Item 1. Security and Issuer

The class of equity securities to which this statement relates is the Class B shares, P\$1.00 par value per share (the “Shares”), of Telecom Argentina S.A., an Argentinean corporation (the “Issuer”), a portion of which is represented by American Depositary Shares which are traded on the New York Stock Exchange (the “NYSE”). The principal executive offices of the Issuer are located at Alicia Moreau de Justo 50, 10th floor, 1107 Buenos Aires, Argentina.

Item 2. Identity and Background

The names of the persons filing this statement are Telecom Italia S.p.A., an Italian corporation (“TI”), Telecom Italia International N.V., a Dutch corporation (“TII”), Sofora Telecomunicaciones S.A., an Argentinean corporation (“Sofora”) and Nortel Inversora S.A., an Argentinean corporation (“Nortel”).

The address of the principal office of TI is Piazza degli Affari 2, 20123 Milan, Italy. The address of the principal office of TII is Strawinskylaan 1627, 1077 XX Amsterdam, The Netherlands. The address of the principal office of Sofora is Av. Eduardo Madero 900, 26th Floor, 1106 Buenos Aires, Argentina. The address of the principal office of Nortel is Alicia Moreau de Justo 50, 11th Floor, 1107 Buenos Aires, Argentina.

TI and its subsidiaries operate mainly in Europe, the Mediterranean Basin and South America. The TI group is engaged principally in the communications segment and, particularly, in the fixed and mobile national and international telecommunications segments, the television segment and the office products segment. TII, Sofora and Nortel are purely holding companies.

The name, business address, present principal occupation or employment, principal business address of such employer and citizenship of each director and executive officer of TI, TII, Sofora and Nortel is set forth on Schedule A.

During the last five years, except as described in the next paragraph, none of TI, TII, Sofora or Nortel and, to the best of their knowledge, none of the persons listed on Schedule A attached hereto, has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject, to federal or state securities laws or finding any violation with respect to such laws.

In December 2008 TI received a notice of commencement of proceedings for administrative offenses under articles 21 and 25, paragraphs 2 and 4 of Italian Legislative Decree 231/2001. Such notice was received following the investigation, by the Public Prosecutor of Milan, of events involving former TI employees and consultants charged with a series of crimes, including – among others - the offense, under Legislative Decree 231/2001, of bribing public officials to obtain confidential information. In May 2010 TI agreed to pay a fine of Euro 400,000 pursuant to art. 63 of Legislative Decree 231/2001 (which provides for an administrative “plea bargaining” procedure). As a result of agreeing to pay the fine TI settled its position in this proceeding without denying or admitting the administrative offenses alleged in the notice referred to above and was dismissed as a defendant by the Milan Court.

Item 3. Source and Amount of Funds or Other Consideration

The consideration for the transfer of Sofora shares representing an additional 8% of such shares under the Share Purchase Agreement (as defined below) was (i) \$1, and (ii) the execution of certain agreements between the TI group and various entities of the Werthein group (the “Werthein Group”), including inter alia (a) the Amended and Restated Shareholders’ Agreement (as defined below), (b) a settlement agreement relating to certain previous disputes between such parties in relation to their interests in the Issuer, and (c) a certain call option agreement providing for call options

in favor of TII over the remaining shares of Sofora, that were terminated upon completion of the Sofora Share Transfer (as defined below). Previously outstanding call options granted by the Wertheim Group to TII were also terminated in connection with entering into these new arrangements.

Item 4. Purpose of Transaction

On August 5, 2010 TII and certain entities of the Werthein Group (the “Sellers”) entered into a share purchase agreement (the “Share Purchase Agreement”) under which the Sellers agreed to sell 35,176,160 common shares of Sofora, representing 8% of its stock capital, to TII (the “Sofora Share Transfer”), subject to the satisfaction of certain conditions precedent, including the receipt of necessary regulatory approvals. Following receipt of the necessary regulatory approvals on October 13, 2010, the Sofora Share Transfer was completed and TII and TI jointly became the owners of 58% of the shares of Sofora (the “TI Control Event”), thereby acquiring the right to appoint the majority of directors in Sofora, Nortel and the Issuer, in accordance with the Shareholders’ Agreement, as defined below. A copy of the Share Purchase Agreement is attached hereto as Exhibit 2 and incorporated herein by reference.

On August 5, 2010 TI, TII and the Werthein Group, also entered into the 2010 Amended and Restated Shareholders’ Agreement (the “Amended and Restated Shareholders’ Agreement”), amending the 2003 Amended and Restated Shareholders’ Agreement previously in force among the parties and regulating certain matters as to the corporate governance of Sofora, Nortel and the Issuer. A copy of the Amended and Restated Shareholders’ Agreement is attached hereto as Exhibit 3 and incorporated herein by reference.

On October 13, 2010 TI, TII and the Werthein Group entered into an amendment to the Amended and Restated Shareholders’ Agreement (the “First Amendment to the Shareholders’ Agreement” and, together with the Amended and Restated Shareholders’ Agreement, the “Shareholders’ Agreement”), attached hereto as Exhibit 4, providing for certain required governance arrangements agreed with the Argentinean Antitrust Authority.

In accordance with the Shareholders’ Agreement, the Werthein Group and TI and TII have the following rights under the Shareholders’ Agreement.

Prior to the TI Control Event the Werthein Group had the right to appoint three out of six Board members and TI had the right to appoint the remaining three Board members of Sofora. Following the TI Control Event, TI may nominate five of the nine Board Members of Sofora. Decisions are to be made by the majority of directors present at each meeting. The Werthein Group also has the right to nominate the Chairman of the Internal Auditors Committee (Comisión Fiscalizadora) of Sofora.

With respect to Nortel, until the occurrence of the TI Control Event each of the Werthein Group and TI had the right to appoint two out of six Board members and the Werthein Group and TI had the right to jointly nominate the fifth director. The sixth director was to be nominated by the Class A and Class B preferred shareholders of Nortel, as long as they had such rights in accordance with the terms and conditions of issuance of the preferred shares (see Item 5(a) below). Following the TI Control Event TI may nominate four of the seven Board Members of Nortel. Decisions are to be made by the majority of directors present at each meeting. In case of a tie, the Chairman, nominated by TI, shall cast the deciding vote. The Werthein Group will nominate the Chairman of the Audit Committee (Comité de Auditoría) of Nortel.

With respect to the Issuer, as a general rule, Nortel has the right to appoint five directors and the minority shareholders have the right to nominate one director. Until the occurrence of the TI Control Event, three of the five Board members to be nominated by Nortel were to be appointed by TI and the remaining two by the Werthein Group. Following the TI Control Event, it is intended that the Issuer’s Board of Directors shall consist of seven members, six of which shall be nominated by Nortel. TI has the right to appoint four of the six Nortel nominees. Decisions are to be made by the majority of directors present at each meeting. In case of a tie, the Chairman, nominated by TI, casts the deciding vote. The Werthein Group has the right to appoint the Chairman of the Audit Committee of the Issuer. The Shareholders’ Agreement also provides that the resolutions of the Audit Committee shall be taken by the unanimous vote of its members.

The Chairman of the Issuer's Board of Directors (i) will be an Argentine professional of recognized reputation; and (ii) will not have been appointed as director or officer by any direct or indirect competitor of the Issuer in the Argentinean telecommunications market within the previous 12 months from his appointment.

On October 13, 2010, all the conditions precedent provided under the Share Purchase Agreement were satisfied, and the Sofora Share Transfer was completed. Accordingly, as of the date hereof, TI and TII jointly hold 58% of Sofora share capital and the Werthein Group holds 42% of the Sofora share capital. The consideration for the Sofora Share Transfer is described in Item 3. above. Following completion of the Sofora Share Transfer and due to the rights granted under the Shareholders' Agreement, TI is deemed to indirectly control the Issuer.

The Shareholders' Agreement also establishes a Steering Committee (Consejo de Dirección) for the Issuer, which will be composed of four members, of which two will be appointed by TI and two by the Werthein Group. The Steering Committee will be in charge of resolving matters concerning the Issuer's business plan, annual budget and general employee compensation policy for the Issuer. The Steering Committee will validly resolve upon any matter with the affirmative vote of the majority of the members. If a matter is not approved by the majority of its members, the Board of Directors will resolve upon such matter.

In addition, in accordance with the First Amendment to the Shareholders' Agreement, the functions of the Steering Committee of the Issuer have been extended and shall include the submission to the Steering Committee of (i) the marketing plans of any business unit of the Issuer and Telecom Personal S.A. ("TP", a 99.99% Issuer owned Argentinean corporation, active in the provision of mobile telecommunications services) and bids to be presented in public tenders (licitaciones públicas), exceeding Argentinean Pesos \$ 5 million, in order to determine that the same do not violate the Argentinean Antitrust law; (ii) quarterly, the commercial offers to customers launched by the Issuer and TP during the prior 3-month period, in order to assess if the same comply with the Argentinean Antitrust law; and (iii) the appointment of the officer of the Issuer and TP responsible for Marketing and the officer responsible for the landline business unit (Telefonia Fija) of the Issuer for its approval. Such officers shall be persons who, in the preceding 36 (thirty-six) months, did not serve as a board member or officer of any company established in Argentina which is directly or indirectly controlled by Telefónica S.A.

Pursuant to the Shareholders' Agreement, the meetings between the TI group and the Werthein Group, before any shareholders or Board of Directors meeting of Sofora, Nortel, the Issuer or any of its subsidiaries, that will deliberate on matters (i) to be submitted to the shareholders meeting or (ii) connected with the preferred shareholders of Nortel, remains substantially as set forth in the 2003 Amended and Restated Shareholders' Agreement, but now excludes resolutions to be adopted by certain non-executive committees. Two members appointed by TI and one member appointed by the Werthein Group will attend the prior meetings and the decisions will be taken through the affirmative vote of the majority of its members.

The Werthein Group will maintain certain veto rights upon matters, substantially as provided for in the 2003 Amended and Restated Shareholders' Agreement, as follows:

- (i) the approval of any amendment to the by-laws, other than the amendments expressly set forth in the Shareholders' Agreement;
- (ii) dividend policy;
- (iii) any capital increase or decrease, except for any capital increase or decrease connected to any possible debt restructuring;
- (iv) changing the location of the headquarter offices;
- (v) any acquisition of subsidiaries and/or creation of subsidiaries;
- (vi)

the sale, transfer, assignment or any other disposition of all or substantially all of the assets or any of its subsidiaries of the Issuer;

(vii) decisions relating to the establishment of joint ventures;

(viii) constitution of any charges, liens, encumbrance, pledge or mortgage over assets, exceeding in the aggregate the amount of US\$20,000,000;

- (ix) any change of external auditors, to be chosen among auditors of international reputation;
- (x) any related party transaction which is not carried out according to usual market conditions, exceeding the amount of US\$5,000,000, with the exception of (i) any correspondent relationships, traffic agreement and/or roaming agreements with any national and/or international telecommunications carriers/operators, including the establishment, expansion or amendment of such correspondent relationships with any new telecommunications carriers; and (ii) any transaction connected with the debt restructuring;
- (xi) any extraordinary transaction involving the Issuer group, exceeding the amount of US\$30,000,000, except for any operation not connected with the debt restructuring of the Issuer group; and
- (xii) any change to the rules of the Steering Committee, the Regulatory Compliance Committee or the Comité de Auditoría; and the creation, changes or dissolution of any committee of the Issuer group with similar functions.

Certain of these veto rights terminate if the Wertheim Group's shareholding in Sofora falls below 39% and terminate in their entirety if such share holding falls to 24% or below.

Additionally, pursuant to the Shareholders' Agreement, the term in office of the members of the Board of Directors of the companies of the Issuer group shall be of three (3) years and the maximum number of the members of the Board of Directors of the Issuer shall be increased from nine (9) to eleven (11).

Except as set forth in this Statement, none of TI, TII, Sofora or Nortel has any plan or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. Interest in Securities of the Issuer

(a) Following completion of the Sofora Share Transfer, TI holds 142,903,150 shares and TII holds 112,124,010 shares of Sofora, representing an aggregate 58% of the Sofora shares. The Wertheim Group owns the remaining 42% of the Sofora shares.

Sofora owns 5,330,400 ordinary shares of Nortel, representing 100% of the Nortel ordinary stock and 67.79% of the Nortel capital stock. The outstanding Class A preferred shares and the Class B preferred shares of Nortel represent respectively 13.51% and 18.70% of the capital stock of Nortel. The ordinary shares are the only class of full voting stock. In the event of certain payment defaults or breaches of covenants, the Nortel preferred shareholders may elect one director to the Nortel's board of directors and obtain voting rights. Currently, the Class A preferred shareholders have the right to elect one member of Nortel's board of directors and a general right to vote for all matters other than the election of all other board members, and Sofora therefore owns 83.38% of the voting stock of Nortel. The Class B preferred shares have no voting rights and the American Depositary Receipts representing them are listed on the NYSE. Sofora does not own any such Class B preferred shares.

In its turn, Nortel owns 502,034,299 Class A ordinary shares of the Issuer (representing 100% of this class and 51% of the Issuer's total capital stock) and 36,832,408 Class B ordinary shares of the Issuer (representing approximately 8.35% of this class and 3.74% of the Issuer's total capital stock). In aggregate Nortel owns 538,866,707 ordinary shares, representing approximately 54.74% of the capital stock and of the voting power of the Issuer. A portion of the Class B ordinary shares of the Issuer are listed on the NYSE and trade in the form of American Depositary Receipts.

Except as set forth in this Item 5(a), none of TI, TII, Sofora, Nortel, and, to the best of its knowledge, any persons named in Schedule A hereto owns beneficially any Shares.

- (b) Nortel has sole power to vote and to dispose of the Shares.
- (c) Inapplicable.
- (d) Inapplicable.

(e) Inapplicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

As described in Item 4 above, the Shareholders' Agreement regulates several corporate governance matters related to the Issuer group.

Except for the Shareholders' Agreement, to the best knowledge of TI, TII, Sofora and Nortel there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of the Issuer, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.

The Seller 2 is the owner, beneficially and of record, of the 8% Sofora Shares, and has good, valid and marketable title to the 8% Sofora Shares, free and clear if any Lien, and, without prejudice to the Escrow Agreement and the other Transaction Documents, has the right, power and authority to sell and transfer the 8% Sofora Shares. Subject to the obtainment of the Secom Approval, Antitrust Approval and Lifting Order, upon delivery of the 8% Sofora Shares or the Vehicle Shares, as applicable, to the Buyer, in accordance with the terms of this Agreement, the Buyer will acquire good and marketable title to the 8% Sofora Shares or the Vehicle Shares, as applicable, free and clear of all Liens. Subject to the obtainment of the Secom Approval, Antitrust Approval and Lifting Order, all of the notices, legal opinions, consents, amendments, waivers and modifications required pursuant to the terms of any documents applicable to either the Seller 1 or the Seller 2 or set forth in any agreement, instrument or other document to which the Seller 1 or the Seller 2 is a party that governs or regulates the terms of the Sellers' ownership of the Transferred Shares (the "Governing Documents") in order to permit the transactions contemplated by this Agreement including, without limitation, with respect to the transfer of the 8% Sofora Shares by the Seller 2 or the Vehicle Shares by the Seller 1, as applicable, to the Buyer, waivers of all prohibitions on transfer, waivers of all rights of first refusal or similar rights, and all required consents, if any, to the

transfer of the 8% Sofora Shares or the Vehicle Shares, as applicable, to the Buyer, have been duly obtained or waived.

The Seller 2 is, has at all times been, and shall remain a holding company, whose sole and exclusive assets are the 8% Sofora Shares. There is no Order, claim, action, suit or other legal proceeding by or before any Governmental Entity pending against or affecting the Seller 2.

The Seller 2 has no, and shall not have, any debt or liability of any nature whatsoever (whether accrued, contingent or otherwise and whether due or to become due).

(d) Other Representation and warranties

The Los W Parties consider that the fact that the Spanish company Telefónica S.A., the ultimate parent company of TA's main competitor in Argentina, Telefónica de Argentina S.A., owns an indirect participation in TI's and the Buyer's share capital, as well as the issuance of certain administrative acts issued by Secom and other Governmental Entities, including No. 1004/08 and No. 2573/08 issued by Secom, do not imply, subject to the prior Secom Approval, Lifting Order and the Antitrust Approval, an impediment of whatever nature for the Parties to carry out the transactions contemplated in the Transaction Documents and to comply with any right and obligation provided thereunder.

(e) No transfer restrictions

There are no restrictions or conditions to the transfer of the Transferred Shares to the Buyer, other than those provided herein. None of the Los W Parties nor any other Person is entitled to any right, under the Law or any agreement, including the 2010 Amended and Restated SHA or the SHA, having the effect to impede, restrict, condition or limit the transfer of the Transferred Shares contemplated herein or in the Transaction Documents.

(f) No Reliance

In connection with entering into this Agreement, the Sellers and each of the Guarantors hereby represent that: (i) it is not relying (for purposes of entering into this Agreement) upon any advice, counsel or representations (whether written or oral) of the Buyer other than the representations and warranties contained in this Agreement, which are considered by it and by its Affiliates satisfactory and sufficient, and (ii) it has consulted with its own advisers to the extent it has deemed necessary, and it has made its own decisions with respect to entering into this Agreement based upon its own judgment and upon any advice from such advisers it has deemed necessary and not upon any view expressed by the Buyer, any of its Affiliates and/or any of their respective Representatives.

5.2 The representations and warranties of the Sellers contained in Section 5.1 are in lieu of all other representations and warranties however provided under the Law applicable hereto. The Sellers make no representation and gives no warranty to the Buyer other than as specifically provided for in Section 5.1.

ARTICLE VI

CONDITIONS PRECEDENT

6.1 General Conditions

6.1.1 The obligations of the Buyer to consummate the Closing shall be subject to the following conditions (unless waived by the Buyer in its sole and absolute discretion):

- (a) The obtainment of the approval by Secom, in form and substance acceptable to the Buyer in its sole and absolute discretion, of the transfer of the Transferred Shares, in accordance with the terms of this Agreement (the “Secom Approval”);
- (b) The obtainment of the approval by the Antitrust Authority in form and substance acceptable to the Buyer in its sole and absolute discretion of the transfer of the Transferred Shares, in accordance with the terms of this Agreement (the “Antitrust Approval”);
- (c) The issuance of one or more Orders which supersede any Orders issued by Secom, any Antitrust Authority or any other Governmental Entity, including any of the Judicial and Administrative Orders still effective, to the extent not superseded by the Secom Approval or the Antitrust Approvals so that they no longer impede, limit, hinder, suspend or prevent execution, delivery or performance of the transaction contemplated by this Agreement, which Lifting Order shall be in form and substance acceptable to TI and the Buyer in their sole and absolute discretion (collectively, the “Lifting Order”);
- (d) No Law or Order shall have been enacted, entered, issued or promulgated by any Governmental Entity and remain in effect on the date that would otherwise be the Closing Date, which prohibits, prevents or suspends the consummation of the transactions contemplated by this Agreement, or any other transaction contemplated in the other Transaction Documents; and
- (e) Each Los W Party shall have complied with all their obligations, representations and warranties under this Agreement and the other Transaction Documents and no material breach by any Los W Party shall have occurred and remain uncured under this Agreement and the other Transaction Documents.

It is understood and agreed between the Parties that the Secom Approval, the Antitrust Approval and the Lifting Order shall be deemed as obtained or issued upon respective notification to the Buyer (which shall promptly notify thereafter the Sellers providing a copy of such Secom Approval, Antitrust Approval and Lifting Order) and only if: (i) no such approval or Order contains any condition or directly or indirectly implies any restriction or burden on the Buyer, TI or their Controlled Affiliates; or (ii) in case any of such approvals or Orders contain any condition, restriction or burden on the Buyer, TI or its Controlled Affiliates, such condition, restriction or burden is acceptable to the Buyer in its sole and absolute discretion, and the Buyer notifies the Sellers of its intent to proceed with the transactions notwithstanding such condition(s), restriction(s) or burden(s). It is understood that (i) in the event the Secom Approval and the Antitrust Approval contains measures and undertakings with respect to the Buyer, TI and its Controlled Affiliates substantially similar to those imposed by CADE, without any further condition, restriction or burden, such Secom Approval and Antitrust Approval shall be deemed as obtained upon their notification to the Buyer.

6.1.2 Buyer shall send to the Sellers a written notice, within three (3) Business Days from the receipt by Buyer of the notification of the latest to be obtained of the Secom Approval, the Antitrust Approval and the Lifting Order, informing the Sellers of the satisfaction of the conditions precedent in accordance to Section 6.1.1 above and specifying the date and place on which the Closing shall take place (the “Closing Notice”).

6.2 Conditions to Obligations of the Sellers

The obligation of the Sellers to effect the Closing shall not be subject to any condition (other than as detailed in 6.1.1, unless waived by the Buyer).

ARTICLE VIII

INDEMNIFICATION

8.1 Obligations of the Sellers

Each of the Sellers agrees to indemnify and hold harmless the Buyer and its Representatives from and against any Losses of the Buyer and its Representatives based upon or arising from (i) any breach in or inaccuracy of any of the representations and warranties made by the Sellers in this Agreement or in any certificate or other document delivered by the Sellers in connection herewith, or (ii) any breach or nonperformance of covenants or agreements made by the Sellers in or pursuant to this Agreement.

8.2 Obligations of the Buyer

The Buyer agrees to indemnify and hold harmless the Sellers and its Representatives from and against any Losses of the Sellers and their Representatives based upon or arising from (i) any breach in or inaccuracy of any of the representations and warranties made by the Buyer in this Agreement or in any certificate or other document delivered by the Buyer in connection herewith, or (ii) any breach or nonperformance of covenants or agreements made by the Buyer in or pursuant to this Agreement.

8.3 Procedure

- (a) Notice. If any party that shall be indemnified in accordance with Sections 8.1 and 8.2 (such Party, an “Indemnified Party”) shall incur or suffer any Loss that may be subject to indemnification pursuant to this Agreement, such Indemnified Party shall give notice to the Party against which indemnification shall be sought in accordance with Sections 8.1 and 8.2 (such Party, an “Indemnifying Party”) of any matter that the Indemnified Party believes has given or could give rise to a right of indemnification under this Agreement promptly, but in no event later than 30 (thirty) days after the Indemnified Party first learns of such claim, stating the amount of the Loss, if known, and method of computation thereof, if possible, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises, and requiring indemnification of such Loss from the Indemnifying Parties (any such notice, an “Indemnity Claim”). The Indemnifying Parties shall, as soon as practicably possible after receipt of such notice but in no event later than 30 (thirty) days from such receipt, indemnify and reimburse the Indemnified Party for the full amount of the Loss, net of any taxes or withholdings applicable to the payment or reimbursement of the relevant amount to the Indemnified Party.
- (b) Defense of Third-Party Claims. The obligations of an Indemnifying Party under this Article VIII with respect to any Loss arising from claims of any third-party which are subject to the indemnification provided therein (each, a “Third-Party Claim”) shall be governed by the following additional terms and conditions:
- (i) If an Indemnified Party shall receive notice of any Third-Party Claim, the Indemnified Party shall immediately give the Indemnifying Party notice of such Third Party Claim following receipt by the Indemnified Party of such notice. Such notice shall include any information and documentation available to the Indemnified Party –including without limitation the documents contained in the notification of the Third Party Claim to the Indemnified Party. Failure or delay to provide such notice shall not limit the indemnification obligations of the Indemnifying Party except solely and to the extent that the Indemnifying Party was actually prejudiced by such failure or delay.

- (ii) The Indemnifying Party shall be entitled to join – but not control - the defense of the Third-Party Claim; provided, however, that if the Indemnifying Party irrevocably and unconditionally undertakes in writing to renounce to and waive any objection, argument, action, cause of action, claim, demand, request, that it has, had or may have in the future against its obligation to indemnify the Indemnified Party against all Losses arising from such Third-Party Claim, the Indemnifying Party shall be entitled, at its own expense, to control the defense, negotiation and/or settlement of the notified Third-Party Claim through counsel selected by the Indemnifying Party and reasonably acceptable to the Indemnified Party. The Indemnified Party shall be entitled to participate in the defense of any such claim through counsel of its choosing retained at its expense.
- (iii) In the event the Indemnifying Party undertakes any such defense against any such Third-Party Claim as provided above, the Indemnified Party shall timely and promptly cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party, at the Indemnifying Party's expense, all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is reasonably required by the Indemnifying Party.
- (iv) In the event the Indemnified Party is, directly or indirectly, conducting the defense against any such Third-Party Claim, the Indemnifying Party shall cooperate with the Indemnified Party in such defense and make available to the Indemnified Party, at the Indemnifying Party's expense, all such witnesses, records, materials and information in the Indemnifying Party's possession or under the Indemnifying Party's control relating thereto as is reasonably required by the Indemnified Party.
- (v) No Third-Party Claim may be settled by the Indemnifying Party or by the Indemnified Party, and the Indemnifying Party shall make no concession or admission of liability, without the prior written consent of the other Party, which cannot be unreasonably withheld.

8.4 Certain General Provisions

- (a) Any Indemnity Claim under this Article VIII with respect to any breach or nonperformance by either party of a representation, warranty, covenant or agreement shall be limited to the amount of the actual Losses sustained by the Indemnified Party by reason of such breach or nonperformance, net of any insurance proceeds received by the Indemnified Party.
- (b) The Parties shall cooperate with each other with respect to resolving any claim or liability with respect to which one Party is obligated to indemnify an Indemnified Party hereunder, including by making reasonable efforts to mitigate or resolve any such claim or liability. Each Party shall use reasonable efforts to address any claims or liabilities that may provide a basis for an Indemnity Claim such that each Party shall respond to any claims or liabilities in the same manner it would respond to such claims or liabilities in the absence of the indemnification provisions of this Agreement. In the event that any Party shall willfully fail to make such reasonable efforts to mitigate or resolve any claim or liability, then notwithstanding anything else to the contrary contained herein, the other Party shall not be required to indemnify any Person for any Loss that could reasonably be expected to have been avoided if such Party, as the case may be, had made such efforts.

MISCELLANEOUS

10.1 Confidentiality

All information disclosed by any Party to this Agreement or their respective Affiliates (or their respective Representatives) whether before or after the date hereof, in connection with the transactions contemplated by, or the discussions and negotiations preceding, this Agreement to any other party (or its Representatives) shall be kept strictly confidential by such other Party of this Agreement and its Representatives and shall not be used by any Persons other than as contemplated by this Agreement, except to the extent that (i) such information was known by the recipient when received, (ii) such information is or hereafter becomes lawfully obtainable from other sources, (iii) such information is requested or required to be disclosed by Law or Order or to request the Secom Approval, the Antitrust Approval or the Lifting Order, or (iv) such duty as to confidentiality is waived in writing by the disclosing party. If this Agreement is terminated, each Party shall return upon written request from the other party all documents (and reproductions thereof) received by it or its Representatives from such other Party (and, in the case of reproductions, all such reproductions made by the receiving party) that include information not within the exceptions contained in the first sentence of this Section 10.1, unless the recipients provide assurances reasonably satisfactory to the requesting party that such documents have been destroyed.

10.2 Parties in Interest; Assignment

This Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of each of the Parties hereto and their respective successors. This Agreement and the rights, interests or

obligations hereunder shall not be assigned by any Party without the prior written consent of the other Parties, and any attempt to assign this Agreement without such consent shall be void and of no effect; provided however that the Buyer may, without the Sellers' or the Guarantors' consent, (i) assign any rights and obligations hereunder to any of its Affiliates, or (ii) at any time after the Closing Date transfer the Transferred Shares purchased by the Buyer to a third party. The Parties expressly agree that any transfers made to third parties under points (i), (ii), or (iii) hereunder shall not be subject to the transfer restrictions and provisions contained in the 2010 Amended and Restated SHA.

10.3 Severability

In the event any term or provision of this Agreement shall be deemed to be illegal, invalid or unenforceable for any reason, such illegality, invalidity or unenforceability will not affect any other term or provision of this Agreement and the Parties shall endeavor to replace the invalid or null and void provision(s) with such which correspond best to the intention to the Parties hereto.

10.4 Schedules and Exhibits; No Amendments

All Schedules to this Agreement constitute an integral and substantial part of this Agreement. This Agreement may be amended only upon the mutual written consent of the Parties hereto. No waiver of any provision nor consent to any exception to the terms of this Agreement shall be effective unless in writing and signed by the Party to be bound and then only to the specific purpose extent and instance so provided.

10.5 Counterparts. Entire Agreement

(a) This Agreement is and shall be deemed duly executed and delivered by the Parties upon execution and delivery of the Offer and Acceptance Letters as of the date of execution and delivery by the Parties of the Offer and Acceptance Letters.

(b) This Agreement, the Offer and Acceptance Letters, all annexes, appendix, exhibits, schedules to this Agreement constitute the entire agreement of the Parties with respect to the subject matter hereof and supersede all prior agreements, undertakings, both written and oral, of the Parties with respect to the subject matter hereof.

10.6 Publicity and Reports

All the Parties of this Agreement shall coordinate all public announcements relating to the existence of this Agreement as well as the transactions contemplated hereby and no Party shall issue any press release, publicity statement or other public notice relating to this Agreement, or the transactions contemplated by this Agreement, without obtaining the prior written consent of the other Parties except to the extent a particular action is required by applicable law, Order and stock exchange rules.

10.7 Expenses

The Seller 1 and the Buyer shall each pay their taxes and expenses incident to the negotiation, preparation and performance of this Agreement and the transactions contemplated hereby, respectively incurred by the Sellers and the Buyer, including but not limited to the fees, expenses and disbursements of their respective investment bankers, advisors (including tax advisors), accountants and counsel. Any stamp Tax in connection to the execution of this Agreement if applicable shall be borne half by Buyer and half by the Los W Parties.

10.8

Remedies; Waiver

Except to the extent this Section 10.8 is inconsistent with any other provision in this Agreement or applicable law, all rights and remedies existing under this Agreement are cumulative to and not

Page 31 of 123

exclusive of, any rights or remedies otherwise available under applicable Law. No failure on the part of any Party to exercise or delay in exercising any right hereunder shall be deemed a waiver thereof, nor shall any single or partial exercise preclude any further or other exercise of such or any other right.

10.9 Language

Although the Parties may translate this Agreement into different languages, the governing version shall be the English language version.

10.10 Obligations of the Guarantors and the Sellers

(a) Each Guarantor hereby expressly, irrevocably and unconditionally agrees to be jointly and severally liable as co-obligor with the Sellers, and with each other, and individually, to be fully answerable, as primary obligor and not as a surety, for the due performance of all obligations and liabilities imposed directly or indirectly on the Sellers by this Agreement, including without limitation the obligation to pay the indemnification obligation under Article VIII of this Agreement.

Without prejudice for the foregoing, each Guarantor shall be liable as principal payors and primary obligor hereunder for any of the obligations assumed by the Sellers hereunder. Accordingly, it is expressly agreed and understood that (i) the Buyer shall be entitled at its sole and absolute discretion to claim from any of the Guarantors the full performance of any obligation assumed by the Sellers hereunder; (ii) any breach by the Sellers to any obligation assumed by it hereunder shall be deemed as a direct breach by each of the Guarantors of the obligations assumed hereunder; and (iii) any waiver by the Guarantors and/or the Sellers to any remedy, right or legal defense shall be deemed as a waiver by each of the Guarantors and the Sellers to such remedy, right or legal defense.

All obligations and liabilities of the Sellers arising hereunder are assumed on a joint and several basis. Accordingly, each of the Seller 1 and the Seller 2 hereby expressly, irrevocably and unconditionally agrees to be jointly and severally liable as co-obligors, and individually, to be fully answerable, as primary obligor, for the due performance of all obligations and liabilities imposed directly or indirectly on any of the Sellers by this Agreement. Accordingly, it is expressly agreed and understood that (i) the Buyer shall be entitled at their sole discretion to claim to each of the Sellers the full performance of any obligation assumed by any of the Sellers hereunder; (ii) any breach by the Seller 1 and/or the Seller 2 of any obligation assumed by any of the Sellers hereunder shall be deemed as a direct breach by each of the Sellers of their obligations assumed hereunder; and (iii) any waiver by the Seller 1 and the Seller 2 to any remedy, right or legal defense shall be deemed as a waiver by each of the Assignees to such remedy, right or legal defense.

(b) It is expressly agreed and understood that the joint and several liability of the Guarantors and the Sellers in accordance with subsection (a) above shall not be affected, limited or terminated by virtue of the winding-up, liquidation, dissolution or other incapacity of either of the Sellers or any change in the status, control or ownership of either of the Seller.

(c) Each of the Seller 1 and the Guarantors irrevocably and unconditionally waives, and covenants not to make or claim, any claim or right of subrogation against the Seller 2 in the event that for any reason whatsoever (including, without limitation, force majeure) any of the Seller 1 or the Guarantors is held liable due to the breach by the Seller 2 of any obligation set forth herein.

(d) Each of Guarantors and the Seller 1 irrevocably and unconditionally waives, and covenants not to make or claim, any claim or right of subrogation against the Seller 2 in the event that for any

reason whatsoever (including, without limitation, force majeure) any of the Guarantors and/or the Seller 1 is held liable due to the breach by the Seller 2 of any obligation set forth herein.

10.11 Headings

The descriptive headings of the Articles, Sections and subsections of this Agreement are for convenience only and do not constitute a part of this Agreement.

10.12 No Pacto Leonino

Each of the Los W Parties acknowledges and agrees on their respective behalf and on behalf of their respective Affiliates, that the consideration hereunder is and shall be deemed at all times adequate, and thus this Agreement does not and will not violate Article 13.5 of the Argentinean Law 19,550 (including the Pacto Leonino clause thereof), or any similar provision under the Law, which therefore will not be invoked by the Los W Parties in relation to this Agreement, or any of the transactions contemplated hereby. Each of the Los W Parties, on their respective behalf and on behalf of their respective Affiliates, hereby agrees not to commence or join any claim, action, or other proceeding (at law or in arbitration) seeking the partial or total invalidity of this Agreement, including but not limited to any reason connected with the direct or indirect ownership structure of the Buyer. The foregoing shall be considered as an essential condition for the Buyer entering into this Agreement.

10.13 Specific Performance

Each of the Parties acknowledges that a violation of this Agreement by any other Party, or a failure by any Party to perform any of the provisions of this Agreement in accordance with its specific terms, may cause the other Parties irreparable harm, which may not be adequately compensated for by money damages. Each of the Parties therefore agrees that in the event of any actual or threatened violation by any other Party of this Agreement, such Party shall be entitled, in addition to other remedies that they may have, to a temporary restraining order and to preliminary and final injunctive relief or to specific performance to prevent any violations by the breaching Party of this Agreement or failures by the breaching Parties to perform any of the provisions of this Agreement in accordance with their specific terms, without the necessity of posting a bond. In the event the non-breaching Party prevails in any action commenced under this Section 10.13, such non-breaching Party shall also be entitled to receive reasonable attorneys' fees and court costs.

ARTICLE XI

APPLICABLE LAW AND JURISDICTION

11.1. Applicable law

This Agreement shall be governed by and interpreted in accordance with the laws of the State of New York, without regard to the principles of conflict of laws thereof.

11.2. Jurisdiction

Each of the Parties acknowledges and agrees that any dispute, claim or controversy arising from, relating to, or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the Rules of Arbitration of the International Chamber of Commerce (the "ICC"), as existing from time to time, which rules (the "Rules of Arbitration") are deemed to be incorporated by reference into this clause. To this extent, each Party hereby irrevocably waives its rights to

commence any proceeding in any court with respect to any matter subject to arbitration under this Agreement. The arbitral tribunal shall be composed of three (3) members; the Party requesting the arbitration shall appoint one (1) arbitrator and the other Party shall appoint one (1) arbitrator in the following ten (10) Business Days;

the two Party-appointed arbitrators shall, within ten (10) Business Days from their confirmation by the International Court of Arbitration of the ICC, appoint a third arbitrator to serve as the chairman of the arbitral tribunal; in case of failure by the Party-appointed arbitrators to appoint the chairman within the above mentioned term, the International Court of Arbitration of the ICC shall appoint the third arbitrator pursuant to the Rules of Arbitration; unless differently provided herein, any terms set forth by the above mentioned Rules of Arbitration shall be shortened by one half pursuant to Article 32 of said Rules of Arbitration in case any Party so requests in writing to the ICC in the request for arbitration or within ten (10) Business Days from service thereof, as the case may be. In any event the members of the Los W Parties shall be considered as a single Party for the purpose of this clause. The place of arbitration shall be Paris, France. The language of the arbitration shall be English. Notwithstanding anything to the contrary, documents and other evidence in the arbitration may be submitted in Spanish if that is the original language of the document or evidence and no translation into English will be required. Witnesses and experts may provide testimony in Spanish if that is their mother tongue or if they so elect and no translation into English will be required. The decision of a majority of the arbitrators shall be final and binding on the Parties and their respective successors. Nothing in this Section shall be construed as preventing any Party from seeking conservatory or similar interim relief in any court of competent jurisdiction, provided however that the arbitral tribunal shall always have jurisdiction on the merits of the case, including, without limitation, the authority to award specific performance regarding any and all matters arising from this Agreement; each Party having sought and obtained a conservatory or other interim relief from a court of jurisdiction shall within 30 (thirty) days from the grant of such relief file an arbitration case as provided hereunder: failure to initiate such arbitration proceedings within the given thirty (30) days term, due to any reason whatsoever, shall be considered in any case (i.e. irrelevant for the merits of the case) a major breach of this Agreement and shall entitle the other Party to seek and obtain from the Arbitral Tribunal the full restoration of the damages suffered as a consequence. The Parties expressly agree that this clause and the obligations under it shall be considered a stand alone agreement, independent of the other stipulations and clauses contained in this Agreement. To the extent that this Agreement shall be determined to be null and void in whole or in part, the validity of this clause shall in no way be affected by such a determination, and the arbitral tribunal shall have the power to make a determination as to its competence and as to the existence or validity of this clause.

To the extent that any Party may, in any suit, action or proceeding arising out of or in connection with this Agreement, be entitled to the benefit of any provision of law requiring the other Party in such suit, action or proceeding to post security for costs, or to post a bond or to take similar action (including without limitation, opposing the "excepcion de arraigo"), the Parties hereby irrevocably waive such benefit, in each case to the fullest extent now or in the future permitted under applicable laws.

Only in the event the Parties agree in writing to implement the Consolidation and the terms and conditions thereof, they shall take any and all action to consummate the Consolidation, including to adopt any decision on any operation connected therewith in the Corporate Bodies of the Telecom Argentina Group, as soon as possible and in strict compliance with this Section 5.1. Notwithstanding anything to the contrary contained in this Agreement, once agreed in writing among the Parties in accordance with the preceding paragraph, the Consolidation and any corporate action and/or operation connected therewith shall not be a Supermajority Matter for purposes of this Agreement; and Sections 7 and 12 hereinafter shall not apply to the Transfer of Shares or other capital stock of any of the companies of the Telecom Argentina Group to, or subscription of Shares by, the New Partner/s and the Parties shall waive any pro rata pre-emptive right to subscribe Shares, in connection with the Consolidation, unless otherwise agreed among them. 6.2 This information will be transmitted to the other Party as soon as it is known by one Party.

ARTICLE 7 - TRANSFER OF SHARES

7.1 Notwithstanding anything to the contrary in this Agreement but without prejudice to the following sentence of this Section 7.1, LOS W and the Newcos shall not, except with the prior written consent of TI, directly or indirectly Transfer any of its Shares and/or rights to Shares to any Person, including Transfer to Affiliates, until the earlier of (i) the registration of TI and TII in the stock ledger of the Company as the owner and holder of an aggregate participation at least equal to 58% of the Company's common share capital, with the approval of any Governmental Entity required therefore; or (ii) December 31, 2015.

The foregoing shall not limit or restrict any Third Party Transfer or any assignment of the New Options pursuant to the New Call Option Agreement or the direct or indirect acquisition of the New Option A Shares, New Option B Shares and/or New Option C Shares. For sake of clarity, in the event any Third Party Transfer or the direct or indirect acquisition of the New Option A Shares, New Option B Shares and/or New Option C Shares is consummated the lock-up provision hereunder shall apply to the remaining Shares held by LOS W or the Newcos thereafter. Any Third Party Transfer, any assignment of the New Options or any Transfer pursuant to the exercise of any of the New Options, shall not be

subject to any Right of First Refusal, Tag Along Right or any other right of LOS W or the Newcos provided under this Agreement, and in the event TI and TII decides to Transfer all (but not less than all) their Shares together with any Third Party Transfer or the assignment of any of the New Options, LOS W shall not be entitled to exercise the Tag Along Right pursuant to Section 7.5 hereinafter.

For the sake of clarity, in the event TI and TII own more than 50% of the Company's common share capital and decide to Transfer all their Shares, LOS W shall be entitled to exercise the Right of First Refusal or Tag Along Right pursuant to Section 7.5 hereinafter.

In the event that TII or any of its assignees exercise any of the New Option A, New Option B and/or New Option C and the Transfer of the New Option A Shares, New Option B Shares and/or New Option C Shares, as applicable, is not consummated due to any action or omission of Los W and the Newcos or any of their Affiliates, Los W or the Newcos shall not be entitled to exercise any Right of First Refusal or Tag Along Right pursuant to Section 7.5 hereinafter with respect to the Transfer, if any, of all the Shares of TI and TII to any Third Party.

- 7.2 Notwithstanding anything to the contrary in this Agreement, any Party, other than TI or TII shall always be prevented from directly or indirectly assigning, Transferring or otherwise disposing any of its Shares and/or right to Shares to any Telecom Competitor as well as from directly or indirectly assigning, Transferring or otherwise granting any of its rights and/or obligations under this Agreement to any Telecom Competitor, without the prior written consent of TI.
- 7.3 Notwithstanding anything to the contrary in this Agreement, and subject to the fulfilment of the provisions of this Article 7, no direct or indirect Transfer of any Shares, including Transfer to Affiliates, shall be permitted unless (i) prior to such Transfer, the transferee executes and delivers a counterpart copy of this Agreement or otherwise agrees to be bound by the terms and conditions hereof to the transferring Party by executing and delivering a Deed of Adherence to the other Parties; (ii) such Transfer would not result in a breach of any provision of this Agreement applicable to the transferring Party and (iii) all Authorizations required to be obtained prior to the completion of such Transfer, if any, have been obtained.

- 7.4 Notwithstanding anything to the contrary in this Agreement, but subject to Section 7.1 and 7.2 hereinabove, each of LOS W, TI and TII shall be entitled, upon prior written notice to the other Party, to Transfer all, but not less than all, of its Shares to any of its Affiliate; provided that prior to such transfer, the Affiliate agrees in writing with each of LOS W, TI and TII to transfer such Shares back to the transferring Party (and the transferring Party shall buy back such Shares) immediately in the event that such Affiliate ceases to be an Affiliate of the transferring Party, and Section 7.3 and all other applicable provisions hereof shall be complied with. Notwithstanding any such Transfer, unless otherwise agreed by the non-transferring Party, the transferring Party shall unconditionally guarantee all the obligations of the Affiliate under this Agreement in form and substance reasonably satisfactory to the non-transferring Party.
- 7.5 A Party shall be permitted to Transfer, directly or indirectly, Shares to a Third Party only if it is a Transfer of all -but not less than all- the Shares owned by such Selling Party, and further provided that:
- (i) In case a Party (the "Selling Party") intends to Transfer its Shares and receives a bona fide offer (solicited or unsolicited) in writing (a "Bona Fide Offer") from any no Affiliated third party (the "Third Party"), which Bona Fide Offer shall provide for the purchase of all (but not part) of the Selling Party's Shares (the "Transfer Shares") in exchange for the consideration specified therein, the Selling Party shall first give written notice (the "Transfer Notice") to the other Parties that are not an Affiliate of the Selling Party thereof (each of such other Parties, a "Non-Selling Party" and collectively the "Non-Selling Parties") stating (1) the Selling Party's intention to transfer the Transfer Shares pursuant to the Bona Fide Offer, (2) the number of Transfer Shares, (3) the name and address of the Third Party together with the name and address of the ultimate Controlling entity/ies of such Third Party, and (4) the offered purchase price per share of the Transfer Shares, expressed solely as USD amount, and the manner of payment thereof (which shall be solely in the form of cash or other form of payment in immediately available funds) and thereafter such other information regarding the Bona Fide Offer and the Third Party as each of the Non-Selling Parties may reasonably request. The Transfer Notice shall be accompanied by a copy of the Bona Fide Offer, which shall be in writing and signed by the Third Party and by a guaranty or letter of credit of the Selling Party in form

and substance reasonably satisfactory to each Non Selling Party for an aggregate amount equal to five percent (5%) of the aggregate proposed purchase price ("Closing Guaranty"), which Closing Guaranty may be drawn upon by each of the Non Selling Parties, proportionally to its participation in the Company, or entirely if there is only one Non Selling Party, in the event that, after the failure of each of the Non Selling Parties to exercise its respective Right of First Refusal, as defined hereinafter, the sale of the Transfer Shares to the Third Party is not consummated in accordance with the terms of this Article 7.

- (ii) Each Non-Selling Party shall have the irrevocable right but not the obligation, to purchase the Transfer Shares. Such option (the "Right of First Refusal") shall be exercised by notifying the Selling Party within ninety (90) days from receipt of the Transfer Notice. In the event that more than one Non Selling Party decides to exercise its Right of First Refusal, each of such Non Selling Parties so deciding shall have the right to purchase pursuant to the exercise of the Right of First Refusal a part of the Transfer Shares proportional to its participation in the Company, provided however that the irrevocable decision to purchase pursuant to the Right of First Refusal as set forth above, shall be notified in writing to the Selling Party in the notice hereunder within the abovementioned ninety (90) days period. Failure by a Non-Selling Party to deliver the notice hereunder shall be deemed an election not to exercise its Right of First Refusal. In case any Non-Selling Party elects not to exercise its Right of First Refusal or a Non-Selling Party exercises such a Right of First Refusal but the sale of the Transfer Shares is not consummated as provided herein based on actions or inactions of such Non-Selling Party, each of the other Non Selling Parties shall proportionally (or entirely if there is only one Non-Selling Party) purchase pursuant to its exercise of the Right of First Refusal all the Transfer Shares which will not be purchased by the Non Selling Party electing not to exercise the Right of First Refusal or who fails to purchase the corresponding Transfer Shares.
- (iii) In the event that a Non-Selling Party elects to exercise the Right of First Refusal or Tag Along Right the Selling Party shall effect the proposed transfer with respect to the Transfer Shares on the terms (as regards price per Share and method of payment) set forth in the Transfer Notice and the transfer of Transfer Shares to the

corresponding Non-Selling Party shall take place on or before the 120th day following receipt of the Transfer Notice or, if such transfer is subject to any Authorization required to be obtained prior to such Transfer, within thirty (30) days from the obtainment of the latest of such Authorization/s, (which shall be promptly requested) and in any event within 12 months after the date of submission of the Transfer Notice (the "Shareholders Closing"), when the Selling Party shall deliver to such Non-Selling Party the certificate or certificates representing the Transfer Shares, if any, and, in addition, the Share transfer form duly signed by an authorized officer of the Selling Party, against delivery by the Non-Selling Party of the purchase price thereof as specified in the Transfer Notice. It is understood that (x) if TI and TII are the Non-Selling Party, the Right of First Refusal may be exercised jointly or individually by them or by any Third Party as TI may indicated in writing to the Selling Party, in the proportion indicated by TI to the Selling Party, to the extent in any event all – but not less than all – the Transfer Shares are acquired, and (y) if TI and TII are the Selling Party, the Non-Selling Parties for purposes of this Section 7 shall be solely the other direct shareholders of the Company.

- (iv) Unless otherwise provided hereunder, each Non-Selling Party (other than TI and/or TII) shall also have the irrevocable and exclusive option, but not the obligation, to sell to the Third Party, all and not less than all of the Shares owned by such Non Selling Party (the "Tag Along Right"), in which case the Selling Party shall ensure that, if the Third Party acquires the Transfer Shares, such Third Party shall acquire the Shares of any Non Selling Party exercising the Tag Along Right at a price per Share equal to the price per Share and on the same terms and conditions indicated in the Transfer Notice, provided however that if TI and TII are the Selling Party, the Non-Selling Parties exercising the Tag Along Right shall receive a price per Share equal to the greater of i) the price per Share resulting from the value of one hundred per cent of the Company share capital as calculated in Appendix A ("Sofora Fair Market Value") multiplied by the Economic Interest (as defined in Appendix A) of the Non-Selling Parties in the Company ("Non Selling Parties Economic Interest"), and divided by the number of shares of the Company owned by the Non Selling Parties or (ii) the price per Share resulting from the value of one hundred per cent of the Company share capital calculated as the price offered in the Bona Fide Offer for the acquisition of the Selling Party shares divided by the Selling Party Stake (as defined

in Appendix A), multiplied by the Non Selling Parties Stake (as defined in Appendix A) and divided by the number of shares of the Company owned by the Non Selling Parties. TI and TII shall deliver, attached to the Transfer Notice, the determination of the price per Share at which the Non-Selling Parties have the right to exercise the Tag Along Right. Such price per Share shall be determined in accordance with the procedure described above by an independent advisor, which shall be Deutsche Bank or any successor thereof or, should Deutsche Bank or any successor thereof not accept to act as independent advisor or otherwise be or become unavailable, JP Morgan or any successor thereof. The Parties acknowledge and agree further that the determination of such price per Share made by such independent advisor shall be final, binding and non-appealable among the Parties absent manifest error and each of them hereby irrevocably and unconditionally waives and renounces to any and all rights, claims or demands it has or may have, and agree not to commence any arbitration, suit, action or other proceeding, against the decision of such independent advisor. The Tag Along Right shall be exercised by notifying the Selling Party within sixty (60) days of receipt of the Transfer Notice by the Non-Selling Party. Failure by the Non-Selling Party to deliver the notice hereunder shall be deemed an election not to exercise the Tag Along Right.

- (v) In the event that one or more of the Non-Selling Parties elects to exercise the Tag Along Right, the Selling Party may, upon expiration of the sixty (60) calendar days period above mentioned, accept the Bona Fide Offer, by providing the Third Party with the details of the Non-Selling Party/ies, who has/ve exercised the Tag Along Right and giving copy of such acceptance to the Non-Selling Party/ies.
- (vi) In the event that one or more of the Non-Selling Parties elects to exercise the Right of First Refusal and the other Non-Selling Party/ies elect/s to exercise the Tag Along Right, the Non-Selling Party/ies who are exercising the Right of First Refusal shall purchase, proportionally to their participation, or totally in case only one Non-Selling Party elects to exercise the Right of First Refusal or if for any reason whatsoever remains as the sole Non-Selling Party, the Shares of such Non-Selling Party/ies exercising the Tag Along Right in addition to the Transfer Shares.
- (vii) In the event that none of the Non-Selling Parties exercises such a Right of First Refusal or Tag Along Right but the Transfer of the Transfer Share is not

consummated as provided herein based on actions or inactions of each of the Non-Selling Parties or due to the failure to obtain the required Authorizations within the period detailed in Section 7.5.(iii) (the date of the occurrence of either of such events being the “Non-Selling Party Termination Date”), then the Selling Party shall be free to sell to the Third Party all the Transfer Shares (in whole and not a part thereof) on the terms set forth in the Bona Fide Offer; provided, however, that all other restrictions or requirements applicable to such Transfer set forth in this Agreement have been satisfied. If such Transfer to the Third Party is not consummated within sixty (60) days from the Non-Selling Party Termination Date or if such sale is subject to any Authorization required to be obtained prior to the Transfer of the Transfer Shares, within thirty (30) days from the obtainment of the last of such Authorization/s, which shall be promptly requested, without prejudice to the right of the Non-Selling Parties to draw upon the Closing Guaranty, the Transfer of the Transfer Shares shall once again become subject to the restrictions of this Section 7.

7.6 Notwithstanding anything to the contrary contained herein, in the event that TI and TII intend to Transfer to Third Party(ies) all –but not less than all- their Shares, together with all the Shares of the other Parties, then TI or TII shall have the right to send a written notice (the “Drag Notice”) requesting to the other Parties to sell their respective Shares. Upon receipt of the Drag Notice, the Parties, other than TI and TII, shall be obliged to sell, the totality of their respective Shares to such Third Party(ies), jointly with TI and TII, without prejudice to the right of TII to Transfer the Options, at a price per Share equal to the greater of i) the price per Share resulting from the Sofora Fair Market Value, as calculated in Appendix A, multiplied by the Non Selling Parties Economic Interest and divided by the number of shares of the Company owned by the Non Selling Parties or ii) the price per Share calculated as the equity value of one hundred percent of the share capital of the Company as indicated in the Bona Fide Offer, multiplied by the Non Selling Parties Stake (as defined in Appendix A) and divided by the number of shares of the Company owned by the Non Selling Parties. Attached to the Drag Notice, TI and TII shall deliver the determination of the price per Share for the Parties, other than TI and TII, in accordance with the procedure described above, by an independent advisor, which shall be Deutsche Bank or any successor thereof or, should Deutsche Bank or any successor thereof not accept to act as independent advisor or otherwise be or become unavailable, JP Morgan or any successor thereof. The Parties acknowledge and agree further that the determination of such

price per Share made by such independent advisor shall be final, binding and non-appealable among the Parties absent manifest error and each of them hereby irrevocably and unconditionally waives and renounces to any and all rights, claims or demands it has or may have, and agree not to commence any arbitration, suit, action or other proceeding, against the decision of such independent advisor. (“Drag Along Right”). TI and TII shall effect the Transfer of Shares pursuant to the Drag Notice on or before 120th day following the sending of the Drag Notice or, if such transfer is subject to any Authorization, required to be obtained prior to the Transfer of Shares, within sixty (60) days from the obtainment of the latest of such Authorizations.

All the Parties shall cooperate in good faith with TI and TII in connection with the consummation of the Transfer of all the Shares of the Company under the Drag Notice. Each Party shall take all actions necessary and desirable in connection with the consummation of the transaction under the Drag Notice, including the voting of Shares, or causing the voting of Shares to approve the transaction under the Drag Notice, the execution of such agreements and instruments and other actions necessary to provide the representations, warranties, indemnities, covenants, conditions, escrow agreement and other provisions and agreements relating thereto. Notwithstanding the foregoing, the Parties other than TI and TII shall only grant limited representations, ((i) organization, ownership free of any encumbrances of Shares to be transferred to the Third-Party, (ii) its authority to transfer its Shares to the Third-Party, and (iii) the non-violation by such Transfer of any Applicable Law or contractual restriction, in each case binding upon the Non-Selling Party) and warranties and covenants to the Third-Party, reasonably customary for transaction of this kind. Each Party shall make all required filings and applications to the Secom, Antitrust Authority and any other competent Governmental Entity and cooperate in the obtainment of any required Authorization.

Upon the closing of the transaction under any Drag Notice, each Shareholder shall deliver at such closing, against payment of the purchase price therefore, certificates or other instruments representing or evidencing the relevant Shares to be sold, duly endorsed for transfer, and evidence of good title to the Shares to be sold and the absence of Liens with respect thereto and such other reasonable matters as are deemed necessary by TI and TII for the proper Transfer of such Shares for the benefit of the Third Party(ies).

In the event of exercise by TI or TII of its Drag Along Right under this Section 7.6, the Right of First Refusal and the Tag Along Right of the other Parties, as set forth in Section

7.5 shall not apply and this Agreement shall immediately and fully terminate upon the sale of all the Shares of the Parties to the Third Party(ies) under the Drag Notice.

In case of failure by the Parties, other than TI and TII, to Transfer their Shares pursuant to this Section 7.6, upon exercise of the Drag Along Right by TI or TII, TI and TII shall be free to Transfer without any restriction their Shares to the Third Party(ies), without prejudice to the liability of the other Parties vis-à-vis TI and TII for breach of the provisions hereunder and any other remedy available to TI and TII under the Law, the By-laws or this Agreement.

7.7. No Party shall subject to any Lien its Shares of the Company or the rights and obligations arising therefrom without the prior written consent of the other Parties, provided however that, should the written consent be obtained, the transfer of Shares subject to such Lien upon foreclosure thereof must be made subject to all of the transfer restrictions set forth in this Article 7.

7.8 The Parties shall not make any direct or indirect Transfer of their Shares unless such Transfer is made in compliance with this Article 7. Any Transfer made without fulfilling this Article 7 shall be null and void, shall not be recognized or given effect by the Parties, and shall be deemed a breach of this Agreement. For avoidance of doubt, Article 7 shall not apply to any direct or indirect Transfer of the shares of TI or TII.

7.9 LOS W Controlling Shareholder shall be entitled to, upon prior notice to the Company and to TI, to Transfer their respective shares in LOS W between or among themselves and their mandatory heirs (herederos forzosos) upon succession (and only in this case), without being subject to the obligations and restrictions set forth in Section 7 herein, subject in all cases to Section 7.3., provided however that no Transfer to a third party will be valid without the prior approval of TI.

7.10 The Parties agree to register in the stock ledger of the Company and in the certificates representing the shares of the Company the following legend: "THE TRANSFER OF THE SHARES OF THE COMPANY IS SUBJECT TO THE TERMS AND CONDITIONS OF THE ESTATUTOS SOCIALES OF THE COMPANY AND OF 2010 AMENDED AND RESTATED SHAREHOLDERS AGREEMENT AND, ONLY WITH RESPECT TO LOS W AND NEWCO SHARES, THE NEW CALL OPTION AGREEMENT, BOTH DATED AS OF August 5rd 2010, BETWEEN TELECOM ITALIA S.P.A.; TELECOM ITALIA INTERNATIONAL N.V.;

19.1 This Shareholders Agreement shall be governed by and interpreted in accordance with the applicable law of Argentina.

ARTICLE 20 - ARBITRATION

20.1 Each of the Parties acknowledges and agrees that any dispute, claim or controversy arising from, relating to, or in connection with this Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the Rules of Arbitration of the International Chamber of Commerce (the "ICC"), which rules are deemed to be incorporated by reference into this clause. To this extent, each

party hereby irrevocably waives its rights to commence any proceeding in any court with respect to any matter subject to arbitration under this Agreement. The arbitral tribunal shall be composed of three (3) members; the party requesting the arbitration shall appoint one (1) arbitrator and the other party shall appoint one (1) arbitrator in the following ten (10) Business Days; the two parties-appointed arbitrators shall, within 10 Business Days from their confirmation by the International Court of Arbitration of the ICC, appoint a third arbitrator to serve as the chairman of the arbitral tribunal; in case of failure by the parties-appointed arbitrators to appoint the chairman within the above mentioned term, the International Court of Arbitration of the ICC shall appoint the third arbitrator pursuant to the Rules of Arbitration of the ICC (the "Rules of Arbitration"); unless differently provided herein, any terms set forth by the above mentioned Rules of Arbitration shall be shortened by one half pursuant to Article 32 of said Rules of Arbitration in case any party so requests in writing to the ICC in the request for arbitration or within ten (10) Business Days from service thereof, as the case may be. In any event the LOS W, Los W Guarantor Company and LOS Controlling Shareholders shall be considered as a single party for the purpose of this clause, and TI and TII shall also be considered as a single party for the purpose of this clause. The place of arbitration shall be Paris and the French rules of evidence shall apply to the proceedings. The language of the arbitration shall be English. Notwithstanding anything to the contrary, documents and other evidence in the arbitration may be submitted in Spanish if that is the original language of the document or evidence and no translation into English will be required. Witnesses and experts may provide testimony in Spanish if that is their mother tongue or if they so elect and no interpretation or translation into English will be required. The decision of a majority of the arbitrators shall be final and binding on the parties and their respective successors. Nothing in this Section shall be construed as preventing any party from seeking conservatory or similar interim relief in any court of competent jurisdiction, provided however that the arbitral tribunal shall always have jurisdiction on the merits of the case, including, without limitation, the authority to award specific performance regarding any and all matters arising from this Agreement; each party having sought and obtained a conservatory or other interim relief from a court of jurisdiction shall within 30 (thirty) days from the grant of such relief file an arbitration case as provided hereunder: failure to initiate such arbitration proceedings within the given 30 days term, due to any reason whatsoever, shall be considered in any case (i.e. irrelevant for the merits of the case) a major breach of this Agreement and shall entitle the other party to seek and obtain from the Arbitral Tribunal the full restoration of the damages suffered as a consequence.

The parties expressly agree that this clause and the obligations under it shall be considered a stand alone agreement, independent of the other stipulations and clauses contained in this Agreement. To the extent that this Agreement shall be determined to be null and void in whole or in part, the validity of this clause shall in no way be affected by such a determination, and the arbitral tribunal shall have the power to make a determination as to its competence and as to the existence or validity of this clause.

To the extent that any party may, in any suit, action or proceeding arising out of or in connection with this Agreement, be entitled to the benefit of any provision of law requiring the other party in such suit, action or proceeding to post security for costs, or to post a bond or to take similar action (including without limitation, opposing the "excepcion de arraigo"), the parties hereby irrevocably waive such benefit, in each case to the fullest extent now or in the future permitted under applicable laws.

20.2 By signing this Agreement, the Parties are agreeing to have all disputes, claims or controversies arising out of or relating to this Agreement decided by arbitration as per Section 20.1 above, and are waiving any rights they might possess to have those matters litigated in a court or jury trial. The agreement by each Party to this arbitration clause is voluntary and irrevocable.

20.3 It is hereby established that, with respect to any arbitration proceeding under the By-laws of the Company, the place of arbitration shall be Paris, the French rules of evidence shall apply to the proceedings and the language of the arbitration shall be English.

20.4 In the event that more than one arbitration proceeding under the By-laws of the Company and Article 20.1 of this Agreement were to simultaneously remain pending, all such arbitration proceedings shall be consolidated, at the request of any of the parties thereto, into the first of any such arbitration proceedings to be instituted (the "First Arbitration"). In the event that consolidation was not possible due to the stage at which the First Arbitration is, pursuant to Article 4.6 of the Rules of Arbitration, the arbitral tribunal for any other arbitration proceedings shall, to the extent possible, and regardless of any request or claim by any of the parties to the contrary, be composed by the same three members of the Tribunal for the First Arbitration. For the avoidance of doubt, for

purposes of this Section 20.4: (a) an arbitration proceeding shall be deemed to be instituted on the date that the request for arbitration is received by the Secretariat of the ICC; (b) an arbitration proceeding shall be deemed to remain pending as long as said proceeding has been instituted and not yet terminated for whatever reason; (c) the place of arbitration of the consolidated proceedings shall be Paris, the French rules of evidence shall apply to the proceedings and the language of the arbitration shall be English.

ARTICLE 21 - NOTICES

24.3. No delay or omission to exercise any right, power or remedy on the part of any Party hereof upon any breach or default of any Party to this Agreement shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach or default, or any acquiescence therein, or in any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent or approval of any kind or

character on any Party's breach or default under this Agreement must be in writing and shall be effective only to the extent specifically set forth in such writing.

ARTICLE 25 – SUCCESSORS AND ASSIGNS

25.1 Except as a consequence of a Transfer consummated in accordance with this Agreement, and unless set forth herein, any rights and obligations under this Agreement shall not be assigned by any Party without the prior written consent of the other Parties. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective heirs, executors, administrators, successors and permitted assigns. Any Person acquiring and claiming an interest in the Company shall be subject to and bound by all the terms, conditions and obligations of this Agreement to which his predecessor in interest was subject or bound, without regard to whether such Person has executed this Agreement or a counterpart hereof or any other document contemplated hereby. Any action performed by either TI or TII shall be binding upon each TI and TII. TEXTO ORDENADO DE SOFORA TELECOMUNICACIONES S.A.

ARTICULO PRIMERO: Bajo la denominación de “SOFORA TELECOMUNICACIONES S. A.” se constituye una sociedad anónima que tiene su domicilio legal en jurisdicción de la Ciudad de Buenos Aires.

ARTICULO SEGUNDO: Su duración es de noventa y nueve años, contados desde la fecha de inscripción en el Registro Público de Comercio.

ARTICULO TERCERO: La sociedad tiene por objeto exclusivamente, ya sea por cuenta propia, de terceros y/o asociada a terceros, la actividad de inversión en otras sociedades, con expresa exclusión de las operaciones comprendidas en la ley de Entidades Financieras número 21.526. Con el fin de cumplir con su objeto social, la Sociedad tiene plena capacidad jurídica para adquirir derechos, contraer obligaciones y ejercer los actos que, directa o indirectamente, se relacionen con el objeto social y que no sean prohibidos por las leyes o por este estatuto, incluso para contraer empréstitos en forma pública o privada, mediante la emisión de debentures y obligaciones negociables y cualquier otro instrumento.

ARTICULO CUARTO: El capital social es de \$439.702.000 representado por 439.702.000 acciones ordinarias escriturales de \$1 valor nominal cada una con derecho a un voto por acción. El capital podrá ser aumentado por decisión de la Asamblea ordinaria hasta un quíntuplo de su monto conforme lo establece el artículo 188 de la Ley 19.550. La Sociedad en su carácter de titular de acciones ordinarias de Nortel Inversora S.A. no podrá reducir su tenencia accionaria en dicha sociedad a menos de 51% del capital con derecho a voto sin la previa conformidad de la Autoridad Regulatoria. Los titulares de acciones ordinarias gozarán del derecho preferente a la suscripción de nuevas acciones en proporción a las que posean, y del derecho de acrecer en proporción a las acciones suscriptas en cada oportunidad y en proporción a las acciones que no hubieran sido suscriptas por los demás accionistas. Las accionistas deberán hacer saber a la Sociedad, dentro del plazo legal y en forma fehaciente y por escrito en oportunidad de ejercer el derecho de preferencia, su voluntad de acrecer especificando los alcances del ejercicio de tal derecho en el caso que deseen suscribir una mayor o menor cantidad de acciones de las que les correspondiera en proporción a sus tenencias. En el supuesto de existir varios accionistas que deseen suscribir una mayor cantidad de acciones, el remanente se distribuirá en proporción a las acciones que hayan suscrito en ejercicio del derecho de preferencia en esa emisión. Cumplido el plazo para el ejercicio de los derechos de preferencia y de acrecer, la Sociedad podrá ofrecer el remanente no suscrito a cualquier persona, accionista o no, previa autorización de las autoridades regulatorias competentes en materia de telecomunicaciones.

ARTICULO QUINTO: Las acciones serán nominativas cartulares o escriturales, no endosables, ordinarias o preferidas, según se decida en cada emisión, se suscribirán e integrarán en las oportunidades, formas y condiciones que determine la Asamblea, salvo en los casos en que ésta decidiese delegar en el Directorio la determinación de la oportunidad, forma y condiciones de pago y toda otra característica relacionada con la emisión que las normas en vigor permitan delegar. La Sociedad podrá emitir acciones preferidas con las características que la asamblea determine, dentro de las admisibles de conformidad con la ley y las normas en vigor. Podrán ser rescatables a opción de la Sociedad, del accionista o de ambos, sólo con utilidades líquidas y realizadas o con reservas disponibles, o no rescatables, con dividendo fijo o no, calculable según índice y modalidades que se establecerán en cada caso, con voto únicamente en las cuestiones que imperativamente dispone la Ley de Sociedades número 19.550 y sus modificatorias, o en los casos, forma y condiciones que establezca la Asamblea a la época de la emisión. Podrá también fijárseles una participación adicional en las ganancias y reconocérseles o no derecho en el reembolso del capital en la liquidación de la Sociedad. La precedente enunciación es simplemente ejemplificativa y no limita la facultad de la Asamblea para establecer otras características. Las acciones preferidas sólo tendrán derecho de preferencia para suscribir otras emisiones de acciones preferidas de la misma clase. La asamblea que disponga la emisión de acciones preferidas u otros títulos valores no accionarios emitidos en serie por la Sociedad, podrá otorgar preferencia para sus suscripción a los tenedores de acciones ordinarias y/o preferidas.

ARTICULO SEXTO: Las acciones y los certificados provisorios que se emitan deberán cumplir con los requerimientos de los artículos 211 y 212 de la Ley de Sociedades número 19.550, y sus modificatorias. Se pueden emitir títulos representativos de más de una acción.

ARTICULO SEPTIMO: En caso de mora en la integración del capital, el Directorio queda facultado para proceder de acuerdo con lo determinado por el artículo 193 de la Ley de Sociedades número 19.550, sus modificatorias.

ARTICULO OCTAVO: La administración de la Sociedad estará a cargo de un Directorio compuesto del número de miembros que fije la Asamblea entre un mínimo de uno (1) y un máximo de nueve (9) con mandato por tres ejercicios. La Asamblea podrá designar suplentes en igual o menor número que los titulares y por el mismo plazo a fin de llenar las vacantes que se produjeran, en el orden de su elección. En caso que la Sociedad quedare encuadrada en el régimen de fiscalización permanente, el mínimo de directores será de tres. Los directores designarán en su primera sesión, un Presidente y un Vicepresidente. Los directores durarán en sus mandatos un ejercicio, pudiendo ser reelegibles. Las reuniones de Directorio se celebrarán como mínimo una vez cada tres meses y cada vez que el directorio así lo determine. La convocatoria a reunión de Directorio deberá realizarse con una antelación no menor de 20 días corridos para el tratamiento de asuntos ordinarios y con una antelación no menor de 5 días corridos para temas de urgencia. A tal fin el Presidente, o el Vicepresidente, en su caso, deberá cursar notificación a los miembros del

Directorio en el domicilio especial por carta certificada con aviso de recepción o por cualquier otro medio fehaciente, inclusive por facsímil o télex. La notificación deberá consignar la fecha, hora, lugar de celebración y orden del día a considerar. Las reuniones de Directorio se celebrarán en jurisdicción del domicilio legal. También podrán realizarse en el exterior. El Directorio podrá celebrar sus reuniones con sus miembros comunicados entre sí mediante el sistema de videoteleconferencia, computándose a los efectos del quórum tanto los directores presentes como los que participen a distancia. Las actas de estas reuniones serán confeccionadas y firmadas dentro de los cinco (5) días de celebrada la reunión por los directores y síndicos presentes. Los miembros de la Comisión Fiscalizadora deberán dejar expresa constancia en el acta de los nombres de los directores que han participado a distancia y de la regularidad de las decisiones adoptadas en el curso de la reunión. El acta consignará las manifestaciones tanto de los directores presentes como de los que participen a distancia y sus votos con relación a cada resolución adoptada. El directorio funciona con la presencia de la mayoría absoluta de sus miembros y resuelve por mayoría de votos presentes. Los directores podrán hacerse representar en las reuniones de directorio por otro director, si existiera quórum. El director representado no quedará relevado de las responsabilidades inherentes a su mandato, el cual se considerará ejercido por el mismo. La asamblea fijará la remuneración del Directorio.

ARTICULO NOVENO: En garantía del buen desempeño de su mandato, cada Director titular otorgará una suma equivalente a \$10.000 o aquel importe mínimo que determine el organismo de contralor correspondiente o su equivalente en moneda extranjera, en bonos, títulos públicos o sumas de dinero depositados en entidades financieras o cajas de valores, a la orden de la sociedad; o en fianzas o avales bancarios o seguros de caución o de responsabilidad civil a favor de la sociedad, o bien en las formas o mecanismos autorizados por el organismo de contralor correspondiente. La garantía será otorgada al asumir funciones y deberá permanecer vigente hasta tres años después de la aprobación de su gestión, fecha en la cual será reintegrada la garantía otorgada.

ARTICULO DECIMO: El Directorio tiene todas las facultades para administrar y disponer de los bienes, incluso aquellas para las cuales la ley requiere poderes especiales conforme al artículo 1881 del Código Civil y artículo 9 del Decreto Ley 5965/63. Puede, en consecuencia, celebrar en nombre de la Sociedad toda clase de actos jurídicos que tiendan al cumplimiento del objeto social; entre ellos, operar con los Bancos de la Nación Argentina, de la Provincia de Buenos Aires, y demás instituciones de crédito oficiales o privadas; establecer agencias, sucursales u otra especie de representación dentro o fuera del país; otorgar a una o más personas poderes judiciales, inclusive para querellar criminalmente, o extrajudiciales con el objeto y extensión que juzgue conveniente. La representación legal de la Sociedad corresponde al Presidente del Directorio; en caso de ausencia, impedimento o incapacidad del presidente, la representación corresponderá al Vicepresidente, si lo hubiere, quien lo reemplazará en tales casos a todos los efectos. Si se encontrara ausente el Presidente y el Vicepresidente, el Directorio podrá autorizar la actuación de uno o más Directores para el ejercicio de la representación legal por el tiempo limitado que dure la ausencia del

Presidente y Vicepresidente. La comparecencia del Vicepresidente a cualquiera de los actos administrativos, judiciales o societarios que requieran la presencia del Presidente, supone la ausencia de éste último y obliga a la Sociedad sin necesidad de comunicación o justificación alguna. La representación en juicio de la Sociedad como actora, demandada, absolvente o en cualquier otro carácter, así como en cualquier instancia laboral, administrativa o judicial estará a cargo de cualquiera de los directores que indique el Directorio o de los apoderados que designe el Directorio con carácter general o especial. El Directorio podrá encomendar a alguno o algunos de sus miembros tareas especiales relacionadas con la dirección y administración de la Sociedad con la remuneración que fije la Asamblea. Podrá, asimismo, delegar la parte ejecutiva de las operaciones sociales en uno o más gerentes que podrán ser directores o no.

ARTICULO DECIMO PRIMERO: La fiscalización de la Sociedad será ejercida por una Comisión Fiscalizadora integrada por tres (3) síndicos titulares y suplentes con mandato por un ejercicio, siendo reelegibles. En caso de ausencia, impedimento, renuncia o fallecimiento de un síndico titular, éste será reemplazado por el síndico suplente. La Comisión Fiscalizadora tendrá las atribuciones y deberes previstos en el artículo 294 de la Ley de Sociedades número 19.550, y sus modificatorias, y percibirá la remuneración que determine la Asamblea con imputación a gastos generales o a utilidades realizadas y líquidas del ejercicio en que se devengue. La Comisión Fiscalizadora deberá reunirse cuando lo solicite uno de sus miembros y como mínimo una vez cada tres meses. Sesionará válidamente con la presencia de la mayoría absoluta de sus integrantes y sus decisiones se adoptarán por mayoría de votos presentes sin perjuicio de los derechos que le corresponden al síndico disidente. Llevará un libro de actas en el que se dejará constancia de sus deliberaciones. Para la asistencia a las reuniones de Directorio o a las Asambleas, la Comisión Fiscalizadora podrá designar como representante a uno de sus miembros.

ARTICULO DECIMO SEGUNDO: Las asambleas de accionistas tanto ordinarias como extraordinarias serán convocadas en los casos previstos por la Ley de Sociedades número 19.550, y sus modificatorias. En primera convocatoria las asambleas serán anunciadas por medio de avisos publicados en el Boletín Oficial de la República Argentina por cinco días, con una anticipación no menor de diez ni mayor de treinta días. Los avisos cumplirán con los requisitos del artículo 237 de la Ley de Sociedades número 19.550, y sus modificatorias. En todos los casos, las decisiones se adoptarán por mayoría absoluta de votos presentes.

ARTICULO DECIMO CUARTO: El ejercicio social cierra el 31 de diciembre de cada año. A esa fecha, se confeccionan los estados contables conforme a las disposiciones en vigencia y normas técnicas de la materia. ARTICULO DECIMO QUINTO: La liquidación de la Sociedad puede ser efectuada por el Directorio o por los liquidadores designados por la Asamblea, bajo la vigilancia de la Comisión Fiscalizadora, si la hubiese. Los dividendos pendientes de pago, ajustado su monto conforme a las condiciones de emisión respectivas. 2. Reembolso de las acciones preferidas si las hubiera, conforme a las condiciones de emisión. 3. El saldo se distribuirá a las acciones ordinarias. Los honorarios de la Comisión Fiscalizadora serán establecidos por la Asamblea de Accionistas en el acto de resolverse sobre la liquidación, siendo facultativo de la misma Asamblea prevenir el reemplazo de los liquidadores y miembros de la Comisión Fiscalizadora para los casos de fallecimiento, renuncia o incapacidad de alguno de ellos.

ARTÍCULO DECIMO SEXTO: Cualquier diferencia, conflicto o controversia entre los accionistas, que surja de, esté relacionada con, o se vincule con este Estatuto o su interpretación, incluyendo cualquier cuestión vinculada con su validez, va a ser sometida y finalmente resuelta mediante arbitraje de derecho de acuerdo con el Reglamento de Arbitraje (el “Reglamento de Arbitraje”) de la Cámara de Comercio Internacional (la “CCI”), cuyas reglas son incorporadas por referencia a esta cláusula. En tal sentido, todos los accionistas renuncian en forma irrevocable a sus derechos a iniciar procedimientos ante cualquier tribunal administrativo o judicial con respecto a

cualquier cuestión sometida a arbitraje en la presente cláusula. El tribunal arbitral estará compuesto por tres (3) miembros; la parte que solicite el arbitraje (la “Demandante”) designará un árbitro y la otra parte (la “Demandada”) designará un (1) árbitro dentro de los diez (10) días hábiles siguientes; los dos árbitros designados por las partes, dentro de los diez (10) días hábiles de su confirmación por la Corte Internacional de Arbitraje de la CCI, designarán al tercer árbitro que actuará como Presidente del Tribunal; en caso de que los árbitros designados por las partes no designen un Presidente del Tribunal dentro del plazo indicado, la Corte Internacional de Arbitraje de la CCI designará al árbitro de conformidad con el Reglamento de Arbitraje de la CCI; excepto que se establezca lo contrario en esta cláusula, cualesquiera de los plazos previstos en el citado Reglamento de Arbitraje serán reducidos a la mitad de conformidad con el Artículo 32 de dicho Reglamento de Arbitraje en caso que cualquiera de las partes así lo solicite por escrito en la demanda de arbitraje o dentro de los diez (10) días hábiles de la notificación de dicha demanda de arbitraje, según sea el caso. En el supuesto que más de dos partes estuviesen involucradas en un proceso arbitral conforme esta cláusula, resultará de aplicación el siguiente procedimiento: (i) en caso que hubiere más de una Demandante, las Demandantes designarán en forma conjunta un (1) árbitro en la demanda de arbitraje; (ii) las Demandadas designarán en forma conjunta un (1) árbitro. El idioma del arbitraje será el idioma inglés. Independientemente de cualquier disposición en contrario, cualesquiera documentos y otro tipo de pruebas podrán ser presentadas en el arbitraje en idioma castellano si ese es el idioma original del documento o prueba y no será necesaria su traducción al inglés. Los testigos y expertos podrán atestiguar en idioma castellano si esa es su lengua materna o si así lo decidieran y no será necesaria la traducción al idioma inglés. La decisión de la mayoría de los árbitros será definitiva y obligatoria para las partes. Nada en esta cláusula será interpretado de modo tal que impida a cualquier parte solicitar medidas cautelares o remedios similares de índole conservatoria en cualquier tribunal que pudiera tener jurisdicción en la materia no obstante ello, el tribunal arbitral siempre mantendrá competencia para decidir sobre el fondo del caso, incluyendo, sin limitación, el poder para requerir el cumplimiento específico de todas y cada una de las cuestiones regidas por este Estatuto; cualquier parte que haya obtenido un medida cautelar o un remedio provisorio similar de un tribunal deberá dentro de los 30 (treinta) días desde el otorgamiento de tal medida o remedio iniciar un proceso arbitral tal como se prevé en esta cláusula: la no iniciación, por cualquier motivo, de tal proceso arbitral dentro del plazo de 30 días otorgado, será considerado una falta grave al presente Estatuto y autorizará a la otra parte a solicitar y obtener del tribunal arbitral la total reparación de los daños sufridos a consecuencia de ello. La invalidez o nulidad total o parcial de otras partes de este Estatuto no afectará la validez de esta cláusula. En la medida en que cualquiera de los accionistas tuviese derecho en cualquier juicio, acción o procedimiento que surja de o se relacione con este Estatuto, a invocar una norma legal que requiera a la otra parte en dicho juicio, acción o procedimiento la prestación de una garantía para el pago de costas o presentar caución suficiente o adoptar cualquier acción similar (incluyendo, sin limitación, oponer la “excepción de arraigo”), los accionistas renuncian aquí a cualquier derecho tal con el alcance más amplio que permiten en el presente o permitan en el futuro las leyes aplicables”.

PRESS RELEASE

TELECOM ITALIA FINALIZES AGREEMENT TO RAISE TELECOM ARGENTINA STAKE

Rome, 14 October 2010

Telecom Italia announces the formalization yesterday of an agreement to increase its stake in Sofora Telecomunicaciones S.A. – the holding company which controls Telecom Argentina – from 50% to 58% of the company's capital.

Antitrust and TLC Regulatory authorities, on the basis of provisions stipulated in an agreement reached on the 5th of August 2010 between Telecom Italia and its Argentine partner, Wertheim - described in a press release distributed on that date – have approved the transaction that will allow Telecom Italia to acquire a majority stake in Sofora and, consequently, control of Telecom Argentina.

The increase in the Sofora stake does not call for any cash disbursement by Telecom Italia and will allow the Group to consolidate “line by line” the economic results of Sofora/Telecom Argentina starting from the Fourth Quarter 2010.

In accordance with IAS/IFRS (IFRS 3 revised) accounting principles, the agreement will have a positive one-off effect on the bottom line of the Telecom Italia's Fourth Quarter 2010 Consolidated Profit and Loss Statement of around 250 million euro arising from the recalculation at Fair Market Value, as of the date of acquiring control, of the Sofora stake previously held. The transaction will not have an impact on the accounts of Telecom Italia S.p.A.

The Telecom Argentina Group reported in the first six months of 2010, revenues for around 1.3 billion euro with an EBITDA of approximately 400 million euro (unaudited data, reclassified according to IAS/IFRS, exchange rate is ARS/EUR 5.13).

The net financial position of the Argentine companies at 30 June was approximately 120 million euro.

Approval by national authorities comes after a lengthy and thorough examination of the regulatory background and of effects on the competitive environment, as well as commitments undertaken by both parties guaranteeing the complete separation of Telefonica and Telecom Italia as regards their activities in Argentina. Measures have been agreed upon to ensure there will be no influence or participation on the part of Telefonica in any Telecom Italia decision-making process concerning its Argentinean subsidiaries. Further, restrictions have been introduced regarding commercial and operational relations between the two Groups within the Argentinean market.

Among the most important measures, the prohibition that Telefonica and its representatives not participate in or exercise the vote in corporate board meetings of Telco, Telecom Italia and its subsidiaries when subjects related to TLC activities in the Argentinean market are addressed. In addition, Telefonica

cannot participate in the designation of administrators or directors of Telecom Italia subsidiaries in Argentina.

Finally, the agreement gives Telecom Italia full control over the management of Telecom Argentina through the appointment of the President and the Chief Executive Officer. W Group will assume responsibility for verifying full respect of the accords regarding Telecom Argentina through an independent Regulatory Compliance Committee constituted for this purpose.

As a consequence of yesterday's transaction, Telecom Italia will relinquish its call options relating to the purchase of Sofora shares.

The Telecom Argentina Group is one of the largest telecommunications operators in Argentina and provides fixed-link public, local, national and international long distance services, cellular, Internet and data transmission services.

The Telecom Argentina Group carries out its main activities through Telecom Argentina S.A. (fixed telephony, data transmission and internet) or its subsidiaries: Telecom Personal S.A. (cellular), Nucleo S.A. (cellular in Paraguay).

Telecom Argentina S.A. is listed on the Buenos Aires (Bloomberg ticker: TECO2) and New York (Bloomberg ticker: TEO) stock exchange.

As of June 30, 2010 the Group had approximately 15.3 million mobile customers, an increase of over 13% compared to June 2009, and approximately 4.1 million wireline customers. Broadband clients at the date were approximately 1.3 million, up 15% compared to the same period of the previous year.
