CNOOC FINANCE (2015) AUSTRALIA PTY LTD

2.625% Guaranteed Note Due 2020

This Note is one of a duly authorized issue of debt securities of the Issuer of the series designated as the “2.625% Guaranteed Note due 2020” (the “Notes”), all issued or to be issued under and pursuant to an Indenture, dated as of May 5, 2015 (the “Base Indenture”), duly executed and delivered by and among the Issuer, the Guarantor and The Bank of New York Mellon, as trustee (the “Trustee,” which term includes any successor trustee), initial paying agent and initial registrar. The Base Indenture is referred to herein as the “Indenture.” Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Indenture.

1. Interest. The Issuer promises to pay interest on the principal amount of this Note at a rate of 2.625% per annum. The Issuer will pay interest semi-annually on May 5 and November 5 of each year. If a payment date is not a Business Day as defined in the Indenture at a Place of Payment, payment may be made at that place on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.
2. Method of Payment. The Issuer shall pay interest on the Notes (except Defaulted Interest), if any, to the Persons in whose name such Notes are registered at the close of business on the Record Date referred to on the face of this Note for such interest installment. In the event that the Notes or a portion thereof are called for redemption, and the Redemption Date is subsequent to a Record Date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Notes will instead be paid upon presentation and surrender of such Notes as provided in the Indenture. Payment of the principal of and interest on, and all other amounts payable under, the Notes and the Guarantee shall be made in the currency of the United States of America that at the time is legal tender for payment of public and private debts, at the Corporate Trust Office or, at the option of the Issuer, by check mailed to the address of the Person entitled thereto as such address shall appear in the Register or, in accordance with arrangements satisfactory to the Trustee, by wire transfer to an account designated by the Holder.
3. Paying Agent and Registrar. Initially, The Bank of New York Mellon, the Trustee, will act as Paying Agent and Registrar. The Issuer or the Guarantor may change or appoint any Paying Agent or Registrar without notice to any Noteholder. The Issuer or the Guarantor may act in any such capacity.
4. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (“TIA”) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and TIA for a statement of such terms. The Notes are unsecured general obligations of the Issuer irrevocably and unconditionally guaranteed by the Guarantor and constitute the series designated on the face of this Note as the “2.625% Guaranteed Note due 2020,” initially limited to US\$1,500,000,000 in aggregate principal amount. The Issuer and the Guarantor will furnish to any Noteholder upon written request and without charge a copy of the Base Indenture. Requests may be made to: CNOOC FINANCE (2015) AUSTRALIA PTY LTD, c/o CNOOC Limited, Room 1105, CNOOC Tower, No. 25 of Chaoyangmen North Street, Dongcheng District, Beijing 100010, China, Attention: Legal Department.
5. Redemption. Except as set forth below, the Notes are not redeemable prior to maturity.

a. The Guarantor or the Issuer may, at the Guarantor's option, at any time and from time to time redeem the Notes, in whole or in part, on not less than 30 nor more than 60 calendar days' prior notice mailed to the holders of such Notes, with a copy provided to the Trustee as provided in the Indenture. The Notes will be redeemable at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including interest accrued to the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 20 basis points, plus, in each case, accrued and unpaid interest on the Notes to be redeemed, if any, to the Redemption Date.

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the Indenture.

b. The Notes may be redeemed, at the option of the Issuer, in whole but not in part, upon not less than 30 nor more than 60 calendar days' notice to the Holders, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption and Additional Amounts, if any, if, as a result of any change in or amendment to the laws of a Relevant Taxing Jurisdiction or any regulations or rulings promulgated thereunder, or any change in the official interpretation or official application of such laws, regulations or rulings, which change or amendment (i) in the case of the Guarantor or the Issuer becomes effective on or after the date of the applicable prospectus supplement, and (ii) in the case of any successor to the Guarantor or the Issuer that is organized or tax resident in a jurisdiction that is not a Relevant Taxing Jurisdiction as of the original issue date of the Notes becomes effective on or after the date such successor assumes the Guarantor's or the Issuer's obligations, as applicable, under the Notes and the Indenture,

(i) the Issuer is or would be required on the next succeeding due date for a payment with respect to the Notes to pay Additional Amounts with respect to the Notes pursuant to Section 6.08 of the Indenture; or

(ii) the Guarantor is or would be unable, for reasons outside its control, on the next succeeding due date for a payment with respect to the Notes to procure payment by the Issuer, and with respect to a payment due or to become due under the Guarantee or the Indenture, as the case may be, the Guarantor is or would be required on the next succeeding due date for a payment with respect to the Notes to pay Additional Amounts pursuant to Section 6.08 of the Indenture; or

(iii) any payment to the Issuer by the Guarantor or any wholly-owned subsidiary of the Guarantor to enable the Issuer to make payment of interest or Additional Amounts, if any, on the Notes is or would be on the next succeeding due date for a payment with respect to the Notes subject to withholding or deduction for taxes imposed by a Relevant Taxing Jurisdiction or any authority therein or thereof having power to tax;

and such obligation cannot be avoided by the use of reasonable measures available to the Guarantor or the Issuer, as the case may be.

Notwithstanding anything to the contrary in the Indenture, the Guarantor, the Issuer or any successor person may not redeem the Notes in the case that Additional Amounts are payable in respect of PRC withholding tax at a rate of 10% or less solely as a result of the Guarantor, the Issuer

or a successor person being considered a PRC tax resident under the PRC Enterprise Income Tax Law.

The Issuer or the Guarantor, as the case may be, shall also pay, or make available for payment, to the Holder of the Notes on the Redemption Date any Additional Amounts resulting from the payment of such Redemption Price.

If money sufficient to pay the Redemption Price of and accrued interest on all Notes to be redeemed on the Redemption Date is deposited with the Paying Agent on or before the Redemption Date and certain other conditions are satisfied, on and after such date interest shall cease to accrue on the Notes.

c. The Notes may be the subject of a mandatory redemption or offer to purchase, as further described in the Indenture.

8. Persons Deemed Owners. The registered Noteholder may be treated as its owner for all purposes.

9. Amendments, Supplements and Waivers. The Indenture and the Notes may be amended or supplemented as provided in the Indenture. Any consent or waiver by the Noteholders as provided in the Indenture shall be conclusive and binding upon such Holders and upon all future Noteholders and holders of any security issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof, whether or not notation of such consent or waiver is made upon the Notes.

10. Defaults and Remedies. The Events of Default relating to the Notes are defined in Section 7.01 of the Indenture. Upon the occurrence of an Event of Default, the rights and obligations of the Issuer, the Guarantor, the Trustee and the Noteholders shall be as set forth in the applicable provisions of the Indenture.

11. No Recourse Against Others. No recourse under or upon any obligation, covenant or agreement contained in the Indenture or the Notes, or because of any indebtedness evidenced thereby, shall be had against any incorporator as such, or against any past, present or future stockholder, officer, director or employee, as such, of the Issuer or the Guarantor or of any of their successors, either directly or through the Issuer, the Guarantor or any successor, under any rule of law, statute or constitutional provision or by the enforcement of any assessment or by any legal or equitable proceeding or otherwise, all such liability being expressly waived and released by the acceptance hereof and as part of the consideration for the issue hereof.

The Guarantor has expressly waived its right to require the Trustee to pursue or exhaust its legal or equitable remedies against the Issuer prior to exercising its rights under the Guarantee of the Guarantor. The Guarantor will not be discharged with respect to this Note except by payment in full of the principal thereof and interest thereon and all other amounts payable thereunder (including any Additional Amounts payable in respect thereof). In case of the failure of the Issuer punctually to pay any such principal, interest or other amounts, the Guarantor has agreed to cause any such payment to be made punctually when and as the same shall become due and payable, whether at Stated Maturity, by acceleration, call for redemption or otherwise, and as if such payment were made by the Issuer.

The Guarantor has further agreed that in the event that payments of principal or interest under the Note or the Guarantee are subject to withholding or deduction for or on account of any present or future taxes, duties, assessments or other governmental charges of whatsoever nature imposed, levied, collected, withheld or assessed by or on behalf of Australia, Hong Kong, the PRC or any other jurisdiction in which the Guarantor or the Issuer (or any successor to the Guarantor or the Issuer) is tax resident, in each case including in any political subdivision, territory or possession thereof, any authority therein having power to tax or any area subject to its jurisdiction or any jurisdiction from or through which any payment is made by or on behalf of the Issuer or the Guarantor, the Guarantor shall pay such Additional Amounts as will result (after deduction of such taxes, duties, assessments or governmental charges and any additional taxes, duties, assessments or governmental charges payable in respect of such Additional Amounts) in receipt by each Holder of any Note of such amounts as would have been received by such Holder with respect to such Note or the Guarantee, as applicable, had no such withholding or deduction been required. The Guarantor’s obligation as described in this paragraph is without duplication of the obligations of the Guarantor and the Issuer pursuant to Section 6.08 of the Indenture, and is subject to the same limitations contained in Section 6.08 of the Indenture.

The obligation of the Guarantor to the holder of the Note upon which this Guarantee is endorsed and to the Trustee pursuant to the Guarantee and the Indenture are expressly set forth in Article XVI of the Indenture, and reference is hereby made to such Article and the Indenture for the precise terms of the Guarantee.

CNOOC FINANCE (2015) AUSTRALIA PTY LTD

4.200% Guaranteed Note Due 2045

This Note is one of a duly authorized issue of debt securities of the Issuer of the series designated as the “4.200% Guaranteed Note due 2045” (the “Notes”), all issued or to be issued under and pursuant to an Indenture, dated as of May 5, 2015 (the “Base Indenture”), duly executed and delivered by and among the Issuer, the Guarantor and The Bank of New York Mellon, as trustee (the “Trustee,” which term includes any successor trustee), initial paying agent and initial registrar. The Base Indenture is referred to herein as the “Indenture.” Capitalized terms used herein and not otherwise defined shall have the meanings given them in the Indenture.

1. Interest. The Issuer promises to pay interest on the principal amount of this Note at a rate of 4.200% per annum. The Issuer will pay interest semi-annually on May 5 and November 5 of each year. If a payment date is not a Business Day as defined in the Indenture at a Place of Payment, payment may be made at that place on the next succeeding day that is a Business Day, and no interest shall accrue for the intervening period. Interest shall be computed on the basis of a 360-day year of twelve 30-day months.
2. Method of Payment. The Issuer shall pay interest on the Notes (except Defaulted Interest), if any, to the Persons in whose name such Notes are registered at the close of business on the Record Date referred to on the face of this Note for such interest installment. In the event that the Notes or a portion thereof are called for redemption, and the Redemption Date is subsequent to a Record Date with respect to any Interest Payment Date and prior to such Interest Payment Date, interest on such Notes will instead be paid upon presentation and surrender of such Notes as provided in the Indenture. Payment of the principal of and interest on, and all other amounts payable under, the Notes and the Guarantee shall be made in the currency of the United States of America that at the time is legal tender for payment of public and private debts, at the Corporate Trust Office or, at the option of the Issuer, by check mailed to the address of the Person entitled thereto as such address shall appear in the Register or, in accordance with arrangements satisfactory to the Trustee, by wire transfer to an account designated by the Holder.
3. Paying Agent and Registrar. Initially, The Bank of New York Mellon, the Trustee, will act as Paying Agent and Registrar. The Issuer or the Guarantor may change or appoint any Paying Agent or Registrar without notice to any Noteholder. The Issuer or the Guarantor may act in any such capacity.
4. Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (“TIA”) as in effect on the date the Indenture is qualified. The Notes are subject to all such terms, and Noteholders are referred to the Indenture and TIA for a statement of such terms. The Notes are unsecured general obligations of the Issuer irrevocably and unconditionally guaranteed by the Guarantor and constitute the series designated on the face of this Note as the “4.200% Guaranteed Note due 2045,” initially limited to US\$300,000,000 in aggregate principal amount. The Issuer and the Guarantor will furnish to any Noteholder upon written request and without charge a copy of the Base Indenture. Requests may be made to: CNOOC FINANCE (2015) AUSTRALIA PTY LTD, c/o CNOOC Limited, Room 1105, CNOOC Tower, No. 25 of Chaoyangmen North Street, Dongcheng District, Beijing 100010, China, Attention: Legal Department.
5. Redemption. Except as set forth below, the Notes are not redeemable prior to maturity.

a. The Guarantor or the Issuer may, at the Guarantor's option, at any time and from time to time redeem the Notes, in whole or in part, on not less than 30 nor more than 60 calendar days' prior notice mailed to the holders of such Notes, with a copy provided to the Trustee as provided in the Indenture. The Notes will be redeemable at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed and (2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed (not including interest accrued to the Redemption Date), discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 25 basis points, plus, in each case, accrued and unpaid interest on the Notes to be redeemed, if any, to the Redemption Date.

In the case of any partial redemption, selection of the Notes for redemption will be made by the Trustee in compliance with the requirements of the Indenture.

b. The Notes may be redeemed, at the option of the Issuer, in whole but not in part, upon not less than 30 nor more than 60 calendar days' notice to the Holders, at a redemption price equal to 100% of the principal amount thereof, together with accrued interest to the date fixed for redemption and Additional Amounts, if any, if, as a result of any change in or amendment to the laws of a Relevant Taxing Jurisdiction or any regulations or rulings promulgated thereunder, or any change in the official interpretation or official application of such laws, regulations or rulings, which change or amendment (i) in the case of the Guarantor or the Issuer becomes effective on or after the date of the applicable prospectus supplement, and (ii) in the case of any successor to the Guarantor or the Issuer that is organized or tax resident in a jurisdiction that is not a Relevant Taxing Jurisdiction as of the original issue date of the Notes becomes effective on or after the date such successor assumes the Guarantor's or the Issuer's obligations, as applicable, under the Notes and the Indenture,

and such obligation cannot be avoided by the use of reasonable measures available to the Guarantor or the Issuer, as the case may be.

Notwithstanding anything to the contrary in the Indenture, the Guarantor, the Issuer or any successor person may not redeem the Notes in the case that Additional Amounts are payable in respect of PRC withholding tax at a rate of 10% or less solely as a result of the Guarantor, the Issuer

We, as your counsel, have examined originals or copies of such documents, corporate records, certificates of public officials and other instruments as we have deemed necessary or advisable for the purpose of rendering this opinion.

In rendering the opinions expressed herein, we have, without independent inquiry or investigation, assumed that (i) all documents submitted to us as originals are authentic and complete, (ii) all documents submitted to us as copies conform to authentic, complete originals, (iii) all documents filed as exhibits to the Registration Statement that have not been executed will conform to the forms thereof, (iv) all signatures on all documents that we reviewed are genuine, (v) all natural persons executing documents had and have the legal capacity to do so, (vi) all statements in certificates of public officials and officers of the 2015 Issuers and the Guarantor that we reviewed were and are accurate and (vii) all representations made by the 2015 Issuers and the Guarantor as to matters of fact in the documents that we reviewed were and are accurate.

Based upon and subject to the foregoing, and subject to the additional assumptions and qualifications set forth below, we are of the opinion that:

1. Assuming that the Australian Securities have been duly authorized, executed and delivered by the Australian Issuer and the Guarantor insofar as the laws of Australia and Hong Kong are concerned, respectively, the Australian Notes and the Australian Guarantees endorsed thereon, when the Australian Notes are executed and authenticated in accordance with the provisions of the Australian Indenture and delivered to and paid for by the Underwriters pursuant to the Australian Underwriting Agreement, will constitute valid and binding obligations of the Australian Issuer and the Guarantor, respectively, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to (x) the enforceability of any waiver of rights under any usury or stay law, or (y) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Australian Securities to the extent determined to constitute unearned interest.
2. Assuming that the Delaware Securities have been duly authorized, executed and delivered by the Guarantor insofar as the laws of Hong Kong are concerned, the Delaware Notes and the Delaware Guarantees endorsed thereon, when the Delaware Notes are executed and authenticated in accordance with the provisions of the Delaware Indenture and delivered to and paid for by the Underwriters pursuant to the Delaware Underwriting Agreement, will constitute valid and binding obligations of the Delaware Issuer and the Guarantor, respectively, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally, concepts of reasonableness and equitable principles of general applicability, provided that we express no opinion as to (x) the enforceability of any waiver of rights under any usury or stay law, or (y) the validity, legally binding effect or enforceability of any provision that permits holders to collect any portion of stated principal amount upon acceleration of the Delaware Securities to the extent determined to constitute unearned interest.

In connection with the opinions expressed above, we have assumed that, at or prior to the time of the delivery of the Australian Securities and the Delaware Securities, (i) the Board of Directors of the Australian Issuer or the Guarantor, or the Sole Member of the Delaware Issuer, as the case may be, shall have duly authorized the issuance and sale of the Australian Securities and the Delaware Securities, respectively, and such authorization shall not have been modified or rescinded; (ii) each of the Australian Issuer, the Delaware Issuer and the Guarantor has been duly incorporated and is validly existing as a company under the laws of Australia, Delaware and Hong Kong, respectively; and (iii) the Australian Indenture, the Delaware Indenture, the Australian Securities and the Delaware Securities (collectively, the "Documents") are each valid,

binding and enforceable agreements of each party thereto (other than as expressly covered above in respect of the Australian Issuer, the Delaware Issuer or the Guarantor). In addition, we have assumed that the execution, delivery and performance by each party thereto of each Document to which it is a party (a) do not contravene, or constitute a default under, the certificate of incorporation or bylaws or other constitutive documents of such party, (b) require no action by or in respect of, or filing with, any governmental body, agency or official and (c) do not contravene, or constitute a default under, any provision of applicable law or regulation or any judgment, injunction, order or decree or any agreement or other instrument binding upon such party.

We are members of the Bar of the State of New York and the foregoing opinion is limited to the laws of the State of New York and the Limited Liability Company Act of the State of Delaware, except that we express no opinion as to any law, rule or regulation that is applicable to the 2015 Issuers and the Guarantor, the Documents or such transactions solely because such law, rule or regulation is part of a regulatory regime applicable to any party to any of the Documents or any of its affiliates due to the specific assets or business of such party or such affiliate.

We hereby consent to the filing of this opinion as an exhibit to a report on Form 6-K furnished by the 2015 Issuers and the Guarantor on the date hereof and its incorporation by reference in the Registration Statement referred to above and further consent to the reference to our name under the caption "Legal Matters" in the prospectus, which is a part of the Registration Statement, and the prospectus supplement dated April 28, 2015 relating to the Australian Securities and the Delaware Securities. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Act.

Very truly yours,

Schedule I

A. Assumptions

In rendering this opinion, we have, with your consent and without any independent enquiry or investigation, assumed:

1. the conformity to originals of all documents supplied to us as copies and the genuineness of all signatures, seals and markings on, and the authenticity, accuracy and completeness of, all documents submitted to us whether as originals or copies;
2. that, where a document has been examined by us in draft, in agreed form or in specimen form, it will be or has been duly executed in the form of that draft, agreed form or specimen form;
3. that on or after the date of execution of each of the 2015 Indentures and the 2015 Guarantees (together, the "Documents"), there has been no amendment (manuscript or otherwise), rescission or termination of such Document nor any other arrangements between any of the parties to the Documents which modify or supersede any of the terms of the Documents;
4. that the Documents have been duly delivered by the parties and are not subject to any escrow or other similar arrangement;
5. that all statements of fact (including, without limitation, all representations and warranties) contained in the Documents and any notices and certificates given or to be given under such Documents are, when made or repeated or deemed to be made or repeated, true, accurate and complete, that all opinions expressed or stated therein are bona fide, justifiably and honestly held and were reached after due consideration, and that any representation or warranty by any party thereto that it is not aware of or has no notice or knowledge of any act, matter, thing or circumstance means that the same does not exist or has not occurred;
 6. absence of bad faith, fraud, undue influence, coercion, duress or misrepresentation on the part of any party to the Documents, and their respective directors, employees or agents, and that each of the Documents has been entered into for bona fide commercial reasons and on arm's length terms by each of the parties thereto;
7. that there has been no breach of any of the provisions of the documents by any of the parties thereto, nor has any provision of such documents been affected by any other document or agreement or any course of dealings between the parties thereto or other event that would render the execution, delivery or performance of such documents illegal, void or otherwise ineffective;
8. that due compliance has been effected with all matters (including, without limitation, the obtaining of necessary authorizations and consents, the making of necessary filings, lodgements, registrations and notifications and the payment of stamp duties and other documentary taxes) required under the laws of all relevant jurisdictions (other than the laws of Hong Kong) in connection with the execution, delivery and performance of the Documents, and that such compliance remains in full force and effect and will continue to be effective;

ineffective and that insofar as any obligation under the Documents is performed in, or is otherwise subject to, any jurisdiction other than Hong Kong, its performance will not be illegal or ineffective by virtue of the law of that jurisdiction;

9. that there is no provision of any law of any jurisdiction outside Hong Kong that renders the execution, delivery or performance of any of the Documents illegal or
10. that the information revealed by the a search of the records of the Company at the Companies Registry in Hong Kong on May 4, 2015 (a) was accurate in all respects and has not since the time of such search been altered, and (b) was complete and that such search did not fail to disclose any information which had been delivered for filing but which did not appear on the public file and was not disclosed at the time of the relevant search;
11. that no winding up resolution or petition (voluntary or otherwise) has been presented, or order made by a court for the winding up or dissolution of the Company and no receiver, administrative receiver, manager, liquidator, trustee or similar officer has been appointed in relation to the Company or any of its respective assets or revenue;
12. that the directors of the Company, in approving and authorizing the execution of the Documents and transactions contemplated thereby have exercised and will exercise their powers in accordance with their duties (including fiduciary duties) under all applicable laws and the articles of association in force at the relevant time.

B. Qualifications

Our opinion is subject to the following qualifications:

1. Our opinion is subject to applicable bankruptcy and insolvency laws including provisions relating to the setting aside of transactions, proof and ranking of claims, or otherwise affecting creditors' rights whether specifically or generally, concepts of reasonableness, public policy and equitable principles of general applicability.
2. Any Companies Registry search may not completely and accurately reflect the corporate situation of the Company due to (i) failure by officers of the Company to file documents that ought to be filed, (ii) statutory prescribed time-periods within which documents evidencing corporate actions may be filed, (iii) the possibility of additional delays (beyond the statutory time limits) between the taking of the corporation action and the necessary filing at the Companies Registry, (iv) the possibility of delays at the Companies Registry in the registration of documents and their subsequent copying onto the microfiche and (v) error and mis-filing that may occur.

We have assumed in giving this opinion that the common law and rules of equity of England which applied in Hong Kong on June 30, 1997 continue to apply, subject to: (a) their subsequent independent development, which rests primarily with the courts of Hong Kong; (b) the extent to which they contravene the Basic Law of Hong Kong; and (c) their amendment by the Hong Kong legislature. We should also add that Article 158 of the Basic Law provides that, ultimately, power to interpret the provisions of the Basic Law is vested in the Standing Committee of the National People's Congress of the People's Republic of China and this has been confirmed by the decision of Hong Kong's Court of Final Appeal in *Vallejos and Domingo v Commissioner of Registration* (2013) 16 HKCFAR 45.

Dear Ladies and Gentlemen

Debt Securities of CNOOC Finance (2015) Australia Pty Ltd

1. We have acted as Australian legal advisors in connection with the proposed issue of debt securities (Securities) by CNOOC Finance (2015) Australia Pty Ltd ACN 604 822 335 (Company) to be guaranteed by CNOOC Limited as described in the prospectus contained in the Company's Amendment No.2 to the registration statement on Form F-3 (the Registration Statement) filed with the U.S. Securities and Exchange Commission (the Commission) on or about 27 April 2015 under registration number 333-188261.
2. For the purposes of this opinion, we have examined and relied upon copies of the Registration Statement. We have also examined the originals, or duplicates or certified or conformed copies, of the underwriting agreement dated 28 April 2015 (the Underwriting Agreement), the Indenture dated 5 May 2015 (the Indenture), each Security to be issued by the Company in the forms set out in the Indenture to be executed by the Company (together with the Underwriting Agreement and Indenture, each a Transaction Document), copies of the resolutions of the directors of the Company passed on or about 24 April 2015 (the Resolutions), the constitution of the Company, a current extract obtained at 9:13a.m. on 5 May 2015, prepared by the Australian Securities & Investments Commission (ASIC) from the records of the Company where available to the public at ASIC (ASIC Search) and have made other such investigations as we have deemed relevant and necessary in connection with the opinions set forth below. Except as stated in this opinion, we have not examined any documents entered into by or affecting the Company or any corporate records of the Company and we have not made any other enquiries concerning the Company.
3. This opinion relates only to the statute laws of Victoria and to the federal laws of the Commonwealth of Australia that have application in Victoria, in each case, in force at, and to court decisions having application in Victoria as at, the date of this opinion. References to Relevant Law, Relevant Jurisdictions and Relevant Courts are to be construed accordingly. This opinion is to be construed in accordance with, and our liability under it will be determined under, the laws of New South Wales and the federal laws of the Commonwealth of Australia that have application in New South Wales.
4. For the purposes of giving our opinion, we have assumed without investigation:

- (a) that the authorisations and certifications referred to in paragraph 2 above remain in full force and effect and that, in respect of the resolution of directors of the Company referred to in paragraph 2, it was passed at a meeting of directors that was duly convened, was properly passed at that meeting and a quorum was present throughout that meeting properly passed in accordance with the requirements of the constitution of the relevant Company;
 - (b) that under all laws, other than, in the case of the Company, the Relevant Laws, the Transaction Documents constitute legal, valid and binding obligations of all parties to them, enforceable in accordance with their terms;
 - (c) that the implementation of the transactions effected by or contemplated under the Transaction Documents will not involve an illegal purpose under any law, including any Relevant Law; and
 - (d) that each Transaction Document represents the intention of the parties to it and that the parties have not in fact made some other different and separate contract between them and agreed that any Transaction Document should not give rise to legally enforceable rights or liabilities or give rise to different rights or liabilities from those set out in that Transaction Document.
5. Based and relying on the foregoing and subject to the assumptions, limitations and qualifications set out in this opinion, we are of the opinion that:
- (a) the Company is a private corporation incorporated and existing under the laws of the Commonwealth of Australia, taken to be registered in the State of Victoria and is capable of being sued in its corporate name;
 - (b) the issuance of the Securities has been duly authorised by the Company and the Indenture has been duly executed and delivered by the Company;
 - (c) the obligations expressed to be imposed on the Company under the Underwriting Agreement and the Indenture are in the Relevant Jurisdictions the legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms (their enforceability being a matter of the law of the State of New York); and
 - (d) the Securities (when issued and delivered in accordance with the Underwriting Agreement and the Indenture and when authenticated by the Trustee (as defined in the Indenture)) will, in the Relevant Jurisdictions, constitute legal, valid and binding obligations of the Company enforceable against the Company in accordance with their terms (their enforceability being a matter of the law of the State of New York).
6. Our opinion is subject to the following qualifications:
- (a) the expression "enforceable" means that the obligations are of the type which the Relevant Courts enforce but does not mean that the obligations will necessarily be enforced in all circumstances;
 - (b) the ability of any party to a Transaction Document to enforce its rights under such Transaction Document is subject to:
-

(i) the application of laws relating to insolvency, liquidation, winding up, receivership, reorganisation, administration, moratoria, court schemes and any other laws affecting creditors' rights generally (including, without limitation, the PPSA) as well as general principles of equity;

(ii) claims becoming barred under statutes imposing limited periods within which proceedings can be brought;

(iii) defences of set-off, abatement or counterclaim;

(iv) fraud (whether equitable or otherwise), the general common law doctrines of estoppel in relation to representations, acts or omissions of creditors and of frustration and to statutory prohibitions of misleading, deceptive or unconscionable conduct;

(v) the general jurisdiction of the Relevant Courts to award costs, even as against a successful party;

(vi) the discretion vested in the Relevant Courts to stay any proceedings commenced against the Company if there are other proceedings in other jurisdictions simultaneously on foot against the Company;

(vii) each Relevant Court's discretion to disregard any provision in the Transaction Documents which provides that any entry, determination, calculation or certification is to be conclusive and binding on the parties to the Transaction Documents if those entries, determinations, calculations or certifications are fraudulent or manifestly inaccurate;

(viii) any Relevant Law requirements that any discretion be exercised reasonably and that any determination of a matter in a party's opinion be based on reasonable grounds;

(ix) each Relevant Court's discretion to determine whether any provision is severable;

(x) a Relevant Court may give judgment for a monetary amount in Australian dollars rather than a foreign currency; and

(c) laws and regulations in Australia that:

(i) prohibit or restrict dealings with the assets of persons and entities considered to be associated with terrorism and any transactions with, or on behalf of, those persons and entities; and

(ii) restrict certain payments to, or transactions in relation to, a person or entity against whom the Commonwealth of Australia has imposed economic, political or other international sanctions; and

7. We express no opinion as to:

(a) the enforceability of any obligations to negotiate in good faith (or similar);

(b) the operation of any provision in any Transaction Document requiring written amendments and waivers in respect of that Transaction Document insofar as they suggest that oral or other amendments or waivers could not be effectively agreed on or granted between or by the parties or by a duly authorised agent; or

(c) the enforceability of any currency indemnity or any indemnity for legal costs or penalties for breach of any law.

This opinion letter is limited to the matters stated herein, and no opinion is implied or may be inferred beyond the matters expressly stated. This opinion letter may not be relied upon by any person or entity other than you, quoted in whole or in part or otherwise referred to in any report or document, furnished to any other person or entity (other than your legal counsel and employees) or relied upon for any purpose other than in connection with the filing of the Registration Statement in connection with the offering of the Securities by the Company.

This opinion letter will be deemed to have been delivered as of the date of effectiveness of the Registration Statement and will speak as of such date.

In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the U.S. Securities Act or the rules and regulations of the Commission promulgated thereunder.

Yours faithfully
