PROXY STATEMENT
FOR THE ANNUAL MEETING OF SHAREHOLDERS
to be Held May 8, 2002

This Proxy Statement is furnished to shareholders of Community Bankshares, Inc., a South Carolina corporation (herein, unless the context otherwise requires, together with its subsidiaries, the "Company"), in connection with the solicitation of proxies by the Company's Board of Directors for use at the Annual Meeting of Shareholders to be held at Florence National Bank, 2009 Hoffmeyer Road, Florence, South Carolina at 2:00 p.m. on May 8, 2002, or any adjournment thereof (the "Annual Meeting"), for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of proxies may be made in person or by mail, telephone or other electronic means by directors, officers and regular employees of the Company. The Company may also ask banking institutions, brokerage firms, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of Common Stock of the Company held of record by such persons, and the Company will reimburse the reasonable forwarding expenses. The cost of solicitation of proxies will be paid by the Company. This Proxy Statement was first mailed to shareholders on or about April 8, 2002.

The Company's principal executive offices are located at 791 Broughton Street, Orangeburg, South Carolina 29115. The Company's telephone number is (803) 535-1060.

ANNUAL REPORT

The Annual Report on Form 10-K covering the Company's fiscal year ended December 31, 2001, including financial statements, constitutes the Company's Annual Report to Shareholders and is included (without exhibits) with this Proxy Statement. Such Annual Report does not form any part of the material for solicitation of proxies.

REVOCATION OF PROXY

Any record shareholder who returns the accompanying proxy may revoke such proxy at any time prior to its exercise (a) by giving written notice to the Company of such revocation, (b) by voting in person at the meeting, or (c) by executing and delivering to the Company a later dated proxy. Attendance at the Annual Meeting will not in itself constitute revocation of a proxy. Any written notice or proxy revoking a proxy should be sent to Community Bankshares, Inc., 791 Broughton Street, Orangeburg, South Carolina 29115, Attention: William W. Traynham, President. Written notice of revocation or delivery of a later dated

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

proxy will be effective upon receipt thereof by the Company.

QUORUM AND VOTING

The Company's only voting security is its no par value Common Stock ("Common Stock"), each share of which entitles the holder thereof to one vote on each matter to come before the Annual Meeting. At the close of business on March 22, 2002 (the "Record Date"), the Company had issued and outstanding 3,299,674 shares of Common Stock, which were held of record by approximately 1,925 persons. Only shareholders of record at the close of business on the Record Date

1

are entitled to notice of and to vote on matters that come before the Annual Meeting. Notwithstanding the Record Date specified above, the Company's stock transfer books will not be closed and shares of the Common Stock may be transferred subsequent to the Record Date. However, all votes must be cast in the names of holders of record on the Record Date.

The presence in person or by proxy of the holders of one-third of the outstanding shares of Common Stock entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. If a share is represented for any purpose at the Annual Meeting by the presence of the registered owner or a person holding a valid proxy for the registered owner, it is deemed to be present for the purposes of establishing a quorum. Therefore, valid proxies which are marked "Abstain" or "Withhold" or as to which no vote is marked, including proxies submitted by brokers that are the record owners of shares (so-called "broker non-votes"), will be included in determining the number of votes present or represented at the Annual Meeting. If a quorum is not present or represented at the meeting, the shareholders entitled to vote, present in person or represented by proxy, have the power to adjourn the meeting from time to time, without notice other than an announcement at the meeting, until a quorum is present or represented. Directors, officers and regular employees of the Company may solicit proxies for the reconvened meeting in person or by mail, telephone or telegraph. At any such reconvened meeting at which a quorum is present or represented, any business may be transacted that might have been transacted at the meeting as originally noticed.

If a quorum is present at the meeting, directors will be elected by a plurality of the votes cast by shares present and entitled to vote at the meeting. Votes that are withheld or shares that are not voted in the election of directors will have no effect on the outcome of election of directors. Cumulative voting will not be permitted.

If a quorum is present, all other matters which may be considered and acted upon by the holders of Common Stock at the Annual Meeting, including ratification of appointment of J. W. Hunt & Company, LLP as accountants for the fiscal year ending December 31, 2002, will be approved if the votes cast in favor of the proposal at the Annual Meeting exceed the votes cast against the proposal.

ACTIONS TO BE TAKEN BY THE PROXIES

If the shareholder appropriately specifies how the proxy is to be voted, it will be voted in accordance with his specifications. If the shareholder does not specify how the proxy is to be voted, the proxy will be voted "FOR" the election of the persons named in this Proxy Statement as the Board of Directors' nominees for election to the Board of Directors, and "FOR" the ratification of the appointment of J. W. Hunt & Company, LLP as accountants for the fiscal year ending December 31, 2002. As to any other matter of business which may be

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

brought before the Annual Meeting, a vote may be cast pursuant to the accompanying proxy in accordance with the best judgment of the persons voting the same, but the Board of Directors does not know of any such other business.

SHAREHOLDER PROPOSALS

Any shareholder of the Company who wishes to present a proposal for action at the 2003 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company, 791 Broughton Street, Orangeburg, South Carolina 29115, Attention: William W. Traynham, President. Any shareholder who wishes for the Company to include any such proposal in its proxy statement and form of proxy for the 2003 Annual Meeting of Shareholders must deliver the proposal to the executive offices of the Company to Mr. Traynham's attention no later than December 9, 2002. If any shareholder proposal is not received by Mr. Traynham by February 27, 2003, proxies solicited by management of the Company will be voted on the proposal in the discretion of the designated proxy agents. Only proper proposals that are timely received will be included in the Company's proxy statement and proxy.

The compensation of Community Bankshares' and its subsidiaries' executive officers is reviewed and approved annually by the Compensation Committee.

Annual compensation for Community Bankshares' Chief Executive Officer and other senior executive officers consists of three elements.

- o A base salary that is determined by individual contribution and performance, and which is designed to provide a base level of compensation comparable to that provided key executives of other financial institutions of similar size and performance.
- o A short-term cash incentive program that is directly linked to individual performance and to Community Bankshares' performance. In this program one-half of the officer's incentive is paid by the applicable subsidiary and one-half by Community Bankshares. Incentive payments for the President and the Chief Executive Officer of Community Bankshares are determined by the Board of Directors of Community Bankshares.
- o A long-term incentive program that provides from time to time stock options to executive officers. Stock option grants provide an incentive that focuses the executive's attention on managing Community Bankshares from the perspective of a stockholder with an equity stake in the business. The economic value of any stock option granted is directly tied to the future performance of Community Bankshares' stock and will provide value to the recipient only when the price of Community Bankshares' stock increases over the option grant price.

For Community Bankshares' key executives, base salary is targeted to approximate average salaries for individuals in similar positions with similar levels of responsibilities who are employed by other banking organizations of similar size and financial performance. During 2001, Community Bankshares set the Chief Executive Officer's base salary at \$82,000. During 2001 the Committee set the base salary for each of Mr. Wolfe, President of Orangeburg National Bank, Mr. Nock, President of Sumter National Bank, and Mr. Traynham, President of Community Bankshares at \$135,000. The base salary for Mr. Nance, President of Florence National Bank, was \$117,474.

The Compensation Committee annually reviews national, regional, statewide, and local peer group salary data (to the extent available) to assist it in setting appropriate levels of the Chief Executive Officer's and other executive officers' base salaries. A second factor considered by the

Compensation Committee in setting and adjusting base salary was Community Bankshares' 2001 financial performance. The Committee annually sets a base level of consolidated income before taxes, which was \$4 million for 2001. Income earned above that level is multiplied by a factor of 4.5% to determine the amount available for incentive payments to senior officers. This performance

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

indicator is updated annually based on current economic conditions and expectations.

For Community Bankshares' key executives, the Compensation Committee approved cash incentive bonuses based on 2001 results payable in 2002 that ranged up to over 20% of base salary. The plan is designed so that over time incentive payments may be as much as 40% of base pay. For purposes of determining the cash incentive bonus payable during 2002 for 2001, Community Bankshares considered actual operating results and individual performances of the involved officers. The Committee completed its recommendations in early 2002 and the Board of Directors approved them in February 2002.

During 2002, Messrs. Traynham, Wolfe, and Nock were each paid a bonus of \$28,414 for 2001. Mr. Ayers was paid a bonus of \$17,258. Mr. Nance was paid a bonus of \$15,527.

This report is provided as a summary of current Board practice with regard to annual compensation review and authorization of executive officer compensation and with respect to specific action taken for the Chief Executive Officer.

During 2001, Community Bankshares acquired a mortgage company, Community Resource Mortgage, Inc. Only the last two months of 2001 of its operations will be reflected in the consolidated results of the Company. The senior officer of the mortgage company is not currently included in the Compensation Committee Report for 2001.

Shareholder Performance Graph

The Company is required to provide its shareholders with a line graph comparing the Company's cumulative total shareholder return with a performance indicator of the overall stock market and either a published industry index or a Company-determined peer comparison. Shareholder return (measured through increases in stock price and payment of dividends) is often a benchmark used in assessing corporate performance and the reasonableness of compensation paid executive officers.

The performance graph below compares the Company's cumulative total return over the most recent five year period with the Russell 2000 Index (reflecting overall stock market performance for small cap stocks) and the SNL Southeast Bank Index (reflecting changes in banking industry stocks in the southeastern U. S.), and a peer group index consisting of all the publicly traded banks and thrifts in South Carolina. Returns are shown on a total return basis, assuming the reinvestment of dividends and a beginning stock index price of \$100 per share. Values presented are based on transactions as reported through the American Stock Exchange.

Change of Control Agreements

In 1999, the Company entered into Change of Control Agreements with Messrs. Ayers, Traynham, Wolfe, Nock and Nance. The principal purpose of the agreements is to protect these executives against a change in control of the Company. The agreements provide that, if within five years after the date of the agreements, any change of control of the Company is effected, then the executive will be entitled to certain benefits. A change of control of the Company will be deemed to have been effected for purposes of the Agreement if: (i) voting control of the Company is acquired, directly or indirectly, by any person or group acting in concert, (ii) the Company is merged with or into any other entity and the Company is not the surviving entity of the merger, (iii) voting control of any subsidiary of the Company by which the executive is principally employed is acquired, directly or indirectly, by any person or group acting in concert, or (iv) any subsidiary of the Company by which the executive is principally employed is merged with or into another entity that is not also a subsidiary of the Company and such subsidiary is not the surviving entity of the merger. If the executive terminates his employment with the Company or his employment is terminated by the Company at any time within six months following the effective date of a change in control, the executive will be entitled to a lump sum payment equal to twice his annual salary in effect at the date of termination. The Agreement requires certain adjustments in the event that the lump sum payment exceeds the amount prescribed by Section 280G of the Internal Revenue Code. The term of the Agreement extends automatically for an additional year on each annual anniversary thereof, unless the Company gives 30 days prior notice to the executive that the term will not be extended.

11

The foregoing description of the Change of Control Agreements is merely a summary of such agreements and is qualified in its entirety by reference to the agreements, the form of which is filed as an exhibit to the Company's Form 10-QSB for the quarter ended June 30, 1999.

Florence National Bank pays \$300 per month to its non-employee directors. Community Resource Mortgage does not pay director fees. Each of the non-employee directors of Community Bankshares, except A. Wade Douroux, serves as a director of one of Community Bankshares' subsidiary banks. Director fees paid by Community Bankshares in 2001 totaled \$161,550. Director fees paid by Orangeburg National Bank in 2001 totaled \$72,000. Director fees paid by Sumter National Bank in 2001 totaled \$39,150. Director fees paid by Florence National Bank in 2001 totaled \$21,600.

Employee Benefit Plans

401(K) Plan

Effective January 1, 1990, Orangeburg National Bank established a defined contribution plan pursuant to Internal Revenue Code Section 401(k). The Plan was assumed by the Company upon acquisition of Orangeburg National Bank. All employees who have completed 500 hours of service during a six-month period

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

and have attained age 18 will participate as of the January 1 or July 1 closest to the date on which the employee meets the eligibility requirements.

A participant may elect to make tax deferred contributions up to a maximum of 12% of eligible compensation. The Company will make a matching contribution on behalf of each participant in the amount of 100% of the deferral, not exceeding 3% of the participant's compensation. The Company may also make elective contributions determined at the discretion of the Board of Directors. The Company's contributions for the years ended December 31, 2001, 2000 and 1999, were \$146,000, \$119,000 and \$122,000, respectively.

1997 Stock Option Plan

At the 2001 Annual Meeting, shareholders voted to amend the 1997 Stock Option Plan for the purpose of increasing the number of shares reserved for issuance under the Plan from 285,600 to 485,600 and permitting participation in the Plan by non-employee directors of the Company. Of the additional shares, 100,000 were reserved for issuance pursuant to the exercise of incentive stock options and 100,000 were reserved for issuance pursuant to the exercise of non-qualified stock options.

Options may be granted pursuant to the plan to persons who are employees of the Company or any subsidiary (including officers and directors who are employees) at the time of grant. At December 31, 2001, the Company and its subsidiaries had 126 employees. Non-employee directors are also permitted to participate in the Plan. Such non-employee directors are only eligible to be granted non-qualified stock options.

All incentive stock options must have an exercise price not less than the fair market value of the Common Stock at the date grant, as determined by the Board of Directors. Non-qualified options will have such exercise prices as may be determined by the Board of Directors at the time of grant, and such exercise prices may be less than fair market value. The Board of Directors may set other terms for the exercise of the options but may not grant to any one holder more than \$100,000 of incentive stock options (based on the fair market value of the optioned shares on the date of the grant of the option) which first become exercisable in any calendar year. The Board of Directors also selects the employees to receive grants under the plan and determines the number of shares covered by options granted under the plan. No options may be exercised after ten years from the date of grant, options may not be transferred except by will or the laws of descent and distribution, and options may be exercised only while the optionee is an employee of the Company, within three months after the date of termination of employment, or within twelve months of death or disability.

12

The number of shares reserved for issuance under the Plan, the number of shares covered by outstanding options, the exercise price and the exercise date of options will be adjusted in the event of changes in the number of outstanding shares of common stock effected without receipt of consideration by the Company. The Board of Directors may amend, suspend or terminate the Plan, but may not increase (except as discussed above) the maximum number of shares reserved for issuance under the Plan, or materially modify the eligibility requirements under the Plan without shareholder approval or ratification. The plan will terminate on March 16, 2007, and no options will be granted thereunder after that date.

There are currently outstanding incentive options to purchase 238,115 shares and nonqualified options to purchase 161,050 shares.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Edgar Filing: COMMUNITY BANKSHARES INC /SC/ - Form DEF 14A

The banks have loan and deposit relationships with some of the directors of the Company and some of the directors of the subsidiaries of the Company and with companies with which the directors are associated as well as members of the immediate families of the directors ("Affiliated Persons"). (The term "members of the immediate families" for purposes of this paragraph includes each person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, and brothers and sisters-in-law.) The total loans outstanding to these parties at December 31, 2001, were \$10,367,000. Loans to Affiliated Persons were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not, at the time they were made involve more than the normal risk of collectibility or present other unfavorable features.

The law firm of Horger, Barnwell and Reid, in which Samuel F. Reid, a director of the Company, is a partner, provided legal services to the Company in 2001, and is continuing to provide legal services to the Company in 2002. The law firm of Willcox, Buyck and Williams, P.A. in which Wm. Reynolds Williams, a director of the Company, is a member also provided legal services to the Company in 2001, and is continuing to provide legal services to the Company in 2002.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

As required by Section 16(a) of the Securities Exchange Act of 1934, the Company's directors, its executive officers and certain individuals are required to report periodically their ownership of the Company's Common Stock and any changes in ownership to the Securities and Exchange Commission. Based on a review of Forms 3, 4 and 5 and written representations made to the Company, it appears that all such reports for these persons were filed in a timely fashion during 2001, except that the Company inadvertently failed to file one Form 4 for each of Phil P. Leventis and Wm. Reynolds Williams with respect to a purchase of shares, and one Form 4 for each director with respect to the grant of stock options during the year. It is the Company's practice to assist directors with filing of Section 16(a) reports.
