Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 25, 2010, the Compensation Committee of the Board of Directors of NACCO Materials Handling Group, Inc. (NMHG), a wholly-owned subsidiary of NACCO Industries, Inc. (NACCO), adopted the NMHG 2010 Annual Incentive Compensation Plan (the Plan), an annual incentive compensation plan and related performance objectives and targets for the benefit of certain executive and management employees at NMHG.

The Plan provides that each participant is eligible to earn a target incentive award during the award term of January 1, 2010 through December 31, 2010. The final payout for each individual under the Plan are generally based on the participant s target award measured against established performance criteria and performance by the participant against individual goals for the January 1, 2010 through December 31, 2010 performance period. However, in the event of a change in control (as defined in the Plan) participants will be entitled to receive a pro-rata target award for the year.

The NMHG Compensation Committee, in its discretion, may also increase or decrease awards under the Plan and may approve the payment of awards where performance would otherwise not meet the minimum criteria set for payment of awards.

Performance objectives under the Plan will be based on a combination, of the following criteria, or the attainment of specified levels of growth or improvement in one or more of the following criteria: adjusted return on total capital employed (ROTCE), operating profit dollars, operating profit percentage and market share.

For 2010, the performance criteria under the Plan are as follows: NMHG s ROTCE (15%); adjusted operating profit dollars (30%); adjusted operating profit percentage (25%) and market share (30%). Absent a change in control, final payouts under the Plan will be determined by the NMHG Compensation Committee following December 31, 2010 and generally range from 0% to 70% of the participant s target award amount. Final payouts will be paid in cash, less applicable withholdings, during the period from January 1, 2011 to March 15, 2011 or earlier in the event of a change in control (as defined in the Plan).

The Plan is attached to this Current Report on Form 8-K as Exhibit 10.1 and is hereby incorporated herein by reference thereto. The foregoing summary of the Plan is qualified in its entirety by reference to the full text of the Plan.
