(1) Clayton, Dubilier & Rice Fund VIII, L.P. (Fund VIII) holds 249,651 shares of a class of convertible preferred stock, par value \$1.00 per share, of NCI Building Systems, Inc., a Delaware corporation (the Company or the Issuer) designated the Series B Cumulative Convertible Participating Preferred Stock (the Preferred Stock, and shares thereof, the Preferred Shares). Each Preferred Share is entitled to vote with holders of shares of common stock, par value \$0.01 per share (Common Stock) of the Issuer on an as-converted basis (without taking into account any limitations on convertibility that may then be applicable). Fund VIII s voting percentage is 68.3%, calculated using a fraction, the numerator of which is 195,835,426 (representing 249,651 Preferred Shares held by Fund VIII, voted on an as-converted basis), and the denominator of which is 286,665,234 (calculated by adding the current number of outstanding shares of Common Stock, which is 90,556,040, plus the total number of Preferred Shares outstanding, voted on an as-converted basis, which is 196,109,194).

(2) Represents the number of available, unreserved and unissued shares of Common Stock into which the 249,651 Preferred Shares held by Fund VIII could be converted within 60 days of the date hereof. 249,651 Preferred Shares were issued to Fund VIII in a private offering (the Investment) pursuant to an Investment Agreement, dated August 14, 2009, as amended, which closed on October 20, 2009.

Assuming the authorization of additional shares of Common Stock by the affirmative vote of the shareholders of the Issuer at a meeting duly called by the Issuer, the 249,651 shares of Preferred Stock held by Fund VIII will be convertible into 195,835,426 shares of Common Stock based on the initial conversion price of \$1.2748. The Issuer is required to seek stockholder approval to increase the number of authorized shares of Common Stock as described in Item 4(h) of this Schedule 13D.

(3) This percentage is calculated using a fraction, the numerator of which is 195,835,426 (representing 249,651 shares of Preferred Stock held by Fund VIII, voted on an as-converted basis), and the denominator of which is 286,665,234 (calculated by adding the current number of outstanding shares of Common Stock, which is 90,556,040, plus the total number of shares of Preferred Stock outstanding, voted on an as-converted basis, which is 196,109,194).

Item 1. Security and Issuer

This Statement on Schedule 13D (Schedule 13D) is being filed on behalf of the Reporting Persons (as defined in Item 2(a) below) with respect to the shares of common stock (Common Stock, and shares thereof, the Common Shares), par value \$0.01 per share, of NCI Building Systems, Inc., a Delaware corporation (the Issuer or the Company). The Issuer s principal executive offices are located at 10943 North Sam Houston Parkway West, Houston, Texas 77064.

The Reporting Persons currently hold shares of a class of convertible preferred stock, par value \$1.00 per share, of the Company, designated the Series B Cumulative Convertible Participating Preferred Stock (the Preferred Stock, and shares thereof, the Preferred Shares). Each share of Preferred Stock is convertible at any time into a number of shares of Common Stock, with the precise number determined by a formula in the Certificate of Designations, Preferences, Limitations and Rights of Series B Cumulative Convertible Participating Preferred Stock of the Company, incorporated by reference to Exhibit 10 hereto. Furthermore, the Reporting Persons are entitled to the number of votes equal to the number of shares of Common Stock into which the Preferred Stock held by the Reporting Persons can be converted, without regard to any limitations on convertibility due to the number of authorized shares of Common Stock available for issuance that may then be applicable. Consequently, the Reporting Persons may be deemed to beneficially own the shares of Common Stock into which the shares of Preferred Stock held by the Reporting Persons are convertible, without regard to the number of authorized shares of Common Stock available for issuance.

(f)

The CD&R Funds, CD&R Associates VIII, Ltd., CD&R Associates VIII, L.P., and CD&R Investment Associates VIII, Ltd. are organized under the laws of the Cayman Islands.

Item 3. Source and Amount of Funds or Other Consideration.

The aggregate purchase price for each of the 249,651 shares of Preferred Stock and 349 shares of Preferred Stock acquired by Fund VIII and FF Fund VIII, respectively, was \$249,651,000 and \$349,000, respectively.

Fund VIII and FF Fund VIII obtained funds from capital contributions of their respective partners.

Item 4. Purposes of the Transaction.

The CD&R Funds acquired the Preferred Stock for general investment purposes. The CD&R Funds may seek to sell the Preferred Stock or the Common Stock into which such Preferred Stock is convertible in the ordinary course of business.

(a)

See each footnote (2) to the cover pages of this Schedule 13D for a description of the Reporting Persons' ability to acquire Common Stock through the conversion of the Preferred Stock.

(b)

The CD&R Funds acquired the Preferred Stock pursuant to the Investment Agreement. Pursuant to the Investment Agreement, on October 20, 2009 (the Closing Date), the Company issued and sold to the CD&R Funds, and the CD&R Funds purchased from the Company, an aggregate of 250,000 Preferred Shares, representing approximately 68.4% of the voting power and Common Stock of the Company on an as-converted basis (such purchase and sale, the Equity Investment). In connection with the closing of the Equity Investment, the Company, among other things: consummated its exchange offer to acquire all of the Company's existing 2.125% convertible notes due 2024 in exchange for a combination of cash and shares of Common Stock;

refinanced the Company's Credit Agreement, dated June 18, 2004, with Wachovia Bank, National Association, and the lenders party thereto, which included the partial prepayment of approximately \$143 million in principal amount of the existing \$293 million in principal amount of outstanding term loans thereunder and a modification of the terms and an amendment and extension of the maturity of the remaining \$150 million outstanding balance of the term loans; and

entered into a new \$125 million asset-based revolving credit facility.

(c)

Not applicable.

(d)

Pursuant to the Investment Agreement (as defined in Item 5(c) below), the Company caused all directors serving on its board of directors (the Board) immediately prior to the closing of the Investment on October 20, 2009 (other than the Company's Chief Executive Officer and two other directors) to resign from its Board, effective as of October 20, 2009, and to cause three of the vacancies on the Company's Board to be filled by persons nominated or designated by the CD&R Funds.

Pursuant to the Stockholders Agreement between the Issuer and the CD&R Funds, dated as of October 20, 2009 (the Stockholders Agreement), the CD&R Funds have the right to designate a number of directors to the Board that is proportional to the CD&R Funds' voting power. On or after the eleventh day following the filing of and mailing to shareholders of the Company an information statement on Schedule 14F-1 in accordance with the requirements of Section 14(f) of the Securities Exchange Act of 1934, as amended, and Rule 14f-1 promulgated thereunder, the Company will cause two vacancies on the Board to be filled by persons nominated or designated by the CD&R Funds. The Stockholders Agreement is further described under Item 6 below.

(e)

The Certificate of Designations provides that holders of Preferred Stock will participate equally and ratably with the holders of Common Stock in all cash dividends paid on the shares of the Common Stock on an as-converted basis, without regard to any limitations on convertibility due to the number of authorized shares of Common Stock available for issuance that may then be applicable. In addition to such dividends, the Preferred Stock will accrue dividends at a rate per annum of 12.00% if paid in kind or at a rate per annum of 8.00% if paid in cash, which would be reduced to a rate per annum of 0.00% if, at any time after the 30-month anniversary of the Closing Date, the volume weighted average trading price per share of Common Stock equals or exceeds two times a specified target price (which is equal to \$1.2748 at the Closing Date, but is subject to customary adjustments thereafter) for each trading day during any period of 20 consecutive trading days. Upon the occurrence of a default under the terms of the Preferred Stock, the applicable dividend rate will increase by (i) 6.00% per annum, if the default is the result of a failure by the Issuer after June 30, 2011 to reserve and keep available for issuance a number of shares of Common Stock equal to 110% of the number of shares of Common Stock issuable upon conversion of all outstanding shares of Preferred Stock, or (ii) 3.00% per annum for any other default. If dividends on the Preferred Stock are paid in kind, they will dilute the ownership interest of the Issuer's

stockholders. The decision to pay dividends in kind or in cash may be made only by directors who are independent from the CD&R Funds.

Shares of Common Stock will rank junior as to dividend rights, redemption payments and rights (including as to distribution of assets) in any liquidation, dissolution, or winding-up of the affairs of the Company and otherwise to the shares of Preferred Stock.

(f)

Not applicable.

(g)

Not applicable.

(h)

Pursuant to the Stockholders Agreement, the Company has agreed to use its best efforts and take all corporate actions necessary to obtain stockholder approval of certain amendments to its certificate of incorporation, including the following:

an increase in number of authorized shares of Common Stock;

an amendment that enables holders of a majority of the capital stock of the Company entitled to vote generally in the election of directors to vote on proposals affecting the number of authorized shares of any class or classes of stock;

In the event that stockholder approval of these amendments is not obtained by the date that is 18 months following the Closing Date, or at any time thereafter the number of shares of authorized but unissued and unreserved shares of Common Stock is less than 110% of the number of shares of common stock required to permit the conversion of all then-outstanding shares of Preferred Stock into shares of Common Stock in accordance with the applicable terms of conversion as set forth in the Certificate of Designations, the Issuer has agreed to take all actions permitted by law and consented to by the CD&R Funds (if such consent is required under the terms of the Stockholders Agreement), to increase the number of shares of authorized but unissued and unreserved shares of Common Stock, including, without limitation, at the option of the CD&R Funds (in their sole discretion), taking actions to effect a reclassification or to create a new class of capital stock generally identical to the common stock.
