Pro Forma Financial Information

As described in more detail herein, this document contains unaudited pro forma financial information as at, and for the year ended, December 31, 2006, which is based on the consolidated financial statements of ABN AMRO Holding N.V. after giving effect to the proposed sale of ABN AMRO North America Holding Company ("AANAH") which principally consists of the retail and commercial banking activities of LaSalle Bank Corporation ("LaSalle") to Bank of America Corporation. ABN AMRO's North American Asset Management businesses and certain businesses within ABN AMRO's North American Global Markets and Global Clients operations are not included in the sale. The pro forma financial statements have been prepared on the basis of estimates and assumptions which are preliminary. The pro forma financial statements do not represent what the ABN AMRO Holding N.V.'s consolidated financial position or income statement would actually have been if the proposed transaction had in fact occurred or predict the ABN AMRO Holding N.V.'s financial position or income statement as of any future date or for any future period. Consequently, investors are cautioned not to place undue reliance on the pro forma financial statements. Furthermore, there can be no certainty that the proposed transaction will be completed in the manner described herein, if at all.

Introduction

On April 23, 2007 ABN AMRO Holding N.V. announced to sell off AANAH to Bank of America Corporation for a consideration of approximately US\$ 21 billion. Prior to the completion of the sale, ABN AMRO Holding N.V. will convert into equity approximately US\$ 6 billion of loans.

The following unaudited pro forma condensed consolidated balance sheet as at December 31, 2006 and the unaudited pro forma condensed consolidated income statement for the years ended December 31, 2004, 2005 and 2006 and the notes thereto (together, the 'pro forma financial statements') are based on the consolidated financial statements of ABN AMRO Holding N.V. after giving effect to the proposed divestment using assumptions and adjustments described in the accompanying notes to the pro forma financial statements.

The financial statements of ABN AMRO Holding N.V. at December 31, 2006 are prepared in accordance with IFRS. A reconciliation to US GAAP of shareholders' equity and net profit from continuing operations is also provided.

For the purposes of the preparation of the pro forma financial statements:

- The pro forma condensed consolidated IFRS balance sheet of ABN AMRO Holding N.V. at December 31, 2006 presented to show the effect of the sale of AANAH is based upon the respective consolidated IFRS balances sheets at December 31, 2006 of ABN AMRO Holding N.V. and AANAH, and the resulting pro forma equity has been reconciled to US GAAP, as if the proposed disposal had occurred on December 31, 2006.
- The pro forma condensed consolidated IFRS income statement of ABN AMRO Holding N.V. for the years ended December 31, 2004, 2005 and 2006 presented to show the effect of the sale of AANAH is based upon the respective consolidated IFRS income statements for the years ended December 31, 2004, 2005 and 2006 of ABN AMRO Holding N.V. and AANAH, and the resulting pro forma income for the year ended December 31, 2006 has been reconciled to US GAAP, as if the proposed disposal had occurred on December 31, 2006.

Assumptions applied:

- Earnings used for the basic pro forma earnings per share calculation, is the pro forma profit attributable to the equity holders of the parent for the year ended December 31, 2006.
- The weighted average number of shares outstanding during the year ended December 31, 2006 for the entity is based on the estimated equivalent weighted average number of ordinary shares for ABN AMRO Holding N.V.

• The pro forma earnings per share sheet does not include the impact of the conversion into equity of approximately US\$ 6 billion of loans.

Unaudited Pro Forma Condensed Financial Statements

• We have not included the expected proceeds of the sale. Furthermore, we have neither determined nor recorded a gain on the sale of AANAH. The effect of the determination of the result of the sale will cause material differences to the following pro forma financial statements.

These pro forma financial statements and accompanying notes should be read in conjunction with the financial statements and the related notes thereto of ABN AMRO Holding N.V., for the years ended December 31, 2004, 2005 and 2006 respectively. The pro forma financial statements are presented for information purposes only and do not represent what the results of operations would actually have been if the combination had occurred on the dates indicated nor do they project the results of operations for any future period.

For more information on these and other factors, please refer to Part I: Item 3.D "Risk Factors" in our Annual Report on Form 20-F filed with the US Securities and Exchange Commission and to any subsequent reports furnished or filed by us with the US Securities and Exchange Commission.
