Dr. Reddy s enters the Dermatology topical anti-fungal market with the launch of Ebernet (Eberconazole) Hyderabad, India, September 05, 2007: Ebernet (Eberconazole 1% cream) has been launched nationwide in September, marking the entry of Dr. Reddy s into the Rs.100 crore topical anti-fungal market, with an innovative, first to launch formulation.

Ebernet , an innovative formulation with superior penetration properties, is indicated in the treatment of superficial fungal infections and is available in 10gm pack. Ebernet is a brand licensed from the original innovator company, Salvat Laboratories of Spain.
