Item 9. Regulation FD Disclosure.

The following information, including the text of the press release attached as an Exhibit to this Form 8-K, is furnished pursuant to Item 9, "Regulation FD Disclosure" and Item 12, "Disclosure of Results of Operations and Financial Condition".

On April 24, 2003, American International Group, Inc. (AIG) issued a press release announcing its results for the quarter ended March 31, 2003. A copy of the press release is attached as Exhibit 99.1 to this Form 8-K.

Throughout the press release, AIG presents its operations in the way it believes will be most meaningful, as well as most transparent. Income and operating income and related rates of performance for general and life insurance operations are shown exclusive of realized capital gains and losses because the determination to realize capital gains or losses is generally independent of the underwriting process. Moreover, the equity analysts who follow AIG exclude such realized transactions in their analyses for the same reason. Premium income, in some cases, and combined ratios are presented in accordance with principles prescribed by insurance regulatory authorities. A reconciliation to generally accepted accounting principles is included in the Financial Highlights table of
