ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

On August 1, 2005, Artesian Water Company, Inc., (the "Company"), a wholly owned subsidiary of Artesian Resources Corporation, issued Series R, 23-year, First Mortgage Bonds totaling \$25 million at an annual interest rate of 5.96%. These bonds were issued for the Company to CoBank, a cooperative bank, and will be used, in part, to retire the Series M, 10-year, 7.84%, \$10 million bonds and the Series N, 10-year, 7.56%, \$5 million bonds. The remainder of the net bond proceeds will be used to pay down the Company's currently outstanding short-term line of credit, which was used to finance investments in utility plant and equipment. The bond proceeds are reduced by approximately \$865,000 associated with a redemption premium required under the Series M and Series N Bond Indentures for their early retirement. The Series M and Series N bonds were required to be redeemed on December 31, 2007, at which time we planned to refinance the principal to be repaid. The Company expects to recover the redemption premium provision over the life of the bond.

The statement in this Form 8-K regarding the expected recovery of \$865,000 of expenses incurred in connection with the issuance of the Series R Bonds is a forward-looking statement within the meaning of the Private Securities Litigation Reform Act of 1995 and involves risks and uncertainties that could cause the Company not to recover the expenses. Certain factors, such as the failure to receive regulatory approval for the recovery and other risks set forth in the Company's Form 10-K for the year ended December 31, 2004 could cause results to differ materially from those in the forward-looking statements. While the Company may elect to update the forward-looking statement, the Company specifically disclaims any obligation to do so and you should not rely on this forward-looking statement as a representation of the Company's views as of any date subsequent to the date of the filing of this Form 8-K.

The Company's Eighteenth Supplemental Indenture, dated as of August 1, 2005, is attached as Exhibit 99.1.
