<b>Interest Payments Discretionary:</b>	Interest on the Additional Tier 1 Securities will be due and payable only at the sole discretion of LBG and LBG shall have absolute discretion at all times and for any reason to cancel any interest payment in whole or in part that would otherwise be payable on any Interest Payment Date. If LBG elects not to make an interest payment on the relevant Interest Payment Date, or if LBG elects to make a payment of a portion, but not all, of such interest payment, such non-payment shall evidence LBG’s exercise of discretion to cancel such interest payment, or the portion of such interest payment not paid, and accordingly such interest payment, or portion thereof, shall not be or become due and payable.

LBG shall cancel any interest on the Additional Tier 1 Securities (or, as appropriate, any part thereof) which is scheduled to be paid on an Interest Payment Date to the extent that LBG has an amount of Distributable Items (as defined in the Preliminary Prospectus Supplement) on any scheduled Interest Payment Date that is less than the sum of (i) all payments (other than redemption payments) made or declared by LBG since the end of LBG's last financial year and prior to such Interest Payment Date on or in respect of any Parity Securities (as defined in the Preliminary Prospectus Supplement), the Additional Tier 1 Securities and any Junior Securities (as defined in the Preliminary Prospectus Supplement) and (ii) all payments (other than redemption payments) payable by LBG on such Interest Payment Date (x) on the Additional Tier 1 Securities and (y) on or in respect of any Parity Securities or any Junior Securities, in the case of each of (i) and (ii), excluding any payments already accounted for in determining the Distributable Items.

**Restrictions on Interest Payments:**

In addition, LBG shall not be permitted to pay any interest otherwise scheduled to be paid on an Interest Payment Date if and to the extent that the payment of such interest would cause, when aggregated together with other distributions of the kind referred to in Article 141(2) of the Directive (as defined in the Preliminary Prospectus Supplement) (or any provision of applicable law transposing or implementing Article 141(2) of the Directive, as amended or replaced) and which are required under the Applicable Regulations to be taken into account for this purpose, the Maximum Distributable Amount (as defined in the Preliminary Prospectus Supplement), if any, then applicable to the Group to be exceeded.

**Solvency Condition:**

Other than in a Winding-up or Administration Event (as defined in the Preliminary Prospectus Supplement) or in relation to the cash component of any Alternative Consideration (as defined in the Preliminary Prospectus Supplement) in any Settlement Shares Offer (as defined in the Preliminary Prospectus Supplement), payments in respect of or arising under the Additional Tier 1 Securities (including any damages for breach of any obligations thereunder) are, in addition to the right of LBG to cancel payments of interest as described under "Interest Payments Discretionary" above, conditional upon LBG being solvent at the time when the relevant payment is due to be made and no principal, interest or other amount payable shall be due and payable in respect of or arising from the Additional Tier 1 Securities except to the extent that LBG could make such payment and still be solvent immediately thereafter (such condition, the "Solvency Condition").

LBG shall be considered to be solvent at a particular point in time if:

- (i) it is able to pay its debts owed to its Senior Creditors (as defined in the Preliminary Prospectus Supplement) as they fall due; and

(ii) its Assets (as defined in the Preliminary Prospectus Supplement) are at least equal to its Liabilities (as defined in the Preliminary Prospectus Supplement).

By acquiring the Additional Tier 1 Securities, holders and beneficial owners of the Additional Tier 1 Securities acknowledge and agree that:

(a) interest is payable solely at the discretion of LBG, and no amount of interest shall become due and payable in respect of the relevant interest period to the extent that it has been canceled by LBG at its sole discretion and/or deemed canceled in whole or in part; and

**Agreement to  
Interest  
Cancellation:**

(b) a cancellation or deemed cancellation of interest (in each case, in whole or in part) in accordance with the terms of the Indenture (as defined in the Preliminary Prospectus Supplement) shall not constitute a default in payment or otherwise under the terms of the Additional Tier 1 Securities.

Interest will only be due and payable on an Interest Payment Date to the extent it is not canceled or deemed canceled. Any interest canceled or deemed canceled (in each case, in whole or in part) in the circumstances described above shall not be due and shall not accumulate or be payable at any time thereafter, and holders and beneficial owners of the Additional Tier 1 Securities shall have no rights thereto or to receive any additional interest or compensation as a result of such cancellation or deemed cancellation.

**Ranking and  
Liquidation  
Proceeds:**

The Additional Tier 1 Securities will constitute LBG's direct, unsecured and subordinated obligations, ranking equally without any preference among themselves. The rights and claims of the holders and beneficial owners of the Additional Tier 1 Securities in respect of or arising from the Additional Tier 1 Securities will be subordinated to the claims of Senior Creditors.

If at any time prior to the date on which a Trigger Event (as defined below) occurs, a Winding-up or Administration Event occurs, there shall be payable by LBG in respect of each Additional Tier 1 Security (in lieu of any other payment by LBG) such amount, if any, as would have been payable to the holder of the Additional Tier 1 Security if, throughout such Winding-up or Administration Event, such holder of the Additional Tier 1 Security was the holder of one of a class of preference shares in the capital of LBG (“Notional Preference Shares”) having an equal right to a return of assets in the Winding-up or Administration Event to, and so ranking *pari passu* with, the holders of the most senior class or classes of issued preference shares in the capital of LBG from time to time (if any) and which have a preferential right to a return of assets in the Winding-up or Administration Event over, and so rank ahead of, the holders of all other classes of issued shares for the time being in the capital of LBG but ranking junior to the claims of Senior Creditors and on the assumption that the amount that such holder was entitled to receive in respect of each Notional Preference Share is an amount equal to the principal amount of the relevant Additional Tier 1 Security together with, to the extent not otherwise included within the foregoing, any other amounts attributable to such Additional Tier 1 Security, including any Accrued Interest thereon and any damages awarded for breach of any obligations in respect thereof, regardless of whether the Solvency Condition is satisfied on the date upon which the same would otherwise be due and payable (and, in the case of an administration, on the assumption that such shareholders were entitled to claim and recover in respect of their shares to the same degree as in a winding up or liquidation).

If a Winding-up or Administration Event occurs at any time on or following the date on which a Trigger Event occurs but the Settlement Shares (as defined in the Preliminary Prospectus Supplement) to be issued and delivered to the Settlement Share Depository (as defined in the Preliminary Prospectus Supplement) on the Conversion Date (as defined below) have not been so delivered, there shall be payable by LBG in respect of each Additional Tier 1 Security (in lieu of any other payment by LBG) such amount, if any, as would have been payable to the holder of such Additional Tier 1 Security in a Winding-up or Administration Event if the Conversion Date in respect of the Automatic Conversion (as defined below) had occurred immediately before the occurrence of a Winding-up or Administration Event and, accordingly, as if such holder were, through such Winding-up or Administration Event, the holder of such number of Ordinary Shares as it would have been entitled to receive upon Automatic Conversion (ignoring for this purpose LBG’s right to make an election for a Settlement Shares Offer to be effected), regardless of whether the Solvency Condition is satisfied on such date (and, in the case of an administration, on the assumption that shareholders were entitled to claim and recover in respect of their shares to the same degree as in a winding up or liquidation).

The “Conversion Date” shall be the date specified in the Conversion Trigger Notice (as defined in the Preliminary Prospectus Supplement) and shall occur without delay upon the occurrence of a Trigger Event (and shall be no later than one month following the occurrence of the relevant Trigger Event, or such shorter period as the Relevant Regulator may require).

**Waiver of Set-Off:**

Subject to applicable law, no holder or beneficial owner of the Additional Tier 1 Securities may exercise, claim or plead any right of set-off, compensation or retention in respect of any amount

owed to it by LBG arising under, or in respect of, or in connection with, the Additional Tier 1 Securities and each holder and each beneficial owner of the Additional Tier 1 Securities shall, by virtue of its holding of any Additional Tier 1 Securities, be deemed to have waived all such rights of set-off, compensation or retention.

**Optional  
Redemption:**

The Additional Tier 1 Securities will, subject to the satisfaction of the conditions described in the Preliminary Prospectus Supplement, be redeemable in whole, but not in part, at the option of LBG on the First Call Date or on any Reset Date thereafter at 100% of their principal amount, together with any accrued and unpaid interest on the Additional Tier 1 Securities, excluding any interest which has been canceled or deemed to be canceled (“Accrued Interest”) to, but excluding, the date fixed for redemption.

**Tax Event  
Redemption:**

If at any time a Tax Event (as defined in the Preliminary Prospectus Supplement) has occurred, LBG may, subject to the satisfaction of the conditions described in the Preliminary Prospectus Supplement, redeem the Additional Tier 1 Securities in whole, but not in part, at any time at 100% of their principal amount, together with any Accrued Interest to, but excluding, the date fixed for redemption.

<b>Regulatory Event Redemption:</b>	<p>If at any time a Regulatory Event (as defined in the Preliminary Prospectus Supplement) has occurred, LBG may, subject to the satisfaction of the conditions described in the Preliminary Prospectus Supplement, redeem the Additional Tier 1 Securities in whole, but not in part, at any time at 100% of their principal amount, together with any Accrued Interest to, but excluding, the date fixed for redemption.</p>
<b>Substitution or Variation:</b>	<p>If a Tax Event or a Regulatory Event has occurred, then LBG may, subject to the conditions described in the Preliminary Prospectus Supplement, but without any requirement for the consent or approval of the holders of the Additional Tier 1 Securities, at any time (whether before or following the First Call Date) either substitute all (but not some only) of the Additional Tier 1 Securities for, or vary the terms of the Additional Tier 1 Securities so that they remain or, as appropriate, become, Compliant Securities (being securities which have terms not materially less favourable to investors than the terms of the Additional Tier 1 Securities and which, among other requirements (which are further described in the Preliminary Prospectus Supplement) contain terms which comply with the then current requirements of the Relevant Regulator in relation to additional tier 1 capital), and the Trustee shall (subject to the requirements described in the Preliminary Prospectus Supplement) agree to such substitution or variation.</p> <p>Upon the occurrence of the Trigger Event, each Additional Tier 1 Security shall, on the Conversion Date, be converted in whole and not in part into Ordinary Shares of LBG credited as fully paid (the "Settlement Shares") at the Conversion Price. The Settlement Shares shall be issued and delivered to the Settlement Share Depository on the Conversion Date, in consideration for which all of LBG's obligations under the Additional Tier 1 Securities shall be irrevocably and automatically released (the "Automatic Conversion"), and under no circumstances shall LBG's released obligations be reinstated.</p>
<b>Automatic Conversion:</b>	<p>Furthermore, in the event of the Automatic Conversion of the Additional Tier 1 Securities upon the occurrence of a Trigger Event, any accrued but unpaid interest on the Additional Tier 1 Securities up to (and including) the Conversion Date shall be canceled upon the occurrence of such Trigger Event and shall not become due and payable at any time.</p>
<b>Trigger Event:</b>	<p>A Trigger Event shall occur on any date if LBG's consolidated CET1 Ratio (as defined in the Preliminary Prospectus Supplement) is less than 7.00% on such date, as determined by LBG, the Relevant Regulator (as defined in the Preliminary Prospectus Supplement), or any agent appointed for such purpose by the Relevant Regulator.</p>
<b>Conversion Price:</b>	<p>The conversion price per Ordinary Share in respect of the Additional Tier 1 Securities shall be \$0.821, subject to the adjustments described in the Preliminary Prospectus Supplement. As of October 2, 2018, the initial Conversion Price was equivalent to a price of £0.633, translated into U.S. dollars at an exchange rate of £1.000= \$1.298, and rounded down to 3 decimal places.</p>
<b>Settlement Shares Offer:</b>	<p>Within 10 Business Days following the Conversion Date, LBG may, in its sole and absolute discretion, elect that the Settlement Share Depository (or an agent on its behalf) make an offer of, in LBG's sole and absolute discretion, all or some of the Settlement Shares to, at LBG's sole and absolute discretion, all or some of LBG's ordinary shareholders upon Automatic Conversion, such offer to be at a cash price per Settlement Share that will be no less than the Conversion Price</p>

(translated from U.S. dollars into pounds sterling at the then-prevailing rate as determined by LBG in its sole discretion) (the “Settlement Shares Offer”).

**Agreement with Respect to the Exercise of U.K. Bail-in Powers:**

By purchasing or acquiring the Additional Tier 1 Securities, each holder (including each beneficial owner) of the Additional Tier 1 Securities acknowledges, accepts, agrees to be bound by and consents to the exercise of any U.K. bail-in power (as defined in the Preliminary Prospectus Supplement) by the relevant U.K. resolution authority that may result in (i) the reduction or cancellation of all, or a portion, of the principal amount of, or interest on, the Additional Tier 1 Securities; (ii) the conversion of all, or a portion, of the principal amount of, or interest on, the Additional Tier 1 Securities into shares or other securities or other obligations of LBG or another person; and/or (iii) the amendment or alteration of the maturity of the Additional Tier 1 Securities, or amendment of the amount of interest due on the Additional Tier 1 Securities, or the dates on which interest becomes payable, including by suspending payment for a temporary period; any U.K. bail-in power may be exercised by means of variation of the terms of the Additional Tier 1 Securities solely to give effect to the exercise by the relevant U.K. resolution authority of such U.K. bail-in power. With respect to (i), (ii) and (iii) above, references to principal and interest shall include payments of principal and interest that have become due and payable (including principal that has become due and payable at the maturity date), but which have not been paid, prior to the exercise of any U.K. bail-in power. Each holder and each beneficial owner of the Additional Tier 1 Securities further acknowledges and agrees that the rights of the holders and/or beneficial owners under the Additional Tier 1 Securities are subject to, and will be varied, if necessary, solely to give effect to, the exercise of any U.K. bail-in power by the relevant U.K. resolution authority.

**Repayment of Principal and Payment of Interest After Exercise of a U.K. Bail-in Power:**

No repayment of the principal amount of the Additional Tier 1 Securities or payment of interest on the Additional Tier 1 Securities shall become due and payable after the exercise of any U.K. bail-in power by the relevant U.K. resolution authority unless, at the time that such repayment or payment, respectively, is scheduled to become due, such repayment or payment would be permitted to be made by LBG under the laws and regulations of the United Kingdom and the European Union applicable to LBG or other members of the Group.

**Enforcement Events and Remedies:**

If a Winding-up or Administration Event occurs prior to the occurrence of a Trigger Event, holders of the Additional Tier 1 Securities will have the rights and claims specified above under “Ranking and Liquidation Proceeds”.

If LBG does not make payment of principal in respect of the Additional Tier 1 Securities for a period of seven calendar days or more after the date on which such payment is due, then the Trustee, on behalf of the holders and beneficial owners of the Additional Tier 1 Securities, may, at its discretion, or shall at the direction of holders of 25% of the aggregate principal amount of outstanding Additional Tier 1 Securities, subject to any applicable laws, institute proceedings for the winding up of LBG. In the event of a winding-up or liquidation of LBG, whether or not instituted by the Trustee, the Trustee may prove the claims of the holders and beneficial owners of the Additional Tier 1 Securities and the Trustee in the winding up proceeding of LBG and/or claim in the liquidation of LBG.

In the event of a breach of any term, obligation or condition binding on LBG under the Additional Tier 1 Securities or the Indenture (other than any payment obligation of LBG under or arising from the Additional Tier 1 Securities or the Indenture, including payment of any principal or interest, including any damages awarded for breach of any obligations) (a “Performance Obligation”), the Trustee may without further notice institute such proceedings against LBG as it may think fit to enforce the Performance Obligation, provided that LBG shall not by virtue of the institution of any such proceedings be obliged to pay any sum or sums, in cash or otherwise (including any damages) earlier than the same would otherwise have been payable under the Additional Tier 1 Securities or the Indenture.

By its acquisition of the Additional Tier 1 Securities, each Additional Tier 1 holder and each beneficial owner of the Additional Tier 1 Securities acknowledges and agrees that such holder will not seek, and will not direct the Trustee to seek, a claim for damages against LBG in respect of a breach by LBG of a Performance Obligation and that the sole and exclusive remedy that such holder and the Trustee may seek under the Additional Tier 1 Securities and the Indenture for a breach by LBG of a Performance Obligation is specific performance under New York law.

**Governing  
Law:**

The Additional Tier 1 Securities and the Indenture will be governed by and construed in accordance with the laws of the State of New York, except for the subordination and waiver of set-off provisions relating to the Additional Tier 1 Securities which will be governed by and construed in accordance with Scots law.

The Conversion Price was fixed on October 2, 2018 at \$0.821 per Ordinary Share, and is subject to limited anti-dilution adjustments, as described under “*Description of the Additional Tier 1 Securities—Conversion—Anti-dilution Adjustment of the Conversion Price*”.
