GENERAL INFORMATION

The solicitation of the enclosed proxy is made on behalf of the Board of Directors of Oneida Ltd. (the "Company"), which will bear the cost of the solicitation. Distribution of this Proxy Statement and related proxy soliciting materials to stockholders is scheduled to begin on or about April 27, 2005.

Proxy Solicitation

Officer, directors or employees of the Company may solicit proxies by communicating with stockholders personally or by telephone, facsimile, e-mail, telegraph or mail. Expenses, including out-of-pocket expenses and charges which may be incurred or made by nominees or custodians solicited in obtaining authorization from their principals to execute proxies, will be borne by the Company. The Company has retained The Altman Group, Inc. to assist in the solicitation of proxies from banks, brokers and nominees for an estimated fee of \$4,500, plus other costs and expenses, to be paid by the Company.

Who May Vote

Only holders of record of the Common Stock of the Company as of the close of business on April 18, 2005 are entitled to vote at the Annual Meeting.

Voting by Proxy

To vote by proxy complete, sign and date the enclosed proxy card and return

Edgar Filing: ONEIDA LTD - Form PRE 14A

it in the prepaid envelope provided.

Voting Shares Held in "Street Name"

If your shares are held in a brokerage account in the name of your bank, broker or other nominee (which is referred to as "street name"), your bank, broker or other nominee will send you directions on who to vote those shares.

Voting in Person

If you are a shareholder of record and prefer to vote your shares at the Annual Meeting, you should bring the enclosed proxy card, or the proxy card you received from your bank, broker or other nominee and valid photo identification.

Signatures on Proxies

If stock is registered in the name of two or more trustees or other persons, the proxy should be signed by each of them. If stock is registered in the name of a decedent, the proxy should be signed by an executor or administrator, whose title should follow the signature. If a stockholder is a corporation, the enclosed proxy should be signed by an executive officer, whose title should be indicated.

Revocation of Proxy

A stockholder of record may revoke a proxy at any time before the vote is taken at the Annual Meeting by sending written notice of the revocation to the Corporate Secretary of the Company, by submitting another proxy that is properly signed and bears a later date, or by voting in person at the Annual Meeting. All properly executed proxies not revoked will be voted at the Annual Meeting in accordance with their instructions.

Effect of Proxy Voted in Blank

A proxy that is signed and returned by a stockholder of record without specifications marked in the instruction boxes will be voted as follows (1) "FOR" the election of two directors for one-year terms, one director for a two-year term and three directors for three-year terms; (2) "FOR" the approval of amendment to the Oneida Ltd. Certificate of Incorporation to reduce the minimum required size of the Board of Directors from nine to five Directors; (3) "FOR" the approval of amendment to the Oneida Ltd. Certificate of Incorporation to increase to 100,000,000 the number of authorized shares of Common Stock; and (4) "FOR" the approval of the amendment to the Oneida Ltd. Certificate of Incorporation to increase to 10,000,000 the number of authorized shares of Series Preferred Stock. In each case where the giver of a proxy has directed that the proxy be voted otherwise, it will be voted according to the direction given. If any other proposals are properly brought before the Annual Meeting and submitted to a vote, all proxies will be voted on those other proposals in accordance with the judgment of the persons voting the proxies.

Quorum

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Company Common Stock outstanding on April 18, 2005, in the aggregate, will constitute a quorum, permitting the stockholders to conduct business at the meeting. We will include abstentions and broker non-votes in the calculation of the number of shares considered to be present at the meeting. A broker non-vote occurs when a nominee holding shares in street

Edgar Filing: ONEIDA LTD - Form PRE 14A

name for a beneficial owner has not received instructions from the beneficial owner and does not have discretionary authority to vote the shares. As of that date, there were outstanding 46,631,924 shares of Common Stock. Each share is entitled to one vote.

Required Votes

Election of Directors. An affirmative vote of a majority of stockholders present in person or by proxy is necessary for the election of directors. An abstention is treated as present and entitled to vote on each proposal and therefore has the effect of a vote against each proposal. A nominee holding shares in street name does not have discretionary voting power with respect to this proposal and may not vote shares unless the nominee receives voting instructions from the beneficial owner. Accordingly, a broker non-vote is not counted for voting purposes with respect to this proposal.

Approval of Amendment to Certificate of Incorporation to Reduce Size of Board. An affirmative vote of the holders of a least 80% of all Company Common Stock issued and outstanding is necessary for the approval of the amendment to the Oneida Ltd. Certificate of Incorporation to reduce the minimum required size of the Board of Directors from nine to five Directors. An abstention has the effect of a vote against each proposal. A nominee holding shares in street name does not have discretionary voting power with respect to these proposals and may not vote shares unless the nominee receives voting instructions from the beneficial owner. Accordingly, a broker non-vote has the effect of a vote against these proposals.

Approval of Amendments to Certificate of Incorporation to Increase Authorized Shares. An affirmative vote of a majority of the holders of all Company Common Stock issued and outstanding is necessary for the approval of the amendments to the Oneida Ltd. Certificate of Incorporation to increase to 100,000,000 the number of authorized shares of Common Stock and to 10,000,000 the number of authorized shares of Series Preferred Stock. An abstention has the effect of a vote against each proposal. A nominee holding shares in street name does not have discretionary voting power with respect to these proposals and may not vote shares unless the nominee receives voting instructions from the beneficial owner. Accordingly, a broker non-vote has the effect of a vote against these proposals.

Board of Directors Voting Recommendations

The Company's Board of Directors unanimously recommends voting as follows:

1. "FOR" the election of the two nominees for director for one-year terms, the one nominee for director for a two-year term and the three nominees for director for three-year terms;
2. "FOR" the approval of amendment to the Oneida Ltd. Certificate of Incorporation to reduce the minimum required size of the Board of Directors from nine to five Directors;

Edgar Filing: ONEIDA LTD - Form PRE 14A

Other Proposed Actions

Other than the foregoing, the Board of Directors knows of no matters which will be presented at the Annual Meeting for action by stockholders. However, if any other matters properly come before the meeting, or any adjournment thereof, it is anticipated that the proxies will be voted according to the best judgment of the persons acting by authorization of the proxies.

Stockholder Proposals for Inclusion in 2006 Proxy Statement

In order to be considered for inclusion in the Company's proxy statement relating to the 2006 Annual Meeting, stockholder proposals must be received at the Company's principal executive offices no later than the close of business on December 24, 2005. Stockholder proposals should be addressed to Catherine H. Suttmeier, Secretary, 163-181 Kenwood Avenue, Oneida Ltd., Oneida, New York 13421.

Stockholder Proposals for Presentation at 2006 Annual Meeting

For stockholder proposals that are not submitted for inclusion in the Company's 2006 proxy statement, but are instead sought to be presented directly at the Company's 2006 Annual Meeting of Stockholders, Securities and Exchange Commission rules permit management to vote proxies using their discretionary voting authority if notice of the stockholder proposal is not received on or prior to the close of business on February 28, 2006. Notice of intention to present stockholder proposals at the Company's 2006 Annual Meeting should be addressed to Catherine H. Suttmeier, Secretary, 163-181 Kenwood Avenue, Oneida Ltd., Oneida, New York 13421.

The Company's Annual Meeting is open to all holders of record of Oneida Ltd. common stock as of April 18, 2005, the record date of the Annual Meeting. To attend the meeting you will need to register upon your arrival. At that time you may be asked to present valid picture identification, such as a driver's license or passport, before being admitted. If your shares are held in a brokerage account in the name of your bank or broker, you should bring a recent brokerage account statement reflecting your stock ownership as of April 18, 2005. ELECTION OF DIRECTORS (PROXY ITEM 1)

Board of Directors

As of the date of this Proxy Statement, the Company's Amended and Restated Certificate of Incorporation and Amended and Restated Bylaws specify that the Board of Directors of the Company shall consist of not less than nine nor more than fifteen Directors. Subject to stockholder approval of Proxy Item 2 at the 2005 Annual Meeting of Stockholders, the minimum required size of the Board of Directors of the Company shall be reduced to five. The Company's Bylaws and Certificate of Incorporation also provide that the Board of Directors is divided into three classes of Directors, each consisting, as nearly as possible, of one third of the entire Board.

On August 9, 2004 the Company completed the comprehensive restructuring of

Edgar Filing: ONEIDA LTD - Form PRE 14A

its existing indebtedness with its lenders which included the conversion of \$30 million of principal amount of debt into an issuance of a total of 29,852,907 shares of the common stock of the Company to the individual members of the lender group or their respective nominees. As part of this debt to equity conversion the Company's Board of Directors was reorganized in October 2004 with the stockholder-lenders designating six of the Board's nine members. As a result, effective October 25, 2004, the following Company Board members voluntarily resigned their positions as directors of the Company: William F. Allyn, Georgia S. Derrico, J. Peter Fobare, Whitney D. Pidot, Catherine H. Suttmeier and William M. Tuck. In their places, the following individuals were appointed directors of the Company effective October 25, 2004: William C. Langley, Hugh R. Rovit, Christopher H. Smith, Fred Spivak, Terry G. Westbrook and Nick White.

As of April 11, 2005 the Company's Board of Directors was comprised of nine members, divided into three classes of directors serving staggered terms. As of that date no family relationships existed among any of the Directors, nor is there any arrangement or understanding pursuant to which any person was selected as a Director. Directors hold office for a term ending on the date of the first, second or third Annual Meeting following the Annual Meeting at which such Director was elected. At the 2005 Annual Meeting, stockholders are being asked to elect two directors for one-year terms expiring at the 2006 Annual Meeting, one director for a two-year term expiring at the 2007 Annual Meeting and three directors for three-year terms expiring at the 2008 Annual Meeting.

Nominees for Director

The six nominees are members of the present Board of Directors. Messrs. Langley, Rovit, Smith, Spivak, Westbrook and White were each appointed to the Board in October 2004 for terms expiring in May 2005. Kallet, the Company's current Chairman of the Board and former President and Chief Executive Officer, was elected to a three-year term in 2003. Mr. Kallet has announced that he will retire from his Board position effective May 25, 2005. Mr. Kallet's seat will not be filled at the time of his retirement.

Each nominee has consented to being named in this Proxy Statement and to serve if elected. The Management has no reason to believe that any of the nominees will be unable or unwilling to serve. Should any nominee named in the table become unable or unwilling to accept nomination or election as a director, the persons acting under the proxy intend to vote for the election in his or her stead of such other person as the Nominating and Corporate Governance Committee may recommend.

CORPORATE GOVERNANCE

Director Independence

The Board of Directors has determined that each of the current Directors, except Messrs. Kallet, Spivak and Westbrook, are "independent" under the current independence standards of the Securities and Exchange Commission, and have no material relationships with the Company (either directly or as a partner, shareholder or officer of any entity) which could be inconsistent with a finding of independence. In making these determinations, the Board of Directors has broadly considered all relevant facts and circumstances, recognizing that material relationships can include commercial, banking, consulting, legal, accounting, and familial relationships, among others.

Mr. Kallet was not deemed "independent" because he was an executive officer of the Company until March 2005 and will remain an employee of the Company thereafter. Mr. Westbrook is not deemed "independent" because he became an executive officer of the Company in March 2005.

Meetings of the Board of Directors

During the past fiscal year, the Board of Directors held 28 meetings. All directors attended more than seventy-five percent of the total number of meetings of the Board of Directors and of the standing committees on which they served held during the periods of their tenure during the past fiscal year.

Committees of the Board of Directors

The Company's Board of Directors has five standing committees: an Audit Committee, an Executive Committee, a Finance Committee, a Management Development and Executive Compensation Committee and a Nominating and Corporate Governance Committee. All members of the Audit, Management Development and Executive Compensation and Nominating and Corporate Governance Committees have been determined by the Board to be "independent" under the above-referenced director independence standards. The Audit, Management Development and Executive Compensation and Nominating and Corporate Governance Committees operate under written charters that are available, without cost, on the "Investor Information" section of the Company's Internet website at www.oneida.com.

Audit Committee. During the past fiscal year, the Committee held six meetings. The Committee's primary responsibility is oversight of the accounting and financial reporting processes of the Company and the audits of the Company's financial statements. In particular, the Committee continually reviews and provides guidance on the organization, quality and integrity of the Company's accounting systems and internal controls, reviews and preapproves all annual and quarterly financial statements and reports, press releases and related disclosures, ensures the Company's compliance with legal and regulatory requirements, tracks important trends and developments in financial reporting practices and provides guidance relative to their effects on the Company's financial statements, discusses with the independent auditors all critical accounting policies and practices to be used by the Company in preparing its financial statements, appoints the independent auditor and periodically reevaluates the independent auditors' qualifications and independence, approves all audit and non-audit work to be performed by the independent auditors, supervises the internal audit function's organization, responsibilities, plans, results, budget and staffing supervises, reviews and makes recommendations to the Board of Directors with respect to the independent auditors' management letter and prepares an annual Committee Report for inclusion in the Company's

Edgar Filing: ONEIDA LTD - Form PRE 14A

proxy statement. The Committee's responsibilities are set forth in more detail in the Amended and Restated Audit Committee Charter attached to this Proxy as Exhibit A.

The Board of Directors has determined that each of the four current members of the Audit Committee, Messrs. Langley, Marshall, Rovit and Smith, meets the Securities and Exchange Commission criteria to qualify as an audit committee financial expert, is financially literate and has accounting or related financial management expertise. In making recommendations and determinations regarding audit committee financial experts, the Audit Committee and Board of Directors considered all relevant academic and professional experience of the Committee members.

Executive Committee. During the past fiscal year, the Committee held eight meetings. The Committee has authority to exercise all powers of the Board Directors of the Company when it is not practical or not feasible for the full Board to meet.

At the present time the Executive Committee has established subcommittees to deal with the following, specific Company matters: Logistics, Information Technology, Legal Processes and Costs, Human Resources, Consumer Division Reorganization, Oneida Home Stores, International, Financial and Cash Flow Reporting, and Sourcing and Supply Chain Management.

Finance Committee. The Finance Committee was formed in February 2005. As such, the Committee held no meetings during the past fiscal year. The Committee advises and assists the Board with respect to all aspects of financing and financial planning for the Company, including but not limited to, the investigation of all inquiries received by the Company that involve proposals to acquire the Company's debt, equity or otherwise arrange a business combinations. The Committee also has responsibility for communications from the Board to any lender or prospective lender to the Company.

Management Development and Executive Compensation Committee. During the past fiscal year, the Committee held three meetings. The Committee reviews and establishes the salaries of the officers who are compensated at an annual basic rate of \$150,000 or more. The committee also makes recommendations to the Board of Directors with respect to the organization, management and personnel of the Company and has responsibility for administering the Company's stock option plans, restricted stock awards, deferred compensation and incentive compensation plans. In addition, the committee also makes recommendations to the Board of Directors with respect to the investment of funds held in the pension and profit sharing plans of the Company and its subsidiaries.

Nominating and Corporate Governance Committee. During the past fiscal year, the committee held one meeting. The Committee has responsibility for recommending to the Board of Directors: (i) an annual slate of directors to be elected at the Annual Meeting of Stockholders, (ii) as needed, candidates to fill vacancies on the Board, and (iii) compensation to be paid to non-employee Directors. In addition, the Committee advises the Board periodically with respect to significant developments in the law and practice of corporate governance as well as the Company's compliance with the Company's Corporate Governance Guidelines and applicable laws and regulations, and makes recommendations to the Board on all matters of corporate governance and on any corrective action to be taken, as the Committee may deem appropriate.

The Nominating and Corporate Governance Committee will consider Director nominations timely made by stockholders pursuant to the requirements of the

Edgar Filing: ONEIDA LTD - Form PRE 14A

Company's "Stockholder Proposals" provision located in the "Other Matters" section of this Proxy Statement. As with candidates recommended by the Nominating and Corporate Governance Committee, Director candidates nominated by stockholders must be highly qualified and be willing, able and expressly interested in serving on the Company's Board of Directors.

Meetings of Independent Directors

The independent members of the Board of Directors meet without members of management or directors not determined to be independent at least once each Company fiscal quarter. The Board of Directors has determined that a presiding director should chair all such meetings of the independent directors. In December 2004, Mr. Christopher H. Smith was elected to serve as Chairperson of the meetings of independent directors through May 25, 2005.

Attendance at Annual Meeting

The Company expects all directors to attend the Annual Meeting of Stockholders each year. All of the Company's then-current directors attended the Company's 2004 Annual Meeting of Stockholders.

Directors' Compensation

Prior to October 25, 2004, Directors who were not employees of the Company received \$19,000 on an annual basis for serving as directors of the Company. They also received \$1,250 per Board meeting, \$750 each for the first two committee meetings held on the day of regular Board meetings, \$400 for the third committee meeting held on the day of regular Board meetings and \$750 for special committee meetings not held on the day of regular Board meetings. Committee chairpersons received an additional \$50 per committee meeting. In lieu of the foregoing committee meeting and chair fees, the Chairperson of the Audit Committee received \$1,200 for each Audit Committee meeting.

Effective October 25, 2004, Directors who are not employees of the Company receive \$36,000 on an annual basis for serving as Directors of the Company. Non-employee Directors who chair a Board committee receive an additional annual retainer of \$6,000. Non-employee Directors who serve on a Subcommittee receive an additional retainer of \$500 per month. Non-employee Directors also receive \$1,500 per each Board, Committee and Subcommittee meeting. The total of the monthly Subcommittee retainer and meeting fees cannot exceed \$1,500 for any single Director. In addition to the foregoing retainer and meeting fees, such Directors will also receive \$200 per each hour, up to a maximum of \$1,500 per each day, they spend outside of normal Board, Committee and Subcommittee meetings in furtherance of the discharge of their fiduciary duties.

On April 5, 2005 the Board of the Company approved a stock-based compensation arrangement for the non-employee members of the Board. Under this arrangement, each non-employee Director as of October 25, 2004 was granted 10,000 shares of "phantom stock". The value of one share of "phantom stock" will be equal to the value of one share of the Company's Common Stock on the relevant determination date. Each grant will vest at a rate of 20% on the date of grant, 30% on October 25, 2005 and October 25, 2006, respectively, and 20% on October 25, 2007.

Under the Oneida Ltd. 2000 Non-Employee Directors' Equity Plan, each non-employee director may elect to receive all or a portion of his or her annual retainer in Common Stock of the Company. The total number of shares is determined by dividing the portion of the annual retainer that the director has

Edgar Filing: ONEIDA LTD - Form PRE 14A

elected to receive in Common Stock by the average closing price of the stock for the five day period immediately preceding the Board of Directors meeting at which annual retainers are paid. During the past year none of the non-employee directors elected to receive a portion of his or her annual retainer in Common Stock.

Pursuant to the 2003 Non-Employee Directors Stock Option Plan, as amended, each newly elected non-employee member of the Board of Directors is granted an option to purchase 3,000 shares of the Company's Common Stock upon his or her election or appointment to the Board. Thereafter, each continuing non-employee member of the Board is granted an annual option to purchase 1,000 shares of the Company's Common Stock. All Director options have a per share exercise price equal to the fair market value of the shares on the date of grant. Director options automatically vest and become exercisable twelve months from date of grant. All Director options expire ten years from date of grant.

Communications with the Board of Directors

The Board of Directors has approved a process for stockholders, Company employees and other interested parties to send communications to the Board of Directors, committee chairs and/or individual directors. Stockholders, Company employees and other interested parties may communicate with the full Board of Directors, a specified committee of the Board, the chair of any Board committee, the independent directors and/or a specified individual director by United States mail addressed to P.O. Pension Plan Table

The Company maintains the Retirement Plan for Employees of Oneida Ltd., a qualified defined benefit plan (the "Retirement Plan"). Compensation covered by the Retirement Plan includes base salary and cash incentives reported in the Summary Compensation Table. The normal retirement benefit at age 65 is based on years of service and the average annual compensation during the three highest paid consecutive calendar years from the ten years of employment preceding retirement. The Retirement Plan was frozen in April 2004 to prevent the addition of new participants into the plan, the vesting of participants not vested as of that date and the gain by vested participants of additional credited years of service. Years of service for the purpose of determining benefits for the named executives are P. Kallet--35 years, A. Conseur--7 years; J. P. Fobare--30 years; J. Joseph--15 years; and D. Trapasso--0 years.

The Internal Revenue Code and the Employee Retirement Income Security Act of 1974 limits the amount of benefit that can be paid under the Retirement Plan to \$170,000 and the maximum compensation that can be taken into account in establishing benefits to \$210,000.

The following table shows estimated annual retirement benefits payable in the form of a straight life annuity beginning at age 65 under the Retirement Plan assuming retirement during fiscal year ended January 2005 of participants who have met eligibility requirements for unreduced benefits.

In addition to the Retirement Plan, the named executives also participate in the Oneida Ltd. Employee Stock Ownership Plan, a qualified defined contribution plan. Benefits under the Employee Stock Ownership Plan are in the form of allocations of Company Common Stock pursuant to a formula considers a participant's compensation during the six-month period prior to the allocation date and the participant's years of credited service. Employee Stock Ownership Plan benefits are offset against the benefits to be received under the Retirement Plan. There were no allocations to the Employee Stock Ownership Plan accounts of plan participants, including the named executives, for the fiscal year ended January 2005.

In addition to the benefits provided by the Retirement Plan and Employee Stock Ownership Plan, the Company maintains a non-qualified Restoration Plan for key employees and officers selected by the Management Development and Executive Compensation Committee of the Company's Board of Directors. The Chief Executive Officer and other current and former officers and key employees, including certain of the named executives, are participants. The Restoration Plan guarantees (a) the benefit under the Retirement Plan described above as if the limitations imposed by the Internal Revenue Code did not apply, plus (b) an annual retirement allowance equaling 50% for Mr. Kallet and 40% for other participants of their average annual compensation, actuarially reduced if the participant retires before age 62, and offset by the participating officer's other retirement benefits, including restoration benefits. Restoration Plan benefits are forfeited if the participant retires or otherwise terminates employment before age 55. The Restoration Plan was frozen in July 2005 to prevent the addition of new participants and the vesting of existing participants. Amendments to the Company's Retirement Plan provide a mechanism for the payment through the Retirement Plan of all or a portion of the benefits due under the Restoration Plan to Mr. Kallet and certain other former executive officers of the Company, of whom only Mr. Conseur is among the Company's most highly compensated executive officers for the fiscal year ended January 2005.

As an employee of the Company's Oneida U.K., Limited subsidiary, Mr. Masson does not participate in the above described Retirement Plan, Oneida Ltd. Employee Stock Ownership Plan or Restoration Plan. Rather, Mr. Masson participates in the Oneida International Retirement Benefit Scheme, a broad-based, defined contribution group money purchase scheme open to all Oneida U.K., Limited employees who meet specified participation requirements. The benefit contribution formula under this plan is a percentage of each

Edgar Filing: ONEIDA LTD - Form PRE 14A

participant's base salary, with executive and managerial employees receiving higher percentages. The plan currently provides Mr. Masson a monthly contribution equal to 15% of his monthly base salary.

Agreements with Named Executive Officers

The Company had entered into Change in Control Agreements with Messrs. Kallet, Conseur and Fobare dated November 15, 1999. These agreements, in general, provided that in the event the officer's employment was terminated as a result of a Change in Control, as defined in the Agreement, the officer will be entitled to a severance payment equal to 2.99 times his or her average annual compensation, health insurance for three years following termination and a supplemental pension benefit. In July 2004 these Change in Control Agreements were voluntarily terminated by the Company and Messrs. Kallet, Conseur and Fobare and replaced with new agreements with each of those individuals dated July 28, 2004, July 22, 2004 and July 28, 2004, respectively. These agreements were filed as Exhibits to the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended July 31, 2004.

Mr. Kallet's Agreement dated as of July 28, 2004 provided that Mr. Kallet would be employed as Chairman of the Board, President and Chief Executive Officer for a three year term commencing on July 30, 2004, at a base salary of not less than \$300,000. In the event the Agreement was terminated by the Company other than for "cause", as defined in the Agreement, the Company was required to continue to pay Mr. Kallet his base salary through the end of the term. This Agreement was replaced and superseded on March 23, 2005 when the Company and Mr. Kallet entered into a new agreement of that date setting forth the details of Mr. Kallet's resignations from his positions of President and Chief Executive Officer effective March 23, 2005 and Chairman of the Board effective May 25, 2005. This Agreement continues Mr. Kallet's employment by the Company in the non-officer position of Vice Chairman - Strategic Alliances and Corporate Development through July 30, 2007 at Mr. Kallet's current annual base salary of \$300,000. In addition, this Agreement makes Mr. Kallet eligible for bonuses in the amount of \$85,000 during each of fiscal years ended January 2006 and 2007, in the event that certain performance criteria specified in the Agreement are achieved.

Mr. Conseur's Agreement dated as of July 22, 2004 provided that Mr. Conseur would resign from his position of Executive Vice President effective July 23, 2004. Pursuant to the Agreement Mr. Conseur will provide various consulting services, as defined in the Agreement, to the Company during the period July 23, 2004 through March 31, 2005. In exchange for these consulting services, Mr. Conseur received a consulting fee of \$33,000 per month and was eligible for performance bonuses and sales commissions. The Agreement also provides Mr. Conseur with severance payments in the amount of \$33,000 per month during the period April 1, 2005 through September 30, 2006 and a schedule for the accelerated pay out of Mr. Conseur's balance under the Amended and Restated Oneida Ltd. Deferred Compensation Plan for Key Employees. Subsequently, by letter agreement dated November 22, 2004, the Company agreed to pay Mr. Conseur commissions on sales to a specified Company customer during the period October 2004 through January 2006. This letter agreement is attached as an Exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended January 29, 2005.

Mr. Fobare's Agreement dated as of July 28, 2004 provides that Mr. Fobare will be employed as Senior Vice President and General Manager, Consumer Retail Markets for a two year term commencing on July 30, 2004, at an annual base salary of not less than \$175,120. In the event the Agreement is terminated by

Edgar Filing: ONEIDA LTD - Form PRE 14A

the Company other than for "good cause", or by Mr. Fobare for "Good Reason", as such terms are defined in the Agreement, the Company must continue to pay Mr. Fobare his base salary until the later of the end of the term or six months after the termination date.

In addition to the above arrangements with named executive officers, the Company has also entered into agreements with Messrs. Joseph and Masson. Mr. Joseph's agreement was filed as an Exhibit to the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended July 31, 2004, with an amendment thereto filed as an Exhibit to the Company's Annual Report on Form 10-K for the fiscal year ended January 29, 2005. A letter agreement covering Mr. Masson's relocation to Thailand, as well as Mr. Masson's Deed of Agreement, are filed as Exhibits to the Company's Annual Report on Form 10-K for the fiscal year ended January 29, 2005.

Mr. Joseph's Agreement dated as of July 28, 2004 provides that Mr. Joseph will be employed as Senior Vice President and General Manager, Foodservice for a two year term commencing on July 30, 2004, at an annual base salary of not less than \$187,400. In the event the Agreement is terminated by the Company other than for "good cause", as such term is defined in the Agreement, the Company must continue to pay Mr. Joseph his base salary until the later of the end of the term or six months after the termination date. Subsequently, in February 2005, by First Amendment to Letter Agreement dated July 28, 2004, the Company clarified that Mr. Joseph's July 28, 2004 Agreement did not supersede the Company's prior arrangement to pay Mr. Joseph a specified retention bonus.

On January 17, 2005 the Company entered into a letter agreement with Mr. Masson covering the terms of Mr. Masson's relocation to Thailand. This letter agreement requires the Company to pay or reimburse Mr. Masson for various housing, travel, education and insurance expenses associated with his relocation to and stay in Thailand. On April 15, 2005 the Company and the Company's Oneida International Limited subsidiary entered into a Deed of Agreement with Mr. Masson. This Deed of Agreement, which supersedes the January 17, 2005 letter agreement, provides that Mr. Masson will be employed by the Company's subsidiary, Oneida International, Limited as Senior Vice President, Global Procurement for a two year term expiring February 28, 2007, at an annual base salary and annual bonus of not less than 'L'152,000 and 'L'20,000, respectively. In addition, the Agreement requires the Company to pay or reimburse Mr. Masson for various housing, travel, education and insurance expenses associated with his relocation to Thailand. In the event the Company is terminated prior to the end of the term, the Company must continue to pay Mr. Masson his base salary and annual bonus through the end of the term, as well as a termination bonus equal to 'L'36,000 multiplied by a fraction, the numerator of which is the number of complete calendar months worked by Mr. Masson during the year in which his employment is terminated and the denominator of which is 12. The Company has guaranteed Oneida International Limited's performance under this Deed of Agreement.

In 1989 the Board of Directors also approved an Employee Security Plan which provides severance benefits for all eligible employees of the Company who lose their jobs in the event of a Change in Control. Employees are eligible for these benefits if they have one year or more of service. Executive officers who are parties to the agreements described above are not eligible for Employee Security Plan benefits.

REPORT OF THE MANAGEMENT DEVELOPMENT &
EXECUTIVE COMPENSATION COMMITTEE

Edgar Filing: ONEIDA LTD - Form PRE 14A

Decisions on compensation of the Company's executives generally are made by the Management Development and Executive Compensation Committee of the Board of Directors (the "Compensation Committee"). The Compensation Committee currently consists of the three non-employee directors of the Company named at the end of this Report.

This Compensation Committee Report summarizes the policies and philosophy underlying decisions regarding executive compensation for fiscal year ended January 2005 and how those policies and philosophy affected Mr. Kallet, in particular, and in general Messrs. Conseur, Fobare, Joseph, Masson and Trapasso--the named executive officers other than Mr. Kallet who for fiscal year ended January 2005 were the Company's most highly compensated executive officers.

Executive Compensation Policies

The Company's executive compensation programs are designed to retain and reward executives who are capable of leading the Company to achieve its business objectives in an industrial and market environment characterized by growth, complexity, competition and change.

Increasingly, compensation is provided in the form of cash or stock-based incentive plans intended to integrate pay with the Company's annual and long-term performance goals, recognizing both individual initiative and achievements as well as contributions toward overall divisional and corporate performance.

Executives other than the named executive officers are eligible for selection as participants in the Company's executive incentive plans. Moreover, all employees of the Company's Oneida Silversmiths Division participate in an annual profit sharing plan based on the performance of that business unit. However, these employees typically receive a larger percentage of their compensation in wages or salary than do senior executives.

As a result of the emphasis on tying executive compensation to business performance, compensation may fluctuate from year to year. Historically, in successful years, a substantial portion of executives' total compensation was earned through incentives. In less profitable years, less or no incentive compensation is paid.

Annual compensation for Oneida's executive management consists of three elements:

1. Salary--In general, salaries are influenced by compensation paid to executives of corporations with similar revenues and scopes of operation. Within that framework, individual salaries reflect personal contribution and performance as well as experience and years of service. In evaluating an executive's personal contribution and performance, the Company considers the individual's contribution to the overall performance of the Company or division; effectiveness in budget management; performance in assigned special projects; and managerial ability.

2. Annual Cash Incentive--These annual cash incentive payments are tied directly to corporate or business unit performance:

- a. Corporate--For executives with corporate responsibilities, their incentive measurements for fiscal year ended January

Edgar Filing: ONEIDA LTD - Form PRE 14A

2005 were Return on Equity and Income before Taxes. These two factors reflect the Company's relative emphasis on return and growth; and

- b. Other--For executives whose responsibilities are limited to a division or subsidiary, incentives are based on their business unit's operating income and cash flow.

3. Stock Awards and Options--The Company believes its senior executives should have a greater equity interest in the Company as a way of aligning their interests with those of stockholders. Long-term stock incentive programs have been designed with this interest in mind:

- a. 2002 Stock Option Plan--This Plan, like its predecessors, provides an incentive that focuses executives' attention on managing the Company from the perspective of an owner with an equity stake in the business. Because the option price is the fair market value of a share at the time of the grant, stock options are tied to the future performance of stock and will provide value to the recipient only when the price of the stock rises above the option grant price; and
- b. Amended and Restated Restricted Stock Award Plan--This Plan is intended to promote the growth and profitability of the Company by providing long-term equity rewards to key employees who are expected to have a significant impact on the performance of the Company.

These awards provide a long-term focus since, in general, the stock is restricted from being sold, transferred or assigned and is forfeitable until it vests.

Chief Executive Officer's Fiscal Year Ended January 2005 Compensation

Securities and Exchange Commission regulations require the Compensation Committee to discuss its basis for decisions affecting the chief executive's compensation for the fiscal year ended January 2005 in relation to the Company's performance during that fiscal year.

The Compensation Committee's general approach in setting the Chief Executive Officer's annual compensation seeks to reflect compensation levels of other corporations with similar revenues and scopes of operation, but to provide a large percentage of his target compensation based on objective long-term performance criteria. This provides an incentive to work toward clearly defined long-term goals while providing stability by giving the Chief Executive Officer some certainty in the level of his compensation through the non-performance based elements.

In addition to base salary and eligibility to participate in the Company's Stock Option Plan and Restoration Plan, the Chief Executive Officer's compensation package includes two performance-based incentive programs--one based on the long-term performance of the Company's stock and the other based on corporate performance during the previous year. These incentive programs have had the effect of more directly tying compensation to the Company's performance.

In the stock performance-based program, payouts are determined by the average annual growth in earnings per share of the Company's Common Stock over the prior three-year period. In years when the performance goals are met, the chief executive officer may elect to receive his award in cash, restricted stock through the Company's Amended and Restated Restricted Stock Award Plan, or a combination of both. A stock selection is encouraged by setting the election price at 80 percent of the average Common Stock prices on the last day of each

Edgar Filing: ONEIDA LTD - Form PRE 14A

of the preceding four fiscal quarters.

Mr. Kallet earned no incentive under this program during the fiscal year ended January 2005 because its performance goals were not met.

The remainder of Mr. Kallet's performance-based compensation for fiscal year ended January 2005 derived from the program for the Chief Executive Officer which provides for annual cash incentives as well as restricted stock awards based on corporate performance during the preceding fiscal year. The features of this program are:

1. Payouts are based on a formula of 50 percent Return on Equity and 50 percent Income before Taxes, reflecting the Company's present relative emphasis on return and growth;
2. The program incorporates base or platform performance objectives which must be met before any payments are made. These performance objectives are set for a two-year period. They are based on goals for good performance, rather than levels which happen to be attainable in a given year; and
3. In years when performance goals are met, in addition to his cash incentive, the Chief Executive Officer will be considered for a restricted stock award under the Company's Amended and Restated Restricted Stock Award Plan. The value of the stock award will be one-third of the profit sharing payout, with the number of shares determined by market price.

Mr. Kallet earned no incentives under this program during the fiscal year ended January 2005 because its performance goals were not met.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is currently comprised of the four directors named below. Each member of the Audit Committee is an independent director as determined by the Company's Board of Directors based upon the requirements of the Audit Committee's Charter, the current New York Stock Exchange rules and Securities and Exchange Commission requirements. The Audit Committee has adopted a written charter which has been approved by the Board of Directors.

We have reviewed and discussed with management the Company's audited financial statements as of and for the fiscal year ended January 29, 2005.

We have discussed with BDO Seidman, LLP ("BDO") the matters required to be discussed by Statement on Auditing Standards No 61, "Communication with Audit Committees", as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

We have received and reviewed the written disclosures and the letter from BDO required by Independence Standard No. 1, "Independence Discussions with Audit Committees", as amended, by the Independence Standards Board, and have discussed with BDO their independence.

Edgar Filing: ONEIDA LTD - Form PRE 14A

We have also considered whether the provision of services by BDO not related to the audit of the financial statements referred to above and to the reviews of the interim financial statements included in the Company's Forms 10-Q for the quarters ended May 1, 2004, July 31, 2004 and October 30, 2004 is compatible with maintaining BDO's independence and have concluded that BDO's independence has not been impaired by their engagement to perform these unrelated services.

The Audit Committee pre-approves all audit and permissible non-audit services to be provided by the independent auditor. As part of this approval process, the Audit Committee considers whether such services are consistent with the Securities and Exchange Commission rules on auditor independence, as well as whether the independent auditor is best suited to provide the most effective and efficient services, for reasons such as familiarity with the Company's business, operations, staff, accounting systems and the like.

Based on the reviews and discussions referred to above, we recommend to the Board of Directors that the audited financial statements referred to above be included in the Company's Annual Report on Form 10-K for the fiscal year ended January 29, 2005.

AMENDEMENT TO CERTIFICATE OF INCORPORATION TO REDUCE MINIMUM REQUIRED SIZE OF BOARD OF DIRECTORS (PROXY ITEM 2)

The Company's Certificate of Incorporation currently requires that the Company's Board of Directors consist of no fewer than nine and no more than fifteen members. The Company's Board of Directors currently consists of nine members. The Board's membership will be reduced to eight Directors upon the retirement of Chairman Peter J. Kallet on May 25, 2005. To account for Mr.

Edgar Filing: ONEIDA LTD - Form PRE 14A

The text of the proposed amendment is set forth as Exhibit A to the Proxy Statement.

Vote Required

The vote required to effect the amendment to the Certificate of Incorporation to reduce the minimum required size of the Board of Directors is the affirmative vote of the holders of 80% of all of the Common Stock of the Corporation issued and outstanding.

The amount of authorized but unissued and unreserved Common Stock as of April 11, 2005 was 218,712 shares. Assuming stockholder approval of the proposal, the amount of authorized but unissued and unreserved Common Stock will be 52,218,712.

Assuming the proposal is approved by the stockholders, no further or additional vote of the stockholders of the Company is required for the Board of Directors to issue Common Stock.

Stockholders do not have any preemptive rights with respect to such additional shares nor do they have any rights of appraisal should they dissent from the proposed amendment.

The text of the proposed amendment is set forth as Exhibit B to the Proxy Statement.
