PROXY STATEMENT
FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD MAY 23, 2006
QUESTIONS AND ANSWERS**

Why did I receive this proxy?

The Board of Trustees of Lexington Corporate Properties Trust is soliciting proxies to be voted at the 2006 Annual Meeting of Shareholders, which we refer to herein as the Annual Meeting. The Annual Meeting will be held Tuesday, May 23, 2006, at 10:00 a.m., Eastern Standard time, at the New York offices of Paul, Hastings, Janofsky & Walker LLP, 75 East 55th Street, New York, New York 10022. This proxy statement summarizes the information you need to know to vote by proxy or in person at the Annual Meeting. You do not need to attend the Annual Meeting in person in order to vote.

All references to the Company, we, our and us in this proxy statement mean Lexington Corporate Properties Trust. All references to Shareholder and you refer to a holder of record of the beneficial interests designated as common shares, par value \$0.0001 per share, of the Company, which we refer to as common shares, as of the close of business on Friday, March 24, 2006, which we refer to as the Record Date.

When was this proxy statement mailed?

This proxy statement, the enclosed proxy card, the Annual Report to Shareholders, which includes our Annual Report on Form 10-K for the year ended December 31, 2005, that contains financial statements audited by KPMG LLP, our independent registered public accounting firm, and their reports thereon dated March 10, 2006, were mailed to Shareholders beginning on or about April 10, 2006. Except as specifically incorporated herein by reference, the Annual Report is not part of the proxy solicitation material.

Who is entitled to vote?

All Shareholders as of the close of business on the Record Date (Friday, March 24, 2006) are entitled to vote at the Annual Meeting.

What is the quorum for the Annual Meeting?

In order for any business to be conducted, the holders of a majority of common shares entitled to vote at the Annual Meeting must be present, either in person or represented by proxy. For the purpose of determining the presence of a quorum, abstentions and broker non-votes (which occur when shares held by brokers or nominees for beneficial owners are voted on some matters but not on others) will be counted as present. As of the Record Date, 52,866,743 common shares were issued and outstanding.

How many votes do I have?

Each common share outstanding on the Record Date is entitled to one vote on each item submitted for consideration. If a Shareholder is a participant in our Dividend Reinvestment Plan, the proxy card enclosed herewith represents shares in the participant's account, as well as shares held of record in the participant's name as part of such plan.

Table of Contents

How do I vote?

By Mail: Vote, sign, date your proxy card and mail it in the postage-paid envelope.

In Person: Vote at the Annual Meeting.

By Call toll-free 1-866-540-5760 and follow the instructions. You will be prompted for certain information

Telephone: that can be found on your proxy card.

Via Internet: Log on to *www.proxyvoting.com/lxp* and follow the on-screen instructions. You will be prompted for certain information that can be found on your proxy card.

How do I vote my shares that are held by my broker?

If you have shares held by a broker, you may instruct your broker to vote your shares by following the instructions that the broker provides to you. Most brokers offer voting by mail, telephone and on the Internet.

What am I voting on?

You will be voting on the following proposals:

to elect nine trustees to serve until the 2007 Annual Meeting of Shareholders; and

to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2006.

Will there be any other items of business on the agenda?

The Board of Trustees is not presently aware of any other items of business to be presented for a vote at the Annual Meeting other than the proposals noted above. Nonetheless, in case there is an unforeseen need, your proxy gives discretionary authority to Patrick Carroll and Paul R. Wood with respect to any other matters that might be brought before the meeting. Those persons intend to vote your proxy in accordance with their best judgment.

How many votes are required to act on the proposals?

Assuming a quorum is present at the Annual Meeting, (i) the affirmative vote of the holders of a plurality of the common shares cast at the Annual Meeting will be sufficient to elect each candidate for election as a trustee, and (ii) the affirmative vote of the holders of a majority of common shares entitled to vote will be sufficient to ratify the appointment of KPMG LLP as our independent registered public accounting firm. Therefore, abstentions as to the election of trustees will not affect the election of the candidates receiving a plurality of the votes cast. Abstentions as to the proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm and any other proposal will have the same effect as votes against such proposal.

What happens if I return my proxy card without voting on all proposals?

When you return a properly executed proxy card, we will vote the shares that the proxy card represents in accordance with your directions. If you return the signed proxy card with no direction on a proposal, **we will vote your proxy in favor of (FOR) Proposals No. 1 and/or No. 2, as the case may be.**

What if I want to change my vote after I return my proxy?

You may revoke your proxy at any time before its exercise by:

(i) delivering written notice of revocation to our Secretary, Paul R. Wood, at c/o Lexington Corporate Properties Trust, One Penn Plaza, Suite 4015, New York, New York 10119-4015;

(ii) submitting to us a duly executed proxy card bearing a later date;

Table of Contents

(iii) voting via the Internet or by telephone at a later date; or

(iv) appearing at the Annual Meeting and voting in person; provided, however, that no such revocation under clause (i) or (ii) shall be effective until written notice of revocation or a later dated proxy card is received by our Secretary at or before the Annual Meeting, and no such revocation under clause (iii) shall be effective unless received on or before 11:59 p.m., Eastern Standard time, on May 22, 2006.

Attendance at our Annual Meeting will not constitute a revocation of a proxy unless the Shareholder affirmatively indicates at our Annual Meeting that such Shareholder intends to vote such Shareholder's shares in person.

Will anyone contact me regarding this vote?

It is contemplated that brokerage houses will forward the proxy materials to Shareholders at our request. In addition to the solicitation of proxies by use of the mails, our trustees, officers and regular employees may solicit proxies by telephone, facsimile, e-mail, or personal interviews without additional compensation. We reserve the right to engage solicitors and pay compensation to them for the solicitation of proxies.

Who has paid for this proxy solicitation?

We will bear the cost of preparing, printing, assembling and mailing the proxy, proxy statement and other materials that may be sent to shareholders in connection with this solicitation. We have retained Mellon Investor Services, LLC, an outside proxy solicitation firm, in connection with the Annual Meeting and will pay \$7,000 for its services. We may also reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses incurred in forwarding solicitation materials to the beneficial owners of shares held of record by such persons.

How do I submit a proposal for the 2007 Annual Meeting of Shareholders?

In order to be eligible for inclusion in our proxy materials for the 2007 Annual Meeting of Shareholders, any shareholder proposal to take action at such meeting must be received at the principal executive office of the Company located at One Penn Plaza, Suite 4015, New York, New York 10119-4015, Attention: Paul R. Wood, Secretary, no later than December 11, 2006. Our Board of Trustees will review any shareholder proposals that are timely submitted and will determine whether such proposals meet the criteria for inclusion in the proxy solicitation materials or for consideration at the 2007 Annual Meeting of Shareholders. In addition, the persons named in the proxies retain the discretion to vote proxies on matters of which we are not properly notified at our principal executive offices on or before 45 days prior to the 2007 Annual Meeting of Shareholders, and also retain such authority under certain other circumstances.

What does it mean if I receive more than one proxy card?

It means that you have multiple accounts at the transfer agent and/or with brokers. Please complete and return all proxy cards to ensure that all your shares are voted.

How do I receive future proxy materials electronically?

If you are a shareholder of record, you may, if you wish, receive future proxy statements and annual reports online. MANAGEMENT AND CORPORATE GOVERNANCE

Our Board of Trustees

Our Board of Trustees held twelve meetings during the fiscal year ended December 31, 2005. Each trustee attended at least 75% of the aggregate of the total number of meetings of our Board of Trustees and all committees of the Board of Trustees on which he served. Our Board of Trustees is comprised of nine trustees, a majority of whom our Board of Trustees has determined are independent as defined by the applicable listing standards of the New York Stock Exchange.

We expect all trustees to attend each annual general meeting of shareholders, but from time to time other commitments prevent all trustees from attending each meeting. All trustees that were trustees at such time attended the most recent annual general meeting of shareholders, which was held on May 24, 2005.

Trustee Independence

Our Board of Trustees has adopted the following categorical standards for independence:

A trustee who is, or has been within the last three years, an employee of the Company, or whose immediate family member is, or has been within the last three years an executive officer, of the Company may not be deemed independent. Employment as an interim Chairman, Chief Executive Officer or other executive officer will not disqualify a trustee from being considered independent following that employment.

A trustee who has received, or who has an immediate family member who has received, during any twelve-month period within the last three years, more than \$100,000 in direct compensation from the Company, other than trustee and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service), may not be deemed independent.

Compensation received by a trustee for former service as an interim Chairman, Chief Executive Officer or other executive officer and compensation received by an immediate family member for service as a non-executive employee of the Company will not be considered in determining independence under this test.

(A) A trustee who is, or whose immediate family member is, a current partner of a firm that is the Company's internal or external auditor; (B) a trustee who is a current employee of such a firm; (C) a trustee who has an immediate family member who is a current employee of such a firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice; or (D) a trustee who was, or whose immediate family member was, within the last three years (but is no longer) a partner or employee of such a firm and personally worked on the Company's audit within that time may not be deemed independent.

A trustee who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of the Company's present executive officers at the time serves or served on that company's compensation committee may not be deemed independent.

A trustee who is a current employee, general partner or significant equity holder (i.e., in excess of 10%), or whose immediate family member is a current executive officer, general partner or significant equity holder (i.e., in excess of 10%), of an entity that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1.0 million or 2% of such other entity's consolidated gross revenues, may not be deemed independent.

A trustee who is, or whose immediate family member is, affiliated with or employed by a tax-exempt entity that received significant contributions (i.e., more than 2% of such entity's consolidated gross revenues or more than \$1.0 million in a single fiscal year, whichever amount is lower) from the Company, any of its affiliates, any executive officer or any affiliate of an executive officer within the

Table of Contents

preceding twelve-month period may not be deemed independent, unless the contribution was approved in advance by the Board of Trustees.

For purposes of these categorical standards:

affiliate means any consolidated subsidiary of the Company and any other entity that controls, is controlled by or is under common control with the Company, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity;

executive officer means an *officer* within the meaning of Rule 16a-1(f) under the Securities Exchange Act of 1934, as amended; and

immediate family means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

Pursuant to our Corporate Governance Guidelines, our Board of Trustees, acting through the Nominating and Corporate Governance Committee, undertook its annual review of trustee independence in the first quarter of 2006. During this review, our Board of Trustees, in light of the categorical standards set forth above (which are also documented in our Corporate Governance Guidelines), considered transactions and relationships between each trustee or any member of his or her immediate family and us and our subsidiaries and affiliates, including those under *Certain Relationships and Related Transactions* and *Certain Business Relationships*, below. Our Board of Trustees also considered whether there were any transactions or relationships between a trustee or any member of his immediate family (or any entity of which a trustee or an immediate family member is an executive officer, general partner or significant equity holder) and members of our senior management or their affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with the determination that a trustee is independent.

As a result of this review, our Board of Trustees affirmatively determined that all of the trustees nominated for election at the Annual Meeting are independent of us and our management under the standards set forth in our Corporate Governance Guidelines, with the exception of Messrs. Roskind, Rouse and Eglin. Messrs. Roskind, Rouse and Eglin are considered inside trustees because of their employment as senior executives of the Company.

Committees of our Board of Trustees

Our Board of Trustees has four standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Executive Committee.

Audit Committee. The principal functions of the Audit Committee are described below under the heading *Audit Committee Report*. The Audit Committee members are Messrs. Perla (Chairman), Dohrmann and Lynch, each of whom were determined by our Board of Trustees to be *independent* as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Securities Exchange Act of 1934, as amended, and the applicable listing standards of the New York Stock Exchange. Our Board of Trustees has determined that Mr. Perla qualifies as an *Audit Committee Financial Expert* in accordance with Item 401(h) of Regulation S-K. None of the current Audit Committee members serves on the audit committees of more than three publicly registered companies. During the fiscal year ended December 31, 2005, the Audit Committee met thirteen times, including quarterly telephonic meetings with management and our independent registered public accounting firm, to discuss matters concerning, among other matters, financial accounting matters, the audit of our consolidated financial statements for the year ended December 31, 2005, and the adequacy of our internal controls over financial reporting.

Compensation Committee. The principal functions of the Compensation Committee are to determine the compensation for our executive officers and to administer and review our incentive compensation plans. The Compensation Committee members are Messrs. Lynch (Chairman), Grosfeld and Perla, each of whom

Table of Contents

were determined by our Board of Trustees to be independent as defined by the applicable listing standards of the New York Stock Exchange. During the fiscal year ended December 31, 2005, the Compensation Committee met three times.

Nominating and Corporate Governance Committee. The principal functions of the Nominating and Corporate Governance Committee are to identify individuals qualified to become trustees and/or executive officers, monitor corporate governance guidelines, lead the annual review of our Board of Trustees and make recommendations for service on all other committees. The Nominating and Corporate Governance Committee members are Messrs. Dohrmann (Chairman), Grosfeld and Glickman, each of whom were determined by our Board of Trustees to be independent as defined by the applicable listing standards of the New York Stock Exchange. During the fiscal year ended December 31, 2005, the Nominating and Corporate Governance Committee met three times. The Nominating and Corporate Governance Committee does not currently intend to consider trustee nominations by shareholders.

Our Board of Trustees believes that the Nominating and Corporate Governance Committee is qualified and in the best position to identify, review, evaluate and select qualified candidates for membership on our Board of Trustees based on the criteria described in the next paragraph.

In recommending candidates for membership on our Board of Trustees, the Nominating and Corporate Governance Committee's assessment includes consideration of issues of judgment, diversity, age, expertise and experience. The Nominating and Corporate Governance Committee also considers other relevant factors as it deems appropriate. Generally, qualified candidates for board membership should (i) demonstrate personal integrity and moral character, (ii) be willing to apply sound and independent business judgment for the long-term interests of shareholders, (iii) possess relevant business or professional experience, technical expertise or specialized skills, (iv) possess personality traits and background that appear to fit with those of the other trustees to produce a collegial and cooperative environment, (v) be responsive to our needs, and (vi) have the ability to commit sufficient time to effectively carry out the substantial duties of a trustee. After completing this evaluation and review, the Nominating and Corporate Governance Committee makes a recommendation to our Board of Trustees as to the persons who should be nominated by our Board of Trustees, and our Board of Trustees determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

Executive Committee. The principal function of the Executive Committee is to exercise the authority of our Board of Trustees regarding routine matters performed in the ordinary course of business. As of December 31, 2005, the Executive Committee was comprised of Messrs. Glickman (Chairman), Eglin and Roskind. During the fiscal year ended December 31, 2005, the Executive Committee met once.

Lead Trustee and Shareholder Communications

The Lead Trustee of our Board of Trustees presides at all regularly-scheduled executive sessions of the non-management members or independent members of our Board of Trustees. Mr. Glickman is currently the Lead Trustee of our Board of Trustees.

Interested parties wishing to communicate directly with our Board of Trustees, an individual trustee, the Lead Trustee or the non-management members of our Board of Trustees as a group should address their inquiries to our General Counsel by mail sent to our principal executive office located at One Penn Plaza, Suite 4015, New York, New York 10119-4015. Certain Relationships and Related Transactions

Each of our trustees and executive officers has entered into an indemnification agreement with the Company. Pursuant to these agreements, we agree to indemnify each trustee and executive officer who is a party to such an agreement against any and all judgments, penalties, fines, settlements and reasonable expenses (including attorneys fees) actually incurred by the trustee or executive officer in such capacity or in a similar capacity for any other entity at our request. These agreements include certain limitations on our obligations in certain circumstances, particularly in situations in which such indemnification is prohibited or limited by applicable law.

On September 9, 2005, Lexington Strategic Asset Corp. (LSAC), then a wholly-owned subsidiary of the Company, granted awards (the Awards) under the Lexington Strategic Asset Corp. 2005 Equity Incentive Plan (the LSAC Equity Plan) in the aggregate amount of 308,000 shares of common stock, par value \$0.0001 per share, of LSAC (LSAC Common Stock) to certain executive officers of LSAC, who are also executive officers of the Company, at a purchase price of \$0.50 per share, as follows:

These shares of LSAC Common Stock vest and become transferable ratably at the end of each calendar quarter during the period beginning on the date of purchase and ending on December 31, 2008. These shares of LSAC Common Stock will also vest and become transferable if, during the vesting period, the Executive's appointment ends on account of death, disability or following a change in control of LSAC. While unvested, these shares of LSAC Common Stock are subject to a call right by LSAC upon termination or resignation by the executive for the lower of the purchase price paid by the executive for the unvested shares of LSAC Common Stock or the then fair market value of the shares of LSAC Common Stock.

On October 6, 2005, LXP Advisory LLC, an indirect subsidiary of the Company and external advisor to LSAC, received 100 Class B Units of LSAC Operating Partnership L.P. (LSAC OP), an operating partnership subsidiary of LSAC, in connection with an advisory agreement between LXP Advisory LLC and LSAC. Class B Units are entitled to quarterly incentive distributions paid in cash in arrears in an amount equal to (i) 25% of the amount by which (a) adjusted pre-tax net income per share (as defined in the partnership agreement of LSAC OP) for such quarter exceeds (b) an amount equal to (x) the weighted average of the offering price per share of LSAC Common Stock sold in LSAC's private offering and issued to the Company in exchange for certain assets in October 2005, the offering prices per share of LSAC Common Stock in any subsequent offerings and the agreed upon value of operating partnership units in LSAC OP issued in connection with any acquisition, multiplied by (y) the greater of (1) 2.25% and (2) 0.75% plus one fourth of the 10-year U.S. treasury rate (as defined in the partnership agreement of LSAC OP) for such quarter, multiplied by (ii) the fully diluted weighted average number of shares of LSAC Common Stock outstanding during such quarter.

LXP Advisory LLC allocated 35.2 Class B Units of the 100 Class B Units it received to certain of the Company's executive officers as follows:

Executive	Number of Class B Units

Report of the Audit Committee of our Board of Trustees

The Audit Committee of the Board of Trustees is responsible for providing independent, objective oversight of our accounting functions and internal controls. The Audit Committee is composed of three trustees each of whom is independent as independence is defined in the New York Stock Exchange's listing rules. The Audit Committee operates under a written charter approved by our Board of Trustees, a copy of which is available on the Company's Internet address located at www.lxp.com, under Investor Relations/ Corporate Governance. In addition, the charter of the Audit Committee, which was revised as of March 14, 2006, is attached as Annex A to this proxy statement. Such document is not deemed incorporated by reference into this proxy statement.

Management is responsible for the Company's internal controls and financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with auditing standards generally accepted in the United States of America, attesting to management's assessment of, and the effectiveness of, the Company's internal control over financial reporting in accordance with the auditing standards of the Public Company Accounting Oversight Board (United States), and issuing a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. The Audit Committee charter is designed to assist the Audit Committee in complying with applicable provisions of the Securities Exchange Act of 1934, as amended, and the New York Stock Exchange's listing rules, all of which relate to corporate governance and many of which directly or indirectly affect the duties, powers and responsibilities of the Audit Committee. Among these duties, powers and responsibilities of the Audit Committee as provided in the Audit Committee charter, the Audit Committee:

has sole power and authority concerning the engagement and fees of independent registered public accounting firms,

reviews with the independent registered public accounting firm the scope of the annual audit and the audit procedures to be utilized,

pre-approves audit and permitted non-audit services provided by the independent registered public accounting firm,

reviews the independence of the independent registered public accounting firm,

reviews the adequacy of the Company's internal accounting controls, and

reviews accounting, auditing and financial reporting matters with the Company's independent registered public accounting firm and management.

In connection with these responsibilities, the Audit Committee met with management and the independent registered public accounting firm to review and discuss the December 31, 2005 audited consolidated financial statements. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement of Auditing Standards No. 61. The Audit Committee also received written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit

Table of Contents

Committees), and the Audit Committee discussed with the independent registered public accounting firm that firm's independence.

Consistent with Securities and Exchange Commission policies regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm.

Pursuant to the Audit Committee charter, the Audit Committee is responsible for the pre-approval of all auditing services and, to the extent permitted under applicable law, non-audit services to be provided to the Company by the independent registered public accounting firm engaged by the Company. The Chairperson of the Audit Committee is delegated the authority to grant such pre-approvals. The decisions of the Chairperson to pre-approve any such activity are presented to the Audit Committee at the next scheduled meeting. In accordance with the foregoing, the retention by management of the independent registered accounting firm engaged by the Company for tax consulting services for specific projects is pre-approved, provided, that the cost of any such retention does not exceed \$20,000 and the annual cost of all such retentions does not exceed \$50,000.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm referred to above, and the Audit Committee's review of the representations of management, the Audit Committee recommended that our Board of Trustees include the December 31, 2005 audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, filed with the Securities and Exchange Commission on March 14, 2006.

Report of the Compensation Committee of our Board of Trustees

For the fiscal year ended December 31, 2005, all matters concerning executive compensation for the Chairman, Chief Executive Officer and other executive officers were considered and acted upon by the Compensation Committee of the Board of Trustees.

Compensation Philosophy. The Company's compensation program for executive officers is based upon a desire to achieve both its short-term and long-term business goals and strategies with a view to enhancing shareholder value. To achieve its goals, the Company recognizes that it must adopt a compensation program which will attract, retain and motivate qualified and experienced executive officers, and that its compensation program should align the financial interests of its executive officers with those of its shareholders.

Compensation of Executive Officers (other than the Chief Executive Officer). In approving the annual salary for the executive officers of the Company (other than the Chief Executive Officer) for 2005, the Compensation Committee considered several factors, including the scope of the individual's responsibilities, competitive payment practices, the historical financial results of the Company and the anticipated financial performance of the Company. The compensation determination for each individual was largely subjective and no specific weight was given to any particular factor. In addition to their base salaries, these executive officers of the Company receive discretionary bonuses tied to the overall performance of the Company and their individual performances. In this regard, the Compensation Committee established specific performance goals

Table of Contents

for the payment of discretionary bonuses which are based on the per share growth in cash available for distributions and total annual shareholder return, and also considered the results of a compensation study prepared for the Company by an independent outside compensation consulting firm (as described further below).

Compensation of Chief Executive Officer. As with the other executive officers, the Compensation Committee determined the annual salary for the Chief Executive Officer based upon a number of factors and criteria, including the historical financial results of the Company, the anticipated financial performance of the Company and the requirements of the Chief Executive Officer. The compensation determination for the Chief Executive Officer was largely subjective, and no specific weight was given to any particular factor. The Chief Executive Officer of the Company is also eligible to receive discretionary bonuses tied to the overall performance of the Company and his individual performance. The Compensation Committee has established specific performance goals for the payment of discretionary bonuses which are the same as for the other executive officers of the Company, and also considered the results of a compensation study prepared for the Company by an independent outside compensation consulting firm (as described further below).

1998 Share Option Plan and 2002 Equity-Based Award Plan. The Company had traditionally provided its executive officers with the opportunity to acquire significant equity stakes in its growth and prosperity through the grant of common share options. Based in part on the results of a compensation study prepared for the Company by an independent outside compensation consulting firm, the Compensation Committee determined that it is in the Company's best interest to cease granting options to its executive officers under its existing plans (the 1998 Share Option Plan and the 2002 Equity-Based Award Plan) effective January 1, 2003. However, other forms of compensation, including common share awards which are subject to a vesting schedule, may be and have been granted to the Company's executive officers under the 2002 Equity-Based Award Plan and the 1998 Share Option Plan.

Compensation Study. In 2005, the Compensation Committee retained the services of an independent outside compensation consulting firm to review the Company's existing executive compensation program and to develop recommendations for bonuses in respect of 2005 and salary and long-term incentive programs for 2006.

2006 Base Salaries, 2005 Performance Bonuses and 2006 Long-Term Incentive Awards.

In January 2006, the Company granted increases in annual base salaries for calendar year 2006, performance bonuses with respect to calendar year 2005 and long-term incentive awards in the form of grants of non-vested common shares under the Company's 1998 Share Option Plan, to the named executive officers, as follows:

Name and Title	2006 Salary Increase	New 2006 Base Salary	2005 Performance Bonus	Value of Long-Term Incentive Award
			Award	Award
E. Robert Roskind Chairman	\$ 25,000	\$ 450,000	\$ 612,000	\$ 1,000,000
T. Wilson Eglin Chief Executive Officer, President and Chief Operating Officer	50,000	475,000	612,000	2,000,000
Richard J. Rouse Vice Chairman and Chief Investment Officer	40,000	450,000	590,400	1,000,000
Patrick Carroll Executive Vice President, Chief Financial Officer and Treasurer	25,000	325,000	432,000	800,000
John B. Vander Zwaag Executive Vice President	25,000	315,000	417,600	706,500

Performance Bonus Awards. In addition to their base salaries and long-term incentive awards, the named executive officers received bonus awards tied to the Company's overall performance and their individual performances.

Messrs. Roskind, Eglin, Rouse and Carroll were paid a portion of the performance bonus, equal to two weeks of their salary, in cash, as part of a company-wide holiday pay. The remainder of their performance bonus was awarded in non-vested common shares that vest in equal installments on each of the next five anniversary dates of the award.

Each award is governed by a non-vested share agreement. The vesting of the non-vested common shares may accelerate upon certain events. The non-vested common shares are entitled to voting rights and receive dividends. The number of common shares issued was determined by dividing (x) the sum of the amount of the bonus as specified above less the portion paid in cash by (y) the closing price of the common shares on the New York Stock Exchange on January 17, 2006 (\$22.10 per share), the first closing price after the performance bonus amounts were preliminarily approved by the Board of Trustees. Mr. Vander Zwaag's performance bonus, inclusive of the company-wide holiday pay, was paid entirely in cash.

Long-Term Incentive Awards. The total long-term incentive award granted to each named executive officer was allocated 50% as a time-based award and 50% as a performance-based award. Each award is governed by non-vested share agreement.

Pursuant to the non-vested share agreement, the time-based awards and the performance-based awards will vest in full on the fifth anniversary of the date of the award, provided certain performance targets are met,

Table of Contents

with regard to the performance-based awards. The performance-based awards require that the Company achieve certain pre-determined financial hurdles in each of the five years the non-vested shares vest. The financial hurdles are based upon total return to shareholders (TRS). For the applicable non-vested shares to vest, the Company s TRS must exceed certain market benchmarks. The formula incorporates a carryback/carryforward feature that would, in essence, average the TRS performance over the five-year vesting period. The vesting of both time-based awards and performance-based awards may accelerate upon certain events. The non-vested common shares are entitled to voting rights and receive dividends. The number of common shares issued was determined by dividing the value of the award as specified above by the closing price of the common shares on the New York Stock Exchange on January 17, 2006 (\$22.10 per share), the first closing price after the performance bonus amounts were preliminarily approved by the Board of Trustees.

LSAC Compensation. As discussed above under Certain Relationships and Related Transactions, during 2005, the executive officers named in the summary compensation table also purchased LSAC Common Stock and were allocated Class B Units in LSAC OP.

Out-Performance Plan

The Compensation Committee and the Board of Trustees are considering the establishment of an Outperformance Plan (the OP Plan), through which certain of our executives can receive equity awards if the Company generates superior returns for its shareholders. The OP Plan will be performance-based, utilizing TRS as the measurement criteria. Awards under the OP Plan will be paid in non-vested common shares, with the amount awarded to be based on the value created for shareholders in excess of certain performance thresholds. Once formal documentation of the OP Plan is prepared and approved, the terms and documentation of the OP Plan and any awards made under the OP Plan will be disclosed.

Employment Agreements

The Company has entered into an employment agreement with each of Messrs. Roskind, Rouse, Eglin, Carroll, and Vander Zwaag, as well as Mr. Paul R. Wood, Vice President, Chief Accounting Officer and Secretary. Each such agreement sets forth the terms of the named officer s employment by the Company including compensation and benefits. In addition, pursuant to each agreement, upon the occurrence of a change in control of the Company (including a change in ownership of more than fifty percent of the total combined voting power of the Company s outstanding securities, the sale of all or substantially all of the Company s assets, dissolution of the Company, the acquisition, except from the Company, of 20% or more of the common shares or voting shares of the Company or a change in the majority of the Board of Trustees), the named officers would be entitled to severance benefits equal to three times (for Messrs. Roskind, Rouse, Eglin, Carroll and Vander Zwaag), and one time (for Mr. Wood), the officers current annual base salary and recent annual bonus, as defined.

In addition, the Company will, at its expense, provide continued health care coverage under the Company s medical and dental plans to the officers referenced above and eligible dependents for three years for Messrs. Roskind, Rouse, Eglin, Carroll and Vander Zwaag, and one year for Mr. Wood.

Compensation of Trustees

Each of our non-employee trustees receives an annual fee of \$25,000 for service as a trustee. Such trustees currently also receive \$1,000 for each meeting of our Board of Trustees or any committee thereof attended by the trustee and reimbursement for expenses incurred in attending such meetings, and \$500 for telephonic meetings of our Board of Trustees or any committee thereof attended by the trustee, which has been increased to \$1,000 for 2006. In addition, the chairpersons of the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee and the Lead Trustee currently receive an additional \$10,000 per annum. Pursuant to our 1994 Outside Director Stock Plan, as amended, each non-employee trustee is required to receive not less than 50% of such trustee s fees in common shares based on a per share value equal to 95% of the trading value of common shares as of the date of payment. During 2005, all trustees elected to receive 100% of their trustee fees in common shares. Effective January 1, 2003, all non-employee trustees received annually, in addition to the fees described above, 2,000 common shares, which was increased to 2,500 common shares for 2005 and was further increased to 3,000 common shares for 2006.

Table of Contents**PROPOSAL NO. 2****RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Trustees will submit its recommendation with respect to the engagement of our independent registered public accounting firm for the year ending December 31, 2006 at the meeting of the full Board of Trustees, which is expected to take place during the Company's second fiscal quarter. KPMG LLP has been the Company's independent registered public accounting firm since 1993.

Although shareholder ratification of the appointment of our independent registered public accounting firm is not required by our Bylaws or otherwise, the Company is submitting the selection of KPMG LLP to the Shareholders for ratification as a matter of good corporate governance practice. Even if the selection is ratified, the Audit Committee in its discretion may appoint an alternative independent registered public accounting firm if it deems such action appropriate. If the Shareholders do not ratify the Audit Committee's selection, the Audit Committee will take that fact into consideration, together with such other factors it deems relevant, in determining its next selection of an independent registered public accounting firm.

KPMG LLP was engaged to perform the annual audit of our consolidated financial statements for the calendar year ended December 31, 2005. There are no affiliations between us and KPMG LLP's partners, associates or employees, other than as pertaining to KPMG LLP's engagement as our independent registered public accounting firm. Representatives of KPMG LLP are expected to be present at the Annual Meeting and will be given the opportunity to make a statement if they so desire and to respond to appropriate questions.

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of the Company's annual financial statements for each of 2005 and 2004, and fees billed for other services rendered by KPMG LLP.

	2005	2004
Audit fees	\$ 888,450	\$ 909,444
Audit-related fees	514,169(1)	215,069(2)
Total audit and audit related fees	\$ 1,402,619	\$ 1,124,513
Tax fees(3)	\$ 262,400	\$ 152,500
All other fees	1,500(4)	12,629(5)
Total fees	\$ 1,666,519	\$ 1,289,642

- (1) 2005 audit-related fees include services rendered relating to our 2005 common and preferred share offerings and audits of joint ventures.
- (2) 2004 audit-related fees include services rendered relating to our 2004 common and preferred share offerings and audits of joint ventures.
- (3) Tax fees consisted of fees for tax compliance and preparation services.
- (4) Relates to a licensing fee paid by the Company to KPMG for accounting research software.
- (5) Relates to (i) \$1,629 for a licensing fee paid by the Company to KPMG for accounting research software and (ii) \$11,000 for tax consulting services.

The Audit Committee has determined that the non-audit services provided by the independent registered public accounting firm are compatible with maintaining the accountants' independence. The percentage of services set forth above in the categories Audit-related fees, Tax fees and All other fees that were approved by the Audit Committee pursuant to Rule 2-01(c)(7)(i)(C) of the Exchange Act (relating to the approval of non-audit services after the fact but before completion of the audit) was 0%.

The Audit Committee of the Board of Trustees must pre-approve the audit and non-audit services performed by the Company's independent registered public accounting firm, and has adopted appropriate policies in this regard. With regard to fees, annually, the independent registered public accounting firm provides the Audit Committee with an engagement letter outlining the scope of the audit services proposed to

Table of Contents

be performed during the fiscal year. Upon the Audit Committee's acceptance of and agreement to the engagement letter, the services within the scope of the proposed audit services are deemed pre-approved pursuant to this policy. The Audit Committee must pre-approve any change in the scope of the audit services to be performed by the independent registered public accounting firm and any change in fees relating to any such change. Specific audit-related services and tax services are pre-approved by the Audit Committee, subject to limitation on the dollar amount of such fees, which dollar amount is established annually by the Audit Committee. Services not specifically identified and described within the categories of audit services, audit-related services and tax services must be expressly pre-approved by the Audit Committee prior to us engaging any such services, regardless of the amount of the fees involved. The Chairperson of the Audit Committee is delegated the authority to grant such pre-approvals. The decisions of the Chairperson to pre-approve any such activity shall be presented to the Audit Committee at the next scheduled meeting. In accordance with the foregoing, the retention by management of the Company's independent registered public accounting firm for tax consulting services for specific projects is pre-approved, provided, that the cost of any such retention does not exceed \$20,000 and the annual cost of all such retentions does not exceed \$50,000. The Audit Committee does not delegate to management its responsibilities to pre-approve services to be performed by the Company's independent registered public accounting firm.

Ratification of the intention of the Audit Committee of the Board of Trustees to select KPMG LLP requires the affirmative vote of the holders of a majority of the shares entitled to vote thereon by person or by proxy at the Annual Meeting. As a result, any shares not affirmatively voted (whether by abstention, broker non-vote or otherwise) will have the same effect as a vote against Proposal No. 2.

The Board of Trustees recommends that Shareholders vote FOR Proposal No. 2.
