Item 3. Source and Amount of Funds or Other Consideration

On April 18, 2001, Newcourt obtained a warrant to purchase 1,700,000 shares of the Company's Common Stock (the "Warrant") at an exercise price of \$2.50 per share as partial consideration in connection with Newcourt's agreement to loan the Company up to \$2,000,000 pursuant to the Convertible Senior Subordinated Promissory Note and Warrant Purchase Agreement, dated as of April 18, 2001, by and between Newcourt and the Company (the "Purchase Agreement"). Upon issuance, the Warrant became immediately exercisable and would expire on April 18, 2004. Pursuant to the First Amendment to Convertible Senior Subordinated Promissory

Edgar Filing: ELECTRIC CITY CORP - Form SC 13D/A

Note and Warrant Purchase Agreement, dated as of July 31, 2001 (the "First Amendment"), Newcourt surrendered the Warrant. Also on July 31, 2001, the Company issued a note to Newcourt in the principal amount of \$1,200,000 (the "Bridge Note") pursuant to the First Amendment, which, among other changes, increased the aggregate principal amount available for borrowings under the Purchase Agreement from \$2,000,000 to \$3,200,000. The source of funds for the loans was Newcourt's working capital.

Newcourt and the Other Investors entered into the Securities Purchase Agreement, dated as of July 31, 2001, with the Company (the "Securities Purchase Agreement") to acquire certain classes of the Company's securities. The transactions contemplated by the Securities Purchase Agreement were consummated on September 7, 2001. Under the terms of the Securities Purchase Agreement, Newcourt purchased \$4,000,000 of the Company's securities as described more fully below.

The funds for the purchase of the securities pursuant to the Securities Purchase Agreement came from the cancellation of \$3,200,000 of the Company's debt to Newcourt and the remainder came from the conversion of fees owed by the Company to Newcourt Securities, as partial consideration for Newcourt Securities' services as placement agent in connection with the Securities Purchase Agreement.

On July 31, 2001, Newcourt Securities received warrants to purchase 3,314,830 shares of the Company's Common Stock (the "Placement Agent Warrants") at an exercise price of \$1.00 per share as partial consideration for Newcourt Securities' services as placement agent in connection with the Securities Purchase Agreement and the Bridge Note. The Placement Agent Warrants are exercisable from November 6, 2001 through September 7, 2008.

It is anticipated that the funds for the exercise of the Placement Agent Warrants will be provided by Newcourt Securities' working capital and that the source of funds for the exercise of the warrants issued under the Securities Purchase Agreement will be Newcourt's working capital.

Item 4. Purpose of Transaction

Newcourt acquired for investment purposes \$4,000,000 of the Company's Convertible Preferred Stock, warrants to purchase shares of Convertible Preferred Stock, shares of Common Stock and warrants to purchase shares of Common Stock pursuant to the Securities Purchase Agreement.

Newcourt Securities received the Placement Agent Warrants as partial consideration for its services as placement agent in connection with the Securities Purchase Agreement and the Bridge Note. Newcourt Securities also received cash compensation for its services, which was used as a credit against Newcourt's \$4,000,000 purchase

price under the Securities Purchase Agreement.

The Company's board of directors is currently comprised of eight members. Under the terms of the Securities Purchase Agreement, holders of the Convertible Preferred Stock have the right to elect up to four additional directors, at which time the Company's board of directors will consist of 12 directors. Newcourt has the right to elect one director of the Company.

The Reporting Persons expect to evaluate on a continuing basis their goals and objectives and general economic and equity market conditions, as well as the Company's business operations and prospects. Based on such evaluations, from

Edgar Filing: ELECTRIC CITY CORP - Form SC 13D/A

time to time in the future, Newcourt may (1) convert the Convertible Preferred Stock into Common Stock, (2) exercise the warrants to purchase the Convertible Preferred Stock, and subsequently convert such stock into Common Stock, or (3) exercise the warrants to purchase Common Stock for investment purposes. Newcourt Securities may exercise the Placement Agent Warrants and the Reporting Persons may otherwise make additional purchases of the Company's Common Stock. The Reporting Persons may, subject to the Investor Rights Agreement and the Stock Trading Agreement (defined below), from time to time sell all or a portion of the Common Stock that they now hold either in private placements, in the open market pursuant to Rule 144, to the extent such rule is available for such sales, or otherwise in conformance with the federal securities laws.

Except as set forth above, none of the Reporting Persons, nor, to the best knowledge of each Reporting Person, any of the persons named in the Schedules to this document, has any plans or proposals that relate to or would result in any of the matters referred to in paragraphs (a) through (j) of Item 4 of Schedule 13D. The Reporting Persons, however, may at any time and from time to time, review or reconsider their position with respect to any of such matters.

Item 5. Interest in Securities of the Issuer

(a) As of September 7, 2001, the Reporting Persons beneficially owned (or are deemed solely for purposes of Section 13(d)(3) of the Exchange Act to beneficially own), directly or indirectly, an aggregate of 9,145,047 shares of Common Stock, representing approximately 22.8% of the number of shares of Common Stock outstanding on August 13, 2001, plus the number of shares of Common Stock that the Reporting Persons have the right to acquire within 60 days and the 240,651 shares of Common Stock that the Other Investors acquired on September 7, 2001.

(b) Assuming full exercise and conversion, as applicable, of the securities issued to Newcourt under the Securities Purchase Agreement and full exercise of the Placement Agent Warrants by Newcourt Securities, Tyco, CIT Holdings and CIT share voting and dispositive power with Newcourt as to 5,830,217 shares of Common Stock owned by Newcourt and with Newcourt and Newcourt Securities as to 3,314,830 shares of Common Stock owned by Newcourt Securities. Newcourt Securities has no voting or dispositive power as to Common Stock owned by Newcourt.

The Reporting Persons disclaim beneficial ownership of the 17,490,651 shares of Common Stock beneficially owned by the Other Investors. The filing of this Amendment shall not be construed as an admission that the Reporting Persons are the beneficial owners of the Common Stock beneficially owned by the Other Investors or that the Reporting Persons and any of such Other Investors constitute such a person or group. The Reporting Persons are not responsible for the accuracy of any information filed by any of the Other Investors.

(c) Except as set forth above, there are no other transactions that were effected during the last 60 days by the Reporting Persons with respect to shares of Common Stock.

(d) Not applicable.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

Edgar Filing: ELECTRIC CITY CORP - Form SC 13D/A

The Company and Newcourt Securities previously entered into arrangements under which Newcourt Securities served as the Company's placement agent with respect to the Securities Purchase Agreement and a proposed private placement to an additional investor for aggregate proceeds of \$4,000,000 of the Company's Convertible Preferred Stock and warrants to purchase Convertible Preferred Stock (the "Additional Investment"). Pursuant to these arrangements, Newcourt Securities (1) received the Placement Agent Warrants; (2) received a fee equal to 5% of the aggregate gross proceeds received by the Company in connection with the Securities Purchase Agreement; (3) will receive a fee equal to 5% of the aggregate proceeds from the Additional Investment, if consummated; and (4) will receive a fee equal to 5% of the aggregate gross proceeds from the exercise of any warrants to purchase the Convertible Preferred Stock.

On July 31, 2001, the Company issued warrants to Newcourt Securities to purchase 3,314,830 shares of Common Stock. The warrants are exercisable from November 6, 2001 through September 7, 2008 at an exercise price of \$1.00 per share.

On July 31, 2001, Newcourt and the Other Investors entered into the Securities Purchase Agreement with the Company. The transactions contemplated by the Securities Purchase Agreement were consummated on September 7, 2001. Pursuant to the terms of the Securities Purchase Agreement, Newcourt and the Other Investors collectively purchased \$16,000,000 in aggregate amount of the Company's Convertible Preferred Stock, warrants to purchase Convertible Preferred Stock, shares of the Common Stock and warrants to purchase Common Stock. Newcourt purchased for \$4,000,000 the following securities:

- . 400,000 shares of Convertible Preferred Stock;
- . warrants to purchase 100,000 shares of Convertible Preferred Stock at an initial exercise price of \$10.00 per share;
- . 80,217 shares of Common Stock; and
- . warrants to purchase 750,000 shares of Common Stock at an initial exercise price of \$1.00 per share.

The Convertible Preferred Stock is convertible beginning on November 6, 2001 into shares of Common Stock at the option of the holder as determined by dividing \$10.00 by the conversion price, which has been initially set at \$1.00, multiplied by each share of Convertible Preferred Stock, subject to adjustments as set forth in the Securities Purchase Agreement. Based on the initial conversion ratio, Newcourt has the right to acquire 5,000,000 shares of Common Stock as a result of the conversion of the Convertible Preferred Stock and the exercise of the warrants to purchase Convertible Preferred Stock that it will receive upon the closing of the transaction. Each outstanding share of Convertible Preferred Stock will be entitled to dividends at a rate of 10% per year of its stated value, which is \$10.00. The Company may pay dividends in cash or additional shares of Convertible Preferred Stock until the first dividend payment that occurs after three years following the initial issuance of the Convertible Preferred Stock. After that date, dividends must be paid in cash and the dividend rate increases 0.5% every six months to a maximum rate of 15% per year.

Pursuant to the terms of the Convertible Preferred Stock, Newcourt and the Other Investors have the right to elect up to four directors of the twelve-member board of directors, subject to decrease depending on the number of shares of Convertible Preferred Stock outstanding. Depending on the number of shares of Convertible Preferred Stock outstanding, the holders will also have special approval rights to approve certain matters in which the Company proposes to engage.

Edgar Filing: ELECTRIC CITY CORP - Form SC 13D/A

In connection with the Securities Purchase Agreement, the Company entered into certain ancillary agreements -- the Investor Rights Agreement, the Stockholders Agreement and the Stock Trading Agreement. Under the terms of the Investor Rights Agreement, dated as of July 31, 2001 (the "Investor Rights Agreement"), which became effective on September 7, 2001, the Other Investors, Newcourt and Newcourt Securities have the right to require the Company to register the shares of Common Stock received directly or indirectly pursuant to the Securities Purchase Agreement or the Common Stock to be received by Newcourt Securities upon exercise of the Placement Agent Warrants. The Other Investors, Newcourt and Newcourt Securities, as a group, have the right to demand an aggregate of four registrations representing at least \$5 million of market value. The Other Investors, Newcourt and Newcourt Securities are also entitled to customary "piggyback" registration rights. Under the Investors Rights Agreement, the Other Investors, Newcourt and Newcourt Securities have a right of first offer with respect to future sales by the Company of its capital stock to permit such parties to maintain their percentage ownership interests.

On July 31, 2001, the Other Investors, Newcourt and the Company entered into the Stockholders Agreement (the "Stockholders Agreement"), which became effective on September 7, 2001. Under the Stockholders Agreement, each investor has the right to designate one member of the board of directors and to have a representative attend all meetings of the board of directors as a board observer so long as it holds at least 200,000 shares of Convertible Preferred Stock. For purposes of this agreement, Morgan Stanley Dean Witter Equity Funding, Inc. and Originators Investment Plan, L.P. are counted as one investor. Additionally, the Other Investors, Newcourt and the Company have agreed that for so long as an investor owns at least 2,000,000 shares of Common Stock, subject to adjustments, a representative of such investor is entitled to attend all meetings of the board of directors as an observer if such investor does not have a designated board member. Each investor also agrees that if it converts more than 50% of the Convertible Preferred Stock it purchased under the Securities Purchase Agreement, it will, at the request of the Company, convert the remainder of its Convertible Preferred Stock.

On July 31, 2001, the Other Investors, Newcourt, Newcourt Securities and certain officers of the Company entered into the Stock Trading Agreement (the "Stock Trading Agreement"), which limits their ability to sell Common Stock into the public market. The Stock Trading Agreement became effective on September 7, 2001. Until the Company has completed a qualified primary offering, as set forth in the Stock Trading Agreement, the parties to the Stock Trading Agreement may not sell their shares of Common Stock without complying with the sale restrictions set forth in such agreement. If the Company does not complete a qualified public offering within 18 months after September 7, 2001, the parties may sell their shares subject only to certain trading volume and block sale limitations set forth in the Stock Trading Agreement.

Each party to the Stock Trading Agreement and the Company has a right of first offer if any other party to the Stock Trading Agreement intends to sell its shares in a private transaction. The Stock Trading Agreement will terminate on September 7, 2004. However, if a qualified primary offering is completed within three years after the Stock Trading Agreement became effective, the Stock Trading Agreement will terminate 18 months after the completion of the qualified primary offering.

Except as set forth above, to the knowledge of the Reporting Persons, there are no contracts, arrangements, understandings or relationships (legal or otherwise) between the Reporting Persons and any other person with respect to any securities of the Company, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss,
