¹ Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market generally are required to settle in three business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade bonds on the date of pricing or the next succeeding business day will be required, by virtue of the fact that the bonds initially will settle T + 5, to specify an alternate settlement cycle at the time of any such trade to prevent a failed settlement. Purchasers of bonds who wish to trade such

bonds on the
date of pricing
or the next
succeeding
business day
should consult
their own
advisor.
