between the independent directors of the Board and the Chairman of the Board. The lead independent director also leads the Board in the absence of the Chairman of the Board. The Board rotates the position

of lead independent director amongst the outside directors on an annual basis. The position of President of the Bank is held by separate person. The Board believes this structure is appropriate for Riverview because of the current Chief

Executive Officer's level of experience and knowledge of Bank operations. This structure also allows the President to focus on the day-to-day business of managing the Bank.

Board Involvement in Risk Management Process

Risk management is the responsibility of management and risk oversight is the responsibility of the Board. The Board administers its risk oversight function principally through the division of responsibility within its committee structure, with each board committee being responsible for overseeing risk within its area of responsibility. For example, our Risk Management Committee plays an important role overseeing our internal audit function and is responsible for reviewing significant reports prepared by the internal audit department. Significant risk oversight matters considered by the committees are reported to and considered by the Board. Some significant risk oversight matters are reported directly to the Board, including matters not falling within the area of responsibility of any committee. Types of risk with the potential to adversely affect Riverview include credit, interest rate, liquidity, compliance risks, and risks relating to our operations and reputation.

Directors keep themselves informed of the activities and condition of Riverview and of the risk environment in which it operates by regularly attending Board and assigned Board committee meetings, and by review of meeting materials, auditors' findings and recommendations, and supervisory communications. Directors stay abreast of general industry trends and any statutory and regulatory developments pertinent to Riverview and the Bank by periodic briefings by senior management, counsel, auditors or other consultants, and by more formal director education.

The Board oversees the conduct of Riverview's business and administers the risk management function by:

- Selecting, evaluating, and retaining competent senior management;
- Establishing, with senior management, Riverview's long- and short-term business objectives, and adopting operating policies to achieve these objectives in a legal and sound manner;
- Monitoring operations to ensure that they are controlled adequately and are in compliance with laws and policies;
- Overseeing Riverview's business performance; and
- Ensuring that the Bank helps to meet our communities' credit needs.

These responsibilities are governed by a complex framework of federal and state law and regulation as well as regulatory guidelines applicable to the operation of Riverview and the Bank.

The Board ensures that all significant risk-taking activities are covered by written policies that are communicated to appropriate employees. Specific policies cover material credit, market, liquidity, operational, legal and reputation risks. The policies are formulated to further Riverview's business plan in a manner consistent with safe and sound practices. The Board ensures that all such policies are monitored by senior management to make certain that they conform with changes in laws and regulations, economic conditions, and Riverview's and the Bank's circumstances. The policies are implemented by senior management who develop and maintain procedures, including a system of internal controls, designed to foster sound practices, to comply with laws and regulations, and to protect Riverview against external crimes and internal fraud and abuse. To assist Riverview with respect to risk management, and to assist the Board and Board committees with respect to risk oversight, the Bank employs a Vice President, Risk Manager, who works to identify and assess risks in all areas of Riverview and the Bank. The Risk Manager reports to the Audit Committee, attends meetings of the Audit and Risk Management Committees on a regular basis, and attends Board and other committee meetings as needed.

Management regularly provides the Board and its various committees with a significant amount of information regarding a wide variety of matters affecting Riverview. This includes senior management reports to the

Board. These reports present information in a form meaningful to members of the Board, who recognize that the level of detail and frequency of individual senior management reports will vary with the nature of risk under consideration and Riverview's and the Bank's unique circumstances. Matters presented to the Board and Board committees generally include information with respect to risk. The Board and Board committees consider the risk aspects of such information and often request additional information with respect to issues that may involve risk to Riverview. The Board and Board committees also raise risk issues on their own initiative.

The Board has established a mechanism for independent third party review and testing of compliance with policies and procedures, applicable laws and regulations, and the accuracy of information provided by senior management. This is accomplished, for example, by an internal auditor reporting directly to the Audit Committee. In addition, an external audit is performed. The Audit Committee reviews the auditors' findings with senior management and monitors senior management's efforts to resolve any identified issues and recommendations. The Audit Committee provides regular reports of its activities to the Board.

The Board also reviews reports of inspection and examination or other supervisory activity, and any other material correspondence received from Riverview's regulators. Findings and recommendations, if any, are carefully reviewed, and progress in addressing such matters is routinely monitored.

Committees of the Riverview Community Bank Board of Directors

The Executive Committee, which consists of Directors Sheaffer (Chairman), Allen and Douglass, meets as necessary in between meetings of the full Board of Directors. This Committee met three times during the fiscal year ended March 31, 2011.

The Audit Committee consists of Directors Douglass (Chairman), Olson and Nies, and is responsible for developing and monitoring the audit program. The Committee meets with the independent auditor to discuss the results of the annual audit and quarterly procedures. The members of the Committee also receive and review all the reports, findings and other information presented to them by the officers regarding financial reporting policies and practices. The Audit Committee met four times during the fiscal year ended March 31, 2011.

The Personnel/Compensation Committee consists of Directors Olson (Chairman), Nies and Geiger. The Committee has overall responsibility for (1) approving and evaluating the compensation programs and policies for Riverview's executive officers, which are designed to attract, motivate and retain key individuals responsible for the success of the Company as a whole; (2) administering and maintaining such programs in a manner that will benefit the long-term interests of Riverview and its shareholders; (3) determining the salary, bonus, stock equity-based and other compensation of Riverview's executive officers; and (4) periodically reviewing management development activities and succession plans. Each member of the Personnel/Compensation Committee is "independent," in accordance with the requirements for companies listed on NASDAQ. The Personnel/Compensation Committee met three times during the fiscal year ended March 31, 2011.

The Risk Management Committee consists of Directors Geiger (Chairman), Allen, Douglass, Olson, Runyan, Nies, Wills, Sheaffer and Wysaske, and Don Sasaki, the Risk Manager of the Bank, who does not vote on matters presented to the Committee. This Committee is responsible for directing and monitoring the internal audit and compliance programs. The Risk Management Committee met three times during the fiscal year ended March 31, 2011.

The Senior Loan Committee consists of Directors Sheaffer, Allen and Nies, and is chaired by Executive Vice President David A. Dahlstrom, who does not vote on matters presented to the Committee. The Committee reviews and approves all aggregate lending relationships from \$5 million to Riverview Community Bank's internal loan limit. The Senior Loan Committee met 17 times during the fiscal year ended March 31, 2011.

The Nominating Committee consists of Directors Nies (Chairman), Olson and Allen, and is responsible for selecting nominees for the election of directors and developing a list of nominees for Board vacancies. The Committee met once during the fiscal year ended March 31, 2011.

Corporate Governance

We are committed to establishing and maintaining high standards of corporate governance. The Board of Directors is cognizant of its responsibility to comply with the provisions contained in the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC adopted thereunder, as well as NASDAQ rules with respect to corporate governance. The Board and its committees will continue to evaluate and improve our corporate governance principles and policies as necessary and as required.

Code of Ethics. On January 19, 2011, the Board of Directors revised the Officer and Director Code of Ethics, that had originally been adopted December 17, 2003. The Code is applicable to each of Riverview's directors and officers, including the principal executive officer and senior financial officers, and requires individuals to maintain the highest standards of professional conduct. A copy of the Code of Ethics is available on our website at www.riverviewbank.com.

Communication with the Board of Directors. The Board of Directors maintains a process for stockholders to communicate with the Board. Stockholders wishing to communicate with the Board should send any communication to the Corporate Secretary, Riverview Bancorp, Inc., 900 Washington Street, Suite 900, Vancouver, Washington 98660. Any communication must state the number of shares beneficially owned by the stockholder making the communication. The Corporate Secretary will forward such communication to the full Board of Directors or to any individual director or directors to whom the communication is directed unless the communication is unduly hostile, threatening, illegal or similarly inappropriate, in which case the Corporate Secretary has the authority to discard the communication or take appropriate legal action.

Annual Meeting Attendance by Directors. We do not have a policy regarding Board member attendance at annual meetings of stockholders. All members of the Board of Directors attended the 2010 annual meeting of stockholders.

Related Party Transactions. Federal regulations require that all loans or extensions of credit to executive officers and directors must be made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons (unless the loan or extension of credit is made under a benefit program generally available to all other employees and does not give preference to any insider over any other employee) and does not involve more than the normal risk of repayment or present other unfavorable features. Riverview Community Bank is therefore prohibited from making any new loans or extensions of credit to its executive officers and directors at different rates or terms than those offered to the general public and has adopted a policy to this effect. The aggregate amount of loans by the Bank to its executive officers and directors was approximately \$2.2 million at March 31, 2011. These loans (i) were made in the ordinary course of business, (ii) were made on substantially the same terms and conditions, including interest rates and collateral, as those prevailing at the time for comparable transactions with the Bank's other customers and (iii) did not involve more than the normal risk of collectibility or present other unfavorable features when made. All loans are made pursuant to the Bank's normal loan approval and review procedures, which are governed by written policies. In addition, all loans and aggregate loans to individual directors and executive officers are required to be reviewed by the Executive Committee and reported to the Board.

Director Independence. Our common stock is listed on the NASDAQ Global Select Market. In accordance with Nasdaq requirements, at least a majority of our directors must be independent directors. The Board has determined that six of our eight directors are independent, as defined by Nasdaq. Messrs. Allen, Douglass, Geiger, Olson and Nies and Ms. Wills are all independent. Only Patrick Sheaffer, who is our Chairman and Chief Executive Officer, and Ronald A. Wyseske, who is our President and Chief Operating Officer, are not independent.

 DIRECTORS' COMPENSATION

The following table shows the compensation paid to our non-employee directors for the fiscal year ended March 31, 2011. Compensation for Directors Patrick Sheaffer and Ronald A. Wysaske, who are employees of Riverview Community Bank, is included in the section entitled "Executive Compensation." Our non-employee directors did not receive any stock awards or non-equity incentive plan compensation, nor did they participate in a pension or nonqualified deferred compensation plan; therefore, these columns have been omitted from the table below.

During the fiscal year ended March 31, 2011 there were no increases in Board or committee meeting fees.

 EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Personnel/Compensation Committee. Because Riverview does not have its own employees, the Personnel/Compensation Committee of Riverview Community Bank is responsible for establishing and monitoring compensation policies, and for evaluating performance and approving and evaluating compensation programs. The

Committee is responsible for evaluating the performance of our Chief Executive Officer, while the Chief Executive Officer evaluates the performance of other senior officers of the Bank and makes recommendations to the Committee regarding compensation levels.

Objectives and Overview of the Compensation Program. Our executive compensation policies are designed to establish an appropriate relationship between executive pay and the annual and long-term performance of Riverview and Riverview Community Bank, to reflect the attainment of short- and long-term financial performance goals, to enhance our ability to attract and retain qualified executive officers, and to align to the greatest extent possible the interests of management and stockholders. The principles underlying the executive compensation policies include the following:

- to attract and retain key executives who are vital to our long-term success and are of the highest caliber;

- to provide levels of compensation competitive with those offered throughout the financial industry and consistent with our level of performance;
- to motivate executives to enhance long-term stockholder value by building their equity interest in Riverview; and
- to integrate the compensation program with our annual and long-term strategic planning and performance measurement processes.

The Committee considers a variety of subjective and objective factors in determining the compensation package for individual executives, including: (1) total compensation of executives at similarly situated financial institutions; (2) the performance of Riverview and Riverview Community Bank as a whole, with emphasis on annual performance factors and long-term objectives; (3) the responsibilities assigned to each executive; (4) the performance of each executive of assigned responsibilities as measured by our progress during the year; (5) potential for future advancement; and (6) length of time in the position.

Compensation Program Elements. The Personnel/Compensation Committee focuses primarily on the following four components in forming the total compensation program for our executive officers: base salary; incentive compensation; deferred compensation; and long-term incentive compensation. The current compensation plans involve a combination of salary and incentive compensation to reward short-term performance, and deferred compensation and stock option grants to reward long-term performance.

Base Salary. The purpose of base salary is to create a secure base of cash compensation for our employees. Salary levels are designed to be competitive within the banking and financial services industries. In setting competitive salary levels, the Personnel/Compensation Committee regularly evaluates current salary levels by surveying similar institutions in Washington, Oregon and the Northwest. The survey analysis focuses primarily on asset size, nature of ownership, type of operation and other common factors. Specifically, the Committee annually reviews the Northwest Financial Industry Salary Survey prepared by Milliman in association with the Washington Bankers Association, the Washington Financial League and the Oregon Bankers Association, covering 96 Northwest financial organizations, and the Portland Area Cross-Industry Survey prepared by Milliman, which covers 81 major local employers, representing 352,000 workers. We analyze the results of the surveys by position, and the midpoint of each position/grade, as it compares to Riverview Community Bank. Midpoints of each grade for Riverview are compared to midpoints of survey data to determine if grade adjustments are necessary to remain competitive. In the past, we have used the services of Watson Wyatt (now Towers Watson) to assist in the development of salary and incentive compensation programs; however, the Compensation Committee has not engaged a compensation consultant in the last several years.

Incentive Compensation Program. We believe it is appropriate to provide individuals who are responsible for managing existing business and/or generating new business with competitive incentive compensation opportunities. Our incentive compensation plan is designed to provide for incentive compensation with established targets of 40% of salary for the Chief Executive Officer, 50% of salary for the Chief Operating Officer, 35% to 45% of salary for executive vice presidents and 15% to 35% of salary for senior management. Certain other officers may participate in the plan at a level of 10% to 30% of salary. By rewarding the attainment of goals, we truly utilize incentive for actual individual and corporate performance, and are competitive in the marketplace. We may utilize the services of compensation consultants, as needed, to remain fair and competitive in the future.

The Personnel/Compensation Committee reviews and approves goals and incentive participation each year. Individual participant goals and performance modifier targets are communicated to participants in writing in the first quarter of the fiscal year to which the goals apply. Goals are measured against performance after the end of the

fiscal year. Results are communicated the month following year-end for each participant. The performance modifier ranges from zero to a maximum of two times the salary at risk percentage. In making awards under the incentive compensation plan, the Personnel/Compensation Committee, the Chief Operating Officer and Chief Executive Officer or executive officers, as appropriate, review quantifiable data versus a plan approved by the Board. The plan also provides for subjective evaluation of performance by the Committee, the Chief Operating Officer and Chief Executive Officer or executive officers, as appropriate.

Currently, performance measures include financial objectives such as profitability, credit quality, deposit growth and capital. Participant salaries are recorded, with specific goals tied to Riverview Community Bank’s goals for the year, and a percentage of compensation is noted as “salary at risk.” For example, if the Chief Executive Officer’s salary is \$235,937 per year with a 40% salary at risk factor, the opportunity for salary at risk compensation is \$94,375 if goals are met at 100%. The salary at risk is divided into several goals based on annual goals of Riverview and Riverview Community Bank. A performance modifier is used to determine the percentage of the goal met. A goal partially met at 88% with a weight factor of 25% of salary at risk would look like this:

$$\$235,937 \times 40\% \text{ salary at risk} = \$94,375$$

Goal Weight	Performance Modifier	Result
0.25	0.88	0.22

$$\$94,375 \times .22 = \$20,763$$

Performance goals are assessed annually and paid following the fiscal year end. For the fiscal year ended March 31, 2011, the performance goals for the named executive officers, with the exception of John A. Karas, consisted of profit, credit quality, deposit growth and capital adequacy, each of which was weighted at 25%. The actual financial targets were profit of \$3.6 million, reduction in non-performing assets to \$36.1 million, average deposit growth of \$30 million and a total risk-based capital ratio of 12.60%. Mr. Karas, who is the President and Chief Executive Officer of Riverview Asset Management Corp., typically has goals based on the performance of Riverview Asset Management Corp. His 2011 goals were before tax profit of \$529,748 (weighted at 20%), asset growth of \$12 million (weighted at 55%) and minimum regulatory rating (weighted at 25%). For all of the named executive officers, the goals had performance modifiers that ranged from zero to two times salary at risk. For the year ended March 31, 2011, Messrs. Sheaffer, Dahlstrom, Lycklama, Baldovin and Capeloto were eligible to earn an incentive of up to 40% of their base salary and Messrs. Wwasaske and Karas were eligible to earn an incentive of up to 50% of their base salary.

Incentive compensation is only awarded if Riverview achieves a minimum level of overall performance (measured by capital adequacy), regardless of whether other individual performance goals were achieved. For 2011, the minimum level of achievement was total risk-based capital of 12%. Riverview achieved its 2011 capital adequacy goal.

Deferred Compensation. Officers at the level of senior vice president and above may elect to defer up to 50% of salary, with no income tax payable by the officer until benefits are received. This alternative is available through the non-qualified deferred compensation plan described below in the section entitled “Nonqualified Deferred Compensation.”

Long Term Incentive Compensation. In connection with Riverview Community Bank’s reorganization into the holding company structure, the Board of Directors adopted the 1998 Stock Option Plan for executive officers, employees and non-employee directors. This plan was approved by Riverview’s stockholders. The Board of Directors also adopted the 2003 Stock Option Plan, which was approved by stockholders at the 2003 annual meeting of stockholders. Under the plans, non-employee directors, executive officers and other employees may receive grants of stock options, although no further options may be granted under the 1998 Stock Option Plan. We believe that stock ownership by our executives is a significant factor in aligning the interests of the executives with those of stockholders. Stock option awards are allocated based upon regulatory practices and policies, and the practices of other publicly traded financial institutions as verified by external surveys and are based upon the executive officers’ level of responsibility and contributions to Riverview and Riverview Community Bank.

Stock ownership is also enhanced through participation in our ESOP, under which eligible employees receive an allocation of Riverview stock based on a percentage of eligible wages. The Board of Directors has appointed an

administrative committee of Riverview officers to administer the ESOP and the 401(k) plan, and the named executive officers are eligible to participate in both of these plans. On an annual basis, Riverview allocates shares to the ESOP, which applies to all eligible participants including the named executive officers. In fiscal year 2011, Riverview

contributed 24,633 shares into the ESOP on behalf of eligible participants, and matched the first four percent of participants' contributions into the 401(k) plan each payroll period.

Allocation of Compensation. We do not have any specific policies regarding allocation of total compensation between short-term and long-term elements, or cash and non-cash elements. For the year ended March 31, 2011, the composition of total compensation for our named executive officers was as follows:

Type of Compensation	Percentage of Total Compensation
Base salary	65.7
Incentive compensation	27.4
Deferred compensation earnings	0.1
Long-term incentive and other compensation	6.8

Compensation Policies and Risk

Riverview develops and implements compensation plans that provide strategic direction to each participant and engages him or her in Riverview's success, which contributes to stockholder value. We believe our approach to goal setting, establishing targets with payouts at multiple levels of performance and evaluation of performance results help to mitigate excessive risk taking that could harm Riverview's value or reward poor judgment by our executives or employees. Performance incentive rewards for all plans continue to be focused on results that impact earnings, profitability, credit quality, deposit growth and capital adequacy.

All members of the Compensation Committee are aware of Riverview's financial performance and they use this information when reviewing and approving incentive programs and payouts to all employees and approving

participation and goals for incentive programs. The Compensation Committee reviewed the incentive compensation plans and concluded that the compensation plans do not encourage unnecessary or excessive risk and that management and the Board have effective controls in place utilizing outside auditors, internal auditors and Board oversight to ensure adequate controls are in place to mitigate risk within Riverview.

Employment and Severance Agreements. We entered into employment agreements with Messrs. Sheaffer, Wysaske, Dahlstrom, Baldovin and Karas on September 18, 2007, with Mr. Lycklama on November 18, 2009 and Mr. Capeloto on September 22, 2010. These agreements expire in three years, but are subject to annual renewal provisions. For the year ending March 31, 2012, the annual salaries of Messrs. Sheaffer, Wysaske, Karas, Dahlstrom Lycklama, Baldovin and Capeloto are \$285,000, \$253,492, \$193,700, \$187,023, \$158,040, \$158,040 and \$155,000, respectively. The salaries, which are paid by Riverview Community Bank, must be reviewed annually and may be increased at the discretion of the Board. The employment agreements also provide that the executives will participate in our salary at risk incentive compensation program and to receive all benefits that we provide to our employees generally. The employment agreements provide that compensation must be paid in the event of disability, termination without cause, termination by the executive for specified reasons or in the event of a change in control, as described below under “Potential Payments Upon Termination.”

(1) The following amounts, constituting above-market earnings, were reported as compensation in 2011 in the Summary Compensation Table: for Mr. Sheaffer, \$451; for Mr. Wysaske, \$493; for Mr. Karas, \$44; for Mr. Dahlstrom, \$29; and for Mr. Lycklama, \$41.

(2) Of these amounts, the following amounts were reported as compensation to the officers in previous years in the Summary Compensation Table: for Mr. Sheaffer, \$18,792; for Mr. Wysaske, \$18,062; for Mr. Karas, \$1,272; for Mr. Dahlstrom, \$3,724; and for Mr. Lycklama, \$460.

We currently have two deferred compensation plans in place: the current plan, under which officers may make contributions; and a frozen plan, under which officers may no longer make contributions. Under the current plan, officers at the level of senior vice president and above may elect to defer up to 50% of salary until the time specified by the officer (or upon separation from service or a change in control, if elected by the officer), with no income tax payable by the officer until benefits are received under the deferred compensation plan adopted by Riverview Community Bank. Once a deferral election is made for a year, it cannot be changed during that year except under limited circumstances, such as hardship or disability. We credit an earnings adjustment on assets under the plan based on the rate of the Bank's average yield on assets for the prior year, less 100 basis points. For the calendar year ended December 31, 2010, this crediting rate was 5.13%.

Under the current plan, upon the time specified by the officer, or upon an earlier separation from service or a change in control, if elected by the officer when he commences participation in the plan, we will pay the officer or his designated beneficiaries his plan benefit in a lump sum or in annual installments over ten years, as elected by the officer. Under the frozen plan, payments begin upon the officer's separation from service, regardless of reason, and are made in the form elected by the officer (either lump sum or in annual installments over ten years). Under both plans, the payment election was made at the same time the officer makes his compensation deferral election. Under the current plan, the payment election may be changed only if the change election is made sufficiently in advance, generally at least 12 months, and payments are delayed for at least 5 years. Under both plans, the payment will be based on an amount equal to the balance in the officer's account immediately before the date on which benefits commence, plus interest, as measured above, on the unpaid balance if the payment is made in installments. Payments under both plans will be made as described below under "Potential Payments Upon Termination." The estimated liability under the plan is accrued as earned by the officer. At March 31, 2011, our aggregate liability under the plan for the named executive officers was \$1.3 million.

Potential Payments Upon Termination

We have entered into agreements with the named executive officers that provide for potential payments upon disability, termination and retirement. In addition, our equity plans also provide for potential payments upon termination. The following table shows, as of March 31, 2011, the value of potential payments and benefits following a termination of employment under a variety of scenarios.

Employment Agreements. We have entered into employment agreements with Messrs. Sheaffer, Wysaske, Karas, Dahlstrom, Lycklama, Baldovin and Capeloto. Each agreement provides for payments to the executive upon his disability or termination. If the executive becomes disabled during the term of his employment agreement, his employment will terminate. Riverview Community Bank must then pay the executive as disability pay, a bi-weekly payment equal to three-quarters of his bi-weekly rate of base salary on the effective date of the termination, with payments beginning on the effective date of his termination. The disability pay shall be reduced by the amount, if any, paid to the executive under any plan of the Bank providing disability benefits to the executive. In addition, the Bank must pay a cash amount equal to the premiums that the Bank would have paid on the executive's behalf for life, medical, dental and disability coverage. The disability payments will end on the earlier of (1) the date of the executive's full-time employment by another employer; (2) the executive's death; or (3) the expiration of the term of the executive's employment agreement.

The employment agreements also provides for benefits in the event of the executive's termination. If the executive's employment is terminated for any reason other than a change in control or cause, or the executive terminates his employment for good reason (as defined in the agreement), the Bank must pay the executive a severance benefit in an aggregate amount equal to the sum of the following: (1) base salary due to the executive for the remaining term of his agreement; (2) prorated incentive compensation for the remaining term of his agreement; (3) cash amount equal to employer contributions that would have been made on the executive's behalf over the remaining term of his agreement to any tax-qualified retirement plan sponsored by the Bank; (4) cash amount equal to the premiums that the Bank would have paid on the executive's behalf for life, medical, dental and disability coverage over the remaining term of his agreement; and (5) any bonus earned for a prior performance period but not yet paid. The employment agreements restrict each executive's right to compete against Riverview or Riverview Community Bank if the executive

voluntarily terminates his employment, except in the event of a change in control.

The employment agreements also provide for severance payments and other benefits in the event of an involuntary termination of employment in connection with any change in control of Riverview. If within 12 months after a change in control, the executive's employment is terminated other than for cause, or the executive terminates his employment for good reason, we must pay a lump sum severance payment of 2.99 times the executive's base salary plus an amount equal to the average annual incentive compensation and bonus earned by the executive for the three fiscal years preceding the change in control. The employment agreements contain provisions requiring reduction of any payments that would be deemed to constitute an excess parachute payment under Section 280G of the Internal Revenue Code.

Deferred Compensation Plan. Each of the named executive officers is eligible to participate in the Riverview Community Bank Directors' and Executive Officers' Deferred Compensation Plan, as described in more detail above on page 19. The current plan allows the officers to elect to defer up to 50% of salary until separation from service, with no income tax payable by the officer until benefits are received. An "override election" can be made in the initial

participation agreement and participants may elect to receive payment upon the occurrence of an “override event.” Participants may elect either or both of the following as an override event: separation from service and/or change in control. Participants elect in their initial participation agreement either a specific date (lump sum payment) or a fixed schedule of payments (made annually over ten years) starting on a specified date for distribution of their plan benefits. Distributions will be made in accordance with the participant’s election, other than in the event of a hardship withdrawal, death, disability, cashout of small accounts, required delayed distributions to key employees or the termination of the plan. The participating named executive officers elected both separation from service and change in control as an override event. There is also a frozen deferred compensation plan, under which contributions may no longer be made. Payments begin upon the participant’s separation from service, regardless of reason, and are made in the form elected by the officer (either lump sum or in annual installments over ten years). Payments under the frozen plan shall commence on the first day of the second year following the year in which the officer separates from service, unless the committee that administers the plan elects to commence payment earlier, and earlier payment is permitted by law. Payments may also be made on account of hardship, as defined under the plan.

Equity Plans. Our 1998 and 2003 Stock Option Plans provide for accelerated vesting of awards in the event of a change in control. Specifically, if a tender offer or exchange offer for Riverview’s shares is commenced, or if a change in control occurs, unless the committee administering the plan has provided otherwise in the award agreement, all options granted and not fully exercisable shall become exercisable in full upon the happening of that event.

Compensation Committee Interlocks and Insider Participation

The members of the Personnel/Compensation Committee are Directors Olson, Geiger and Nies. No members of this Committee were officers or employees of Riverview or any of its subsidiaries during the year ended March 31, 2011, nor were they formerly Riverview officers or had any relationships otherwise requiring disclosure.

PROPOSAL 2 – ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (“Dodd-Frank Act”), we are required to include in this Proxy Statement and present at the meeting a non-binding stockholder resolution to approve the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a “say-on-pay” proposal, gives stockholders the opportunity to endorse or not endorse the compensation of Riverview’s executives as disclosed in this Proxy Statement. The proposal will be presented at the annual meeting in the form of the following resolution:

RESOLVED, that the stockholders approve the compensation of Riverview Bancorp Inc.’s named executive officers, as disclosed in the Compensation Discussion and Analysis, the compensation tables and related material in Riverview’s Proxy Statement for the 2011 annual meeting of stockholders.

This vote will not be binding on our Board of Directors or Personnel/Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It will also not affect any compensation paid or awarded to any executive. The Personnel/Compensation Committee and the Board may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation policies and procedures is to attract, retain and motivate key executives of proven ability who are critical to our future success. We believe that our compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. Our compensation programs are designed to balance short-term and long-term objectives, and to attract executive talent, retain a team of effective leaders and provide stability for Riverview. Our compensation program is guided by the philosophy that total executive compensation should vary based on achievement of corporate goals and objectives, and should closely align with Riverview's financial performance. Riverview's fiscal year 2011 financial results include a significant increase in net income, improvement in both capital levels and credit quality, the successful completion of a capital raise and an approximate 30% increase in the stock price from year-end 2010 to year-end 2011. The Compensation Committee of the Board of Directors believes that the executive compensation for fiscal 2011 is reasonable and appropriate, is justified by Riverview's performance in an extremely difficult environment and is the result of a carefully considered approach.

The Board of Directors recommends that you vote FOR approval of the compensation of our named executive officers as disclosed in this Proxy Statement.

PROPOSAL 3 – ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Act, we are required to include in this Proxy Statement and present at the meeting a non-binding stockholder vote to determine the timing of future stockholder votes on executive compensation. This proposal gives stockholders the opportunity to vote on whether a resolution to approve the compensation of our named executive officers should be presented to stockholders every one, two or three years, or to abstain from voting.

The Board of Directors believes that a resolution to approve the compensation of our executives should be presented to shareholders every year because the Board is committed to strong corporate governance and an annual cycle provides for the greatest accountability to our stockholders.

This vote will not be binding on our Board of Directors or Personnel/Compensation Committee and may not be construed as overruling a decision by the Board or create or imply any additional fiduciary duty on the Board. It also will not affect when the stockholders will be asked to vote on executive compensation in future years. The Personnel/Compensation Committee and the Board may, however, take into account the outcome of the vote when considering when to present stockholders with a resolution to approve executive compensation.

The Board of Directors recommends that you vote for conducting an advisory vote on executive compensation every year.

AUDIT COMMITTEE MATTERS

Audit Committee Charter. The Audit Committee operates pursuant to a charter approved by our Board of Directors. In April 2007, the Board of Directors adopted a revised Audit Committee charter to reflect the new responsibilities imposed by the Sarbanes-Oxley Act of 2002. The charter sets out the responsibilities, authority and specific duties of the Audit Committee. The charter specifies, among other things, the structure and membership requirements of the Audit Committee, as well as the relationship of the Audit Committee to the independent auditor, the internal audit department and management. The Audit Committee reports to the Board of Directors and is responsible for overseeing and monitoring financial accounting and reporting, the system of internal controls established by management and the audit process.

Report of the Audit Committee. The Audit Committee reports as follows with respect to Riverview’s audited financial statement for the year ended March 31, 2011:

- The Audit Committee has reviewed and discussed the 2011 audited financial statements with management;
- The Audit Committee has discussed with the independent auditor, Deloitte & Touche LLP, the matters required to be discussed by Statement on Auditing Standards (“SAS”) No. 61, Communication with Audit Committees, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T;
-

The Audit Committee has received written disclosures and the letter from the independent auditor required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence, and has discussed with the independent auditor the auditor's independence; and

- The Audit Committee has, based on its review and discussions with management of the 2011 audited financial statements and discussions with the independent auditor, recommended to the Board of Directors that Riverview's audited financial statements for the year ended March 31, 2011 be included in its Annual Report on Form 10-K.

The foregoing report is provided by the following directors, who constitute the Audit Committee:

Audit Committee:

Gary R. Douglass, Chairman
 Jerry C. Olson
 Gerald L. Nies

This report shall not be deemed to be incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, and shall not otherwise be deemed filed under such acts.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires our executive officers and directors, and persons who own more than 10% of any registered class of Riverview's equity securities, to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater than 10% stockholders are required by regulation to furnish us with copies of all Section 16(a) forms they file. Based solely on our review of the copies of such forms we have received and written representations provided to us by the above-referenced persons, we believe that during the fiscal year ended March 31, 2011, all filing requirements applicable to our reporting officers, directors and greater than 10% stockholders were properly and timely complied.

INDEPENDENT AUDITOR

Deloitte & Touche LLP served as our independent auditor for the fiscal year ended March 31, 2011. The Audit Committee of the Board of Directors has not yet made a decision as to Riverview's independent auditor for the fiscal year ending March 31, 2012 and that matter is currently under discussion. A representative of Deloitte & Touche LLP will be present at the annual meeting to respond to stockholders' questions and will have the opportunity to make a statement if he or she so desires.

The following table sets forth the aggregate fees billed, or expected to be billed, to Riverview by Deloitte & Touche LLP for professional services rendered for the fiscal years ended March 31, 2011 and 2010.

	Year Ended March 31,	
	2011	2010
Audit Fees	\$ 315,000	\$ 315,000
Audit-Related Fees	--	--
Tax Fees	--	--

All Other Fees (1)	7,980	49,115
--------------------	-------	--------

(1) Represents fees in connection with Riverview's Registration Statement on Form S-1.

The Audit Committee will establish general guidelines for the permissible scope and nature of any permitted non-audit services to be provided by the independent auditor in connection with its annual review of its charter. Pre-approval may be granted by action of the full Audit Committee or by delegated authority to one or more members of the Audit Committee. If this authority is delegated, all approved non-audit services will be presented to the Audit Committee at its next meeting. In considering non-audit services, the Audit Committee or its delegate will consider various factors, including but not limited to, whether it would be beneficial to have the service provided by the independent auditor and whether the service could compromise the independence of the independent auditor.

STOCKHOLDER PROPOSALS AND NOMINATIONS

In order to be eligible for inclusion in our proxy solicitation materials for next year's annual meeting of stockholders, any stockholder proposal to take action at such meeting must be received at our main office at 900 Washington Street, Suite 900, Vancouver, Washington 98660, no later than February 20, 2012. Any such proposals shall be subject to the requirements of the proxy solicitation rules adopted under the Securities Exchange Act.

Our Articles of Incorporation provide that if a stockholder intends to nominate a candidate for election as a director or submit a stockholder proposal, the stockholder must deliver written notice of his or her intention to the Corporate Secretary of Riverview not less than 30 nor more than 60 days prior to the date of a meeting of stockholders; provided, however, that if less than 31 days' notice of the date of the meeting is given or made to stockholders, such written notice must be delivered to the Corporate Secretary not later than the close of the tenth day following the day on which notice of the meeting was mailed to stockholders. The notice must set forth certain information specified in our Articles of Incorporation.

MISCELLANEOUS

The Board of Directors is not aware of any business to come before the annual meeting other than those matters described above in this Proxy Statement. However, if any other matters should properly come before the meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the judgment of the person or persons voting the proxies.

We will bear the cost of solicitation of proxies. In addition to solicitations by mail, our directors, officers and employees may solicit proxies personally or by telephone without additional compensation.

Riverview's Annual Report to Stockholders, which includes the Annual Report on Form 10-K as filed with the SEC, has been mailed to stockholders as of the close of business on the voting record date.
