Item 1.01 - Entry into a Material Definitive Agreement.

As previously reported, Tucson Electric Power Company (TEP) has entered into leveraged lease arrangements relating to Springerville Unit 1 and an undivided one-half interest in certain Springerville Common Facilities (Springerville Unit 1 Leases). The Springerville Unit 1 Leases have an initial term to January 2015. See *Note 9 of Notes to Consolidated Financial Statements - Debt and Capital Lease Obligations* in our Annual Report on Form 10-K for the year ended December 31, 2005.

On June 23, 2006, TEP purchased one of the Springerville Unit 1 Lease owner participant's beneficial equity interest in a 14% undivided interest in Springerville Unit 1 and the related interest in the Springerville common facilities. As a result, TEP is considered the owner participant under the leveraged lease arrangements relating to such undivided interest. The Springerville Unit 1 Lease pertaining to TEP's undivided interest remains in full force and effect, TEP continues to be the lessee under such lease and its obligations under such lease have not been amended or modified except as described below. The interest purchased by TEP represents approximately 55 MW of Springerville Unit 1 capacity.

On June 26, 2006, TEP and the owner trustee and cotrustee which act as lessor under the Springerville Unit 1 Lease for such undivided interest entered into an amendment of such lease which reduced TEP's rent payable on each semi-annual rent payment date under such lease to equal the scheduled amount of principal and interest payable on each such date on the debt issued by such owner trustee. On June 26, 2006, the outstanding principal amount of such debt was approximately \$43 million.
