**OTHER EVENTS**

Alliance One International, Inc. (the Company) recently received correspondence from a former employee alleging that his termination in connection with the Company's merger with Standard Commercial Corporation was in retaliation for actions taken while an employee and therefore violated the Sarbanes-Oxley Act of 2002. The Company has investigated this allegation and believes it to be baseless. The former employee was terminated as part of the post-merger integration of Standard following a thorough integration planning and cost savings process designed and implemented with the assistance of an independent consultant. That process has resulted in the termination of numerous employees at all levels of the Company. The former employee also alleged that the Company has engaged in employment practices with respect to some employees located in certain foreign jurisdictions in violation of such jurisdictions' laws and which could subject the Company to fines and penalties. The Company has reported these allegations to the Audit Committee of the Board of Directors and is investigating their validity and materiality. The Company intends to continue its investigation and take any appropriate remedial measures.
