This Amendment No. 1 (this Amendment) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the Securities and Exchange Commission on January 25, 2011 (which, together with this Amendment and any subsequent amendments and supplements thereto, collectively constitute this Schedule TO) by Nano Merger Sub, Inc., a Delaware corporation (the Purchaser), and a wholly-owned subsidiary of IDEX Corporation, a Delaware corporation (IDEX), relating to the offer by the Purchaser to purchase all of the issued and outstanding shares of common stock, par value \$0.01 per share, of Microfluidics International Corporation, a Delaware corporation (Microfluidics), at a purchase price of \$1.35 per share, net to the seller in cash, without interest but subject to any applicable tax withholding, upon the terms and subject to the conditions set forth in the Offer to Purchase, dated January 25, 2011 (which, together with any amendments and supplements thereto, collectively constitute the Offer to Purchase), and in the related Letter of Transmittal, copies of which are attached hereto as Exhibits (a)(1)(A) and (a)(1)(B), respectively.

**Item 11. Additional Information**

Section (a)(5) of Item 11 of this Schedule TO is hereby amended and supplemented as follows:

The information set forth in Section 17 of the Offer to Purchase, entitled Legal Proceedings, is hereby amended and restated in its entirety as follows:

On January 14, 2011, Joseph P. Daly, a purported stockholder of Microfluidics, filed a complaint (which, together with any amendments thereto, collectively constitutes the Daly Complaint) on behalf of himself and as a putative class action on behalf of Microfluidics public stockholders against IDEX, the Purchaser, Microfluidics and each member of Microfluidics board of directors in the Court of Chancery of the State of Delaware. On January 28, 2011, Mr. Daly filed an amended complaint. The Daly Complaint alleges, among other things, that the defendants breached fiduciary duties or aided and abetted the alleged breach of fiduciary duties in connection with the Offer and the Merger contemplated by the Merger Agreement through an allegedly unfair process and for an unfair price. The Daly Complaint does not state how many Shares are purportedly held by Mr. Daly. The Daly Complaint seeks, among other things, a declaration that the action brought by the complaint is properly maintainable as a class action, an order enjoining the transactions contemplated by the Merger Agreement, a rescission of the Merger Agreement, an award of damages to the plaintiff and other members of the class, and an award of the plaintiff's costs, including attorneys' and experts' fees. IDEX and the Purchaser believe that the Daly Complaint is wholly without merit and intend to defend the case vigorously. The foregoing summary of the Daly Complaint does not purport to be complete and is qualified in its entirety by reference to the Daly Complaint, which has been filed with the SEC as an exhibit to the Schedule TO.

On January 20, 2011, Paul Shumsky, a purported stockholder of Microfluidics, filed a complaint (the Shumsky Complaint) on behalf of himself and as a putative class action on behalf of Microfluidics public stockholders against Microfluidics and five of the six members of Microfluidics board of directors in the Superior Court of Middlesex County in the Commonwealth of Massachusetts. The Shumsky Complaint alleges, among other things, that the defendants breached fiduciary duties in connection with the Offer and the Merger contemplated by the Merger Agreement by failing to engage in an adequate sale process, by agreeing to a transaction that undervalues the Company, and by agreeing to preclusive deal protection provisions that will greatly reduce the possibility of the emergence of a superior offer. The complaint does not state how many Shares are purportedly held by Mr. Shumsky. The complaint seeks, among other things, a declaration that the action brought by the complaint is properly maintainable as a class action, an order enjoining the transactions contemplated by the Merger Agreement, a rescission of the Merger Agreement, an award of damages to the plaintiff and other members of the class, and an award of the plaintiff's costs, including attorneys' and experts' fees. Microfluidics believes that the Shumsky Complaint is wholly without merit and intends to defend the case vigorously. The foregoing summary of the Shumsky Complaint does not purport to be complete and is qualified in its entirety by reference to the Shumsky Complaint, which has been filed with the SEC as an exhibit to the Schedule TO, and which is incorporated herein by reference.

The absence of an injunction or court order preventing the consummation of the Offer, the Merger or any other transactions contemplated by the Merger Agreement is a condition to the Purchaser's obligation to complete the Offer pursuant to the Merger Agreement.
