ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

ABRY Partners and ABACUS acquired beneficial ownership of the securities that are the subject of this filing with working capital in the ordinary course of business.

The information set forth in Item 4 of this Schedule 13D is hereby incorporated herein by reference.

ITEM 4. PURPOSE OF TRANSACTION.

On March 19, 2002, pursuant to the Amended and Restated Series B Convertible Preferred Stock and Warrant Purchase Agreement (the "PURCHASE AGREEMENT") the Issuer completed the sale of 40,000 shares of its Series B Convertible Preferred Stock, par value \$.01 per share (the "PREFERRED STOCK"), and warrants (the "WARRANTS") to purchase 1,280,000 shares of the Issuer's Common Stock, for \$40 million (the "INITIAL CLOSING") in a private placement to ABRY Partners, ABACUS Master Fund, Ltd. ("ABACUS"), Sandler Capital Partners V, L.P. ("SANDLER V"), Sandler Capital Partners V FTE, L.P. ("SANDLER V FTE") and Sandler Capital Partners V Germany, L.P. ("SANDLER V GERMANY") and together with Sandler V and Sandler V FTE, "SANDLER"). ABRY, ABACUS and Sandler are sometimes referred to herein as the "INVESTORS" and collectively as an "INVESTOR". The net proceeds from the sale of the Preferred Stock and Warrants were used to repay indebtedness. The Purchase Agreement is set forth as EXHIBIT 6 hereto. The Preferred Stock is governed by the Series B Convertible Preferred Stock Certificate of Designations (the "CERTIFICATE OF DESIGNATIONS"), set forth as EXHIBIT 3 hereto. The Warrants are governed by the terms and conditions substantially similar to those contained in the form of Warrant ("FORM OF WARRANT"), set forth as EXHIBIT 5 hereto.

ABRY Partners acquired 28,000 shares of Preferred Stock and 896,000 Warrants at the Initial Closing. A closing of the sale to the Investors of an additional 10,000 shares of Preferred Stock and Warrants to purchase 320,000 shares of Common Stock (the "FINAL CLOSING") occurred on March 28, 2002. ABRY Partners purchased an additional 2,000 shares of Preferred Stock and 64,000 Warrants at the Final Closing.

By virtue of their potential status as a "group" for purposes of Rule 13d-5, each of the Reporting Persons and each of the Investors may be deemed to have shared voting and dispositive power over the shares owned by other members. Neither the filing of this Statement nor any of its contents shall be deemed to constitute an admission that any Reporting Person or any of the Investors are the beneficial owner of any Common Stock referred to in this Statement for the purposes of Section 13(d) of the Act or for any other purpose, and such beneficial ownership is expressly disclaimed.

PREFERRED STOCK

The following is a description of the material terms of the Preferred Stock and Warrants:

Liquidation Preference.

Edgar Filing: PENTON MEDIA INC - Form SC 13D

Upon the Issuer's liquidation, dissolution or winding up, each holder of Preferred Stock will be entitled to be paid in cash, before any distribution or payment is made on the Issuer's Common Stock, an amount per share equal to the greater of:

- o the liquidation value of such share, as described below, plus accrued and unpaid dividends,
- o the amount that the holder would be entitled to receive in connection with a liquidation event had such holder converted the Preferred Stock into shares of the Issuer's Common Stock immediately prior to such liquidation event, and

Page 8 of 20 Pages

- o the product of the number of shares of Common Stock into which such share is convertible immediately prior to the liquidation event and the applicable minimum share price, as described in "Redemption" below, as of the date of such liquidation event.

For purposes of calculating the number of shares of Common Stock into which shares of Preferred Stock are convertible in the event of a liquidation, dissolution or winding up, because no actual conversion occurs, the limitations with respect to conversion discussed under the heading "Limitations on the Investors' Right to Convert, Exercise, Vote or Sell" are not applicable.

The initial liquidation value per share of the Preferred Stock is \$1,000. If the Preferred Stock is not converted or redeemed prior to March 19, 2008, the liquidation value per share will increase to \$4,570 if stockholder approval of the issuance of the Common Stock and exercise of the Warrants and an increase in the number of authorized shares of Common Stock in the Issuer's charter (the "STOCKHOLDER APPROVAL") has been obtained as of such date or \$9,140 if such approval has not been obtained. In the event of a change of control, unless a holder of the Preferred Stock requires the Issuer to redeem its shares as described below, such holder may require the Issuer to make a payment on its Preferred Stock at the liquidation preference, subject to the Issuer's satisfaction of the Issuer's obligations under the indentures governing the 10 3/8% senior subordinated notes and any notes issued under the Issuer's recently announced bond offering.

Dividends.

From the date of issuance until March 19, 2008, the dividends on the Preferred Stock will accrue daily on the sum of the then applicable liquidation value and the accrued dividends thereon at an annual rate of 7% per annum unless, at any time during such period, the Stockholder Approval has been obtained. The dividend rate will decrease to 5% per annum upon receipt of the Stockholder Approval. The dividend rate will decrease to 5% per annum retroactive to the date of issuance of the Preferred Stock, to the extent of any Preferred Stock still outstanding, if the Issuer obtains the Stockholder Approval by September 19, 2002. Otherwise, the reduced dividend will only apply from and after the date such approval is obtained. From and after March 19, 2008, the dividends will accrue at a rate of 15% per annum.

Dividends are payable semi-annually in cash only if declared by the Issuer's Board of Directors and approved by no less than 75% of the Preferred Stock then outstanding. The provisions of the Issuer's debt instruments limit

Edgar Filing: PENTON MEDIA INC - Form SC 13D

the Issuer's ability to pay dividends in cash and the Issuer has no present intention to pay cash dividends on the Preferred Stock.

Upon the occurrence of certain triggering events, the dividend rate increases by one percentage point, with further one percentage point increases per quarter up to a maximum increase of five percentage points if any such event is continuing. The triggering events include:

- o failure to pay the liquidation preference or any cash dividends, to the extent declared, when due;
- o failure to comply with specified covenants and obligations contained in the Certificate of Designations or Purchase Agreement;
- o failure to comply with the other covenants and obligations contained in the Certificate of Designations or Purchase Agreement and such failure is not cured within 90 days;
- o any representation or warranty in the Purchase Agreement is proven to be false or incorrect in any material respect;
- o any default that results in the acceleration of indebtedness, where the principal amount of such indebtedness, when added to the principal amount of all other indebtedness then in default, exceeds \$5.0 million or final judgments for the payment of money aggregating more than \$1.0

Page 9 of 20 Pages

million (net of insurance proceeds) are entered against the Issuer and are not discharged, dismissed, or stayed pending appeal within 90 days after entry; and

- o the Issuer initiates or consents to proceedings under any applicable bankruptcy, insolvency, composition, or other similar laws or make a conveyance or assignment for the benefit of the Issuer's creditors generally or any holders of any lien takes possession of, or a receiver, administrator, or other similar officer is appointed for, all or substantially all of the Issuer's properties, assets or revenues and is not discharged within 90 days.

Conversion.

Each share of Preferred Stock is convertible at any time at the holder's option into the number of shares of the Issuer's Common Stock computed by multiplying the number of shares of Preferred Stock to be converted by the liquidation value, plus accrued but unpaid dividends, divided by the conversion price. The conversion price for the Preferred Stock initially will be \$7.61, subject to certain anti-dilution adjustments described in the immediately following paragraph.

Adjustments will be made to the conversion price if dilutive events specified in the Certificate of Designations for the Preferred Stock occur before the conversion of the Preferred Stock. These events include stock splits,

Edgar Filing: PENTON MEDIA INC - Form SC 13D

stock dividends and sales of Common Stock or securities convertible into Common Stock at prices lower than either the conversion price of the Preferred Stock or the volume weighted average closing share price of the Issuer's Common Stock for the preceding 30 trading days. If any of these events occur, the maximum number of shares of Common Stock issuable upon conversion of the Preferred Stock would increase.

The conversion price of the Preferred Stock will not be adjusted for an issuance of Common Stock regardless of the sales price:

- o related to the granting of Common Stock or options to purchase Common Stock to the Issuer's employees pursuant to the Issuer's stock option plans or the exercise of currently outstanding options;
- o upon conversion of the Preferred Stock;
- o upon exercise of the Warrants;
- o in certain situations, for consideration other than cash;
- o subject to certain limits, to a bank or similar financial institution in connection with a loan or other indebtedness for borrowed money; or
- o pursuant to an underwritten offering but only if the sale price is greater than the conversion price then in effect.

If the Issuer does not obtain the Stockholder Approval on or prior to June 28, 2002, the conversion price will be automatically reduced by 20%. Thereafter, until the Issuer obtains such approval, every 90 days the conversion price will be reduced by 20% of the conversion price then in effect. In no event will the conversion price reduction related to the failure to timely obtain the Stockholder Approval exceed 50% of the conversion price that would have been in effect had the Issuer not failed to obtain the Stockholder Approval, and upon the Issuer's receipt of the Stockholder Approval, the conversion price will be readjusted as if no adjustments for failure to timely obtain the Stockholder Approval had occurred.

In addition, if the Issuer fails to comply with specific covenants contained in the Purchase Agreement, the conversion price of the Preferred Stock will be reduced by \$0.76 (adjusted for stock splits and similar transactions). The conversion price will readjust to what it would have been absent such breach (to the extent of any shares of

Page 10 of 20 Pages

Preferred Stock still outstanding) once the breach is cured. In addition, no such reduction to the conversion price will be made at any time that representatives of the Investors constitute a majority of the Board of Directors.

Finally, if the Issuer's leverage ratio (as defined in the Purchase Agreement) exceeds 7.5 to 1.0 for any quarterly period beginning on December 31, 2002, and such leverage ratio remains in excess of 7.5 to 1.0 for a period of 90 days, the conversion price of the Preferred Stock will be reduced by \$0.76 (adjusted for stock splits and similar transactions). Thereafter, until the

Edgar Filing: PENTON MEDIA INC - Form SC 13D

leverage ratio reduces below 7.5 to 1.0, every 90 days the conversion price will be reduced by another \$0.76 (adjusted for stock splits and similar transactions), subject to a maximum reduction not to exceed \$3.80 (adjusted for stock splits and similar transactions). The conversion price will readjust to what it would have been absent such event (to the extent of any shares of Preferred Stock still outstanding) once the leverage ratio reduces below 7.5 to 1.0. In addition, no such reduction to the conversion price will be made at any time that representatives of the Investors constitute a majority of the Board of Directors.

The Issuer may require the holders to convert the Preferred Stock into Common Stock at any time provided that:

- o no triggering event, as described in "Dividends" above or "Registration Rights" below, has occurred and is continuing and the Issuer has received the Stockholder Approval;
- o the proposed conversion would not occur within 30 days of any period during which trading by the Issuer's officers or directors is restricted by the Issuer's policies or within 90 days of another conversion at the Issuer's option;
- o the volume weighted average closing share price of the Issuer's Common Stock for the preceding 30 trading days is equal to or greater than the applicable minimum share price, as set forth below;
- o the aggregate number of shares of the Issuer's Common Stock issued upon conversion of the Preferred Stock at the Issuer's election during any period of 12 consecutive weeks does not exceed 15% of the aggregate volume of the Issuer's shares traded on the New York Stock Exchange during the 12 week period ended on the Saturday immediately preceding the notice date; and
- o the aggregate number of shares of Preferred Stock converted at any one time does not exceed the sum of 12,500 (adjusted for stock splits and similar transactions).

The conversion rights with respect to the Preferred Stock discussed immediately above are subject to certain limitations which are discussed under the heading "Limitations on the Investors' Right to Convert, Exercise, Vote or Sell" below.

Redemption.

The Issuer may redeem the Preferred Stock at any time, in whole or in part, provided that the redemption price is equal to the amount the holders of Preferred Stock would receive on an as-converted basis (without regard to any limitations on conversion) assuming a Common Stock share price equal to the greater of the volume weighted average closing share price of the Issuer's Common Stock for the preceding 30 trading days and the applicable minimum share price derived from the following schedule:

If being redeemed prior to the third anniversary	\$15.18
If being redeemed after the third, but before the fourth anniversary	\$17.51
If being redeemed after the fourth, but before the fifth anniversary	\$19.31
If being redeemed after the fifth, but before the sixth anniversary	\$23.26

In the event of a change of control, any holder of Preferred Stock may

Edgar Filing: PENTON MEDIA INC - Form SC 13D

require the Issuer to redeem all of its Preferred Stock at the redemption price determined above.

Page 11 of 20 Pages

Board Representation.

The Preferred Stock entitles the holders thereof initially to three board seats. On March 19, 2008, the holders of a majority of the Preferred Stock then outstanding, if any, will be entitled to appoint one less than a minimum majority of the Board of Directors. However, at such time as the holders of Preferred Stock cease to hold shares of Preferred Stock having an aggregate liquidation preference of at least \$25 million, they will lose the right to appoint the director for one of these three board seats. At such time as the holders of Preferred Stock cease to hold shares of Preferred Stock having an aggregate liquidation preference of at least \$10 million and such holders' beneficial ownership of the Issuer's Preferred Stock and Common Stock constitutes less than 5% of the aggregate voting power of the Issuer's voting securities, the holders of Preferred Stock will no longer have the right to appoint any directors to the Board of Directors.

In addition, upon the occurrence of the triggering event described in the sixth bullet point in "Dividends" above, the holders of a majority of the Preferred Stock may appoint a minimum majority of the Issuer's Board of Directors. Upon the occurrence of the triggering events described in the first and second bullet points in "Dividends" above, the holders of a majority of the Preferred Stock may appoint one less than a minimum majority of the Board of Directors. Upon the occurrence of the triggering events described in the third, fourth and fifth bullet points in "Dividends" above, the holders of a majority of the Preferred Stock may nominate two additional members to the Issuer's Board of Directors and, if such triggering events have not been cured or waived prior to the end of the next succeeding quarter, may appoint one less than a minimum majority the Issuer's Board of Directors. At such time as the holders of Preferred Stock cease to hold shares of Preferred Stock having an aggregate liquidation preference of at least \$10 million and such holders' beneficial ownership of the Issuer's Preferred Stock and Common Stock constitutes less than 5% of the aggregate voting power of the Issuer's voting securities, the holders of Preferred Stock will no longer have the right to appoint additional directors upon these events.

The Issuer has also granted the holders of the Preferred Stock the right to have representatives attend meetings of the Board of Directors until such time as they no longer own any Preferred Stock, Warrants or shares of Common Stock issued upon conversion of the Preferred Stock and exercise of the Warrants.

Voting Rights.

The holders of the Preferred Stock are entitled to vote on all matters submitted to the vote of the Issuer's stockholders, voting as a single class with the common stockholders on an as-converted basis. In addition, the Issuer may not, without the affirmative vote of the holders of not less than 75% of the Preferred Stock then outstanding:

- o amend, modify, restate, or repeal the Issuer's certificate of

Edgar Filing: PENTON MEDIA INC - Form SC 13D

incorporation or bylaws in any way that would alter the rights of the Preferred Stock or create any new class of capital stock having rights senior to or on parity with the Preferred Stock;

- o authorize or issue any new or existing class of capital stock or any security convertible into or exchangeable for, or having rights to purchase, any shares of the Issuer's stock having any preference or priority senior to or on parity with the Preferred Stock;
- o increase or decrease the authorized number of shares of Preferred Stock;
- o reclassify the Issuer's capital stock into shares having any preference or priority senior to or on parity with any preference or priority of the Preferred Stock;
- o pay or declare any dividend on any shares of the Issuer's capital stock (other than dividends on the Issuer's Common Stock payable in additional shares of the Issuer's Common Stock) or apply any of the Issuer's assets to the redemption, retirement, purchase, or acquisition, directly or indirectly, of any shares of the Issuer's capital stock, other than redemptions of the Preferred Stock and

Page 12 of 20 Pages

certain repurchases of shares of common stock from the Issuer's current or former employees pursuant to contractual rights; or

- o increase the size of the Issuer's Board of Directors to more than 12 directors, other than as may be required to satisfy the rights of the Preferred Stock described above.

Covenants.

Without the prior approval of a majority of the holders of the shares of Preferred Stock then outstanding the Issuer may not:

- o use the proceeds from the sale of the Preferred Stock and Warrants other than to refinance the Issuer's credit facility and for general corporate purposes;
- o make any restricted payment or restricted investment unless the Issuer's leverage ratio is less than 6.0 to 1.0 and such restricted payment or restricted investment would otherwise be permitted under the indenture governing the 10 3/8% senior subordinated notes after the application of a deemed restricted payment in an amount equal to the aggregate liquidation value of the Preferred Stock then outstanding;
- o enter into any agreement (or amend or modify the terms of any existing agreement, including the Issuer's Credit Agreement, the Indenture or the New Indenture (each as defined in the

Edgar Filing: PENTON MEDIA INC - Form SC 13D

Purchase Agreement)), or any refinancing thereof which would modify the definition of "Change of Control," "Continuing Directors" or "Voting Equity Interests" (as defined in such instruments), or restrict the Issuer's ability to comply with the terms of the Purchase Agreement or any of the Related Documents (as defined in the Purchase Agreement); provided, however, that the Issuer may refinance any indebtedness under the Credit Agreement, the Indenture or the New Indenture so long as the terms of such refinancing are no more restrictive (including with respect to maturity) with respect to the Issuer's ability to pay any amount due to the Investors under the Purchase Agreement or the Certificate of Designations than the terms set forth in the Credit Agreement, the Indenture or New Indenture, as applicable.

- o prior to the sixth anniversary of the issuance date, sell any of the Issuer's assets, including the capital stock of the Issuer's subsidiaries, unless such sale is in the ordinary course of business, does not exceed 5% of the Issuer's total assets or EBITDA or, in the case of a sale of the capital stock of the Issuer's subsidiaries, is between the Issuer or any of the Issuer's wholly owned subsidiaries and another of the Issuer's wholly owned subsidiaries;
 - o prior to the sixth anniversary of the issuance date, enter into any agreement with any affiliate (other than certain permitted affiliate transactions), unless such affiliate transaction is determined by a majority of the Issuer's Board of Directors to be fair, reasonable and no less favorable to the Issuer than could have been obtained in an arm's length transaction with a non-affiliate and is approved by a majority of the disinterested members of the Issuer's Board of Directors;
 - o materially alter the Issuer's principal line of business or engage in any business unless such business is reasonably related to the Issuer's principal line of business;
 - o grant any options to purchase the Issuer's Common Stock or securities convertible into or exchangeable for shares of the Issuer's Common Stock, other than options or securities granted pursuant to a stock option plan having an exercise price equal to or greater than the market value of the Issuer's Common Stock on the date of such grant and accounting for, either individually or in the aggregate, not more than 15% of the Issuer's outstanding Common Stock determined as of the day before the closing on a fully diluted, as-converted basis; or

- o from and after the next annual meeting of stockholders, increase the size of the Issuer's Board of Directors (other than as may be required to satisfy the rights of the Preferred Stock described above) to greater than 12 directors.

Edgar Filing: PENTON MEDIA INC - Form SC 13D

From and after March 19, 2008, the Issuer may not, without the prior approval of a majority of the holders of the shares of Preferred Stock then outstanding:

- o sell any of the Issuer's assets, including the capital stock of the Issuer's subsidiaries;
- o enter into any agreement with any affiliate;
- o incur or permit to exist any indebtedness other than indebtedness existing as of such date and indebtedness incurred thereafter under the revolving credit facility in the ordinary course of business to provide for the Issuer's working capital needs;
- o acquire (by merging or consolidating with, or by purchasing an equity interest in or a portion of the assets of) any business, corporation, other business organization, or division thereof or otherwise acquire any material assets (other than inventory or other assets to be sold in the ordinary course of business); and
- o hire or terminate any of the Issuer's executive officers or modify or alter in any way the employment terms relating to any of the Issuer's executive officers.

Sales Rights.

In addition, the terms of the Preferred Stock require that the Issuer maintain a ratio of consolidated net indebtedness, (defined as the total indebtedness of the Issuer on a consolidated basis, less cash balances in excess of \$5.0 million, plus the accreted value of the Preferred Stock), to EBITDA of 7.5 to 1.0 for the twelve month period ending on the last day of December, March, June, and September of each year beginning with the period ending on December 31, 2002. If the Issuer is in violation of this covenant for four consecutive fiscal quarters, then the holders of a majority of the Preferred Stock have the right to cause the Issuer to seek a buyer for all of the Issuer's assets or all of the Issuer's issued and outstanding capital stock. The holders of Preferred Stock will not have this right if their representatives constitute a majority of the Board of Directors. However, an Investor's right to sell its shares of Preferred Stock is subject to certain conditions discussed under the heading "Limitations on the Investors' Right to Convert, Exercise, Vote or Sell" below.

Preemptive Rights.

Subject to specified limitations, the holders of the Preferred Stock may participate in all of the Issuer's future issuances of equity securities, options or rights to acquire equity securities, or any securities convertible or exchangeable for equity securities.

The Preferred Stock is subject to the terms and conditions of the Purchase Agreement and the Certificate of Designations. An Investor's ability to convert or sell its Preferred Stock is subject to certain additional conditions discussed under the heading "Limitations on the Investors' Right to Convert, Exercise, Vote or Sell" below. The foregoing description of the Purchase Agreement and the Certificate of Designations is qualified in its entirety by reference to the full text of each document.

Warrants.

The initial exercise price of the Warrants is \$7.61 per share. The Warrants are subject to anti-dilution and other adjustments that mirror those applicable to the Preferred Stock. The Warrants are immediately exercisable and expire 10 years after issuance.

Page 14 of 20 Pages

The Warrants are subject to the terms and conditions of the Form of Warrant and the Purchase Agreement. An Investor's ability to exercise or sell its Warrants is subject to certain additional conditions discussed specified under the heading "Limitations on the Investors' Right to Convert, Exercise, Vote or Sell" below. The foregoing description of the Warrants is qualified in its entirety by reference to the full text of the Form of Warrant and the Purchase Agreement.

Limitations On the Investors' Right to Convert, Exercise, Vote or Sell.

Pursuant to the Purchase Agreement, Certificate of Designations and the Form of Warrant, an Investor's rights to convert its shares of Preferred Stock, exercise its Warrants, or sell shares of its Common Stock acquired pursuant to any conversion or exercise are subject certain limitations, including:

- o Until the Stockholder Approval is obtained and so long as the Issuer's stock is listed on the New York Stock Exchange, the holders of Preferred Stock and Warrants (so long as the Purchase Agreement is in effect) may not convert their Preferred Stock or exercise their Warrants, into more than an aggregate of 19.99% of the Issuer's Common Stock outstanding as of March 18, 2002, or 6,378,874 shares of Common Stock. The Investors and any other holder of Preferred Stock or Warrants are similarly limited to an aggregate of 19.99% of the voting power outstanding as of March 18, 2002 with respect to such Preferred Stock or Warrants.
- o So long as any of the notes under the Indenture or the New Indenture (as defined in the Certificate of Designations) are outstanding, no holder of Preferred Stock or Warrants may convert or exercise its Warrants or Preferred Stock which, after giving effect to such conversion or exercise, would entitle either the Investors collectively and any other holders (or "Group" of holders as defined in Section 11 of the Certificate of Designations) of Preferred Stock or Warrants (so long as the Purchase Agreement is in effect) to direct the votes with respect to an excess of 35% of the aggregate voting equity interests (as defined in the indentures governing such notes). Collectively, the Investors and any other holder of Preferred Stock or Warrants are similarly limited to 35% the aggregate voting power outstanding.
- o Until the Stockholder Approval is obtained, if any Investor intends to convert its Preferred Stock or exercise its Warrants, the Investor must notify the other Investors of such intention. The other Investors may then elect to participate

Edgar Filing: PENTON MEDIA INC - Form SC 13D

on a PRO RATA basis in such conversion or exercise, based on the number of shares of Preferred Stock or Warrants held by the Investor(s) electing to participate in such conversion or exercise.

- o If any Investor elects to convert its Preferred Stock, elects to exercise its Warrants or elects to sell any shares of Common Stock acquired through such conversion or exercise to one or more third parties when the market price of the Common Stock is below the applicable prices listed on the schedule set forth under "Redemption" above, the Investor must notify each of the other Investors of such intention. The other Investors may then elect to participate, on a PRO RATA basis, in such conversion, exercise or sale based on the number of shares of Preferred Stock, Warrants, or shares of Common Stock, respectively, held by the Investor(s) electing to participate in such conversion, exercise or sale.

- o If either of ABRY Partners or ABACUS on the one hand, or Sandler on the other hand, intend to sell more than 10,000 shares of Preferred Stock (as may be adjusted to reflect any stock split, stock dividend, reclassification or similar transaction) to one or more third parties, the party intending such a sale must notify the other Investors of such intention. Upon receipt of such notice, the other Investors may then elect to participate, on identical terms and on a PRO RATA basis, in such sale based on the number of shares of Preferred Stock held by the Investor(s) electing to participate in such sale.

Registration Rights.

The agreements regarding the Preferred Stock provide that the Issuer will file a shelf registration statement with the SEC covering the Common Stock issued or issuable upon conversion of the Preferred Stock and exercise of the Warrants within 45 days after closing of the issuance and use the Issuer's reasonable best efforts to have the registration statement declared effective by the SEC as soon as possible, but in any event within 90 days after closing. If the registration statement is not filed within 45 days after the closing of the issuance, is not declared effective within 90 days of filing, or ceases to be effective at any time prior to the sale of all of the Common Stock covered by that registration statement, the dividend rate will increase by one percentage point. These rights are governed by the terms and conditions of the Registration Rights Agreement, set forth as EXHIBIT 7 hereto. The foregoing description of the Registration Rights Agreement is qualified in its entirety by reference to the full text of the Registration Rights Agreement.

Rights Agreement Amendment.

On March 7, 2002, the Board of Directors of the Issuer approved

Edgar Filing: PENTON MEDIA INC - Form SC 13D

The foregoing description of this amendment is qualified in its entirety by reference to the full text of the amendment, a copy of which is set forth as EXHIBIT 4 hereto and incorporated herein by reference.
