To the Stockholders of
ICN Pharmaceuticals, Inc.:

Dear Stockholder:

You are cordially invited to attend the Annual Meeting of Stockholders of ICN Pharmaceuticals, Inc., which will be held on May 30, 2001, at 10:00 a.m. P.D.T. at ICN Pharmaceuticals, Inc., 3300 Hyland Avenue, Costa Mesa, California 92626. Official Notice of the Meeting, a Proxy Statement and a form of proxy accompany this letter.

The Company's 2000 Annual Report accompanies this Proxy Statement.

NOTICE

Dissident stockholders, Tito Tettamanti, through Special Situations Partners, Inc. ("SSP"), and Herbert A. Denton, through Providence Capital, Inc., have announced their intention to commence a proxy contest in opposition to your Board of Directors. Their group, named the "ICN Committee to Maximize Shareholder Value", will be seeking your support to elect three nominees representing their views in place of the highly qualified and experienced nominees proposed for election by your Board of Directors.

In response to concerns raised by SSP, your Board of Directors reached an agreement last fall with SSP to revise the restructuring of the Company into three completely separate companies. ICN has been proceeding diligently to implement the restructuring plan. However, in the face of a general economic slowdown and uncertain conditions in capital markets, implementation of the

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

restructuring plan has progressed slower than anticipated. ICN remains fully committed to implementation of the restructuring plan and is proceeding in the best interests for the long term benefit of its stockholders.

We urge you to reject the nominees of Tettamanti and Denton -- do not sign any proxy card they may send you. Please be assured that your Board of Directors will continue to act in the best interest of all ICN stockholders.

YOUR VOTE IS IMPORTANT REGARDLESS OF THE NUMBER OF SHARES YOU OWN. ON BEHALF OF YOUR BOARD OF DIRECTORS, WE URGE YOU TO SIGN, DATE AND MAIL THE ENCLOSED WHITE PROXY CARD AS SOON AS POSSIBLE EVEN IF YOU CURRENTLY PLAN TO ATTEND THE ANNUAL MEETING. This will not prevent you from voting in person but will assure that your vote is counted if you are unable to attend the meeting.

By Order of the Board of Directors,

/s/ Milan Panic

PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON
MAY 30, 2001

This Proxy Statement is being mailed on or about May 2, 2001, to stockholders of ICN Pharmaceuticals, Inc. (the "Company" or "ICN") in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Stockholders to be held on May 30, 2001, or any adjournments or postponements thereof, for the purposes set forth in this Proxy Statement and in the accompanying Notice of Annual Meeting of Stockholders.

When a proxy in the form enclosed with this Proxy Statement is returned properly executed, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions indicated thereon or, if no direction is indicated, the shares will be voted in accordance with the recommendations of the Board of Directors. A stockholder who executes and returns the enclosed proxy may revoke it at any time prior to its exercise by giving written notice of such revocation to the Chairman of the Board of the Company, at the address of the Company, by revoking it in person at the Annual Meeting or by voting at the Annual Meeting. Stockholders may also revoke a prior proxy by executing a later-dated proxy and submitting it to any person; provided that such person ultimately delivers such later dated proxy to the Secretary of the Annual Meeting. Attendance at the Annual Meeting by a stockholder who has executed and returned the enclosed proxy does not alone revoke the proxy. If shares are held by a broker or other intermediary, a properly executed proxy from the record holder of such shares must be presented in order to vote such shares at the Annual Meeting.

VOTING SECURITIES

Only stockholders of record at the close of business on April 23, 2001 will be entitled to notice of and to vote at the meeting and any adjournments thereof. As of the close of business on April 23, 2001, there were outstanding 80,618,070 shares of the Company's common stock, par value \$.01 per share (the "Common Stock"), held of record by approximately 7,287 stockholders, each of which shares is entitled to one vote at the Annual Meeting.

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

ELECTION OF DIRECTORS

The Certificate of Incorporation of the Company provides that the Board of Directors be divided into three classes of directors. Three directors are to be elected at the 2001 Annual Meeting, each to serve until the 2004 Annual Meeting of Stockholders and until his or her successor is elected and qualified. The nominees are Kim Campbell, Ray Irani and Charles T. Manatt. Ms. Campbell and Mr. Irani currently serve as directors of the Company. Mr. Manatt was a director of the Company from 1992 until December 1999 when he became United States Ambassador to the Dominican Republic, a position he held until March 2001. If for any reason any nominee should not be available for election or be unable to serve as a director, the accompanying proxy will be voted for the election of such other person, if any, as the Board of Directors may designate. The Board of Directors has no reason to believe that any nominee will be unavailable for election or unable to serve.

5

The Board of Directors of the Company recommends that the stockholders vote FOR the election of the three nominees for director named in this Proxy Statement. The ICN Committee to Maximize Shareholder Value is seeking to elect its own slate of three directors in opposition to the nominees proposed by your Board. YOUR BOARD BELIEVES THAT THE ELECTION OF THE ICN COMMITTEE TO MAXIMIZE SHAREHOLDER VALUE NOMINEES WOULD NOT BE IN YOUR BEST INTEREST.

When a proxy in the form enclosed with this Proxy Statement is returned properly executed, unless marked to the contrary, such proxy will be voted in favor of the three nominees listed above. If any other matters are properly presented at the Annual Meeting for action, which is not presently contemplated, the proxy holders will vote the proxies (which confer discretionary authority upon such holder to vote on such matters) in accordance with their best judgment.

The presence, in person or by proxy, of the holders of a majority of the voting securities entitled to vote at the Annual Meeting is necessary to constitute a quorum for the transaction of business at the Annual Meeting. The affirmative vote of a plurality of the votes cast by the holders of the voting securities present, in person or represented by proxy at the Annual Meeting and entitled to vote their voting securities, is required to elect directors. Abstentions and broker non-votes in connection with the election of directors shall have no effect on such matters since directors are elected by a plurality of the votes cast at the Annual Meeting.

INFORMATION CONCERNING NOMINEES AND DIRECTORS

The Board of Directors currently consists of fourteen members and will consist of twelve members after this election: Ms. Campbell and Mr. Irani whose terms expire in 2001, are standing for election for terms expiring in 2004; Messrs. Barker, Bayh, Charles, Jerney and Moses and Ms. Tomich are serving until the 2002 Annual Meeting of Stockholders and Dr. Guillemin and Messrs. Kurz and Panic are serving until the 2003 Annual Meeting of Stockholders. Mr. Manatt, who is not currently a director, is standing for election for a term expiring in 2004. Set forth below with respect to each director is certain personal information, including the present principal occupation and recent business experience, age, year commenced service as a director of the Company (including service as a director of a predecessor company) and other corporate directorships.

Richard W. Starr, a director of the Company, passed away on January 29, 2001. Messrs. Andrei Kozyrev, Thomas Lenagh, and Roberts A. Smith, whose terms

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

expire in 2001, are not seeking re-election.

On October 19, 2000, the Company entered into an agreement with Special Situations Partners, Inc. ("SSP") pursuant to which the Company agreed to hold the 2001 Annual Meeting of Stockholders no later than May 30, 2001 and the 2002 Annual Meeting of Stockholders no later than May 29, 2002. The agreement also provides that the Company will cause the size of the Board to be reduced to nine (9) members by no later than the 2002 Annual Meeting of Stockholders. Such reduction shall be accomplished by reducing to three the number of directors to be elected at each annual meeting of stockholders beginning with the 2000 Annual Meeting of Stockholders and that the number of directors elected at the 2001 and 2002 Annual Meetings in no event constitute less than two-thirds of the Board; and the Company would not impede or prevent any qualified person from soliciting proxies, making stockholder proposals or nominating directors at the 2001 and 2002 Annual Meetings. In accordance with the agreement with SSP, the Company has amended its By-laws to incorporate the provisions specified above.

On October 19, 2000, the Company and Relational Investors LLC, on its own behalf and on behalf of each of its affiliates (collectively, "Relational"), entered into an agreement in which Relational agreed to withdraw nominees for election at the 2000 Annual Meeting. The Company and Relational further agreed that David H. Batchelder would resign as a director of the Company if the Company requested him to do so prior to the 2000 Annual Meeting. If Relational determines that the Company has not made sufficient progress in executing its restructuring, then Relational may request that the Company cause a nominee designated by Relational to be appointed to, as well as nominated for election to, the class of directors with a term expiring at the 2004 Annual Meeting, and if that nominee is not elected as a director at the 2001 Annual Meeting, then the Company would appoint that nominee to the Board of Directors. Mr. Batchelder resigned from the Board of Directors on October 25, 2000. On March 1, 2001, Relational requested that the Company nominate

2

6

Mr. Batchelder for election at the 2001 Annual Meeting. On April 6, 2001, the Company advised Relational that it does not believe Relational is entitled to any right to board membership for two primary reasons. First, the correspondence received by the Company from Relational Investors LLC does not indicate that affiliates of Relational Investors LLC have made the determination for designation as required by the terms of the agreement. Because the agreement was entered into by Relational Investors LLC on its own behalf and on behalf of each of its affiliates, a request for appointment of a nominee to the Board of Directors is not valid, in the Company's view, unless all of Relational Investors LLC's affiliates jointly request the appointment. The Company is, therefore, unable to determine whether the conditions to Relational's rights under the agreement have been satisfied. Second, at the time the Company negotiated the agreement, it was the Company's opinion that Relational's desire to obtain a Board seat was based upon the fact that Relational was a significant stockholder of the Company. At that time, it was also implied by the Company that Relational would continue to remain a significant stockholder. However, based upon public filings, it is the Company's understanding that Relational has sold all but 100 of its shares of Common Stock. The Company, therefore, may have entered into the agreement based on misleading information concerning Relational's intentions. On April 19, 2001, Mr. Batchelder advised the Company that Relational Investors LLC disagrees with the Company's position and reserved all of its rights under the agreement, including, without limitation, those relating to specific performance. If it is ultimately determined by a court of competent jurisdiction that Relational is entitled to designate a nominee to be appointed to the Board of Directors, the Company will appoint such nominee to the Board of Directors. It is the Company's position that in this event the Board of Directors would have the right to determine the class of directors to

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

which the Relational nominee would be appointed (however, the Company's right to do so may not be free from doubt). Under the Company's By-laws (as amended in accordance with the terms of the agreement with SSP), there will be no position available in the classes of directors whose terms expire at the 2003 or 2004 Annual Meeting of Stockholders, unless there was a vacancy, by resignation or otherwise, or the Board of Directors unanimously agreed to amend the By-laws (or was compelled by a court of competent jurisdiction to amend the By-laws). Accordingly, in the absence of a vacancy or an amendment to the By-laws, any such Relational nominee would be appointed to the class of directors whose term expires at the 2002 Annual Meeting of Stockholders.

COMPLIANCE WITH SECTION 16(a) OF THE EXCHANGE ACT

Section 16(a) of the Exchange Act requires ICN's executive officers and directors, and persons who own more than ten percent of a registered class of ICN's equity securities, to file reports of ownership and changes in ownership with the Commission and the New York Stock Exchange. In June 1996, the Company made a short-term loan to the Chairman and CEO in the amount of \$3,500,000 for obligations arising from the settlement by the Company and the Chairman and CEO of a litigation to which the Chairman and CEO and the Company were parties. This litigation involved a claim by a former employee of the Company of alleged sexual harassment against her by the Chairman and CEO and the Company. During August 1996, this amount was repaid to the Company. In connection with this transaction, the Company guaranteed \$3,600,000 of demand debt of the Chairman with a third party bank, which is renewable by the Chairman annually until repaid. In addition to the guarantee, the Company deposited \$3,600,000 with this bank as collateral to the Chairman's debt, which will remain in place until such time as the Chairman repays his obligation to the bank. This deposit is recorded as a long-term asset on the Company's consolidated balance sheet. The Company is not aware of the time frame in which the Chairman expects to repay this obligation. Interest paid by the Company on behalf of the Chairman was charged to the Chairman as compensation expense and amounted to \$160,916, \$163,166 and \$181,901 for the three years ended December 31, 2000, 1999 and 1998, respectively. The Company recognized interest income on the deposit of \$124,330, \$126,097 and \$134,151 for the three years ended December 31, 2000, 1999 and 1998, respectively. The Chairman has provided collateral to the Company's guarantee in the form of a right to the proceeds of the exercise of options to acquire 150,000 shares with an exercise price of \$15.17 and the rights to a \$4,000,000 life insurance policy provided by the Company. In the event of any default on the debt to the bank, the Company has recourse that is limited to the collateral described above. Both the transaction and the sufficiency of the collateral for the guarantee were approved by the Board of Directors.

In January 2001, the Company made a loan to Mr. Adam Jerney, Chief Operating Officer and President of the Company, of \$1,197,864.38 as part of a program adopted by the Board of Directors of the Company to encourage directors and officers of the Company to exercise stock options (the "Stock Option Program"). The loan is secured by 148,537 shares of the Company's Common Stock. In April 2001, the Company made a loan to Mr. Milan Panic, Chairman of the Board and Chief Executive Officer of the Company, of \$2,731,518.40 as part of the

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

Stock Option Program. The loan is secured by 286,879 shares of the Company's Common Stock. These loans bear interest at a rate of 5.61% per annum in the case of Mr. Jerney and 4.63% per annum in the case of Mr. Panic, compounded annually. Interest is payable at the time of principal repayment. These loans are non-recourse with respect to principal and full recourse to the obligor with respect to interest.

COMPENSATION OF DIRECTORS OF ICN

Members of the Board of Directors of ICN, other than employees, were paid an annual fee of \$30,000, payable quarterly, plus a fee of \$1,000 for every Board meeting attended and an additional fee of \$1,000 for every committee meeting attended, and were reimbursed for their out-of-pocket expenses in attending meetings. In addition, non-employee directors on each April 18th are granted options to purchase 15,000 shares.

CERTAIN EMPLOYMENT AGREEMENTS

On March 18, 1993, the Board of Directors of ICN adopted employment agreements which contained "Change in Control" benefits for five then current key senior executive officers of ICN and its affiliates. The executives included the following Named Executive Officers: Messrs. Jerney, Giordani and MacDonald.

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

In addition, the Company entered into an employment agreement with Richard A. Meier, Executive Vice President and Chief Financial Officer, on December 31, 1998, containing identical provisions to the agreements with Messrs. Jerney, Giordani and MacDonald (collectively the "Employment Agreements").

The Employment Agreements are intended to retain the services of these executives and provide for continuity of management in the event of any actual or threatened Change in Control. Each Employment Agreement with Messrs. Jerney, Giordani and MacDonald had an initial term which ended March 30, 1996. The Employment Agreement with Mr. Meier had an initial term extending through December 31, 2000. The Employment Agreements automatically extend for one year terms each year thereafter unless either the executive or ICN elects not to extend it (provided that any notice by ICN not to extend the agreement cannot cause the agreement to be terminated prior to the expiration of the third anniversary of the date of the Employment Agreements). These Employment Agreements provide that each executive shall receive severance benefits equal to three times salary and bonus (and certain other benefits) if the executive's employment is terminated without cause, if the executive terminates employment for certain enumerated reasons following a Change in Control of ICN (including a significant reduction in the executive's compensation, duties, title or reporting responsibilities or a change in the executive's job location), or the executive leaves ICN for any reason or without reason during a sixty day period commencing six months after the Change in Control. The executive is under no obligation to mitigate amounts payable under the Employment Agreements.

For purposes of the Employment Agreements, a "Change in Control" means any of the following events: (i) the acquisition (other than from ICN) by any person, subject to certain exceptions, of beneficial ownership, directly or indirectly, of 20% or more of the combined voting power of ICN's then outstanding voting securities; (ii) the existing Board of Directors cease for any reason to constitute at least two-thirds of the Board, unless the election, or nomination for election by ICN's stockholders, of any new director was approved by a vote of at least two-thirds of the existing Board of Directors; or (iii) approval by stockholders of ICN of (a) a merger or consolidation involving ICN if the stockholders of ICN, immediately before such merger or consolidation, do not, as a result of such merger or consolidation, own, directly or indirectly, more than 80% of the combined voting power of the then outstanding voting securities of the corporation resulting from such merger or consolidation in substantially the same proportion as their ownership of the combined voting power of the voting securities of ICN outstanding immediately before such merger or consolidation, or (b) a complete liquidation or dissolution of ICN or an agreement for the sale or other disposition of all or substantially all of the assets of ICN. Removal of ICN's Board of Directors would also constitute a Change in Control under the Employment Agreements. If the employment of such key senior executives is terminated under any of the circumstances described above the executives would be entitled to receive the following approximate amounts (based upon present compensation): Adam Jerney \$2,707,716; John Giordani \$2,231,700; Bill MacDonald \$1,945,700; and Richard A. Meier \$1,815,000. In addition, the vesting of certain options granted to the executives would be accelerated. The value of the accelerated options would depend upon the market price of the shares of Common Stock at that time.

CHAIRMAN EMPLOYMENT AGREEMENT

ICN and Milan Panic entered into an employment agreement initially effective October 1, 1988, which has been amended and extended from time to time (the "Panic Employment Agreement"). The Panic Employment Agreement provides for automatic renewal on the first day of each month, such that the employment period is four years from the date of such renewal unless, at least 60 days

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

prior to any such renewal date, ICN or Mr. Panic give notice to the other that the employment period will not so be extended. The base amount of salary for Mr. Panic was initially determined by the Compensation Committee of the Board of Directors of ICN in 1988. In setting the base amount, the Compensation Committee took into consideration Mr. Panic's then-current base salary, the base salaries of chief executives of companies of similar scope and complexity and the Compensation Committee's desire to retain Mr. Panic's services, given his role as founder of ICN. The Panic Employment Agreement provides that the annual salary, currently \$802,892, is to be increased by an amount equal to not less than 7% annually. No increase would be paid, however, if in the previous fiscal year ICN's earnings per share, as certified by ICN's independent accountants, either (i) decrease by an amount equal to or greater than fifty percent (50%) of the annual earnings per share earned in the preceding fiscal year or (ii) reveal a loss, unless otherwise determined by the Board of Directors. The Panic Employment Agreement provides that during the period of his employment, Mr. Panic will not engage in businesses competitive with ICN without the approval of the Board of Directors. Mr. Panic may retire upon expiration of the term of the Panic Employment Agreement.

Upon retirement, Mr. Panic may, at his option, serve as a consultant to ICN for life for which he would be compensated at the rate of \$120,000 per year. This amount is subject to annual cost-of-living adjustments from the base year of 1967 until the date of retirement (currently estimated to be in excess of \$577,000 per year, as adjusted). The consulting fee shall not at any time exceed the highest annual compensation, as adjusted, paid to Mr. Panic during his employment by ICN. Upon Mr. Panic's retirement, the consulting fee shall not be subject to further cost-of-living adjustments. The Panic Employment Agreement includes a severance compensation provision in the event of a Change in Control of ICN (as defined below). The Panic Employment Agreement provides that if within two years after a Change in Control of ICN, Mr. Panic's employment is terminated by ICN (other than by reason of Mr. Panic's illness or incapacity), or if Mr. Panic leaves the employ of ICN (other than by reason of Mr. Panic's death, disability, or illness), then Mr. Panic will receive as severance compensation five times his annual salary, as adjusted, but only to the extent that ICN determines that such amount will not constitute a "parachute payment" as defined in Section 280G of the Internal Revenue Code, and Mr. Panic will be deemed to have retired and will receive the same consulting fees to which he would otherwise have been entitled under the Panic Employment Agreement. In addition, (i) Mr. Panic will be entitled to continue life insurance, disability, medical, dental and hospitalization coverage, (ii) all restrictions on outstanding awards granted to Mr. Panic will lapse, and all stock options and stock appreciation rights granted to Mr. Panic will become fully vested and exercisable, and (iii) Mr. Panic will also be entitled to receive a cash payment equal to the excess of the actuarial equivalent of his aggregate retirement benefits had he remained employed by ICN for an additional three years over the actuarial equivalent of his actual aggregate retirement benefit. A Change in Control of ICN will occur, for purposes of the Panic Employment Agreement, if (i) a Change in Control occurs of a nature which would be required to be reported in response to Item 6(e) of Schedule 14A under the Exchange Act (for purposes of that Item, "control" is defined as the power to direct or cause the direction of the management and policies of ICN, whether through the ownership of voting securities, by contract, or otherwise) unless two-thirds of the Existing Board of Directors, as defined below, decide in their discretion that no Change in Control has occurred for purposes of the agreement; (ii) any person is or becomes the beneficial owner, directly or indirectly, of securities of ICN representing 15% or more of the combined voting power of ICN's then outstanding securities; (iii) the persons constituting the Existing Board of Directors, as defined below, cease for any reason to constitute a majority of ICN's Board of Directors; or (iv) shares of ICN common stock cease to be registered under the Exchange Act. "Existing Board of Directors" is defined in the Panic Employment Agreement as those persons constituting the Board of Directors at the date of the Panic Employment Agreement, together with each new director whose election

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

or nomination for election by ICN's stockholders was previously approved, or is approved within thirty days after such election or nomination, by a vote of at least two-thirds of the directors in office prior to such person's election as a director. If Mr. Panic's

16

20

employment is terminated under any of the circumstances described above following such a Change in Control, in addition to the consulting fee as described above, Mr. Panic would be entitled to receive (based upon present compensation) \$10,431,830.

COMPENSATION REPORT

The Compensation and Benefits Committee ("Committee") is composed of Messrs. Barker, Charles, and Moses and Dr. Smith each of whom is a non-employee director for purposes of Rule 16b-3 of the Exchange Act.

The following statement made by the members of the Committee shall not be deemed incorporated by reference into any filing under the Securities Act of 1933 as amended, or under the Exchange Act and shall not otherwise be deemed filed under such Acts.

Compensation Philosophy

The Board of Directors adopts an annual budget and financial plan which incorporates the goals and objectives to be achieved by the Company and the specific operating units. The goals focus on growth in operating income and growth in earnings per share. Each executive is responsible for the performance of their unit in relation to the plan. Specific goals and objectives for each executive are reviewed by the executive and their supervisor. In reviewing the annual performance which will determine the executive's compensation, the supervisor assesses a performance grade based on the pre-set performance objectives. This assessment is used to determine base salary for the following fiscal year. Eligibility for bonus awards was based on the pre-set performance guidelines and growth in operating income and earnings per share. However, bonuses may be paid even when these objective standards are not met if specific contributions by an employee merit a bonus or the reasons for failure to meet the objective standards are beyond the control of the Company and/or the employee. Stock options are granted based on a program developed for the Company by Towers Perrin, a compensation consulting company. Each individual's base number of options is derived from a formula which ties to their base salary. The Committee may then consider the achievement of individual as well as corporate performance goals in determining the ultimate number of options granted.

The compensation of executives consists of salary, a bonus plan to reward performance and a long-term incentive stock option program.

Base Salary

Salaries are paid within certain grades which are established by the Human Resources Department of the Company reviewing data of other like companies in the same industry. The Company reviewed salary surveys prepared by Towers Perrin. These surveys did not state which companies participated in the surveys. The salary levels were in the median of compensation for similar positions. Grades are updated to reflect changes in the marketplace. The salaries of executives are reviewed on an annual basis by supervisory managers and the Committee.

Bonus Plan

The Company has adopted an Incentive Bonus Plan which is based on target

Edgar Filing: ICN PHARMACEUTICALS INC - Form DEFC14A

goals of growth in both operating income and earnings per share. Individual performance goals are compared against the target goals established. Recommendations are made by individual supervisors and approved by the Committee.

Long Term Stock Incentive Plans

Stock options are granted as long range incentives to executives. Options vest over a ten year period. Options are granted at fair market value. The amount of options granted is tied to salary and performance and each grant is evaluated. No grant to executives is automatic. On May 29, 1996, at the Company's 1996 Annual Meeting of Stockholders, the stockholders approved a Long Term Incentive Plan ("LTIP") which provides for restricted stock awards to be granted to certain key officers and employees of the Company. Eligibility for awards under the LTIP requires that the Company's stock performance exceeds that of the Standard and Poor's 500 Index.

Chief Executive Officer Compensation

The Committee determines the compensation of the Chief Executive Officer based on a number of factors. The goal of the Committee is to grant compensation consistent with compensation granted to other chief executive officers of companies in the same industry. The Chief Executive Officer's compensation is based on an employment agreement with ICN (see "Executive Compensation") comprised of a base salary and a bonus based on the Company's performance. Special one time bonuses will be paid, at the Committee's discretion, based on special contributions made to the Company. Substantial bonuses are approved by the Board of Directors.

Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code (the "Code"), which was enacted in 1993, generally disallows a federal income tax deduction to any publicly-held corporation for compensation paid in excess of \$1,000,000 in any taxable year beginning after January 1, 1994 to the chief executive officer and any of the four other most highly compensated executive officers who are employed by ICN on the last day of the taxable year. Section 162(m), however, does not disallow a federal income tax deduction for qualified "performance-based compensation," the material terms of which are disclosed to and approved by the stockholders. The application of Section 162(m) is not expected to have a material impact on the federal income tax liability of ICN.
